Imagination isn't random fantasy. The artist's imagination connects him to his audience's world just as much as his knowledge does.

## COACH'S COMMENTS

The 1983-1984 season was never really shown in the team's overall season win-loss record. The Chargers put forth much determination and intensity which was a constant factor that other coaches and their teams could not overlook. What the Chargers lacked in height they certainly made up for in hustle and their constant driving force.

"I looked forward to practice each day with this group. It was a most enjoyable season with a few problems, a second place finish in the conference (9 wins 5 losses) and an upset in the districts. We had some super dependable seniors and I'm sorry to see them go but it was nice to realize that three sophomores contributed to our successes this season. Volleyball has a strong future at U.C.H.S.

The 1983-1984 Junior Varsity Volleyball season proved to be a learning experience. The team consisted of 8 sophomores and 5 freshman. The season was a year of sharpening skills and gaining court time so the sophomore girls can fill the holes of the graduating seniors. The freshman learned many new skills and will be ready to lead the team next year. The final league record was 6-8 and final overall record 7-12.

# MY THANK YOU NOTE TO THE CLASS OF 1984

Graduation day is a joy for each of you. I pray, the pride, and happiness of this day warms your heart, in memory you whole life thru.

This day brings joy, yet sadness to me; for each of you are like a precious treasure that I have been allowed to love, and share thru all these years. You didn't know; but I have seen your smiles, and felt your tears.

Just, as a flower must break the earth, and face the world, so now must you. For all the joy, and happiness you have added to my life; I only wish I could grant you a life without sadness, and strife.

This I can promise you, to pray for you each day, as you go your separate ways. My heart will cherish all your kindness thru the coming years. So, thank you dear ones, for sharing your young years.

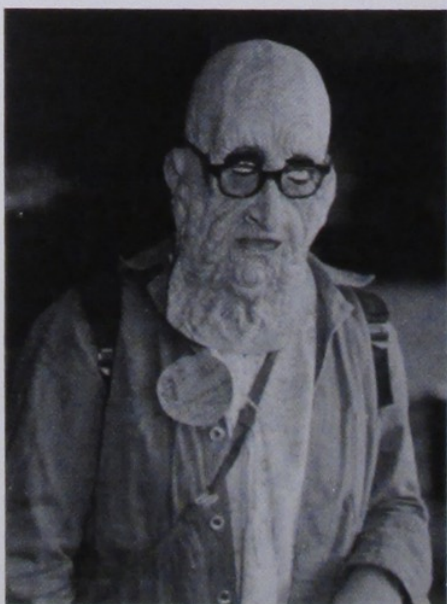

When your name is called my eyes will drop a tear; but my heart will fill with pride; for I love you my young friend, and pray God's love, your paths will always guide.

Class Song — "Let The Good Times Roll"

Class Poem —

Today we'll start a new life  
And we'll say our last goodbyes  
To all the friends we've grown to love  
With whom we've laughed and cried.  
Remembering the fun and laughter  
The problems and the fears  
And watching all our memories grow  
Throughout our high school years.  
The memories of the dances  
And the new friends that we met.  
Vacations, teachers, talking,  
And exams we'd rather forget.  
Yes, high school years are precious, but brief.  
When all our dreams come true  
It is not the end, but the beginning  
Of a life we'll start anew.

# Call To The Future

Class Motto  
How hard is it to escape from  
places. However carefully one goes,  
they hold you — you leave little of  
yourself fluttering on the fences —  
little rags and shreds of your very  
life.

Kathern Mansfield
