# Foreword

To the students of Q.H.S.:

In this, our 1967 Oriole Annual, are recorded many of the fond memories of the past school year. We sincerely hope that this collection of memories will bring a smile, and at times a tear to the eye of each Quincy High School student. We have done our best to bring you an annual that you will cherish as a reminder of these high school days.

We would like to express our appreciation to our Staff and to the janitors for their understanding and patience. We would especially like to thank Mrs. Donna Omo for her invaluable assistance.

As co-editors, our desire is that each individual who leafs through the pages of this book will find in it a memory or two with special meaning for him. If this is so, then our goal is attained. To you, students of Q.H.S., we now present our 1967 Oriole Annual.

Sincerely,

## *In Dedication*

The Annual Staff takes pride in dedicating this year's Annual to you, Mr. Ronald C. White. You introduced us to the high school way of life as we began seventh grade and you have followed us to the day of our graduation.

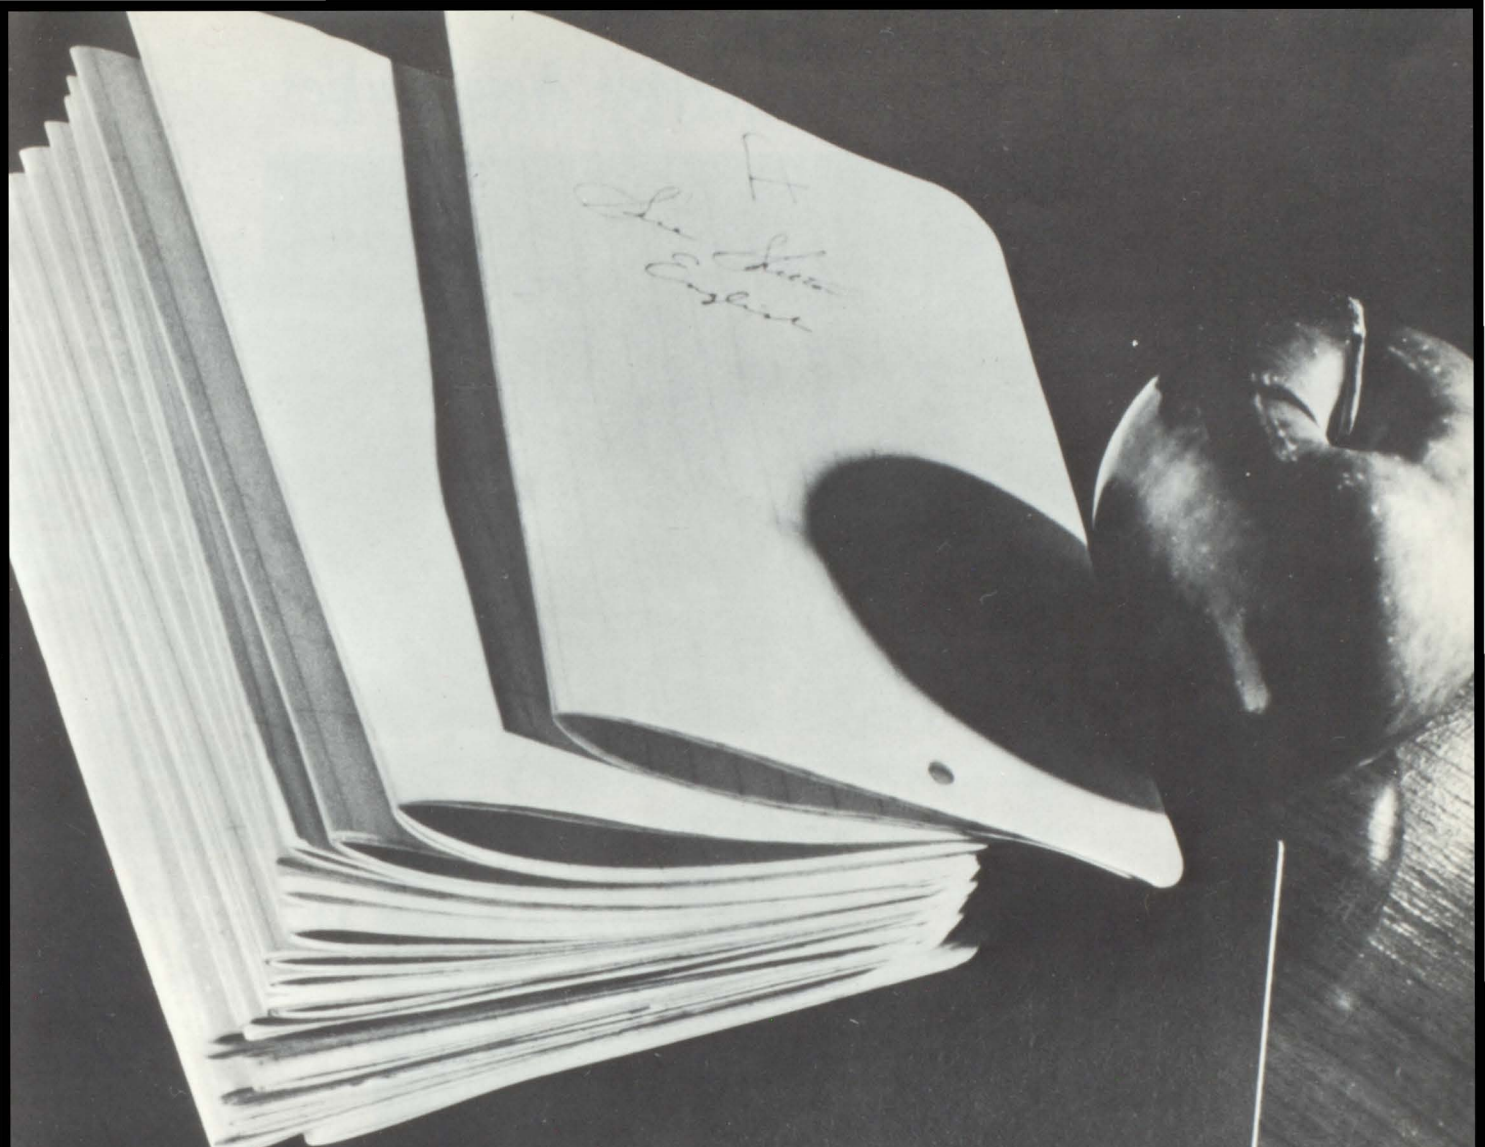

You have introduced us in Science and History while guiding our Baseball, Basketball and Football teams through many successful seasons.

In the field of Science, your contribution to our school has been one of extreme devotion and concern. The knowledge you have given us will always be of value.

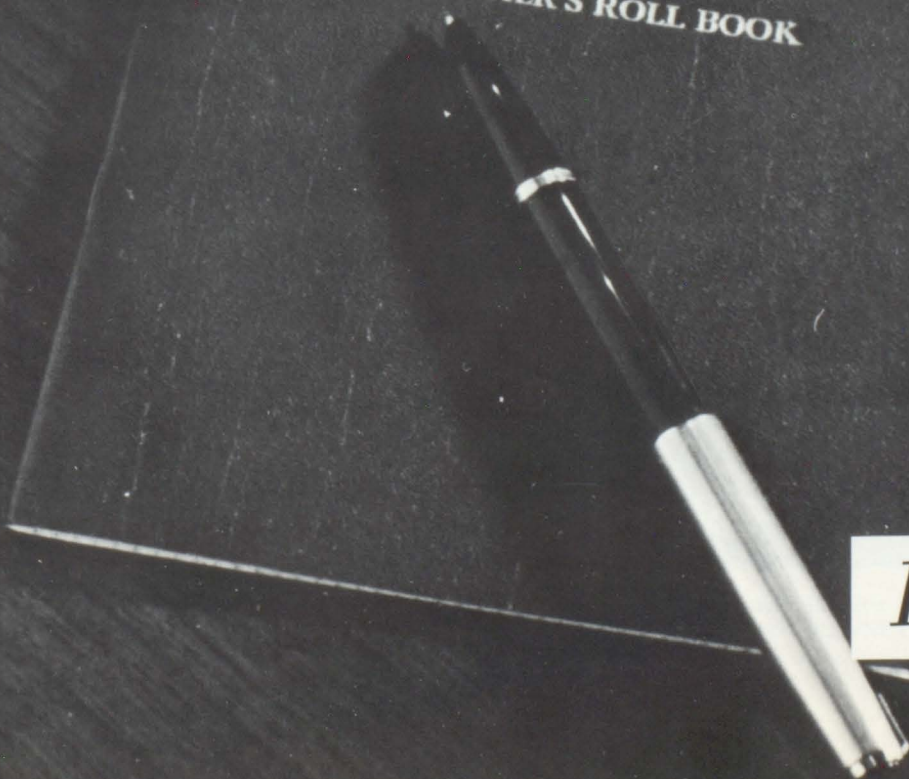

Also, your cooperation with the Annual Staff concerning sports items has made our task much easier.

With deep appreciation we hereby dedicate our 1966-67 Oriole Annual to you.

*Floats  
Better  
Than  
Ever*

The 10th grade motto was "Victory or Bust"

The juniors took 1st place with their float.

The afternoon pep rally was held in honor of the school's football team.

The 9th grade did well with their first float "Spur to Victory."

The seniors' float stood out with the motto "Stage a Victory"

# Skits Furnish Entertainment

Controversial was the word used to describe the seniors' hilarious skit.

"Bonanza" was the basis for the freshman skit.

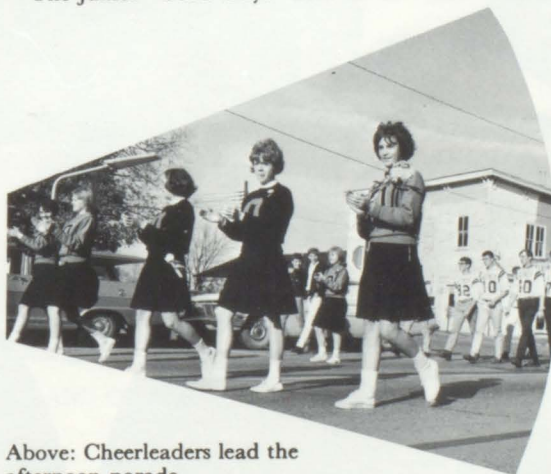

In the sophomore skit, "Wild Bill Hickok" battles with the "Indians."

The junior "Good Guys" hold off an Indian attack.

The F.H.A. started out the year of 1966-67 by the annual initiation of new members.

Many of the activities of the club were fudge sales, selling of cook books, and a new, popular activity started last year, selling knives. One of the recreational activities was Christmas caroling.

The members welcomed the new advisor, Mrs. French to the club.

Some of the members were fortunate enough to attend the Regional Meeting. One of the most interesting events was the talk given by Miss Michigan.

## *Varsity Club Has Busy Year*

The Varsity Club had a busy year as usual. Through the football season the members were in charge of services at the J.V. games. This included ticket-taking, chains, and downbox. Through the basketball season they sponsored a coat check.

Everyone enjoyed a special treat between football and basketball seasons. The club sponsored a game between the Harlem Astronauts and Quincy Faculty. Along with the game, they sold pencils with the 66-67 Basketball Schedule.

On December 10, the Varsity Club went to a basketball clinic at Cobo Hall in Detroit. In the evening they enjoyed a game between the Detroit Pistons and the Baltimore Bullets. The entire event was hosted by the Detroit Pistons.

## *Annual Staff Works Hard*

The 1966-67 Annual Staff worked very hard this past year to produce a fine book. These students devoted their time to selling ads, designing pages and creating write-ups. The year has held many new experiences, both hectic and meaningful, which will always be remembered.

The Staff is very proud of their accomplishment, and sincerely hope that their efforts have met your expectations.

The members enjoyed a bowling party held in the fall, as well as the October initiation. Mrs. Diana Hoff served as the advisor for the club.

## *Student Council Spends Money Wisely*

The Student Council added to its many activities this year. They sponsored a very successful Homecoming; contributed money to many school projects; and took part in a Christmas Toy Drive for the Coldwater State Home. The drive was sponsored by the Little "C" Student Council, to which Don Lambright was elected president. The Council operated on a slightly different basis this year. Rather than meeting on a club day, meetings were called as often as needed. The system proved to work out well as the Student Council was even more active than in previous years.

The students of QHS should take a great deal of pride in their musical department. Under the direction of Mr. Harry Blake the band has developed into one of the finest instrumental organizations in our school's history.

The Oriole bandsmen started the year with great pride after receiving a first at the Holland Tulip Festival last spring. A pride of musicianship which they proved by giving several entertaining performances at the halftimes of our home football games and by marching in the parades on our memorable homecoming. The Band was also called upon to march in the Michigan Week, Halloween, Mayor's Day, and the Memorial Day parades. Their high-step marching and big band sound displayed our school proudly.

A fun time for the Bandsmen was the trip to Ann Arbor to participate in U. of M. "Band Day" where they joined with 13,000 other Bandsmen from all over Michigan in a massed Band.

Next the marching Orioles received their greatest test at the District Marching Contest at Portage. The joy was overwhelming when the ratings were announced and the Orioles had received "Division 1".

Besides the annual Christmas and Spring concerts, a special performance was given at Tibbits Opera House in February. Highlighting the evening was the guest conductor, Dr. Champ Tyrone, of New Mexico Highlands University.

This year's band officers did a fine job in leading the A Band. They are: (1 to r) President - Morris Bollegraf; V-President - Jim Olney; Treasurer - Patsy Burk; Sergeant at Arms - Dave Bowerman.

Planning an interesting meeting for such a large group challenged the officers.

The Science Club for 66-67 was the largest club in the school. Under the administration of Mr. Paul Cunningham the members earned money at bake sales and dances. This money was used to take an annual club trip to the Museum of Science and Industry at Chicago. The Museum of Natural History and the Aquarium were also visited.

## *F.T.A. Sets High Goals*

The Future Teachers of America had a very prosperous year under the supervision of Mrs. June McConnell. Worthwhile projects included the collecting of school supplies for the underprivileged children in Haiti. They sponsored an F.T.A. Day during National Education Week in which they conducted classes. A scholarship was given to a deserving senior member, as in years past.

# Senior Highlights

As our high school days come to an end, we have many memories to recall.

In the next few pages, we would like you to look back with us, as we picture these memories of the Class of 1967.

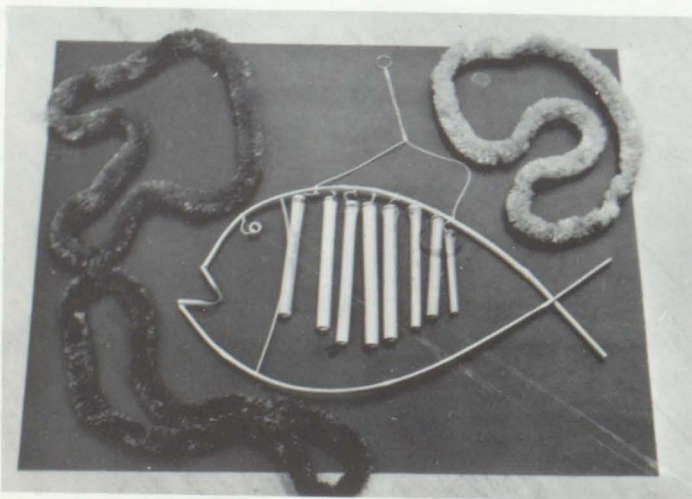

20 class members were very proud to serve at the 1965 Jr.-Sr. Banquet.

As Sophomores, we introduced a new style of class rings, of which we are all very proud.

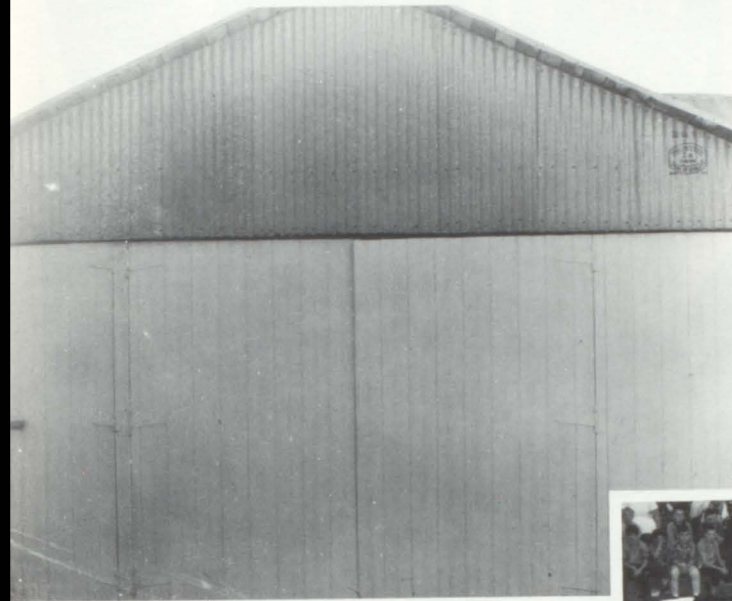

(above) We all recall how we ended the traditional Bank Car Loaning. Steve was never an outstanding driver. But we won the PEP JUG that year, anyway.

(left) We remember our successful banquet, A Polynesian Night. We also recall all the missing decorations, too.

Remember the rush to change classes during the first week of school? The situation at Mr. Snyder's office looked something like this . . .

Left: We'll never forget all the good times and late hours while working on the float. When the finished product emerged, the seniors couldn't have been prouder.

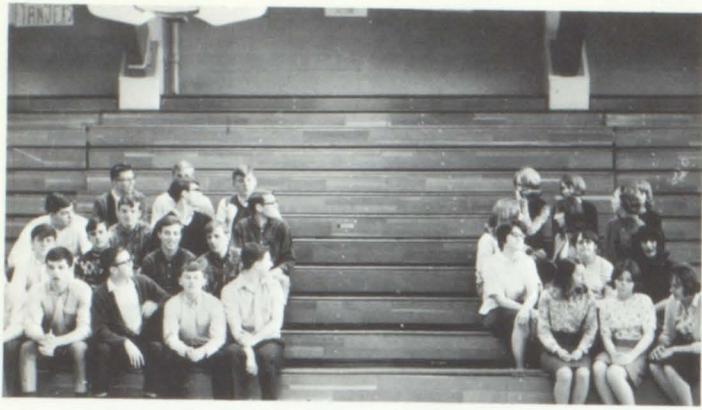

The rousing strains of "Yippee-yi-o-ki-ya" at Homecoming brought a first place and aided us on our way to the Pep Jug.

Who could ever forget being "on probation"? Throughout the school everyone heard, "Hey look us over . . ."

The poster parties were always a source of enjoyment. Even though we had a lot of fun, our posters took 1st.

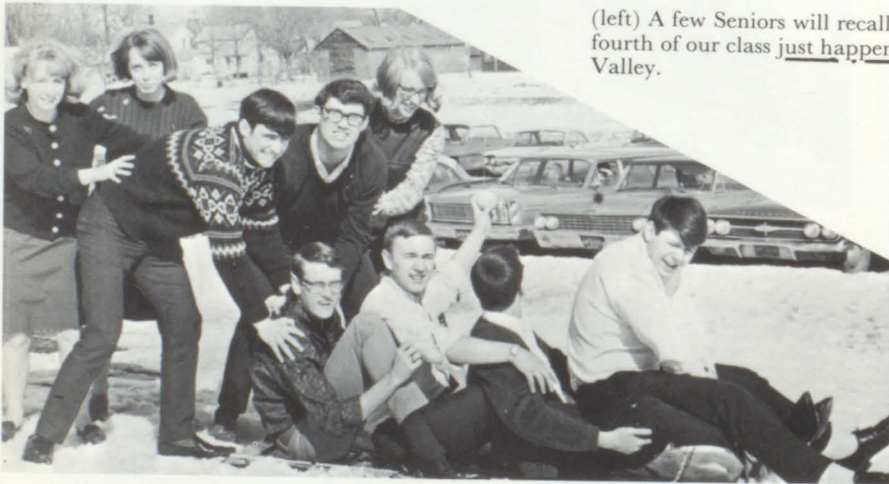

Then, of course, there was the calm class meeting we had to decide on a class trip. Remember how hard the girls fought to go in the opposite direction of "Ohio"?

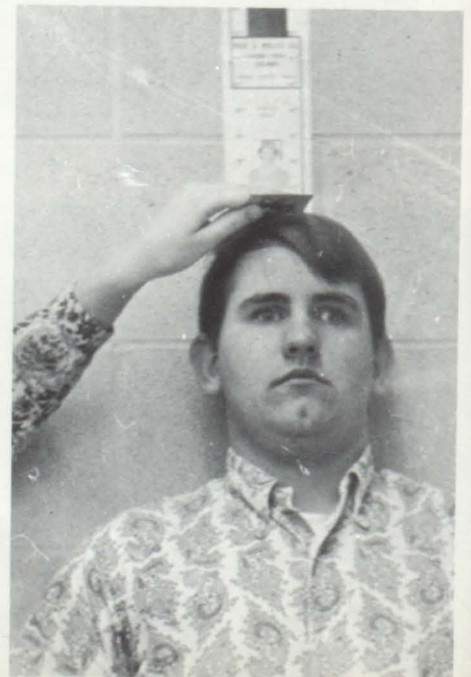

Many of us will remember getting up at 8:00 several mornings to take those nerve-racking (A.C.T. & S.A.T.) tests!

(left) A few Seniors will recall the day when one-fourth of our class just happened to meet at Echo Valley.

We remember the first feeling of excitement concerning graduation, when we were measured for caps and gowns and ordered announcements.

How well our senior guys remember that day when they registered with the Draft Board on their 18th birthday.

We were very proud this year to host the annual Senior Government Day. Students from Bronson, Coldwater and St. Charles attended.

Remember the trouble with snowballing while taking Senior Highlights? Some of the "little boys" insisted on throwing snowballs at the girls. Boys will be boys!!

The excitement of skip day was felt by all. Here, the seniors can hardly wait to be on their way.

Kathy Booher and Patsy Burk were Quincys' delegates to Wolverine Girls' State for the summer of '66.

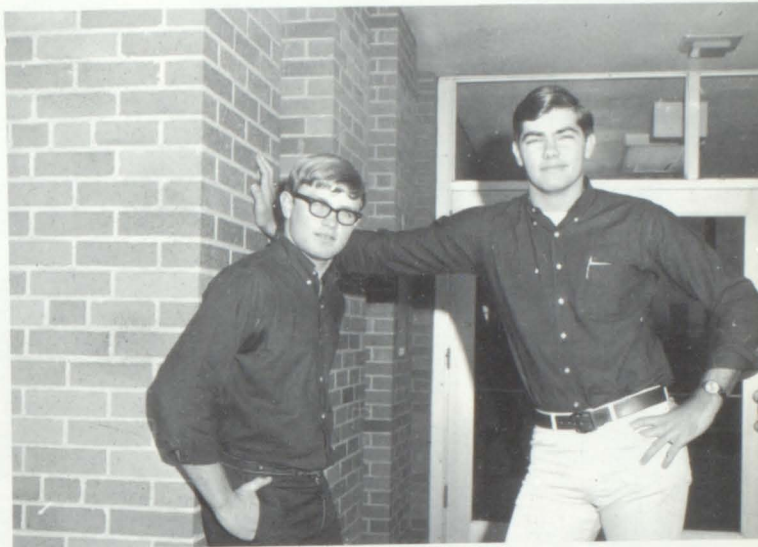

Sharon Huggett competed against Senior girls to win the Betty Crocker Homemaker of Tomorrow Award

Jim Blair was selected by the Rebecca Lodge to represent our area on a three week tour around Ontario, Canada, Washington D.C., and New York City.

Many deserving seniors received awards and scholarships but because these honors are generally given in the spring of the year it is impossible to list them at the time of publication.

Morris Bollegraf and Dan Bellamy enjoyed their week at Wolverine Boys' State in June.

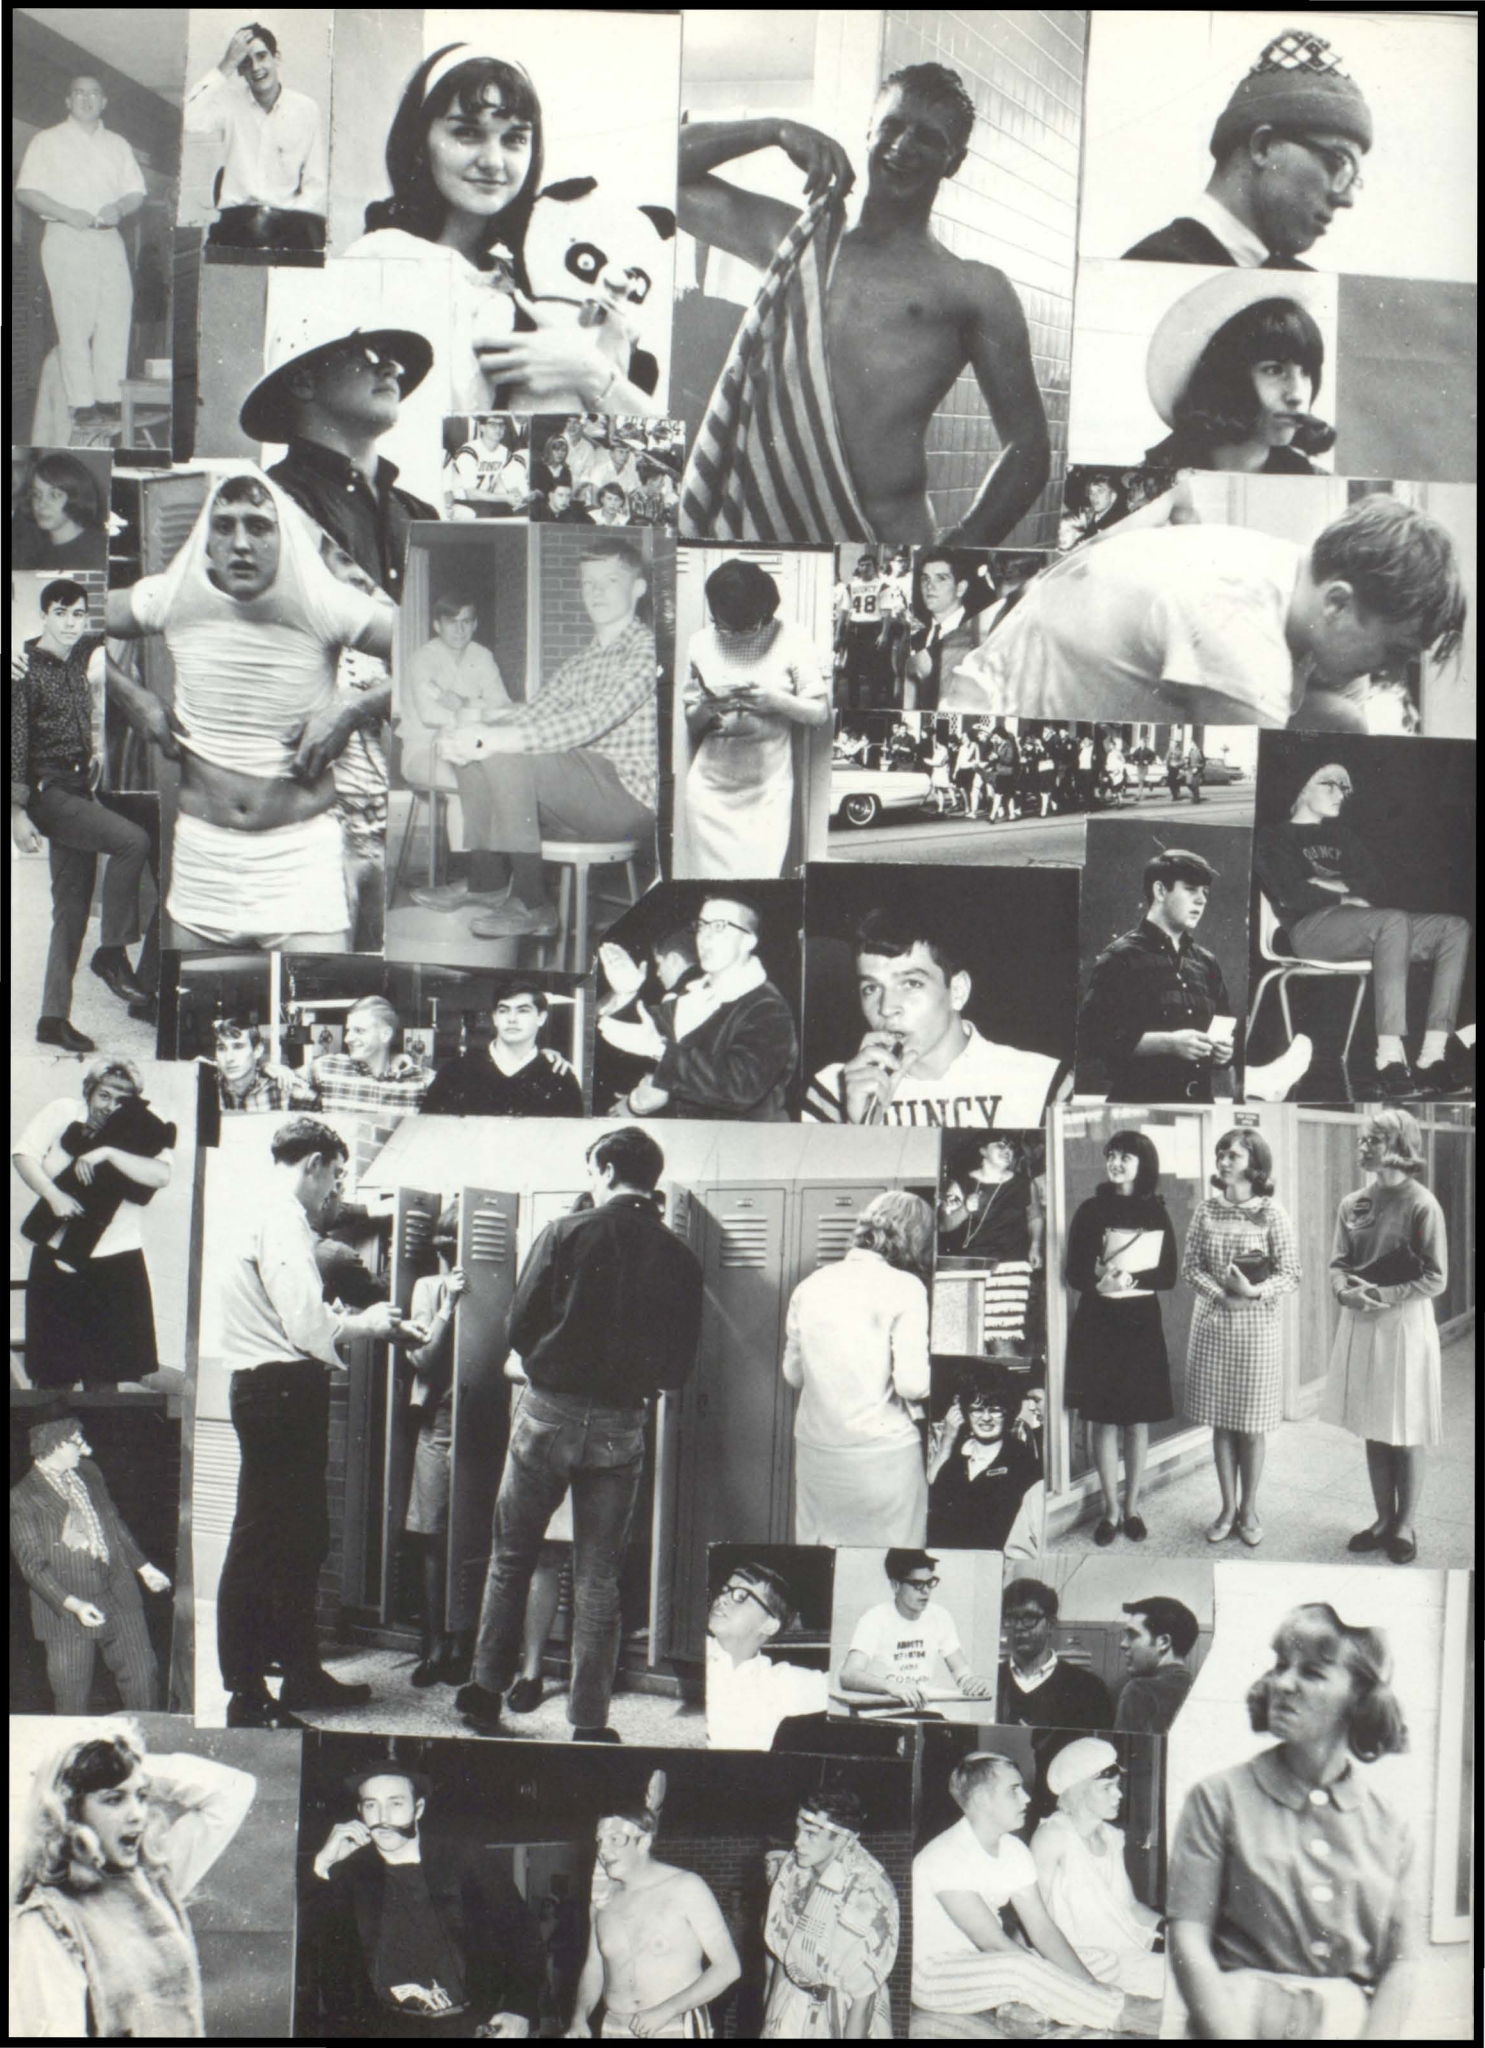

Jeanne Cook spent the summer in Teuva, Finland as Quincys' Foreign Exchange Student. She also spent a week in Leningrad, Russia and three days in Copenhagen, Denmark.

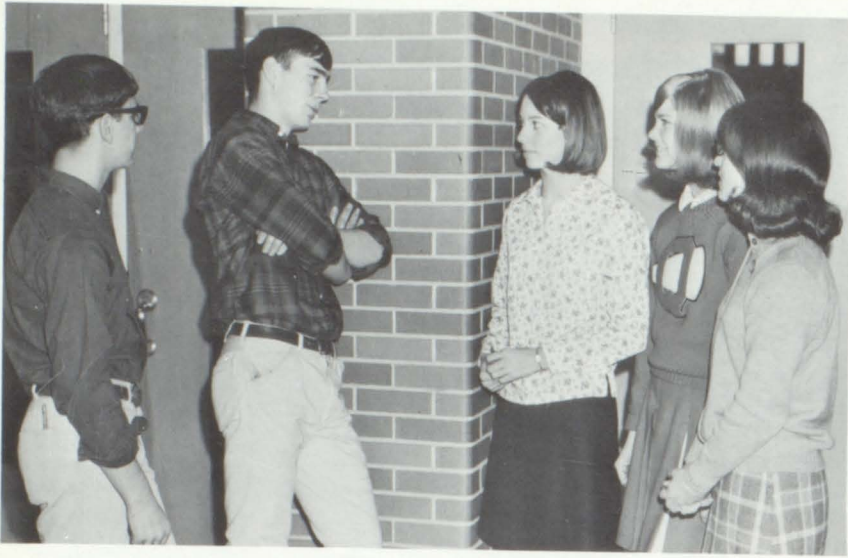

Kathy Booher was chosen as D.A.R. Girl from the class of 1967.

The class of 1968 kept right to the rule with a work-packed Junior year. They pulled through the rough competition at Homecoming with a first place on their float and a tie for the pep jug. In February they did a great job with the annual Tip-Up Carnival Variety Show. As their year swept on under the advisorship of Mr. Veysey, Mrs. Volkert, Mrs. French, and Mrs. Tetz, their work never stopped. To end their successful year, the Juniors sponsored an enjoyable Banquet and Prom in honor of the graduating seniors.

The seventh grade showed the whole school a fine example of enthusiasm as they enjoyed participation in their first Homecoming. This was highlighted for them by their winning of the Pep Can.

Their help in the magazine drive was profound and greatly aided this cause.

A party in the spring was enjoyed by the members and they all concluded their first year of Junior High School. An educationally rewarding year for our newest members of Q.H.S.

## Tip-Up Carnival is Again a Success

The 1967 Tip-Up Carnival proved to be as exciting and entertaining as in the years past. The Junior Class devoted many long hours to organizing, rehearsing and decorating for this years show. Also, credit should be given to Mr. Veysey, Mrs. Knapp and Mrs. Grimes who gave willingly of their time to assure a fine performance. A variety of talent was displayed such as: singing, baton twirling, modeling and instrumental numbers. A large selection of lovely and talented Junior and Senior girls competed for the title of "1967 Tip-Up Queen". After much debate on the judges part, Miss Susan G. Krok was awarded the honor

## 1966 Orioles Break Records

The mighty Orioles left their mark again this year by breaking records as well as taking second place in the conference. They started the year with a tremendous victory over Addison. In the following game they continued to keep their opponents scoreless by defeating Reading 41-0. The school record was broken Homecoming night when the Orioles beat the Athens Indians 73-7. At the end of the season, Quincy's fantastic playing ability was rewarded by the announcement of four starters earning All-Conference and the other seven getting an Honorable Mention.

Co-captains Don Cook and Dick Bermingham discuss playing strategy with Coach Ludlow.

Extra activities for the squad have been two clinics; one in Midlan, and one in Drayton Plains. Also, money making projects included: sponsoring the Annual Sweetheart dance, many bake sales, and selling ORIOLE buttons.

The basic of any great football program is in the depth of its reserves. It is from these young stars that the great Orioles are born. This year the team was no exception of the rule.

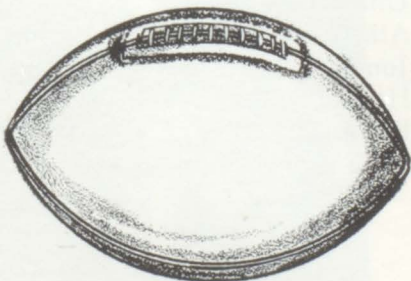

At the beginning of the season everyone was nervous, but then a young freshman line matured after that first game and developed into a fine unit. The entire team progressed well and learned what each person was to do. This played a big part in the successful season.

Cheerleaders

Enthusiasm*

In their basketball uniforms are: (top to bottom) Lori De-Line; Roxanne Bellamy; Sandy Fast; Louise Wortz.

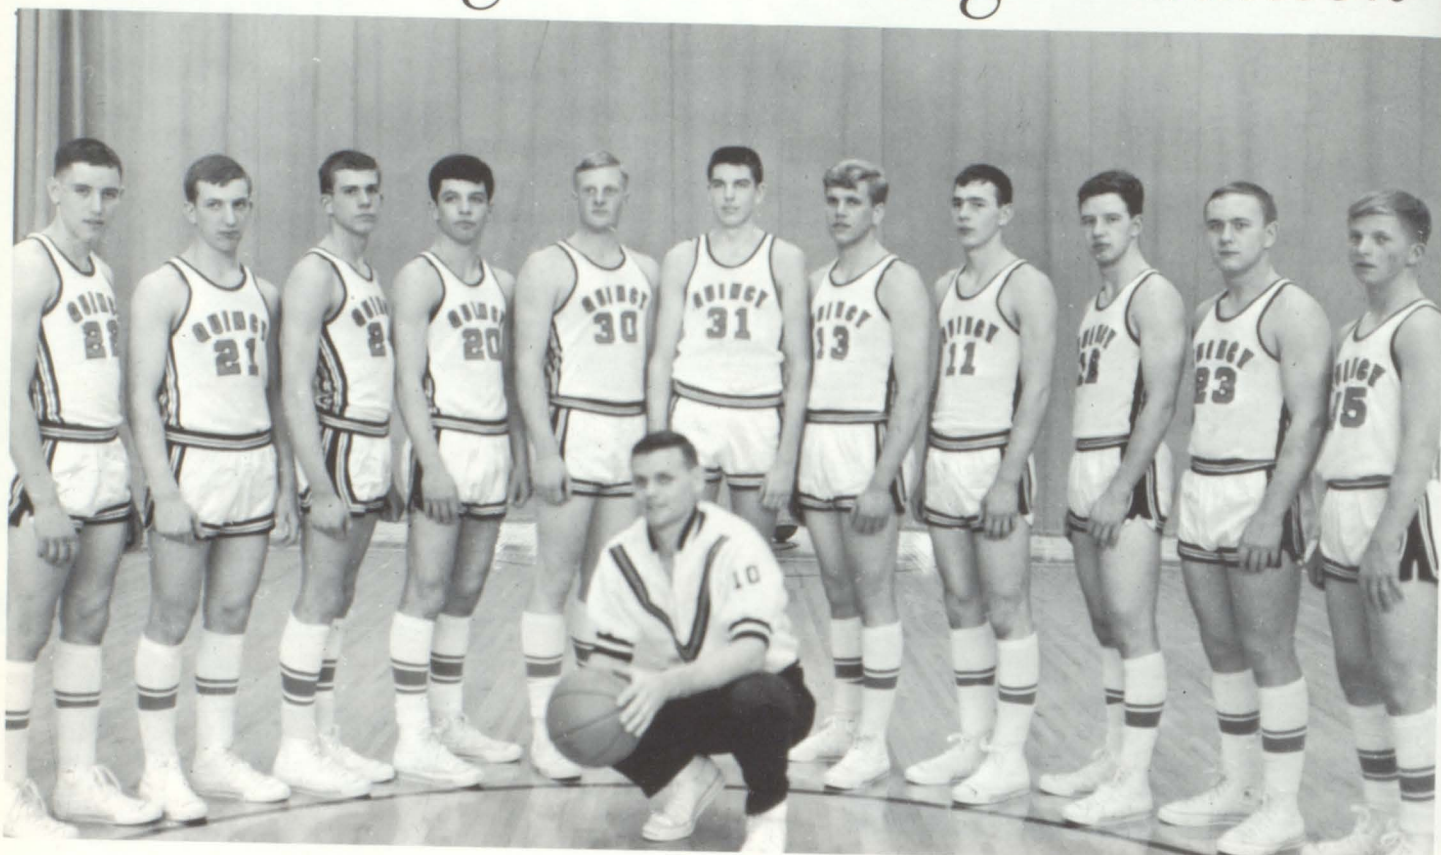

The Reserve Cheerleaders were very active this year under the supervision of Mrs. Diana Hough. They devoted their time to making the locker stickers, and covering the "Q". They not only showed their skill in cheering at games, but also by making their basketball uniforms.

Cheering in their football uniforms are Sandy, Louise, Roxanne, and Lori.

The Junior Varsity Basketball Team enjoyed a successful season. Their 13 wins and 4 losses will give them a bright future on the courts. These young Orioles learned the fundamentals and skills that will make fine Varsity athletes. Their games provided much excitement for the crowds, and the sadness at defeat was shared by all. Their efforts were rewarded by receiving second place in the conference.

## *Eighth Grade Trains For J.V.'s*

Although the eighth grade team, under the coaching of Mr. Stewart, failed to win any games in regular season play, the team won the satisfaction of going on to the tournaments at Homer on February 13-18. They won one game, but then they were eliminated from play after dropping the next game by a very close margin. Coach Stewart feels his team will make many fine contributions to next year's Junior Varsity team.

## *Seventh Graders Learn Sportsmanship*

Even though this years' seventh grade basketball team lost each of their seven games the season as a whole was a success. The boys, besides having fun, learned the basic fundamentals of the game along with pride in their play and valuable experience for next year. Both Coach and team have high hopes for the 1967-1968 season.

To learn to work as a group, and perform in front of others are the goals of the seventh grade cheerleaders. This year has held many experiences and thrills that these girls will never forget. They have learned many new cheers and were introduced to the game of Basketball.

## *Cheerleaders Generate Excitement*

Although the eighth grade cheerleaders did not experience cheering a winning season, they learned many techniques and cheers that will aid them in their future. Their advisor Mrs. Diana Hough helped them through many rough problems and taught them the fundamentals of cheerleading.

This year's Girls Gymnastics operated with a small number, but managed to have a successful year. They concentrated on learning new techniques of Gymnastics. They competed in District Try-outs and attended many clinics in Battle Creek. They participated in a demonstration for the Senior Citizens early in the year. They are preparing to aid and assist in next year's Physical Education Classes and Gymnastics. Mrs. Hough instructed the girls in Free Exercise during the year. They hope to increase their number next year, so that they can participate in many more activities.

## *1967 Favorite Teachers*

The F.T.A. Club of Quincy High School began a new project this year. They sponsored a Favorite Teacher Contest in which the student voted with pennies for their favorite teacher. The project was solely for the purpose of earning enough money to present a scholarship at the end of the year. The announcement of the winning teachers brought the students to their feet with cheers at the pep assembly. Mrs. Pensari was presented with a white carnation corsage and Mr. Stewart was given a boutonniere.

## *1967 Sweetheart Couple*

Nancy Green and Steve Shook were honored with the title of Sweetheart Couple this year. The cheerleaders annually sponsor a Sweetheart Dance during the week of Valentine's Day. Couples in the school have decorated boxes in the commons where students vote with pennies for their choice for Sweetheart Couple. The couple with the most votes (one penny — one vote) is then announced at the Sweetheart Dance after the game.

At left the women are balancing the days business at their counter in the front of the building.

Two experienced women work in the bookkeeping room operating the coding machine, which prepares checks for data processing, and the micro-data machine, which photographs all transactions.

Here is a view of the installment loan department where the ladies make daily postings on their ledger cards, etc.
