Is it possible for the BDL to get the Kanopy platform for members to access the collection on the app. ? Sturgis Library has it but, you have to be a resident

Hi James,

Thanks for writing about Kanopy. Our budget is already set for 2022 and doesn't have room for Kanopy in it, but feedback like this helps us gauge the interest out there in possible new services we could offer. We'll keep this in mind as we evaluate what we offer in the future.

Thanks!

John
