IN MEMORIAM

Rex Waldren

1919-1937

We, the members of the Annual Staff, affectionately pay tribute in this Diamond Jubilee Cardinal to the memory of our friend and schoolmate, Rex Waldren.

Few students in four short years have established themselves as firmly in the affections of his associates as did Rex Waldren. His gallant battle for twelve long weeks in the hospital was an inspiration to all who knew him. In spite of his affliction he was always as

happy and cheerful as when he was in good health.

Rex was born March 1, 1919, in Ovid Township. In 1932 he became a Freshman in Coldwater High School. During his high school career he became active in the High School Band and Hi-Y Club. He was elected to the National Quill and Scroll Society and appointed Editor-in-Chief of the Cardinal.

"To live in hearts we leave behind, is not to die."

THE CARDINAL

June 1, 1937

Published by the students of Coldwater High School
in commemoration of the Seventy-fifth Anniversary
of the Coldwater High School, Coldwater, Michigan.

PREFACE

In the year 1862, a small group of far-sighted men and women founded an educational institution which has grown throughout the century into the Coldwater High School we know today.

In this year of 1937 we are directing our thoughts over those seventy five years, in a celebration of progress and achievement.

The Staff of the 1937 CARDINAL presents this book to the students, faculty, and alumni of Coldwater High School, with the sincere hope that it records a true picture of its tradition.

DEDICATION

We, the Annual Staff, in behalf of the
Students and Faculty of Coldwater High
School dedicate this Cardinal to

Robert E. Sharer

Who explained truths, and facts, and laws,
Who taught us education's trend,
Who, (most important of all else),
Is more than a teacher. He is a friend.

CARDINAL STAFF

When the Staff for the first annual in Coldwater High School in fifteen years was organized in February, Rex Waldren was chosen Editor-in-Chief. Unfortunately, plans were hardly launched when he was stricken with pneumonia and confined to the hospital for three months. In his absence Charles Kingsley was elected Acting Editor-in-Chief and continued in this capacity until the annual was completed.

The Business Manager was Lee Vance. Lee had charge of financing the annual which was done by subscriptions and advertisements. He was ably assisted by Katherine Ball, Robert Mix, Alice Walters, and Gilbert Clarke. Edwin Elliget was Art Editor.

When Robert Mix withdrew from High School to accept employment, Doris Addicks completed the work of preparing all copy for the printer.

CLASS OF 1938

The Junior class officers are, President, Charles Wheeler; Vice President, Mark Mann; Treasurer, Horace Woodward; Secretary, Ralf Love.

One of the most important changes the Junior class has brought about this year is a plan for preparing for the Senior Washington trip. Usually the expense is put off until the last six months and then there is a scramble to get enough money. Under the new plan, the Junior class has a regular bank day. Each Tuesday the Juniors deposit what they can toward the trip and the small amounts total about 30.00 dollars deposited every week by the whole Junior class.

On April 30, the Junior play was presented to a good audience. This play was directed by Miss Marian Mc Lean.

The play title was, "Yours Truly, Willie." The annual Junior Senior Prom. was given by the Juniors on May 14. The party consisted of a banquet, entertainment, games, and dancing.

CLASS OF 1939

The officers for the Sophomore Class this year are, President, William Hilborg; Vice-president, Raymond Myers; Secretary and Treasurer combined, Hylan Travers.

The major event of the year was a Christmas party, on December 23rd. The party consisted of a program of entertainment in the auditorium and then dancing in the gym.

The four Sophomore home rooms have been enjoying the very active work of planning assemblies.

CLASS OF 1940

The 9th grade is just like the 7th and 8th except in one respect, instead of having three home rooms the 9th grade is divided into 4 rooms with 4 supervisors and four representatives in the council. The four teachers assigned to the home rooms are Miss Gretchen Schultz, Miss Edna Terpening, Mr. Kernit Dennis, and Mr. Lloyd Latchaw. The four representatives in the student council are, Wayne Archer, Rosella Wheeler, Mary Ellen Snyder, and Margaret Miller.

Like the other Junior high grades, the 9th grade had one major party of the year. This party was held one April 9th, and through the efforts of all four of the home rooms turned out to be a gala affair. There was the usual banquet and after this entertainment, dancing and games in the gym

CLASS OF 1941

The 8th grade is made up of three home rooms each with a teacher assigned as supervisor and with a representative from each room in the student council. The three teachers having charge of the 8th grade home rooms are, Miss Evelyn Squire, Miss Bernice Lasenby, and Mr. Kenneth Kline. The three representatives in the student council are, Jim Murray, Billy Monday, and Dick Kerr.

The first semester the 8th grade used the "C." period the same as the rest, then at the start of the second semester the Junior high school being dissatisfied with the C. period as it was set up changed it. The program now in all three grades was to have several groups each with a different hobby or activity on which they concentrated. Some of the choices were dramatics, model building, gardening, sewing, and dancing.

On April 16, the 8th grade had the major party of the year, all three home rooms cooperating to make it possible.

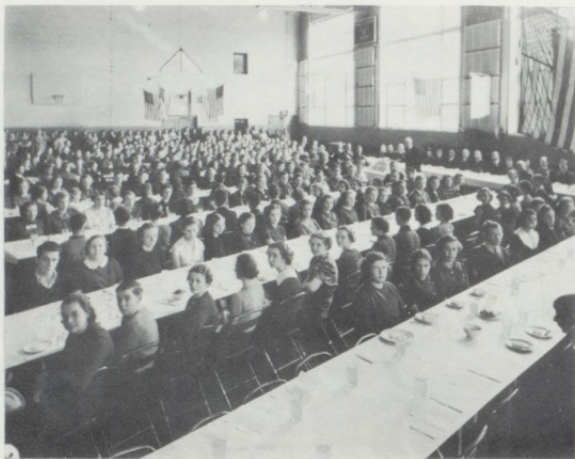

CLASS OF 1942

Each of the grades in the Junior High School is divided into home rooms, with the representation in the student council of one person from each room. The 7th grade is divided into three home rooms under the supervision of Miss Rose Slee, Mr. Donald Bauer, and Miss Melissa Semelroth.

The three representatives in the Junior high student council from the 7th grade are, Pauline Gilfillan, Charles Gray, and John Woodward.

The "C." periods the first semester were devoted to Safty Education two days out of the week, on Monday, anything that they wanted to do, on Wednesday, Moving pictures, and on Fridays, a Junior high assembly.

The Major event of the year for the 7th grade was the party, on April 23, made possible through the combined efforts of the three home rooms.

DIAMOND JUBILEE

To commemorate the seventy-fifth birthday of the Coldwater High School a Diamond Jubilee was held consisting of a banquet and a program of speakers, songs and stunts. The banquet which was held in the gym was made possible by each home room contributing a certain amount of food. After the meal each Home Room sang a song and gave its yell. Next on the program was a speech of welcome by John T. Symons, followed by a short talk, composed of reminiscences, by Mr. A. J. Pratt, President of the Board of Education. The highlight of the afternoon was a speech by Dr. Eugene B. Elliott, the State Superintendent of Public Instruction.

This program was followed by a joint convocation of Junior and Senior High School in the Roosevelt Auditorium. The program was varied. The High School Song, History of our High School by John Van Aken; songs by the Michigan Corn Huskers, Bill Davis, Rolland Fenner, Lee Hutchins, and John Herl; the Tumbling Team, Osborn, Dorrance, Belger, Cofer, M. Smith, and S. Smith; Trombone Solo by Harold Hoyt; Vocal Trio, Margaret Scott, Mabel Scott, and Phyllis Bowerman; and a Sound Picture "Three Kids and a Queen."

The members are chosen not only for their outstanding work in Journalism, but for their general high scholarship and excellent character. They must also be recommended by their instructor.

The officers for this year are; Bill Williams, President; Roy Linton, Vice-president; Ross Bowerman, Treasurer; and Howard Titus, Secretary.

Outstanding among this years activities was the sending of eleven delegates to the Older Boy's Conference which was held at Pontiac in December, and the sending of twenty delegates to the Conference on Religion held at Hillsdale. Other activities were, a party at Bob Shaw's house, the initiation of the Junior High Torch Club, and the annual Campfire at Rose Lake, where the officers turned their duties over to the newly elected officers.

This fall eighteen of the Junior High boys were initiated into the club, by the Senior Hi-Y. Later on in the season The Senior and Junior Hi-Y Clubs, were together again for a doughnut supper.

An important part of the Clubs activities is formed by a congenial party on the second Sunday of every month at the home of one of the boys.

Like the Senior Hi-Y, the Juniors were represented at the Older Boy's Conference at Pontiac. They sent Two boys, Dan Hard and Oliver Marion.

GLEE CLUB

The Senior High glee club has been in existence for several years, but only in the last two has it become very active. It was started about five years ago by Mr. W. Leslie Williams, a former high school faculty member. For the last two years, however, Miss Mae Linderman has been its director.

In the last two years they have put on two operettas and sponsored several other programs. The first operetta was one written by Edward Bradley and Don Wilson entitled "Tune in". The second was the one given this year called "Trial By Jury", by the famous team of Gilbert and Sullivan.

The proceeds of all these undertakings were spent for the purchase of new robes for the organization. They have been worn in several public appearances and have always been very impressive. These robes are of wine red silk with a white satin stole.

TUMBLING CLUB

Top row, left to right, Bob Belger, Morris Smith, Philip Dorrance, Dick Osborn, Art Kofer.
Bottom row, left to right, Arline Pasque, Joy Moody, Mr. Russel Green, Sumner Smith, June Sissen.

This tumbling team was started last year, by Mr. Green, purely as a means of recreation. It was revived again this year to take part in the school circus. As Philip Dorrance and Dick Osborn were the only veterans left over from last year, the bulk of the team were entirely new at the sport. In spite of this handicap, the team progressed rapidly and was one of the star attractions of the school circus.

The team has made trips to Ypsilanti and Notre Dame, in search of perfection in tumbling. Here they saw tumbling at its best and were helped to iron out the many kinks that were bothering them. Their routine now numbers almost 30 different tricks and present an almost professional appearance.

Mr. Green says that tumbling will be continued. Tumbling will always remain entirely extra-curricular and no letters will be given for it.

F. F. A. CLUB

The Coldwater Chapter of the National Future Farmers of America was organized in 1934. Only rural boys may join. In order to become a Future Farmer, each boy is required to have twenty-five dollars in the bank under his own name or its equivalent in property. He must also have completed successfully a year in agriculture, be enrolled in an agriculture class and complete a project each year. Since organizing, the club has been active. The boys formed a basketball team and played with the teams from Chapters in neighboring towns. This year they sent their president, Homer Moore, to the National F. F. A. Convention at St. Louis. Mr. Lloyd Latchaw, the agriculture teacher, is leader and advisor of the club. Delmer Haynes was elected vice-president; Clarence Woods, secretary; Lyle Tase, treasurer; and Milo Stolp, reporter.

GIRL RESERVES

The officers are, President, Doris Addicks; Vice-President, Mary Givan; Secretary and Treasurer, Jean Benedict. The Committee heads are, Social, Eleanor Wilbur; Program, Barbara Watson; Food, Elinor Kirkpatrick; Finance, Betty Wise; Welfare, Dorothy Dibbert; Music, Alice Walters; Initiation, Melissa Martin.

At the beginning of the school year a new system was tried by dividing the girls into different hobby groups two out of four nights of the month. However the girls didn't like this so they soon changed back to all meeting together.

The biggest event of the year was the state conference at Lansing which Mavis Wood and Doris Addicks attended. There have been several parties this year for girls themselves. They have also contributed thanksgiving baskets to the poor people of the town.

DEBATE TEAM

Top row, left to right, Neal Pfost, Don Russel, Erwin Fellers, Clarence Fayling
Bottom row, left to right, Charles Kingsley, Betty Wise, Frederic Weeks, Barbara Watson.

The Debate team finished one of the most successful seasons of the last several years this year. They won six out of ten decision debates and entered twenty non-decision debates. They won third place in the Twin Valley Conference, which gave them a chance to enter the State tournament. In the Conference at Kalamazoo, our team won three out of their four debates.

In the State tournament, we won from Quincy and then were beaten and eliminated by Britton.

For getting into the State tournament our school received a wooden plaque. In years before debate teams from this school have won one of these. In addition to the plaque, each debater receives a small lapel button to wear.

SENIOR PLAY CAST

Top row, left to right, Ross Bowerman, Howard Titus, Mr. Weeks, the director; Charles Kingsley, Donald Russel.

Bottom row, left to right, Katherine Ball, Eleanor Lowry, Margaret Hillborg, Doris Addicks, Alice Wingard, Arline Belger, Beatrice Waggoner.

Much to the disfavor of both, Elaine Ellis and Felix Mudge were engaged by their parents to each other practically before they were born. In the first few minutes of his stay at the Ellis home Felix discovers that Elaine is the girl with whose face he fell in love when he saw it on a magazine cover. Knowing that, as Felix Mudge, Elaine will never love him, he changes places with a friend of his. After many riotous complications, one of which is the arrest of Felix on a charge of bigamy, he discloses his true identity and all ends well for those concerned.

The proceeds of this production went to the students who planned to take the Washington trip in June.

ORCHESTRA

Top row, left to right, Wilbur Teachout, Leonard Russel, Harold Hoyt, Bryan Cole, Charles Kingsley, David Weage, Alden Haynes, Ted Powell, Bryant Weage, Dwight Dailey.

Second row, left to right, Emery Travers, Glenn Linton, Grace Lapham, Eloise Fellers, Edna Egleston, Richard Mc Murray, Norman Cole, Tommy Weage, Joe Butler.

Third row, left to right, Florence Kneuss, Kathryne Amaden, Nancy Weage, Joy Moody, Virginia Wright, Betty Eliget, Mr. Byron Stroup, Phyllis Harris, Helen Braucher, Mary Wolf, June Steffey.

The Orchestra was started about 11 years ago. It was organized by Miss Rose Steffaniak as an extra-curricular activity. It was a small group and practiced entirely outside of school. After about a year of work under Miss Steffaniak, the group was taken over by Mr. Fay Jucket. He had it about four years in all and in 1929 the Orchestra was made a part of the school curriculum and partial credit was given to members. After Mr. Jucket, the organization was under the instruction of Mr. Richards. Mr. Richards was here for one year, was then succeeded by Mr. Byron Stroup. Mr. Stroup has taught this course ever since.

The Orchestra has played for three major events this year. They are in order, the Senior play, the Style Show, and the annual Band and Orchestra concert.

BAND

Top row, left to right, Norman Faulkner, David Weage, Alden Haynes, David Evert, Don Russel, Lee Vance, Erwin Feller, Clarence Fayling, Walter Nye.

Third row, left to right, James Tompkins, Robert Barrell, Richard Maxfield, Dwight Dalley, Robert Steffey, Sidney Palmateer, Carlton Gilbert, Smith Ferguson, Harold Hoyt, Norman Moore, George Parker, Gleen Linton, Mr. Byron Stroup.

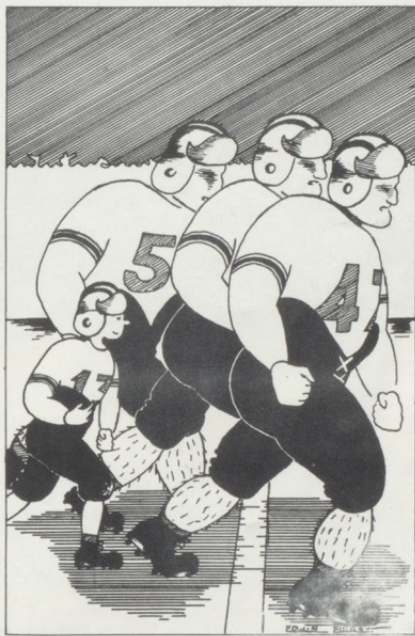

Bottom row, left to right, Leora Frarey, Phyllis Harris, Lucille Hall, Dorothy Fish, Kathryn Amaden, Florence Kneusa, Grace Lapham.

The band was organized about a year after the orchestra. Mr. Charles F. Hamilton, the Superintendent of schools started it, with Mr. Fay Jacket as Director. Mr. Jacket was succeeded by Mr. Richards and then the present teacher Mr. Byron Stroup took over the instruction.

The highlight of this year for the band, has been the purchasing of new uniforms. The money for the uniforms has been earned principally by the band, and the Coldwater Rotary club, with help from many other organizations in Coldwater.

Besides playing in the annual band and orchestra concert the band has played for all the football games.

Mr. D. D. Bryan was elected Business manager this year and Jim Tompkins was elected drum major.

FOOTBALL SQUAD

Front row, left to right, Coach Bauer, Bob Shaw, Dick Osborn, Bob Simonds, Ed Stretz, Ralph Love, Charles Kingsley, Harold Klink, Paul Weaver, Bill Wilcox, Mark Mann, Charles Wheeler, Bryan, Ass. Coach Grigg.

Second row, left to right, Newell, Manager Dick Simons, Harley Greenwich, Roy Linton, Fred Speaker, Philip Dorrance, Webster Treat, Melvin Brayton, Ivan Sceggs, Norman Faulkner, Hale Champion, Elmer Van Aken, Dalton Davis, Manager Gates..

Third row, left to right, Bob Mahaffy, Smith Ferguson, Richard Corlies, Ted Powell, Walt McCort, Carl Vinton, Barney O'Neil, Bob Powell, Robert Horning, Dan Hard, Wayne Wood, Jim Love, Fred Van Elarcum.

Although better than last year, our football team suffered another disastrous season with a total of two victories out of eight games.

The following are the scores in order; Coldwater 7, Jackson 32; Coldwater 0, Dowagiac 19; Coldwater 7, Marshall 33; Coldwater 0, Albion 25; Coldwater 6, Adrian 0; Coldwater 12, Hillsdale 6; Coldwater 0, Sturgis 20.

Ed Stretz was elected Honorary Captain of the 1936 Football team. Ed was a senior, and has played football for three years, winning three varsity letters. Stretz was also elected all-conference tackle and had honorary mention on the all-state team.

Forty-nine boys received letters this year, eighteen of these being varsity.

BASKETBALL TEAM

One of the fastest and most brilliant basketball teams we have had in many years finished this year tied with the Marshall Redskins for second place, in the Twin Valley Conference.

The scores of the Conference games that were played; Coldwater 31-Adrian 17, Coldwater 23 Sturgis 27, Coldwater 37-Hillsdale 23, Coldwater 46-Lakeview 11, Coldwater 18-Marshall 17, Coldwater 25-Adrian 21, Coldwater 36-Albion 38, Coldwater 19-Sturgis 40, Coldwater 32-Lakeview 23, Coldwater 28-Hillsdale 20, Coldwater 27-Marshall 20. Besides the Conference games we played two games with Battle Creek, losing the first 25-31 and winning the second 35-27.

The team won the Class B. District Tournament Championship by defeating Hillsdale 33-19. We entered the regional tournament, defeating East Lansing 35-30, but our hopes were blasted when the Marshall Redskins, defeated us 20-25, which automatically dropped us from the championship race. Harold Klink and Bob Shaw played their last game for Coldwater in this game at Albion.

BASEBALL TEAM

First Row--H. Hauska, H. Greenwich, C. Sanders, L. Wood, P. Weaver, C. Wheeler,
H. Burnside.
Second Row--H. Lynd, W. Balcom, M. Mann, O. Siler, H. Gates, H. Mahaffey, W. Doll.
Third Row--Grigg, H. Klink, W. Treat, O. Siler, Bauer.

For the fourth successive season, Coldwater High School has sponsored interscholastic baseball as a major sport. The present season is the first in which the Twin Valley Conference has openly recognized baseball as a conference sport.

During the past two years the High School Association has been purchasing equipment until at present eighteen boys are completely outfitted for baseball.

The start of the present season was disappointing because the continued wet weather caused the postponement of the first three games. However, the team, once it got under way, acquitted itself very well. Ten games were played; two each with Albion, Marshall, Adrian, Sturgis, and Hillsdale High Schools.

Mr. Donald Bauer acted as Coach and was ably assisted by Mr. Grigg.

TRACK TEAM

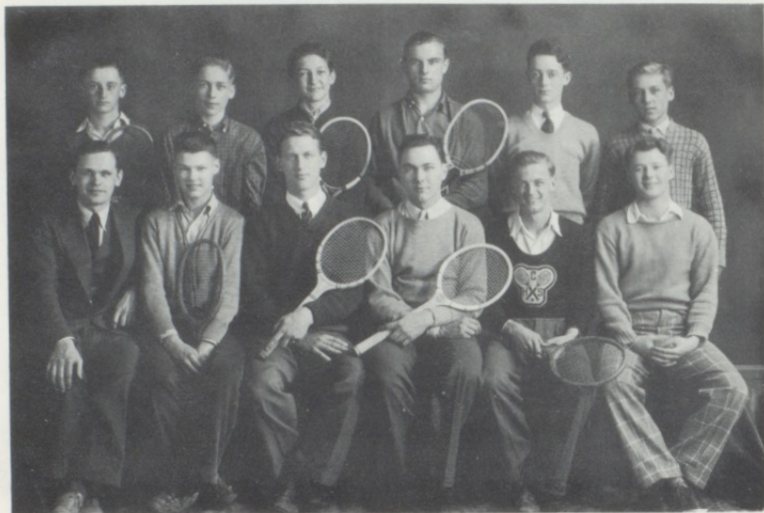

First Row--W. Wood, C. Vinton, R. Bowerman, B. O'Neil, B. Simonds, R. Fenner.
 Second Row--M. Smith, P. Weaver, W. Treat, C. Wheeler, S. Smith, Mr. Green.

Although only a few boys responded to Coach Russell Green's appeal for track men, the track team participated in more meets than any Cardinal track team has in ten years.

The Cardinal Thinclads competed in track and field meets at Marshall High School, Albion College, Three Rivers High School, Union City High School, and Howe Military School.

For the first time in many years the Coldwater High School track team boasted brand new track suits of white, trimmed in Cardinal red.

Coach Green began coaching track in Coldwater High School ten years ago. One of his first track men was LeRoy Potter, who for many years held undisputed state and national records in the mile run.

TENNIS TEAM

First Row--F. Weeks, H. Wingard, C. Kingsley, D. Davis, P. Dorrance, R. Shaw.
 Second Row--W. Marotky, J. VanAken, N. Moore, F. Speaker, H. Woodward, M. VanAken.

Because Coldwater High School was fortunate for the first time in history in having five brand new macadam tennis courts, the Twin Valley Conference Tennis Tournaments were held in Coldwater on May 15. Five conference schools participated.

In addition to the Conference Tournaments, the Cardinal Tennis Players competed against Battle Creek, Howe Military Academy, and Sturgis High School, in dual meets.

It is hoped that another year the High School may be able to sponsor both a girls' and a boys' interscholastic tennis squad. Coach Fred Weeks will make initial preparations for this next September with a well-planned Intramural Tennis Tournament.
