

The below list codifies in one place what has been codified in BDL Board motions and reports over the years (e.g., [October 2015](#), [November 2004](#), etc.) and [policies in place](#). This isn't a policy as such, mostly just a concise listing of what patrons can expect based upon existing policies. But since there was some discussion about this at the last meeting I did want to put it in front of you to see.
