September 5, 1940

Dear Diary:

Well, a new school year has started, and (for some unknown reason) it seems pretty good to be back. Everyone is brimful of energy after the summer vacation, and things are getting under way again.

We have two new teachers this year which is going to be interesting! All of the old activities are starting up — the sports, the clubs, the band's marching and — penalty room.

But on the serious side, many of these little ordinary, everyday school events are so easily forgotten that it might be a good idea to keep a diary on the school year 1940-41.

1941

## THE REASON WHY!

WE, the Cardinal Staff of 1940-41, offer you this year book as a living, personal record of one of your happiest years at Coldwater High School.

# DEDICATION

Coach Donald (Sunny) Bauer

We, the Cardinal Staff of 1941, dedicate this book to Coach Donald (Sunny) Bauer, who through seventeen years of service to Coldwater High School has made himself a friend to all with whom he was associated. His genial manner in the classroom and on the athletic field has added much pleasure to our school life. He has inspired our teams on to victory and encouraged them in defeat. His interest centered in the players' welfare and it was his desire that whether the game was won or lost, true sportsmanship should prevail.

In The Classroom

Dear Diary:

The people who live here are many and varied, but there are some general groups that we all know.

The ADMINISTRATION in a quiet way organizes our school functions so that the year will pass smoothly and efficiently. We, the students, do not give much thought to the time that these people must spend, but we do appreciate the way things click along during the school year.

Fully deserving of praise for their patience and ability are the members of the FACULTY. We of CHS are especially proud of our teachers. We're sure a younger acting, laughing, or more brimful of fun set of people is not to be found in any other school.

Then, of course, there are those who really make a school of it, the STUDENTS. We have our good points and our bad ones, but through all of them shines the fact that we students of CHS are noted for our sportsmanship and school loyalty.

These are the three elements that form a school, and each new year at Coldwater High School is aimed at improving all of them.

## "AND THE THINGS THEY DO"

**MR. BOND**

Harlan is trying to build up his biceps. His daily practice is to break about six batons.

**MISS BARSHNEY**

You have to look twice before you can distinguish Miss Barshney from the students. Four years of college didn't age her a bit. Wonder what four years of teaching will do . . . ?

**MR. BATES**

Others may change to new kinds of glasses but Mr. Bates remains faithful to his old rimmed specs.

**MR. BAUER**

Coach is pretty good at raising hair on his upperlip even though he just can't make it grow on the top of his head.

**MISS BURRELL**

If a new style comes up—Miss Burrell's got it!

**MISS CHUTE**

For the most pleasing voice in Senior High, there's no one who can beat Miss Chute.

**MR. CLUTE**

It must have been fate that made Jerry take up typing. It's so much more convenient for him to read personal letters over the shoulder of the one that's typing them since he's the teacher. Curiosity killed the cat, Mr. Clute.

**MISS CULP**

Miss Culp's most attractive feature is her right eye—especially when it's winking.

**MR. DENNIS**

Why is it the girls always remember General Science better than the boys?

**MR. C. ELLIOTT**

Think nothing of it if Charley suddenly leaps up on the desk and starts shouting at you—it's just the debater in him.

**MR. J. ELLIOTT**

The noon hour policeman has more fun throwing people out of places they shouldn't be in.

**MR. FRIZZO**

Leo, the deserter. He deserted some of his study halls for Biology, and his bachelorhood for marriage. That's enough to make any man get bald.

**MR. GRIGG**

And whenever some tricky stage furniture is required, Mr. Grigg is always on the job.

**MR. GREEN**

We're wondering just what course they offer out in Colorado that makes Mr. Green so adept at making students feel dumber than an ox when they try to explain a problem.

**MISS KEMPSTER**

We sometimes wonder what Miss Kempster finds that is so interesting to talk to herself about so constantly. But after forty years in one school she probably has plenty to talk about.

**MR. KLINE**

The mystery of Junior High is how Kenneth can always tell just who is reading funny books behind the screen of a notebook. P.S. Also what he does with the ones he takes.

**MISS LAZENBY**

It really takes Miss Lazenby to look after the Junior High girls.

**MISS LEATHERS**

Is it "Wheaties" or all the mail she gets from her "friends" that gives Miss Leathers so much pep?

**MR. LYONS**

The automobile show is very interesting but the other shows are a bigger attraction. Right, Owen, my lad?

**MISS MOORE**

Miss Moore's writing class wasn't such a bad idea after all. Those diaries—wow!

"All the world's a stage  
And all the men and women merely players  
They have their exits and their entrances  
And one man in his time plays many parts,  
His acts being seven ages."

William Shakespeare almost 400 years ago, thus wrote the biography of every man born and destined to be born. Continuing this quotation, we would find that the second age of life consists of the young school boy seeking his education . . . The graduating class of 1941 leaves with the satisfaction of having fully completed this very important "act" of life.

This year's graduating class will long be remembered for possessing one of the most progressive and intellectual groups ever to enter Coldwater High School. The spirit of cooperation and initiative which enveloped this group served them in producing many enterprising and outstanding events and projects. After entering the portals of the Roosevelt building and being generously feted with a Sophomore reception, the class took no time at all to swing into the general run of action and swift progress. They in turn presented the Christmas Party that year.

The peak of enterprise came to a head in their Junior year when a never-to-be-forgotten play was presented entitled "The Late Christopher Bean." The proceeds of this play helped to sponsor a farewell banquet for the class of '40.

In 1941, after sponsoring a party for the newly sophomores, they next presented another frolicking play "Spring Fever." Another outstanding feat during this year was the initiation of a new class—The English College preparatory course. The students who attended this class will always be grateful for the assistance and enlightenment it offered.

So it is with a sorrowful farewell the Seniors take leave this year, for they not only leave their achievements, but the guidance and comfort which always surrounded them. For remembrance, the Class of '41 bequeaths two beautiful silk flags, an American flag and a school flag, to the school in order to be displayed in the auditorium.

"AND THE THINGS THEY DO...." (Continued)

MRS. MAC FARLANE

It just doesn't pay to "talk back" to Mrs. MacFarlane, for she'd just as soon double, yes, even triple, your time in penalty room as look at you. And a penalty is one thing she does not forget.

MR. RENSHAW

Back, back, further and further, slowly, still more slowly—forward, now. Ah, safe once more. We don't know how you do it, Butch. Someday that chair's going to tip clear over!

MISS SEMMELROTH

The students are all trying to keep any magazines from reaching Miss Semmelroth because they know she'll find some excellent "report material" if she's given half a chance.

MR. SIBLEY

Have you ever noticed that Mr. Sibley always keeps one thumb tucked away in one of his pockets? Could it be that it did its life's work years ago when he used it as a teething ring?

MISS SCHULTZ

We nominate Miss Schultz as the teacher with the most pleasing voice in Junior High, but it's a toss-up between Miss Chute and Miss Schultz.

MISS STEFFANIAK

Miss Steffaniak conducts her "confession room" at noon. And do the students hate to have to stay and confess why they were "naughty."

MISS SWANSON

What would Miss Swanson do without having to wake Eugene Zinn up every day in fifth hour?

MRS. VAN AKEN

Mr. Wrigley would be bankrupt if Mrs. Van Aken had her way, but students just will chew gum.

MR. WEEKS

It isn't what he says—it's the way he says it!

MRS. WARNOCK

Everybody's wondering whether it's running errands for Mr. Sharer or Ry-Krisp that keeps Louise that way.

Dear CHS:

One day we guys had senioritis;  
We thought about our past.  
We thought about our friendships,  
And hoped that they would last.  
We remembered all our teachers  
And all the gaff they took,  
And everything we learned  
Though we never touched a book.  
In fact, our sentiment carried us til —  
We justly decided to leave a will.  
This document, intended for pals,  
(Which includes, of course, all fellows and gals),  
Will help you recall us forever, eternal.

We, the class of '42, have really given other classes something to "shoot" at. We chose a very difficult play, "The Vampire Bat" and with 40 Juniors working on the cast and on the committees, and with everybody selling tickets we made it a booming success. Since it was so successful we were able to put on a Junior-Senior banquet that simply made one's eyes pop out. Nearly every member of the class served on a committee at some time during the year. Thirty of the Girl Reserves were Juniors; seventeen were Hi-Y members; ten were F.F.A. members; and some were Home Ec. Club members; as well as having four juniors on the varsity debate team. So you can see that the

whole class was very active.

Then, individually, Wayne Green represented the school in extemporaneous speaking in the district; Mary Ann Corey acted as High School clerk; Kathryn McNall was a prize winner in the essay contest; Babs Parker was a drum majorette for the second year, and Margaret Gould was a prominent member of the Student Commission. Then, too, we had the one and only Jack VanSchoick.

Dick Asbury, our handsome president; John Woodward, vice-president; Martha Treat, secretary; and Kathryn McNall, treasurer, were the class officers of the "Jaunty Juniors."

This class of '43 brought a great deal of new ability to Roosevelt High which developed rapidly as the year wore on. We are especially proud of those who have shown outstanding ability in athletics. Included in this group are Wayne Barton, Howard Snyder, Jack Gates, Kenny Wager and Daryl Papke. With such a fine start it is certain that our high school years ahead of us will be very successful, and that we are headed for bigger and better achievements.

We, the Sophomore class of '41, began our Senior High career with 149 pupils. We were a nervous group of tenth graders, and we again found ourselves in the position of seventh graders instead of supreme rulers. Finally, after learning where to go and what to do, we settled down to the routine of school work. After being welcomed by the Sophomore Reception, we returned to the gesture by giving the Christmas Party Friday, Dec. 13. Then, after becoming better acquainted, we decided to produce a play called "Silver Wings for Christmas" which proved to be a great success. The cast included Donald Adams, Richard Butler, Dean Forrester, Douglas Gates, Bill Grove, Beverly

Dear Diary:

When the word "SPORTS" is used, it is so easy to think of the glamour that surrounds every game — the gay shouting crowds in the stands, the tingle of trying, trying, trying to win the game, and the victory marches and snake dances afterwards. Yet the flashing red and white of our school colors mean more than just these things to us, it means, rather, the high hopes and good sportsmanship that makes every game worth the effort, win or lose; it means that we of CHS can take it!

For a fairly small school we have quite a large sports program. Intramurals, little publicized, are extensive, but we also carry a good varsity program. Football, basketball, baseball, tennis, golf and track are the most important, and every year many boys receive varsity and reserve letters for participation in them.

So, on to the sports —

## PASSIONATE PASSERS OF THE PIGSKIN

BOTTOM ROW: D. Harris, R. Asbury, E. Cox, J. Elliget, R. Linton, D. Gates, G. Hurrell, E. Pascoe, C. Zinn, L. Newberry, W. Barton.  
 TOP ROW: Coach Bauer, G. Edwards, L. Kelly, D. Green, J. Davenport, G. Shaw, B. Moody, W. Zull, Assistant Coach Grigg, Cloyd, Manager.

The 1940 football season will go down in the records as one of the worst in Coldwater's history. The tough eight-game schedule did not hold a victory for Coach "Sonny" Bauer's team.

Yes, they failed to win, but they did not fail to keep the school's name respected for spirit and sportsmanship. Our footballers fought all the way though outweighed by every opponent; and often Coldwater fans thought the victory should have been theirs.

Bauer had only three backs and four linemen from last year's varsity to work with, and against strong competition the inexperience proved costly. Coaches Bauer, Grigg and Frizzo faced a puzzling situation at the ends and tackles where injuries cut into the already limited material, and, as a result, many long gains were made around and through these positions. However, as the young players became more seasoned they developed into a stubborn forward wall. "Bucky" Gates and Wayne Zull were chosen for the second All Conference Eleven at center and guard respectively. George Hurrell at the other guard position completed a strong center trio. Kelly, Pascoe, and Asbury turned in good games at the tackles; and Harris, Newberry, and Barton played well as ends.

Eugene Cox was one of the Twin Valley's leading halfbacks, and fullback Linton's punting surpassed that of many college stars. Both were placed on the All Conference Second Team.

The local fans did not go without thrills. At Marshall, the Cardinals came out roaring in the third quarter to score a touchdown on a long cutback run by Cox and took the lead 7 to 6. It then appeared that Coldwater had at last hit its stride as a screen pass put the ball on the Redskin five yard line. But here as often throughout the season the plays failed to click when the goal was near, and the Bauermen missed a second touchdown. On a long pass and an intercepted toss in the fourth period Marshall won 20 to 7.

The traditional Sturgis battle was a heartbreaker. Trailing 7 to 0 in the last quarter, Coldwater gained an advantage in a punting duel, and then unleashed an aerial offense that put the ball on the nine yard line, from where Linton crossed the goal in two plunges at the guards. But another buck at the line failed to make the extra point, and the score stood 7 to 6.

We lose some fine players by graduation: Linton, Elliget, Edwards, Cox, Kelly, Zull, Hurrell, D. Gates and Tash have played their last game for C.H.S. Eugene Cox was elected honorary captain.

## RESERVES

TOP ROW: Coach Grigg; Papke, Birch, Cuthbert, Rainey, Wagar, Tash, Tappenden, Davis, Cooper, Tyler, Zabonick.  
 BOTTOM ROW: Schuette, Fry, Rzepka, Thatcher, Newberry, Gates, Papke, Leedom, Bellamy, Rowe, Smith, Cloyd, Manager.

Coach Grigg's reserve team showed lots of power in winning 3 games, tying 1, and losing 2. They whipped Battle Creek, Hillsdale twice, tied Quincy 6 to 6, and bowed to Reading, and Sturgis.

Jack Gates, who was chosen honorary captain, was a standout at the center position, while Jim Rowe played a bang-up game as a tackle. Kenny Wager's running from the tailback spot was a big factor in the Junior Cardinal's offense.

Reserve letters were awarded to: Cuthbert, Schuette, Shaw, Davis, Fry, Leedom, Papke, Rowe, Rzepka, Watson, Bellamy, J. Gates, Thatcher, Tyler, Wager, Rainey, Tappenden, Cooper, Newberry, Papke, Smith, Birch, Knowles, and Zabonick.

## VARSITY

Tonight is December 12. We have just opened our basketball season in another of those close contests with the Hillsdale Hornets, losing by only one field goal. Some of the boys are crying their hearts out here in the locker rooms, but we're already looking forward to next week's game.

This week's game came tonight in the new Adrian gym, and we did what we knew we could do. We won. A last-minute rally gave us a 20-16 margin over the 6-foot Maples.

This was the general run of games by our 1940-41 basketball team. As the Twin Valley season closed, we found ourselves in a two-way tie with Marshall for runner-up position.

Three years of training under Coach Frizzo has developed equal playing ability in all the members of the team. Good passing, perfection of two types of defense, accuracy, and above all, intelligent playing, brought our team its hard-earned accomplishments.

## RESERVES

TOP ROW: Coach Frizzo, Papke, Worst, Knowles, Bireh, Zabonick  
BOTTOM ROW: Cooper, Papke, Barton, Wagar, Judge, Smith, Snyder.

This year's Reserve Team was unusually good, in fact so good that three of its members were placed on the varsity.

They won their first two games by large margins, but Howdie Snyder was moved up to the first team, and they didn't do so well afterwards, especially after losing Wagar and Gates. However they won 6 of their 14 games. Most of their reverses were by only one or two field goals.

Jerry Smith, a very promising Freshman, was elected captain.

## "Take Me Out To The Ball Game"

BOTTOM ROW: Pascoe, MacRae, Linton, Elliget, R. Green, Wert, Kelly, Bellamy, Olds, Newberry.

TOP ROW: Cooper, Gaskill, Tash, W. Green, Tappenden, Schuette, Tyler, Racey, Smith, Papke, Coach Bauer.

Over 60 boys reported to Coach Bauer for baseball this spring. With players of some experience for every position but right field, the team appeared promising.

The infield was composed of veterans. Vern Wert on first base was a fine fielder and led the Cardinals at the plate. The keystone combinations of Joe Elliget and Dave Green turned in some brilliant plays in addition to their steady work. Bob Linton at third base stood out for his aggressive play.

The outfield of Loren Newberry, in left, Bob Olds in center, and Jack Bellamy and Jerry Smith in right added to Coldwater's defensive strength.

The battery consisted of Leonard Kelly behind the plate with Ken MacRae and Eugene

Pascoe, sharing the mound duties. MacRae had lots on the ball, but Pascoe showed a little more control. Both pitched good games.

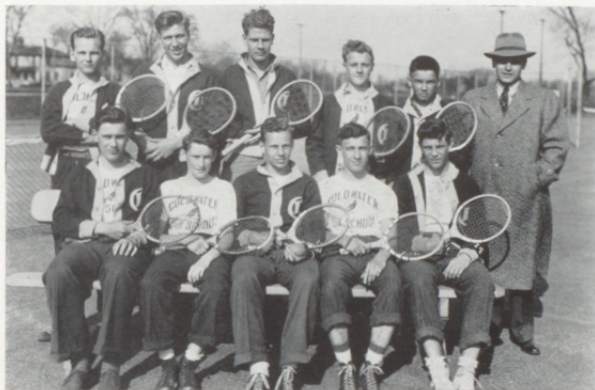

Most of the games were tight, hard-fought battles, and were filled with many thrills for the spectators. Such battles were the first Albion encounter which Coldwater won 4 to 2 behind Pascoe's fine pitching, and the Marshall clash in which C.H.S. was nosed out by a score of 3 to 1 and later 1 to 0.

Elliget leaves the team this year after four years of varsity service, and Linton and MacRae have completed their third and last year. Kelly, Olds, and Wert graduate with two year awards. Green and Newberry have played two years and will be back next year.

## "Racketeers"

TOP ROW: Brown, Dailey, Engle, Leedom, Snyder, Coach Weeks.

BOTTOM ROW: Butler, Service, Kerr, Zinn, Woodward.

This spring Coach Weeks was faced with the problem of organizing practically a new tennis team. Dick Kerr and Corky Zinn were the only players remaining from last year's varsity that swept to the Twin Valley and Regional titles.

For the first year, Conference Competition in dual meets was scheduled, and Coldwater was aided by the repeating of players being allowed in this race. Week's big problem was to find three doubles teams and three singles entries for the Twin Valley Tournament which was held in Albion on May 17, and for the Regional meet in Kalamazoo.

Coldwater placed fourth in the Twin Valley

Tournament at Albion. Leedom defeated three opponents before being eliminated in the semi-finals of the singles tourney. Kerr was beaten in his first match by Ralph Dunn of East Lansing who went on to win the singles championship. Butler also dropped his first match. In the doubles competition Zinn and Woodward went to the semi-finals before losing. Hurrell and Snyder won a first round contest, then lost to the team that later became the doubles champions. Service and Engles were nosed out in their opening match.

The season was climaxed by the winning of the Regional Championship at Kalamazoo for the second consecutive year. Leedom won the singles championship, while Kerr and Zinn won in doubles.

## Fore!

TOP ROW: D. Gates, J. Murray, J. Gates, C. Cary

BOTTOM ROW: D. Kerr, G. Edwards, D. Birch, L. Frizzo, coach.

A good season and a good team despite loss of Twin Valley Title! Although the 1941 golf team was stronger than last year's Conference title holders, it lost the championship to East Lansing. The Coldwater squad shot in the 80's Six schools competed in the Twin Valley Championship held at Duck Lake. However Coldwater and East Lansing were the only actual competitors. Last year Coldwater won it with East Lansing in second place.

All of the boys played in at least one match. They lost their first meet with Battle Creek Central, but came back to win heavily from Lakeview. After losing a close game to Marshall on the Lyon Lake course, they beat

their next two with Albion and Hillsdale by overwhelming margins. In the Albion meet Don Gates carded a spectacular 78.

On May 12 Jack and Don Gates, Chuck Cary and Bus Edwards, played Lansing Eastern, a class A school, on the tough 18-hole Groesbeck course. We lost by only a few strokes. Two days later Lakeview fell an easy victim. A return match with Marshall also proved to be an easy victory for our boys.

The officials of the country club have been obliging enough to let the team use the course which the fellows appreciate. Jim Murray, Don Gates, and Bus Edwards will graduate this year,

SPEEDY THINCLADS

BOTTOM ROW: Bates, Edwards, Brooks, Fry, Dinella, Cortwright, Merriman, F. Henry.  
 SECOND ROW: Chenoweth, D. Henry, Sibley, Davis, Wagar, McMillan, Anderson, Olney.  
 TOP ROW: Greenwald, Woodward, Everett, Miller, Gruner, Branch, Murray, Carr, Coach Green.

If there is any sport that takes plenty of endurance and a strong will-to-win, it is track. Coldwater athletes found this out in their second night of training. A large number of boys came out and most of them stuck.

As in football, a large number of the fellows are Seniors, but there are real possibilities in Charlie Dinnella, Vern Brooks, Bob Davis, Wayne Barton and the rest of the underclassmen, which should give the Cards a good chance in their tournaments next year.

Warren Gruner, who just came out this season, is one of the best distance runners Coldwater has ever had. Bill McMillan and Jim Murray, also first-year men, were good quarter-milers. Howard Chenoweth was the only three-letter man on the team, but Dick Bates has run for two years. Bob Branch surprised everybody when he took second place in the high hurdles in the first meet. Louie Everett and Bill McMillan threw the shot put.

Due to the very bad condition of the track at the park, none of the meets were held here. However, everybody derived a great deal of benefit from the practices and meets. Not only did they strengthen their physical selves, but also their personalities.

## BALD-HEADED BOSSES

F. Weeks, Tennis; L. Frizzo, Basketball, Golf.  
D. C. Bauer, Athletic Director, Football.  
B. Grigg, Football, Baseball, Asst.; R. Green, Track.

## COACH BAUER

Donald C. (Sunny) Bauer, athletic director and head coach of Cardinal teams for 17 years, starred as a football and basketball player at Battle Creek Central High School and at Western State Teachers College before coming to Coldwater in 1924. Bauer coached all three major sports until three years ago when Leo Frizzo took over the basketball team. "Sunny" also has coached golf, leading that team to the T.V. championship in 1940. This year the football and baseball teams were under him.

Bauer's teams have made a record to be envied. In 1930 his great football team won the conference title. His basketball team took the conference crown and went to the State finals in 1931. In 1937 his eleven won a co-championship with Sturgis, and in 1939 his baseball team won the T.V. championship without a loss.

## COACH GRIGG

Bertrand Grigg has long been an essential part of the athletic department. Cardinal athletes owe much to his fine work as assistant coach. Grigg came to Coldwater High School in 1928; he is a graduate of Northern State Teachers College.

This year he has been free to help in football only—serving as the line coach. His knowledge of the fundamentals and the fine art of line play along with his ability to demonstrate them to the boys has produced many aggressive linemen for "Sunny" Bauer's eleven. The Reserve team was piloted in its successful 1940 season by Mr. Grigg. Genuine interest and patient work with the boys have earned for Bertrand Grigg the respect and friendship of the Cardinal athletes.

## COACH FRIZZO

In 1938 Leo Frizzo became basketball coach, and the record of his three seasons with Coldwater High School is proof of his success. During this short period Coldwater has won a Twin Valley Co-Championship, a tie for second place, and has advanced as far as the semi-finals in the State Tournament.

Frizzo graduated from Michigan State College where he won his letter in basketball. He also assists with football. This year, as in his first year here, Leo is the coach of the golf team.

## COACH GREEN

Coldwater's capable track coach is Russell Green, who has handled that sport for 11 years. He was a cross-country runner at Michigan State and Western State while attending those colleges.

Though handicapped for many years by the schools lack of interest, Green has quietly turned out some fine track teams and has sent several boys into the state meets.

## COACH WEEKS

In the spring of 1936, Frederick Weeks became the Coldwater tennis coach. Since then Coldwater High School netters have won many laurels.

In '36 there was but one court in the city, limiting the much needed practice and making home meets out of the question. However, before the '37 season rolled around the present courts at the Waterworks Park were constructed; and Weeks' team responded by winning the Twin Valley and the Regional Championships, sending a boy to the quarter finals in the State Tournament.

Coldwater again won the Twin Valley and the Regional Championships in 1940.

## Ambitious Athletes

April 5, 1954

Dear Diary:

After sacrificing many hours from my punching bag and dumb-bells, I have gathered together a few notes concerning my former locker room chums. They showed - -

"Bucky" Gates hiked down to Tennessee after graduating from Depunk University and spent five years hunting among the cotton pickers for "Dixie." Having at last given up hope, he now travels with the famous "Dixie-land Shows" crooning "You Are My Sunshine"

Dick Kerr started to college with "Downwind," but soon got his Phil.

Joe Elliget began a sensational career as 2nd baseman with the Chicago Nylons, but 3 years ago his old pal Roger Tash showed up and led him astray. Now they both pitch for farmer Everett.

"Blackie" Murray delayed the National Open Tournament for three days while he hunted for a ball he sliced into the swamp. He won a box of "erow-flites," however, for coming in 21st with a 93.3.

Bill McMillan, track star in 1940, is raising sheep in Alaska. Paul McKee sold him 450 electric razors to shear them with and then skipped the country. A close shave!

"Bus" Edwards reported two days late when drafted and so now, along with yard-bird MacRae, he is building a 12-foot wall around the country under the instruction of President Service who is an isolationist.

"Herbie" Hurrell tells us now that his success on the football team was due to the fact that he trained only on his own mixture. After graduation he will continue to operate their still on Moonshine Mountain, if Mr. Frizzo keeps up his good moral and financial aid. "Snorkie" Zull is chief sampler.

"Whiz" Plant will be known as Pastor Plant from now on. Since his childhood, which still shows itself frequently, he has always had a secret ambition to become a preacher.

"Hile" Wert, after years of underground activities in the pinball racket suddenly seized control of the vital city of Hodunk, and is reported to be marching toward Girard with a large force which includes the former Cardinal athletes (Hooney) Newberry and (Snorky) Zull.

Howard Chenoweth has run himself to death for dear old C.H.S. and is just looking forward to spending the rest of his "daze" in the quiet of the asylum for such people at Kalamazoo.

Dick Bates.

Dear Diary:

There is an old, trite saying that goes "Work while you work, and play while you play," which, somehow, students at C.H.S. seem to believe in. We do our best at getting through our required curricular work, but it is necessary to admit that our extra curricular activities are the most enjoyable. All in all, the many and varied activities of all of us together provide much of the interest of a school year.

We have a school paper put out every two weeks by our Mirror Staff, and a better Cardinal each year. Our student commission sponsors some of our most lively events. As for an argument, the debate team will give anyone a run for their money. The Girl Reserves and Hi-Y are organizations with high ideals that add a lot of enjoyment to every school year. And who would miss our Junior and Senior plays? Then there are the Washington Club, the Glee Club, the F.F.A. and the Home Ec. Club, a club for every kind of person. And last but certainly not the least, we of C.H.S. are proud of our band and orchestra.

ACTIVITIES? Well, see for yourself - - -

## ANNUAL'S AUTHORS

TOP ROW: Weeks, Strong, Greenwald, Thomas, Hurrell, Service, Clute  
MIDDLE ROW: Dean, Loewe, Rosenburg, Baker, McNall, Wood, Smith, Case  
BOTTOM ROW: Clark, Gould, Thurkow, Gates, Haskell, Rupie, Weaver

Every year it becomes more and more of a problem to turn out a better annual. We tried to meet this problem to the best of our ability and introduced several new ideas. Those who actually wrote and put this book together were:

### CO-EDITORS —

Donald Gates  
Shirley Thurkow

### SPORTS EDITORS —

Gerald Edwards  
George Hurrell

### ART EDITORS —

Mike Service  
Guinevere Weaver

### PHOTOGRAPHERS —

Joe Butler

### ORGANIZATION EDITORS —

### FEATURE EDITORS —

Norma Baker  
Betty Loewe

### ADVISER —

Mr. Weeks

However, the good work of all these people would not have made this book possible if our business staff had not of put in a lot of time and effort.

Business Manager — Emma Haskell; Advertising Solicitors — Jean Clark, Leona Smith, Dorothy Wood, Mable White, Ernest Greenwald.  
Circulation Manager — Cleo Case. Adviser — Mr. Clute.

## DEADLINE DODGERS

FIRST ROW: Charlotte Lloyd, Alyce Showalter, Norma Baker, Don Gates, Dick Kerr, Lora Lee Ruple, Anita Ellinger, Wilma Hard, Emma Haskell.

SECOND ROW: Don Perry, Vivian Banker, John Woodward, Warren Belger, James Murray, Gerald Edwards, Cleo Case, Mr. Weeks.

We of the "Mirror" staff have published a copy of "The Mirror" every two weeks. Each one was a product of hard work. Both staffs made changes this year. Both contended that they had the best publication. The main bone of contention was advertising. The first semester "Mirror" had little advertising and consequently more reading matter, while the second semester "Mirror" had a larger advertising department which made the paper larger.

## THE NUTS BEHIND THE WHEEL

TOP ROW: G. Edwards, F. H. Weeks, Principal; D. Papke  
BOTTOM ROW: M. Gould, G. Hurrell, Mayor; M. Corey

Spring 1940—Gee, it was a close race for everything with George Hurrell on top for Mayor; Mary Ann Corey, Clerk; Gerald Edwards, Senior Commissioner; Margaret Gould, Junior Commissioner; and Daryl Papke, Sophomore Commissioner.

Year 1940-41—Committees were chosen with Mary Ann Corey at the head of the Citizenship Committee; Daryl Papke, Athletic; Margaret Gould, Social; and Bus Edwards, Assembly.

We raised money in several different ways this year among which were selling lucky rabbit's foot buttons, and instead of a Carnival or circus, we sponsored the movie, "Land of Liberty."

We sponsored two parties other than the three usual ones and tried to promote after game dances.

UNCLE CHARLEY'S LITTLE BREEZES

TOP ROW: S. Thurkow, W. Green, K. Amaden.

BOTTOM ROW: A. Lewis, M. Gould, C. Elliott, K. McNall.

After a terrific struggle, all six of us who came out for debate secured a place on the varsity team. We were shifted around a great deal at first, but Mr. Elliot finally decided to have Wayne Green, Arthur Lewis, and Margaret Gould on the affirmative team, and Kay Amaden, Kathryn McNall, and Shirley Thurkow on the negative.

The question that was debated this year was "Resolved: that the powers of the federal government should be decreased." The high points of the season came on our two trips to Hillsdale for the Twin Valley Debate Tournament. We lost three of our debates.

Our books balanced up in this way:

In the black—Four experienced debaters ready for next year.

In the red—Lost, two veteran debaters.

## Hi-"Wires" of C.H.S.

BOTTOM ROW: Birch, Wise, Browne, Asbury, Sibley, Carr, Thomas,  
2nd ROW: J. Woodward, Papke, Tyler, R. Stansell, Murray, Elliott, Service, Kerr, D. Strong,  
K. Strong, Adams

The officers for this year were: Dick Kerr, President; Jim Murray, Vice-President; Mike Service, Secretary; Robert Stansell, Treasurer; Dick Carr and Bert Sibley, Councilmen. Mr. Charles Elliott was our adviser.

Some of the things that we carried out this year were meetings with the Girl Reserves, conducted a check room at basketball games, and distributed Christmas baskets. During the month of February we emphasized the four C's of the Hi-Y by having speakers. The outstanding thing that we did this year was the forming of a Hi-Y Club in the Junior High.

We sent Dick Butler, Doug Gates, Dick Birch, Paul Stowell, and Mr. Elliott to the Older Boys' Conference which was held at Muskegon.

After the basketball season was over, we inaugurated Friday night dances which were held at the Washington gymnasium. These were enjoyed by the entire student body. We also held an April Fool's Day Party with the aid of the Girl Reserves.

The boys initiated this year were: Jack Bellamy, Doug Gates, Jack Gates, Gary Strong, Duncan Strong, Donald Adams, Paul Stowell, Dick Birch, Daryl Papke, Clare Wise, Jim Thomas, Paul Shank, Max Judge, Hugh Tyler, Harold Leedom, Dwight Dailey, Don Harris, Joe Butler, Dick Butler, Bob Branch, Dick Morgan, Dick Asbury, John Woodward, Dean Forester, Jim Davenport, and Wayne Green.

We Girl Reserves have had an active year under the leadership of Martha Treat as President; Phyllis Dean, Vice-President; Margaret Gould, Secretary; Emma Haskell, Treasurer; and Miss Chute and Miss Burrell as advisers.

We attended the Girl Reserve District Conference at Reading in the fall. In February two delegates were sent to the State Conference at Flint.

Service to the community was emphasized more this year by giving Thanksgiving baskets to several families, and by sending contributions to the King's Daughters at Christmas time.

We had many interesting speakers at our regular meetings. Several joint meetings with the Hi-Y added variety to our year's program. During the Christmas Vacation we sponsored a banquet and dance for the Alumnae.

## COLDWATER'S PREMIUM HAMS

BOTTOM ROW: M. Kibbe, J. Butler, Miss Leathers, D. Dailey, R. Zeluff.

TOP ROW: M. Service, F. Rosenberg, R. Morgan, V. DePew, R. Stansell, R. Kerr, C. Case.

Last night we went to the Senior Play, "Spring Fever." Just the minute we entered the auditorium, ushers in formals took us to our seats and hurried back to seat the other people, numbering approximately 600.

After the school orchestra had been playing awhile, the curtains parted and the play began. The first thing that caught our eye was how excellently the cast was made up, and the stage scenery. This good work was due to Mr. Mix and Mr. Renshaw.

Swell acting was done by Marjorie Kibbe who played the part of Anne Purcell; Dick Kerr, as Howard Brant; Joe Butler, as Mr. Purcell; Mabel White, as Mrs. Purcell; Francis Rosenberg, as Lou Herron; Ruth Zeluff, as Vivian George; Cleo Case, as Aunt Maude; Mike Service, as Professor Bean; Virginia DePew, as Mrs. Spangler; Dick Morgan, as Ed Burns; Dwight Dailey, as Vic Lewis; and Robert Stansell as President Dixon.

## THESPIANS?

TOP ROW: R. Carr, D. Woodward, M. Treat, J. Thomas, D. Ruple, R. Asbury, D. McBride.  
 BOTTOM ROW: B. Shirley, Jr., P. Johnson, Miss Leathers, Director; R. Browne, M. Corey  
 and P. Dean.

We were in the auditorium to see "The Vampire Bat" around 8 o'clock, and the instant the minute had reached the quarter past mark, the curtains parted. Our eyes were focused on a poorly furnished room, which we later learned was in a gloomy old mansion located on Black Island. Across from Black Island was a prison and at regular intervals the beacon light flashed across the room. All during the play a storm was raging outside. The thunder and lightning were so real that we shivered and drew our coats closer about us.

The make-up was excellent on Zombe, the Negro servant, Mrs. Kahn, the mysterious housekeeper, and on the escaped convict.

The play was directed by Janell Leathers, and the cast is as follows: Donald Abbott, Bob Browne; Kay Adams, Phyllis Johnson; Lydia Adams, Mary Ann Corey; Richard Grant, Jim Thomas; Buster Craig, Doug Woodward; Ginger Drew, Martha Treat; Zombe, Richard Carr; Mrs. Kahn, Lore Lee Ruple; Zoe Ainsworth, Phyllis Dean; Jim Brown, Richard Asbury; Zogobia, Bert Sibley, and a strange woman, Dorothea McBride.

# Tip-Top-Tooters

This year more and more our CHS band has become an important part of the social life in Coldwater. We attended the district and state band festival, played our annual concert, participated in several fairs, at the football and basketball games, and at several musical social gatherings.

## Sing High - Sing Low

BOTTOM ROW: Munger, Derrickson, Smith, Otis, Morgan, Manigold, Wilson, Boyer, McQueen, Clark, Wheeler, White, Peavey.

2nd ROW: Preston, Jewell, VanDyke, Murdock, Mault, Gibson, Zull, Hurst, Schlatter, Loewe.

3rd ROW: Bates, Nearpass, Sherman, B. VanDyke, Burton, Tash, Teachout, Tighe, Fish, Miss Behrents.

4th ROW: DeFew, Barnes, Gage, Regetz, Wixson, Wood, Calvin, Conkey, Fitts, Vaillancourt.

TOP ROW: Tuckey, Cox, Gerth, Haller, McKee, Barber, Stowell, Nutt, Ball, Leister.

The Chorus had a much larger turn-out this year than in former years. With Miss Behrents as our director, we undertook quite a few interesting activities.

The more important events were: our operetta, "Ask The Professor," which we gave December 10, and participation in an annual Chorus Festival, held this year at Marshall, May 2.

We also sang at a school assembly, and at a district P.T.A. meeting on March 14, as well as for several churches of the city.

## Washington, Women and Song

BOTTOM ROW: Clark, McQueen, White, Conkey, Linton, Wert, MacRae, Murray, Morgan, Zeluff, Gates.  
2nd ROW: Sibley, Smith, Barnes, Hoff, Butler, Dalley, Kerr, Perry, Edwards, Leathers.  
3rd ROW: Farwell, Tighe, Elliget, Arlington, Mohrhardt, Case, Hurrell, Gruner.  
TOP ROW: McMillan, Haskell, Ellinger, Placeway, Sweezy, Service, Miller.

We are a happy bunch of Seniors who were able to take one of the best Washington trips that was ever made possible. Our cost was only \$49.75, but to us, it was worth twice as much. There was not one of us who failed to have a good time or enjoy the many interesting sights.

We left Coldwater Saturday morning, June 14, at 7:02. That same evening was spent gazing at the beautiful Niagara Falls in all its glorious luster. The following day we were able to take a boat trip down the Hudson from Albany to New York City where we witnessed many sights never to be forgotten. That same evening was spent on Coney Island.

From New York, we took the Baltimore and Ohio Railroad to Washington, D.C. for the major part of our trip. A few of the many interesting sights seen here were: Arlington National Cemetery, Lincoln Memorial, Bureau of Investigation, Congressional Library, Mt. Vernon, Bureau of Printing, and the Capitol and Supreme Court Buildings. Something new this year that pleased us was the trip to the United States Naval Academy at Annapolis, Maryland.

We rolled into Coldwater Friday, June 20, at about 9:30 in the morning. The only thing that was able to satisfy us that day was a nice soft bed.

## TOMORROW'S TILLERS OF THE SOIL

BOTTOM ROW: Fenno, R. Tappenden, Cole, Morrison, Mohr, Tuckey, Paradine, Miller, Loose,  
2nd ROW: Baker, Cox, Cuthbert, Strong, Barnes, AeMoody, R. Paradine, Lapham, Dean,  
Tappenden.  
TOP ROW: Haylett, W. Loose, Corson, Gruner, McKee, McMillan, Lenon, Scriber, Engle,  
Lyons.

This year, we Future Farmers of America, have had an advantage over the members of previous years, because our room has been enlarged as well as having had much new equipment installed. We elected Howard Cox, President; Stanley Cuthbert, Vice-President; Rodney Paradine, Secretary; and Judson Tuckey, Treasurer. Ned Cole acted as reporter, and Tyler Corson became our farm watch dog.

With these leaders we enjoyed more activity than ever before. We continued our apple orchard project of last year as well as sponsoring a chicken supper, a seed sale, a square dance, and a combined Home Economics Club-F.F.A. ice skating party. We entered projects in the 4-H Fair and attended Farmer's Week at Lansing.

## Soup's On!

BOTTOM ROW: Hurley, Schlottman, Hilborg, Rathbun, Davis, Hawkins, Colvin, Raster.  
2nd ROW: MacFarlane, Dubendorf, Howland, Derrickson, Burritt, Hauska, Weaver, Earley,  
Clark, Wheeler, Bates.  
3rd ROW: Gibson, French, Loose, Fillmore, DuBois, Dovey, Kirk, D. Smith, Murdock,  
Crawford, Hurst.  
TOP ROW: Gage, Barnes, Eva Sherman, Sherman, Whaley, Preston, Bertram, Crawford,  
L. Wright, Post, Fisher.

We, feeling that all clubs should have some sort of government, drew up a constitution, made a few laws, and composed a pledge at our first meeting. Every new member took this pledge at our formal initiation.

Our achievements have been many and worth while ones. Our first enterprise was a baked goods sale. The profits from this went towards making Thanksgiving Baskets for the poor and needy of Coldwater. We also had a Pancake Supper from which the profits were used for becoming members of the State and National Home Ec. Clubs. By being members of these organizations, we can send delegates to the State and National Home Ec. Club Conventions.

At present we have 38 members. From this group we chose Dorothy Crawford, President; Ruth Bertram, Vice-President; Doris Johnson, Secretary; Ethel Rathbun, Treasurer.

# Pages from the C.H.S. Diary

---

## SEPTEMBER —

. . . Well, the old routine is started again with school opening today.

. . . Dwight Dailey is the new Band President and Betty Hecht the hostess of the year.

. . . Ruth Zeluff was chosen Harvest Queen for this year's 4-H Fair.

. . . The book fair started in the gym today. This is for the selection of new books in exchange for all the old books we turned in to the Kellogg Foundation last year."

. . . Flash!! The Snoopin' Around column reported: Jim Murray just collected the first ten minute penalty of the year and says it was an insult because his gab is worth a half hour in any study hall.

## OCTOBER —

. . . Don Gates, Dick Asbury and Clare Wise were elected Presidents of the three senior high classes today.

. . . The Band is receiving \$100 for playing at the Centerville Fair.

. . . This month is really full to the brim of names. Today Marojrie Kibbe and Dick Kerr were elected Mirror Queen and King; Betty Hecht, Princess; Donald Gates, Prince; Norma Baker, Duchess; Corwin Zinn, Duke; Bob Linton, Cardinal Flash; Babs Parker, Best Girl Dancer; George Hurrell, Outstanding Boy Student; Shirley Thurkow, Outstanding Girl Student; and Harold Leedom, Best Boy Dancer.

. . . This year's school parties got off to a fine start with the annual sophomore reception tonight.

## NOVEMBER —

. . . Patriotism is being stressed in CHS.

The senior play was a big hit tonight.

. . . Many of our Girl Reserves are attending the Conference held in Reading.

. . . The Cardinal Flash has been chosen with Don Gates and Shirley Thurkow as co-editors.

. . . A pretty good editorial in the Mirror today: "The Unsung Hero" by Russell Green.

Who is the unsung hero? This is who he is. He's the fellow whose name wasn't on the honor roll. He tried hard but he didn't quite make the grade. He doesn't play on any first teams, for he is one of the many who do their best but someone else is just a little better.

He is one of the many who are always in class on time. He doesn't make himself conspicuous by habitually just getting in under the bell.

He didn't get any merits or demerits. He

just got "B." When the citizenship committee came to his name, they just said, "He's all right."

He always has something to do in study hall. When the office girl came in to ask if he was there, the teacher had to look on the seating chart to find his name.

His name doesn't often appear on the front board under Penalty List. If it does, he just sits it out without an alibi.

He's one of the many whom Mr. Weeks hasn't had a chance to meet across his desk for he has not been summoned to the office for mysterious reasons. That's unfortunate for Mr. Weeks for he's really a fine guy when you know him.

## DECEMBER —

. . . Today the journalism class put out a swell paper.

. . . The second school party of the year, the annual Christmas party, was really okey-dokey.

. . . The sophomores started something new by putting on Christmas plays.

. . . Shirley Thurkow was chosen D.A.R. girl.

. . . Christmas vacation!!!!

## JANUARY —

. . . Well, a new Mirror staff has begun to know what deadline means; Dick Kerr is replacing Don Gates as editor.

. . . The debate team finished its season by losing in the Twin Valley Debate Tournament.

. . . Some New Year Resolutions that are floating around:

Murray—To journey to Hillsdale more often.

Linton—To get married four years from now.

Edwards—to give all the girls a break instead of just the cheerleaders.

Newberry—To quit calling my little brother names.

Perry—To snag me a woman—or else.

Mr. Bauer—To take my football team along the next time I go to see Sally Rand.

Virginia Smith—Never to kiss a boy unless he kisses me first.

Hecht and Baker—To pay for our rings from now on.

Basketball team—To quit hanging around Nick's and then win some ball games.

Amaden—To reduce even if I have to eat Ry-Krisp.

## C.H.S. Diary (Continued)

Cary—To spend all my evenings this summer with Suzie.

. . . A mystery picture appeared in the Mirror today. Whether it's Bauer, Green, or Frizzo, nobody but the Waden knows, and he's keeping mum. (For the solution of this great mystery look on page 95).

### FEBRUARY —

. . . Ben East, the wildlife and outdoor editor of the Jackson Citizen Patriot, gave a very interesting assembly.

. . . And now it's Miss Barshney among the guys. . . The Band-Orchestra concert was bigger and better than ever.

. . . There is a new score board in the gym now.

. . . Jack Elliott is starting a Jr. Hi-Y.

. . . The film "Land of Liberty" was shown under the sponsorship of the student commission.

. . . Democracy is invading CHS—'Nough said.'

### MARCH —

. . . The Junior Play, "The Vampire Bat" was a smash hit.

. . . For heavens sake—honor study halls are working.

. . . The student commission put on a Sadie Hawkins party.

. . . Coldwater wins the district basketball trophy.

. . . The Friday night Hi-Y dances are really successful.

. . . This year's journalism class Mirror was better than usual.

### APRIL —

. . . Second hour Gov't Class had a blitzkrieg lead by Hiel Wert.

. . . Miss Kempster's stenography class received their awards.

. . . Many of the music students entered the State Music Festivals and came out with fine ratings.

. . . The annual hobby fair is in the gym again.

. . . College day was a big event this year. A concert by the Kalamazoo College Band made the day even more exciting.

. . . Spring Vacation!!!

### MAY —

. . . Youth Week was better this year, being extended to even student teachers.

. . . Eugene Pascoe and Norma Jean Brown were elected President of the Hi-Y and Girl Reserves.

. . . The A Band visited Elkhart. It is reported they saw some pretty big horns. We'd better import some at CHS; there are some people around here windy enough to blow one.

. . . And who thought up the name "Bonehead Green?"

. . . We've been about sandwich-saled out of existence this year at CHS—But Heck, a sandwich along about third hour does save a trip to the store. (On the sly of course).

. . . At last the big election returns are in: Bob Browne, Mayor; Edna Lytle, Clerk; Dick Carr, Senior Commissioner; Jerry Smith, Sophomore Commissioner, and Llare Wise, Junior Commissioner.

. . . The Juniors promised the Seniors the biggest and best banquet ever and they surely kept their word. A floor-show, the Hi-Lo Club Revue, Whew!! and a smooth dance with Ted Walworth and his Band.

. . . The B-Band and the Band Parents put on a banquet for the Band and Orchestra members, with all the trimmings. We hope this becomes an institution.

. . . And more cats—the Rotary Club gave a banquet for the members of the football and basketball teams.

. . . Walter Illsley gave us a first-hand account of Europe today that made us shudder.

. . . Tennis team won the Regional again. Nice goin'.

### JUNE!!!!

. . . What do we all think of in June? You know, how many days till school's out. D. Perry, that wizard in Physics, even counted the electric cycles that will pass through the power plant before they turn us loose.

. . . Exams!! Mighty beads of sweat are rolling down the brows of many of our better known seniors.

. . . Now it's Baccalaureate.

. . . Underclass exams . . .

. . . Thank gosh—both seniors and underclassmen are glad graduation is over.

. . . Report cards—locker keys—picnic! School's out, school's out! Teacher let the — out!
