BRONSON ADVISORY BOARD REPORT

The Bronson Branch Advisory Board met Wednesday May 13 and approved spending \$1,500.00 of the Aileen Barnett Reserved Fund towards the purchase of a Microfilm viewer/scanner/printer.

The Advisory Board also authorized the payment of \$2,400.00 from the A. Barnett Fund to cover the skipped payment on the Media Center from June of 2014. This payment was skipped because the Friends of the Bronson Library had a new treasurer who made a payment from the building fund not realizing the payments came from the A. Barnett fund. (normally \$9,600.00 is paid each year from the A. Barnett fund, 2014 \$7,200.00 was used)
