- [Learn about this service.](#)
- [Test your device for compatibility.](#)
- [Compatible devices.](#)

Choose from a wide variety of devices including: Audio players, Smartphones, and Apple devices.

View OverDrive's Device Resource Center and test a device from the Home Page of OverDrive Download Station.

TIPS: iPod Users

1. Apple devices must be Windows-formatted.
(i.e. User syncs their Apple device with a Windows computer at home.)

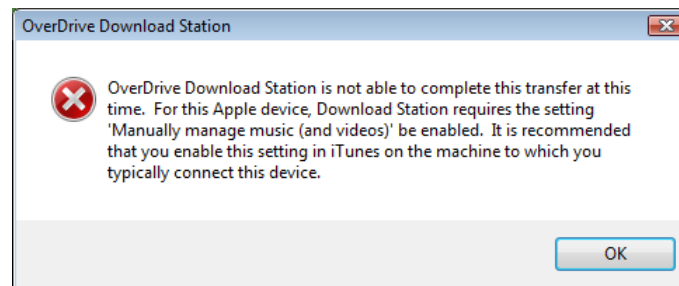

Note: The Apple iPhone is not compatible with OverDrive Download Station.

1. User must enable '**Manually Manage Music**' setting from their home computer.

Here's how ...

- ▶ Connect their Apple device to their home (Windows) computer.
- ▶ Open iTunes. Click the device link on the left hand sidebar.
- ▶ Check the 'Manually manage music...' box.
- ▶ Click the 'Apply' button.

Prompt from Download Station
when 'Manually Manage
Music' is NOT enabled.

1. Formats OverDrive Download Station will transfer to an Apple device ...
 - ▶ MP3 Audiobooks - YES
 - ▶ WMA Audiobooks - YES
 - ▶ Music - NO

Step 1 (Optional): Connect / Test your device

Before getting started a user can test their device.

- ▶ Learn more about devices under 'Find more information...'
- ▶ Click 'Test your device for compatibility' to test a device for compatibility with WMA audio.

Note: WMA audio will only play on devices that support protected WMA files. MP3 audio will play on most devices.

- ▶ Choose '[To find out if your MP3 player is compatible with OverDrive WMA ... click here](#)'.
- ▶ A wizard will open. Connect the device. Click 'Next' to continue.

Transfer audio titles to player using this

Find more information...

- Attention iPod® and iPhone™ owners.
- Attention Zune® owners.
- Learn about this service.
- Test your device for compatibility.
- Compatible devices.

Get started now...

1. Connect your device.
2. Check out an audio title.
3. Download & transfer the audio title to your device.
4. Sign out of your account.

OverDrive Download Station - Welcome

OverDrive®

Welcome to the OverDrive Download Station.

This wizard will guide you through the steps needed to transfer parts of the selected title to a portable device.

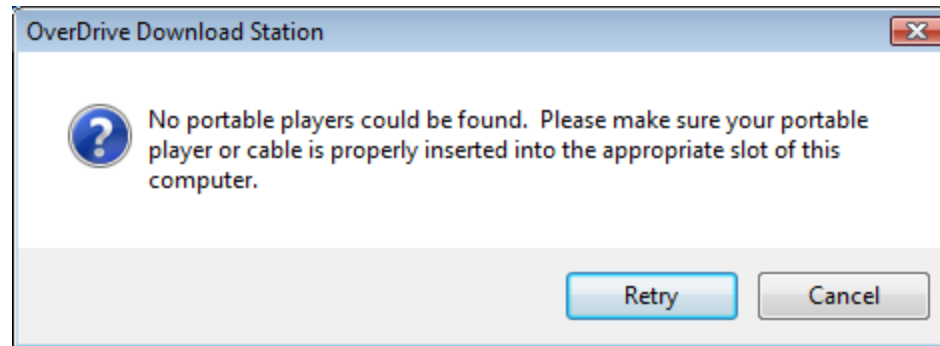

Title: "AAA OverDrive Test Audiobook"
Format: "WMA Audiobook"

Please connect your portable player and select "Next" to continue.

< Back Next > Cancel Help

Step (Optional): Connect / Test your device

- ▶ OverDrive Download Station will search for the device.
- ▶ If you see this message, disconnect and reconnect the device. Wait a moment, then click 'Retry'.

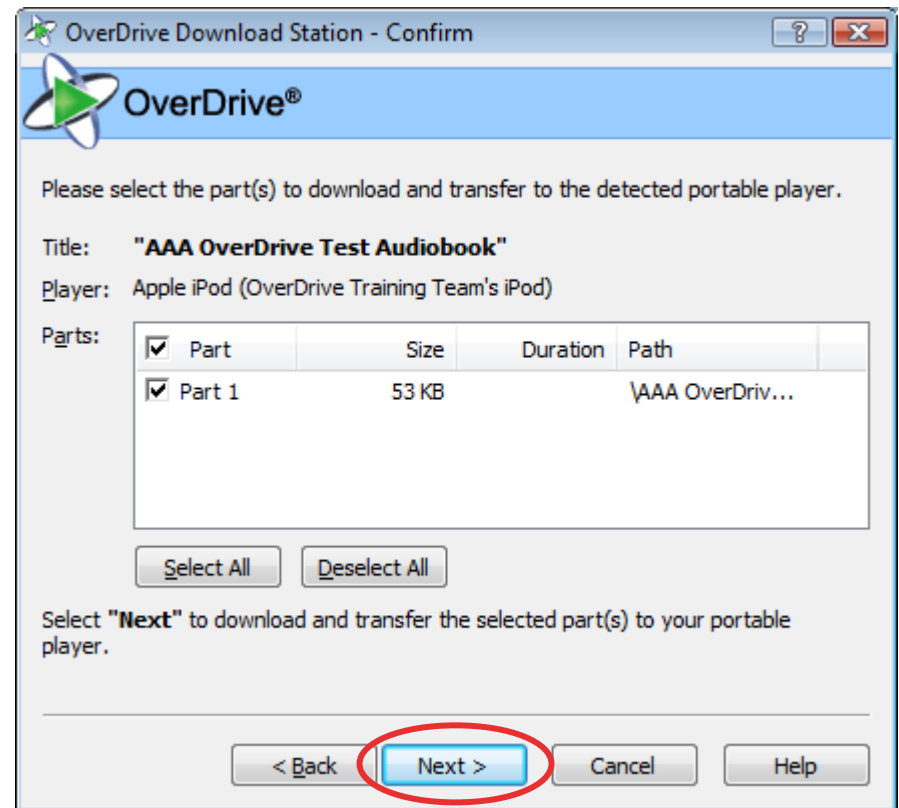

- ▶ If this message is displayed again, the device may not be compatible with WMA audio.

For more information, please see:

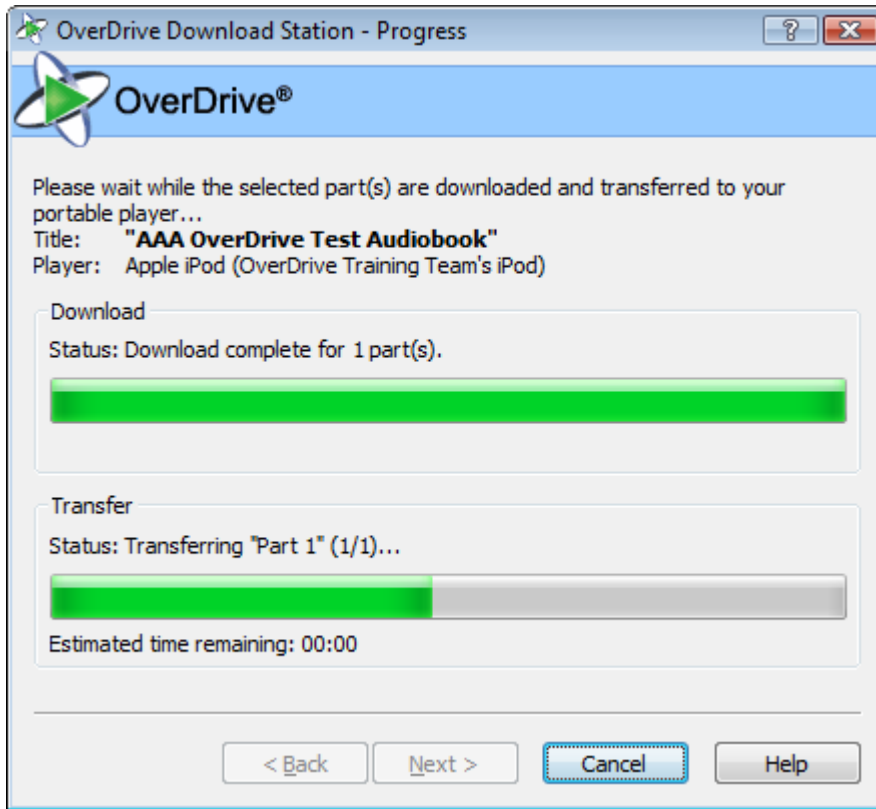

www.overdrive.com/resources/drc/incompatibledevices.asp.

Step 1 (Optional): Connect / Test your device

- ▶ If the device is recognized, the 'Confirm' screen will be displayed.
- ▶ Click 'Next' to begin downloading the test file.

Step 1 (Optional): Connect / Test your device

- ▶ The test file will first download and then transfer to the device.
- ▶ When complete the 'Success' screen will be displayed.
- ▶ Click 'Finish'.

Almost done!

Next, the user will need to test the files for playback.

Step 1 (Optional): Connect / Test your device

Ready to test?

1. Disconnect the device.
2. Listen to the file(s) on the device.
 - ▶ OverDrive Audiobooks Success Message.
 - ▶ OverDrive Music Success Message.
1. If playback is normal then the device supports OverDrive WMA Audiobooks and Music.

If a test file does not play correctly, please see our list of incompatible devices for more information:
www.overdrive.com/resources/drc/incompatibledevices.asp.

Step 2: Check out an audio title

- ▶ Browse / search your library's Virtual Branch website for titles.
- ▶ Check out with a library card.

MP3 OverDrive MP3 Audiobook

Plays on: PC Mac Burn to CD WMA iPod MP3

Watch 'Plays On' icons to confirm a title is compatible with your device.

Download		

The wizard opens.

Step 3: Download & transfer to your device

Select parts

Step 3: Download & transfer to your device

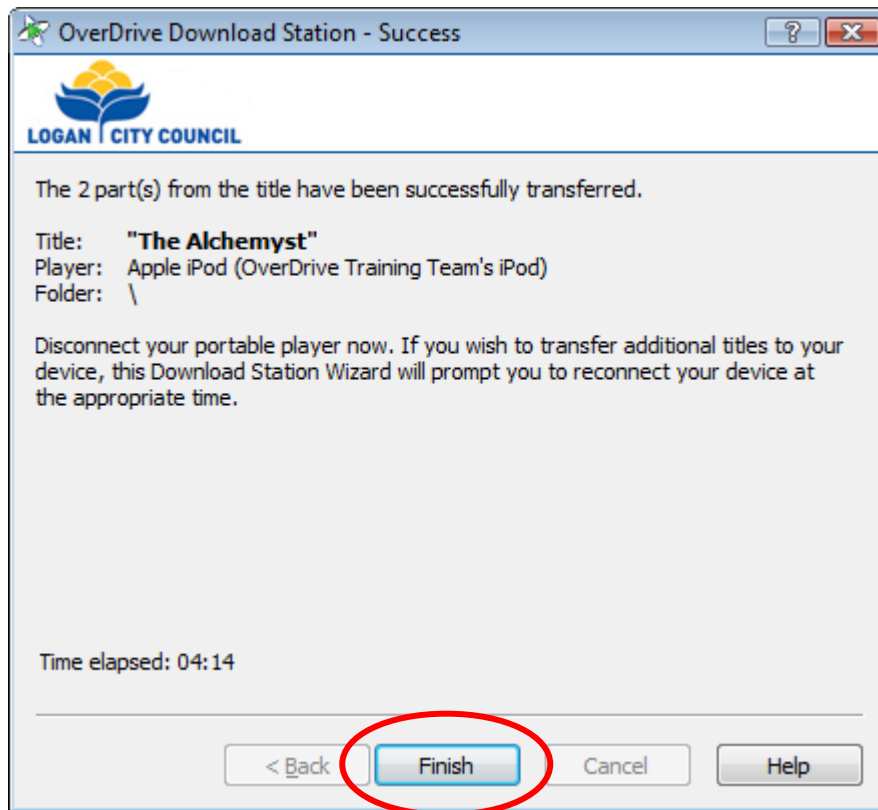

The download begins ...

- ▶ The wizard will check for available storage on the device.
- ▶ Depending on the device, a user may have the option to delete titles if the device is full.

Step 3: Download & transfer to your device

Click 'Finish' and disconnect the device. Enjoy the title on-the-go!

Step 4: Sign out of your account

- ▶ Before leaving OverDrive Download Station, be sure to sign out.

The screenshot displays the Logan's Libraries website interface. At the top, a blue banner reads "Welcome to Logan's Libraries" and features a collage of people reading. The Logan City Council logo and website URL are in the top right. A navigation bar includes links for Home, Catalogue, Whats On, Book Cafe, Research It!, Services, and About Us. The main content area shows the user is browsing "eBooks and eMedia" and lists a title for download: "The Alchemist" by Paulo Coelho, part of the Flamel Series, Book 1. The title is available as an OverDrive WMA Audiobook (144285 kb) and is checked out on Oct 10, 2009, with an expiration date of Oct 17, 2009. A "Download" button is visible. On the left, the "eMedia Navigation" menu includes links for eMedia Home, My Cart, My eMedia Account, eMedia Help, and Sign Out (circled in red). Below this is the "Browse eCollections" menu with links for Audiobooks, Music, Fiction, and Non-Fiction. On the right, there is an "eMedia Catalogue Search" section with a search box, a dropdown menu set to "All", and a "Go" button. Below the search is a link for "Advanced search...". At the bottom right, a "Getting Started" section lists links for Quick Start Guide, eMedia Help--FAQ, Check Out Assistance, and Supported Portable Devices.
