To the students of Q.H.S.:

This year began with many problems for the 1987 *Oriole* and its staff. We have tried our best to bring you an annual that you will cherish as a reminder of these high school days.

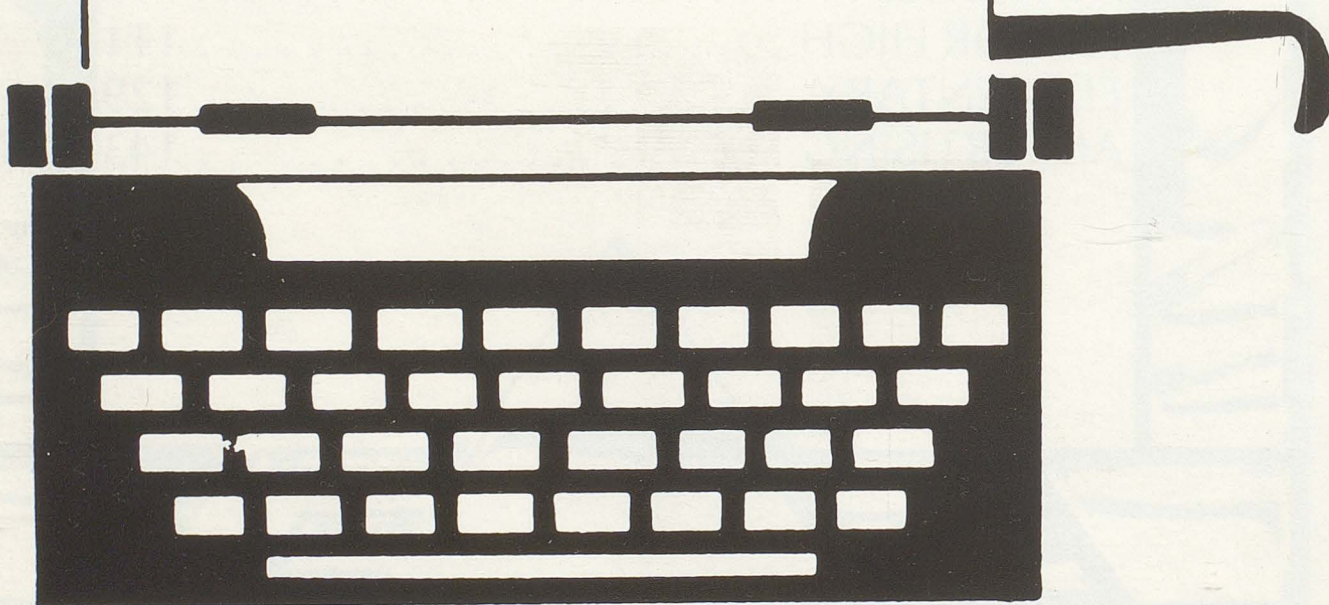

I would like to express appreciation to my staff, especially our advisor, Karen Hutchins. Also, I would like to thank Mrs. Natusch and Ron Philbrick of Carousel. Without them this annual wouldn't be possible.

As editor, my desire is that each individual who leafs through the pages of this book will find a memory or two with special meaning for him/her. If this is so, then our goal is attained. To you, students of Q.H.S., we now present our 1987 *Oriole Annual*.

Sincerely,

Tammie Hutchins, Editor

A Future Yearbook Editor?

Class of 1987

As the class of eighty-seven departs,  
And we go our separate ways,  
We'll hold and treasure in our hearts,  
Our many, happy, high school days.

May we all move on to live and learn,  
As God guides us through our future lives,  
We'll discover new tricks as the tables turn,  
We'll then move on to face our strives.

We'il remember all the high school dances,  
We'll remember all our friends,  
We'll remember all the quick romances,  
And that is how our story ends.

Just a line before we go,  
And before we begin to cry,  
To let all our friends and neighbors know,  
The Class of 87 says "Good-bye."

Class Motto: May the dreams of our past, be the realities of our future.

Class Colors: Navy Blue and White

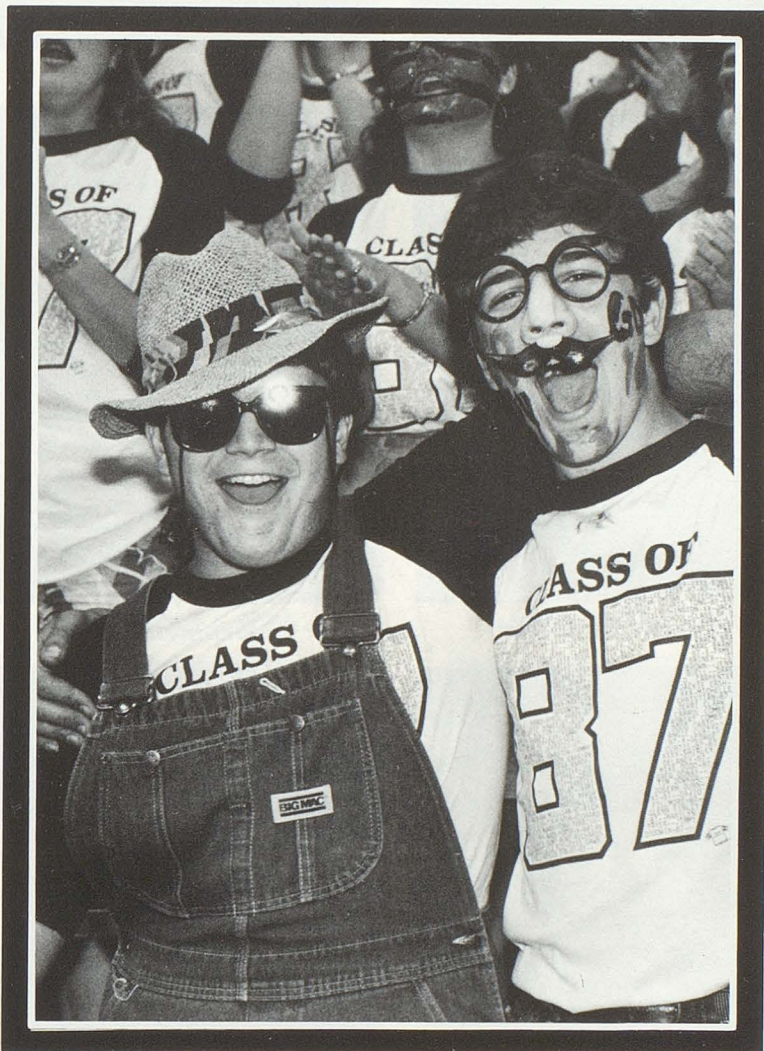

Class Flower: White Rose

Class Song: Take It Easy — Andy Taylor

Scott, what are you doing?

The varsity football team suffered through its second 2-7 season. The team showed a lot of improvement and provided much excitement throughout the year. There were several tough losses, but the team always seemed to bounce back the next week. The highlight of the season was a 20-0 victory over Vandercook Lake in the final game of the season.

Raise your hand if you're sure!!

The J.V. Football team made steady improvement throughout the season, playing hard and with a great deal of determination. The Orioles were competitive and never gave less than their best. The large turnout of Freshmen should provide a good foundation for next season's team. The Sophomores will be remembered for many fine performances and we wish them luck in their varsity careers.

### VARSITY BASKETBALL 1986-87

The team improved considerably from the 85-86 season. Their 6-15 record included wins over the top teams in the Big 8 Conference: Concord, Union City, Athens, and Conference champ, Jonesville. (All on their floor.)

We had a *Big* tournament win over Bronson, 50-46 in overtime. Six of our 15 losses were 6 pts. or less.

With the JV's having a good record and the Varsity players returning, we should get back on the winning trail.

The team voted Jeff Brown, a 3-year varsity player, most valuable.

They voted Doug Tanner, who will be a senior next year, as most improved. The League Coaches voted Jeff Brown, Jason Coolman and Clint Cook as Honorable Mention All-League Players.

The Junior Varsity Basketball Team provided lots of action and excitement on their way to a 3rd place finish in the Big 8. Teamwork and a balanced attack were trademarks of the J.V. Orioles.

The hard working Junior Orioles, that provided the foundation for this year's J.V. Team will surely be a helpful addition to next year's Varsity team.

Lori giving it her all!

After several years without a cross-country team, the sport was again introduced into the high school. The girls team had a great beginning; finishing with a 5-2 dual meet record. Their league record of 5-1 was good enough for a second place finish. Loretta Tobolske set a school record of 21:00.0 in the Jonesville meet. Loretta was also selected as the Most-Valuable runner by her team mates. Cary Coonce was selected as the Most-Improved.

The boys team finished with a 2-4 dual meet record which was good enough for fifth place in the league. The boys showed steady improvement throughout the year. Scott Marvin posted the best time of the season in 19:22.0. Scott was also selected as Most Valuable by his team mates. Shane Russell was selected as the Most-Improved. The seniors will be missed next year, but with this years experience next year's team should show improvement.

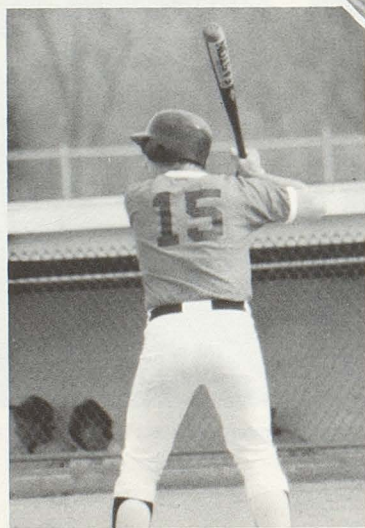

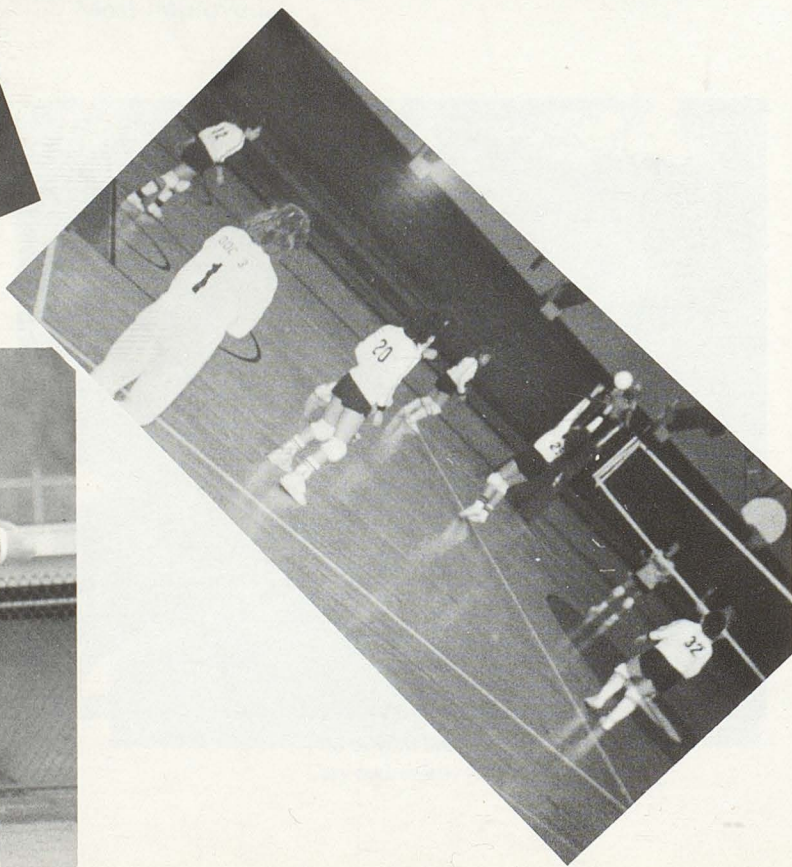

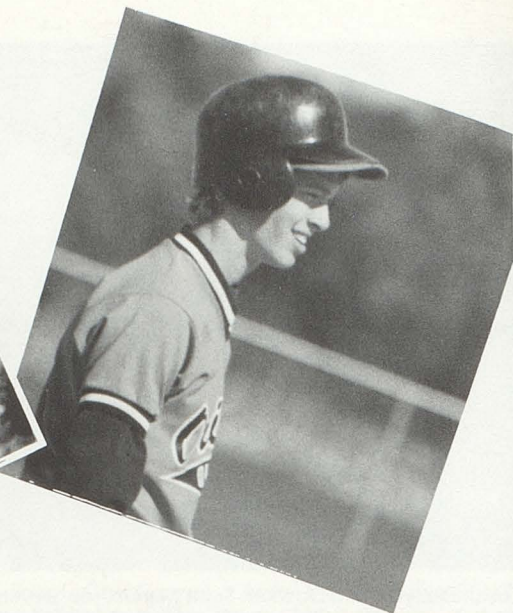

Just a little further Scott.

Quincy High School performing arts presented "Cheaper by the Dozen" on March 21 and 22, 1986. The play was co-directed by Ms. Jamie Wilson and Ms. Kelly Snyder. Stage Manager was Kirk Henning.

It was about the adventures of the family reared by Frank Gilbreth Sr. and his wife Lillian in the early 1920's. There were 12 Gilbreth children ranging in age from 17 on downward. The play was filled with humor that was fresh and genuine. Everyone gave a superb performance.
