

ADULT PROGRAMMING REPORT FOR FEBRUARY 2015

Display Case: This month's display case featured an extensive mix of Japanese items from the collection of Lynn Dunn. Many pieces were from her time living in Japan as a teenager.

Bird Silhouette Pictures: This program was offered two times; afternoon and evening. Participants created pictures of bird silhouettes using book pages, sharpies and colorful bird photos. This program was well attended and will be offered again in the future due to popular demand.

Stuffed Owls: This well attended program was also offered two times; afternoon and evening. Participants were given all the materials needed to create a hand sewn stuffed owl. Several had no sewing experience and were taught basic hand sewing skills. Everyone went home with a cute owl to display.
