... 1982 served as a payoff for 22 Seniors who had worked hard for 3 years to fulfill a dream, a League championship! ... A Year marked with fast starts and consistent defense ... Off-season training and many long, hard hours helped defeat an excellent Dowagiac team ... The League schedule proved to be a wet one, as both the Harper Creek and Albion victories were mud bowls — Excellent inside power and a solid defense proved to be the difference — A great start ... Hastings — forced to produce in 4th quarter, a come-from-behind victory ... Marshall — 4th step in the T.V. ladder — Marshall and Coldwater both undefeated.

Marshall — Showdown turns to feast, 30-0 in the first half. An Offensive explosion. Final score at 39-0 ... Northwest — Mistakes stop 3 of the first half drives inside the 10 — N.W. ground game proved too much. They played excellent ball control game against us ... Sturgis — HOMECOMING WEEK — Coming off North West defeat a Sturgis game which equals the difference between tie for 1st of 3rd ...

Sturgis — game is decided in fourth quarter. A Total Blitz ... 23 Point Cardinal ... 39-14 let the thought linger ... Hillsdale — Trick or Treat night ... Also the night the Cards showed the world by earning the T.V. title. The ground game was awesome ... Bill Crotty 211 Yards/10 carries ... Mike Stahly/110 yards on 11 tries. We lost the finale 14-0 ... Titan's Defense played a great game. We finished our season 7-2.

The J.V. football team finished with a fine 7-1 season. The season started off with a bang by defeating Dowagiac 30-10. A program that had not lost a J.V. football game in the last 30 games was used. Perhaps the highlight of the season was beating Hastings 44-0 to hand them their only loss of the season. The Junior Cards finished as tri Twin Valley Champions with Sturgis and Hastings. This year's J.V.'s proved to be a fine young team.

This year's Freshman Football team had its ups and down. Most of the "ups" occurred during the early part of the season when the team posted two, come-from-behind victories. The second half of the season was a little tougher with two of the defeats coming at the hands of more experienced J.V. teams. Through all the sweat and running, broken bones and bruises, fourth and eight trap plays, our objective was met finding out what Coldwater football was all about. This year's young squad will remain hungry for the chance to earn the title as Twin Valley Football Champs.

The Varsity Girls' Basketball season started off rather tentative, as the Lady Cards managed only three wins in their first 10 outings. Things began to pick up with a heart throbbing victory at Jackson Northwest on a last second shot by senior J. Harding. From that point the Lady Cards took off and won 10 of their remaining 13 games. The highlight of the season was winning the District Championship at Sturgis.

J.V. Girls Basketball

With three sophomores on Varsity, the girls still finished very well. Leading the J.V.'s were A. Bercaw with 158 points, 122 rebounds and S. Straw with 89 steals, 44 assists, and the best free throw percentage.

The team started out slow but finished strong by winning 9 out of its last 12 games. We want to wish the class of 1986 well in their varsity years.

2nd Row, (L-R): Trainer A. Cranhan, P. Mopes, Coach Fuller, T. Andress, T. Stuckey.

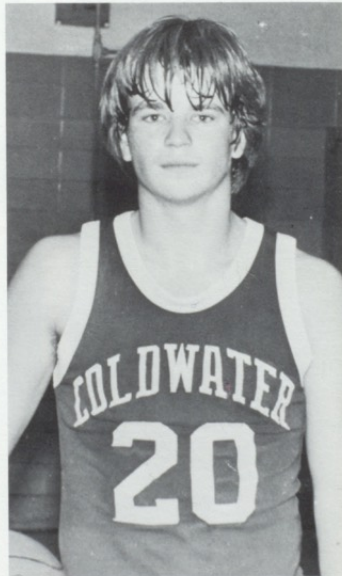

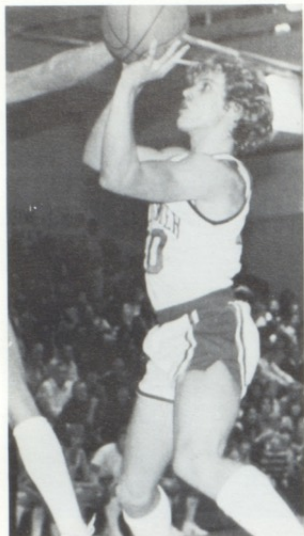

The 1982-83 Boys' Basketball season was one of very interesting happenings. First, a new coach was hired and a different style of basketball was played. Second, we opened the season with a big win over Jackson Lumen Christi and it helped set the rest of the season. Third, we finished 4th in the Twin Valley — one game out of third place. Fourth, the attitude and desire of the players was very rewarding and it reflected in their constant will to improve and want to win. Fifth, the leadership shown by the seniors who finished the season (Greg, Jeff, Derek, Jody, and Carey) will be a big lift and help to those younger players in the basketball program.

I firmly believe that the basketball program at C.H.S. is on the upswing. The assistants in the program — Terry Andress, J.V.; J. Culp, Freshman; and B. Goodwin, 8th grade — did an outstanding job this past season. If we continue to improve as much as we did this year, next year's spread could be competing for 1st or 2nd place in the Twin Valley. The boys we have coming up in the program have done an outstanding job of working hard on their basketball skills and their desire to improve. In addition, next year's squad will be going to a team basketball camp this summer and playing 3-on-3 on Monday nights and having an open gym on Wednesday nights.

To sum up the program, I must conclude that I am very excited about next year and the years to come. C.H.S. has a very good coaching staff in all sports and basketball is just one piece of the entire program. If we can continue to work hard, maintain a good attitude, and maintain the desire to compete, C.H.S. and the city of Coldwater can and will be proud of the athletics involved.

The 1982-83 Season demonstrated the best J.V. Boy's record since 1950. Leading the team were Kenny Johns, with 210 points; John Dygert, with 104 rebounds; Steve Winbigler with 102 rebounds; Scott McFarland, with 55 assists; and Kevin Crotty, with 58 steals. It was a well-balanced team and team members did their jobs well. The boys started out slowly, losing 4 out of the first 9 games, but won 10 out of the last 11. We are looking forward to two good varsity seasons from the Class of 1985.

EXCHANGE CLUB CHAMPIONS — Brian Marteen — Most Valuable Player, Jeff Licht — All Tourney Team, John Borer — All Tourney Team.

The 9th grade boys' basketball team showed a great deal of depth and versatility in posting a season record of 16 victories against 3 defeats. Two of the early season defeats were avenged by the 9th graders, later in the season. The most rewarding aspect of the season for the young Cards was their 1st place finish in the 8 team Exchange Club Tourney. Two 9th grade Cardinals, John Borer and Jeff Licht, made the All Tourney team. Brian Marteen was selected the Most Valuable Player for the tournament.

Faced with the problem of replacing seven seniors from last year's squad, members of the 1982-1983 Cardinal wrestling squad were determined to improve upon their winning record. Leading this year's team were co-captains Larry Hill and Mike Stahly, along with seniors Marc Siler, Fred Vranesevich, and Jim Love.

Although the overall success of the team was limited, many individuals' goals were achieved. The determination, conditioning and enthusiasm demonstrated by the team laid the foundation upon which future teams will build.

Chosen, by their teammates, to lead the team next year were Greg Pothoof and Scott Welke.

As a team, we have been very inconsistent. We played good defense; our pitching was also very good. We finished third in our league with an 8-6 record. Jackson Northwest won the Twin Valley with an 11-3 record. Marshall was second at 10-4. Derek Rohloff and Jeff Rubley were just chosen all-region 2. Our over-all record is 16-12. We will lose, and considerably miss, four seniors: Randy Burke, Greg Zabonick, Derek Rohloff and Jeff Rubley.

The J.V. Baseball team completed an outstanding season, finishing 19-3. They simply out-hustled other teams and performed well when the pressure was on. Probably this team will long be remembered as the "bunt and run" boys, as their motto was "If we can't hit you, then we'll bunt you to death." An excellent year from a fine group of young men who really knew how to play as a team!

The Varsity Softball team started out the season with great anticipation, especially after a 4-0 beginning. However, as the season progressed, a .500 record was the best that could be attained. Seniors Laura Berry, Jane Hollister, Laurie Sims, Glorita Smith, Tammy Ward, Amy Ewers, and Jana Harding had a fine performance record and will be missed next year. Both Jana and Amy were rewarded by being on the All-Conference team three years of their high school careers.

BOYS' TRACK

Row 3, L to R: Coach Ferguson, M. Koss, S. Licht, J. Borer, S. Hadley, J. Solvack, T. Guise, S. Summitt, M. Fadden, S. Uhl, S. Toth, C. Daniels, Coach Bilsborrow. Row 2, L to R: M. Zebolski, S. Logan, M. Stockwell, D. McFarland, J. Cobb, M. Siler, B. Solack, S. Ostrum.

The Boys' Track Team completed a successful dual meet season with a 9-2 record. Faced with rough opposition in the Twin-Valley meet, the team finished in fourth place for the third year in a row. In the regional meet three athletes, Craig Simmerman, Steve Uhl and Scott Summitt, qualified for the state meet.

Craig and Steve were the leading record breakers on the team, with Craig winning the M.V.P. award.

Much of the team's success this year was due to the efforts of a number of seniors, most notably hurdlers Ken Thompson and Mark Pifer, pole vaulters Jeff Cobb and Marc Siler, and distance runner John Puerro. Three of the team's best sprinters were John Solak, Mike Zebolsky and Dallas McFarland. Jim Love and Carey Casperon ran well all season on the relays, while Mike Koss scored valuable points in the field events.

A good crew of freshman athletes also contributed their talents to this year's team. These youngsters should help to bring success to next year's team. Also coming back next year will be our dedicated distance runners and our weightmen, led by Pete Krantz and Steve Norton.

— Coach Bilsborrow

GIRLS' TRACK

Season dual meets 3-8 (2-5 in the T.V.). 1 runner (Dana Cooper in mile) to state meet. 13 runners in Coldwater Daily Reporter area best. We are graduating one senior, Angela VanBuskirk, who has scored over 400 points in her 4 year track career. She will leave a void in the program that will be difficult to fill. Fortunately, we have a large number of underclassmen who are quite talented, are enthusiastic, and have gained enough experience this year to make us competitive in the future.

SENIOR LIFE

Before reaching the close of your 1983 CARDINAL, take a moment to reflect upon this year. What were your goals? Did you attain them? Can you look back, with fondness, at the memories; can you look forward, with eagerness, to the future?

As a staff, we have spent all of 1983 (and some of 1982) looking at this year, looking at you. What did we see? What are *our* reflections? We saw you make an effort to do better than you did in 1982. We saw you become more concerned for others than for yourselves. We learned that, in spite of your occasional complaining, school really *does* play an integral part in your lives.

Most of all, we discovered that, in each of you, there lay many tomorrows, to be filled with the accomplishments for which yesterday was too brief.

You have learned, you have grown, you can be proud.

* * *

On behalf of the 1983 CARDINAL Staff, my deepest appreciation goes out to the following persons, groups and businesses, without whose support, the 1983 CARDINAL would not have been possible: Bob Conway Studios; Lee Zimmerman of Taylor Publishing Company, Dallas, Texas; Craig Gunn; The Coldwater Daily Reporter; Laura Miller, '83 CARDINAL Editor; Pam Philbrick, '83 CARDINAL Assistant Editor; advertisers; merchants; high school faculty and staff; community members; CHS students; area professional photographers; Mr. and Mrs. Wayne Kellogg and family and Mr. and Mrs. John Yope and family; 1983 CARDINAL STAFF.

Diane M. Bolton, Advisor

Why do our thoughts seem so scattered,
Our paths seem so unclear?
Up to now it's all been decided for us,
But where do we go from here?

As we look back through all our years,
On all our smiles and all our tears.
We take our friends and keep them close,
We let them know they mean the most.

But now it's time to move on, you see,
And be who you've always wanted to be.
Looking back from time to time,
To remember the reason and find the rhyme.
Then we'll turn around again,
To make more memories, to make more friends.
So that in our final years,
We can reflect on all the smiles and tears.
But always remember that in the very end
We'll always be each other's
very best friend —

Dan Conley

HARD WORK PAYS OFF

"Another year, another yearbook . . ." But not an ordinary staff! Each year, I look forward to meeting new staff members and welcoming back those "old hands" who just can't get enough of hard work, deadlines, Tuesdays, stamp pads, spilled ink — or me.

Each year, I am overcome by the interest, the dedication, the willingness to give up precious personal time, the wisdom, the talent and the smiles that greet me, ready to do their best, ready to compile the "best yearbook ever." 1983 was no exception. The list below speaks best of the efforts these young people put forth. But you be the judge. We think you'll agree that the 1983 CARDINAL is just one more in a long line of excellent yearbooks.
