Coldwater, Michigan

June...1943

Dear Servicemen:

I am the spirit of CHS and I am writing this letter to you to tell you how the students feel although they are a little bashful about "going emotional" as they call it.

They said, "Another school year has ended and the time has come to edit another annual. This year let's make it a 'Victory Cardinal' and let it be our report to the boys in service." . . . .

*W*E, THE CLASS OF '43, LEAVE THE HALLOWED HALLS OF CHS  
WITH SAD HEARTS AND THOUGH WE MAY SOON BE FOR-  
GOTTEN IN THE PASSING OF TIME, THE SCHOOL WILL LIVE WITH US  
FOREVER. IT IS OUR SINCERE HOPE THAT THIS CARDINAL MAY  
SERVE ALWAYS AS A HAPPY REMINDER OF OUR SCHOOL DAYS.

# So Proudly We Hail!

LOREN S. ARMBRUSTER  
Former Agricultural teacher in CHS, and  
now a member of the United States  
Army Air Corps.

JACK C. ELLIOTT  
Former Social Studies teacher in CHS, and  
now serving in the United  
States Army.

Surely, these men and boys from Coldwater High School may say, "This is my own, my native land!" and with true loyalty they have gone forth to preserve our freedom.

This book is proudly dedicated to those in service and is intended to show them that we here in school have done our best to carry on the activities that they have entrusted to us and to show that we have tried in a normal everyday way to keep Coldwater High School alive and up to the times as they did in days gone by.

## VICTORY CARDINAL

---

They know that you boys are interested in knowing what they in CHS have been doing and so this book is intended to give you a glimpse into the past year, both by word and picture.

They want you to know the faculty and administration have put forth their best efforts to make this a year to be remembered and to make . . .

Our  
COMMANDER - IN - CHIEF  
Superintendent  
ROBERT E. SHARER

To the Administration we owe thanks for the fine efficiency with which our school is run. Under the able directorship of Mr. Sharer and the school board, many activities as well as the process of learning are carried out in a normal, happy surrounding despite the conditions under which we are now living.

Our hats are off to the Administration and we wish to express our appreciation for their efficiency and good fellowship.

**OUR CAPTAINS**

To our two principals, Mr. Weeks and Mr. Bates, we owe a great deal of gratitude for the volume of work they undertake during the course of the year in our behalf.

VICTORY CARDINAL

"First Lieutenants in the Army of Knowledge"

... this year's seniors a happy and successful group of individuals.

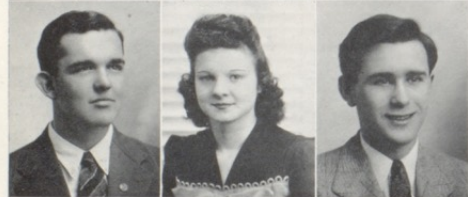

Of course you boys all knew that Daryl Papke would come out on top, but did you know that "Gwen" Weaver would be salutatorian? Everyone is glad about it and all the seniors are rather happy about commencement although they hate to leave CHS.

Many of the boys will probably be joining you and are anxious to get into the scrap. Everyone here wants you to know that they are proud of you and to know also that you are not forgotten as they went . . .

## CLASS OF '43 IN REVIEW

In the fall of 1940 the class of '43 entered the senior high with an enrollment of 149. They were put at ease by the seniors at the Sophomore Reception and then expressed their appreciation by putting on the gala party during the holiday season.

As juniors they presented the play "Don't Take My Penny", breaking all previous records. Aided by this financial success they bade farewell to the Class of '42 with a Junior-Senior Banquet to be long remembered.

Many exciting and interesting events took place in their senior year under the presidency of Daryl Papke. To start things rolling, they welcomed the Sophomores with a bang-up reception. Ending the year with a flourish they presented their senior play, "Ghost Parade", breaking their own record of the previous year.

Ninety-six seniors, who have been under the guidance of Miss Perryman and Mr. Sibley this year, will graduate at the seventy-sixth commencement.

Although the choruses this year have had some difficulty due to changes in directors, some fine musical numbers have been presented. A new group of singers known as the sextette has become prominent and has participated in several assemblies and outside entertainments as well.

### "ON THE GRIDIRON"

Although defeated, the Cardinals got off to a strong start September 18 when they held a powerful Three Rivers team to a 6-0 score. Coldwater won the next three, from Lakeview, Hillsdale, and Marshall by scores of 21-19, 25-0, and 7-0 respectively. The next week the "Cards" suffered a defeat at the hands of a title-bound Albion team by a score of 13-0. Handicapped by injuries, Coldwater suffered a similar blow from Adrian. The following Thursday night the "Cards" showed surprising power and downed hitherto-unbeaten East Lansing to the tune of 21-13. The Cardinals failed to click in the last game and lost to Sturgis, 19-6.

### "JUST A DROP IN THE BASKET . . ."

The Coldwater cagers had a rather bad season this year. However, they did one thing that no Cardinal basketball team had done in eleven years . . . they beat Sturgis on their own floor! Outside of that, however, the season was unprofitable, and Albion added insult to injury by beating the "Cards" 31-20 in the District Tournament.

### "NINE MEN ON A DIAMOND . . ."

Our baseball team was one of the best hitting nines in the TV league this year, but lost several games due to fielding errors. They lost a ten inning game to Albion 6-5 and won a game from Hillsdale 9-5.

The season is not complete as we go to press, but we compliment Coach Nelson and the team for carrying on a spring sports program in a war year.

Top Row: Papke, Hauska, Wagar, Tappenden, Bellamy, Corless, Rasey, Nelson—coach.  
2nd Row: Carlyle, Elliget, Schuette, Milliman, Rubley, Dean.  
Bottom Row: Gresley, Nusbaum, Minton, Dull, Hilbert, Moser, Murphy.

### C.H.S. IN WAR TIME

This year more than ever before, perhaps, the war has been brought nearer to us and we actually see some of our classmates leave school and its protection to serve and protect their country and the things it stands for and means to them. It strikes home this year. Not only this but also the activities carried on within the school make us realize it more fully and it seems more significant than last year.

Perhaps the first change came early in the year when curricular activities were changed. Physical education became compulsory three days a week for the girls and included a period everyday of the week for the boys. It was obviously resented at first, but now it's taken as an asset to one's self as well as to our country. Although it was actually only an extension of normal school days it was broadened a great deal. The boys really had a strenuous workout in gym in order to develop their bodies through exercise. They did push-ups, sit-ups, leg-raises, rope climbing, turn-overs on parallel bars, played rugby and ran long distances in all sorts of weather in order to do this. In the spring, an obstacle course was constructed which really put them through their paces.

Although the girls had somewhat of a less strenuous class two days out of the week which included sports and exercises, they nevertheless are as physically fit to take their place in the war effort as the boys. They also took a practical first-aid course to lend a helping hand if needed at any time. They will not be found unprepared.

Every now and then classes were interrupted

throughout the year by practice air-raid drills to prepare the students for actual raids.

They also did their share in the scrap drives, devoting some portion of their time to gathering all kinds of scrap. Coldwater High School is today the proud possessor of five hundred dollars worth of bonds as a result of these drives. Not content to do the job halfway or part of the time, they kept at it by investing in war stamps every Tuesday, nearly two thousand dollars worth in all. The money to invest was undoubtedly earned by working at various jobs outside of school. This enabled the release of more men and women for the more difficult jobs and for service in other branches.

Due to gas rationing, many sports were eliminated for Twin-Valley contests and other games away from home involving travel. This brought on a concentration of sports and developed into an intramural sports program carried out through the year. More came out for sports than ever before.

Parties were fewer and less luxurious than in previous years, which is to be expected. However, in spite of all these sacrifices and wartime adjustments, no less fun was had in CHS, but rather, it only stimulated us into working harder when we worked in order to relax better when we did play.

And so, the year 1942-43 will long be remembered as a year of fun and as a year of honest hard work toward victory.

# VICTORY CARDINAL INTRAMURALS

The girls' intramural sports program consisted of basketball, volley ball, and ping-pong tournaments with the following results: Basketball first taken by Polly Walker's five girl team listing such names as O'Mara, Gamble, Kyte, and Mead of senior high while Nina Whitcomb's five girl team of Deeds, Lyman, Snowberger, Lewis and Fillmore took first place for junior high; Gerry Smith's eight copped first place in volley ball for senior high while Jean Mill's team took first for junior high. Gamble, Kyte, Kipp, Dillon, Decker, Tappenden, Lytle, and Dunkel made up the first team in senior high and Pask, Mohrhardt, Sheriff, Kipfer, Corless, Donkin, Kuether, Lawler, and Sweet composed the winning team of junior high. Polly Walker walked off with the final in the ping-pong with Ruth Tappenden a close runner-up and Mary Margaret Butler and

Janice McConnell getting into the quarter finals. Other activities were track events, baseball, shuffleboard, and tennis.

The boys' intramurals this year consisted of a basketball free-throw contest, a basketball tournament in which forty-eight boys competed, a volley ball tournament which boasted eighty participants, and several outdoor track meets scheduled for spring.

Results: Free-throw contest won by Jerry Smith with 15 out of a possible 20. Runner-up Jack Gates 13 out of 20 with Jack Musser and Jerry Fair tying for third with 12 out of 20. Ping-pong was won by Jack Gates. Dick Butler was runner-up and John Sanders took third.

The basketball tournament was won by the New Yorkers, captained by Charles Birch.
