

October 14, 2021

Dear Library Supporter,

In the past two years, we hope it has been clear how hard the Branch District Library is working for you. We have increased the ways in which we can provide library services to you at your home, while safely bringing back in-person programming along with the latest releases in books, movies, and more.

We use donations for a variety of special projects, including supporting our programs, and improvements to our branches. This year the Bronson Branch underwent major interior improvements thanks in large part to donations.

We are excited to announce that next year we will be bringing a **bookmobile** back to Branch County for the first time in decades! Now more than ever, it's clear how important it is for a library to reach beyond its walls. Your donation will help to ensure the highest quality services to those who need them most. When you make a gift today, you are making a difference in efforts all across Branch County!

You may give online at [www.BranchDistrictLibrary.org/donate](http://www.BranchDistrictLibrary.org/donate), or with the enclosed envelope. Any financial donation to the Branch District Library is tax deductible on your federal income tax return.

Another way you could help is to donate your time to your library branch's Friends of the Library group. Our Friends groups play a vital role in supporting each of our branches through their advocacy, their fundraising, and helping to get the word out about library news. Just ask at any branch location to be put in touch with the Friends group, and you'll be on your way to making a difference.

Thank you for supporting our library!

Stay well and stay safe,

Benjamin Jewell  
President BDL Board of Trustees

John Rucker  
Library Director
