"Legends" and "Memories" are what comprise Viking Publications, journalism class in which the high school yearbook and newspaper are prepared.

Each year brings with it new challenges: starting from "scratch" to earn enough money for each publication; developing new designs and techniques so that each year improvements can be made; training a new staff; learning journalistic terminology; working before, during and after school; and working to become dedicated to the school and to each other.

An easy job, it is not. But, the rewards are plentiful. Seeing each paper and yearbook as it is published gives one a real feeling of success.

This year's Viking Publications Staff was over-flowing with talent and enthusiasm and, because of it, they produced regular monthly newspapers and an annual that surpasses any that Bronson has ever seen.

DIANE BOLTON

Mrs. Bolton teaches Viking Publications, English II and German I-II. Advising the German Club, Der Kaffee Klatsch, is one way to promote foreign language at B.H.S.

CHRIS BRILINSKI

Miss Brilinski teaches English I, 9th grade girls' p.e., and advanced girls' p.e. She is also co-advisor of Girls' Varsity Club. Her coaching duties include girls' basketball and track. She was chosen "Female Teacher of the Year" - quite an accomplishment for anyone after her first year of teaching in Bronson.

PATRICIA CHISHOLM

Miss Chisholm teaches speech, Michigan leadership, and world history. She is National Thespians Society advisor and is involved with the Fall and Children's Plays. Her talents were also freely given during her work with the 1977 FOLLIES.

VERA HURD

Mrs. Hurd teaches English I, English II, Everyday English and, together with Mr. Scully, advised the Senior class. She and Mr. Knapp also sponsor the Captain's Club (Teens for Christ).

Language Arts Department

Mr. Knapp teaches English I, English II, mass media, and is co-sponsor of the Captain's Club (Teens for Christ) with Mrs. Hurd.

Mr. Mosier teaches American literature, English literature, creative writing, interpersonal communications and college composition. He is also co-advisor of the National Honor Society.

Mr. Lockwood is our Resource Room teacher and also helps sponsor BEGGARS.

DAVE KNAPP

DON MOSIER

DAVE LOCKWOOD

Language Arts Department

Mr. Moon is one of those teachers who gets himself "involved." Belonging to both the history and phys. ed. departments, his dally schedule includes Michigan leadership, U.S. history, boys' 9th grade p.e. and boys' advanced p.e. Mr. Moon doesn't stop there; he was chosen "Male Teacher of the Year" and co-sponsored the Junior class.

Mr. Scully teaches Michigan leadership, U.S. history and economics. Advising the Senior class this year with Mrs. Hurd was another of his responsibilities. Spare time is scarce for him, but a friendly game of cribbage usually fills the void, temporarily.

Mr. Tracy teaches 9th grade boys' p.e., Michigan leadership and government. He is one of our teachers who is always on the go. Last summer and this summer he visited Europe with some of the students from Bronson.

Mr. Wotta teaches Michigan leadership and U.S. history survey. Coaching boys' J.V. basketball and Varsity baseball keep him on a busy schedule. Every February, Mr. Wotta devotes his time, skill and energy to playing basketball in the B.E.A. Student/Faculty Games.

GORDON SCULLY

KEITH TRACY

PHIL WOTTA

History/Physical Education Departments

NORA MEREDITH

Teaching clothing, child development, home management and the "Four F's" take up much of Mrs. Meredith's time. But, tirelessly, she continues to aid Bronson by sponsoring Future Homemakers of America and helps Miss Redford with the Refreshment stand.

NORMA WHITCOMB

"F" seems to be a lucky letter for Mrs. Whitcomb, since she teaches family health, foods and family relations. She is one of our two part-time teachers, as she teaches only three classes. Quality, not quantity is truly an adage that suits her to a "T."

BARB REDFORD

The Business Department is one of B.H.S.'s smaller groups, but accomodates several hundred students in its typing, shorthand and business math offerings. Miss Redford teaches Typing I-II-III, shorthand and business machines. As if she isn't busy enough, the Refreshment Stand is also in her charge.

JOHN VAN DAM

Mr. VanDam completes the Department of Business by teaching consumer's math, Typing I and accounting. Varsity football assumes his "free time," assisting Coach Ford.

Home Economics/Business Departments

Clockwise, from above:

"Hmmm . . . I never really thought of it that way!"

"One last punch and another assignment 'bites the dust'!"

"All right, Bryan, we'll have no 'biting of the dust' in this class!"

"She probably got an 'A' like I did, but she probably didn't deserve it like I did."

"Oh no, there goes Mr. Andridge lecturing again!"

Mr. Andrige teaches the Biology I and II classes. He is involved with BEGGARS and is co-sponsor of the National Honor Society.

Miss Beukema teaches conservation, human life systems, 9th grade girls' p.e., and is co-sponsor of the Girls' Varsity Club. In addition, she coaches girls' tennis and volleyball.

Mrs. Moss teaches earth science, chemistry and Algebra I. She and Mr. Zabolnick co-advise the Sophomore class.

ALAN ANDRIDGE

NANCY BEUKEMA

KAREN MOSS

Biological/Physical Science Department

JIM MODERT

Mr. Modert teaches general math, Algebra I and geometry. He is the sponsor of the Student Council. Springtime is an especially busy season for him, as he coaches Freshman baseball.

ELLEN SHOUN

Mrs. Shoun teaches general math, Algebra I and physics. Teaching three classes a day is new for her this year. Sponsoring Future Nurses Club and BEGGARS keeps her life from getting anywhere near "dull."

BILL ZABONICK

Mr. Zabonick teaches general math, geometry, Algebra II and advanced math, and is co-sponsor of the Boys' Varsity Club. He also coaches Varsity basketball, which demands much of his "non-teaching" time.

Mathematics Department

Mr. Bowers is involved with the Industrial Arts and P.E. programs here. His teaching assignments include 9th grade boys' p.e., machine woods, fundamentals of drawing and industrial vocations. Mr. Bowers is also cross country team coach and assistant boys' track coach.

MIKE BOWERS

Mr. Elkins has a busy load, teaching shop math, art metals, Shop Math II, manufacturing processes, and fundamentals of drafting. Even though he's so busy, "Bo" always has time for a friendly smile and a hearty, "Ha, there! How y'all doin'?"

DOUG "BO" ELKINS

Mr. Smith is our Agriculture Department at B.H.S. He teaches his large number of students about soils and crops, livestock management and farm business management. He is also sponsor of the ever-growing Future Farmers of America. He supervises the FFA Crop Plot behind the high school, spending his entire year devoted to "ag."

LEDWARD "SMITTY" SMITH

Industrial Arts/Agriculture Departments

VERN ANGLIN

"SKIP" CARROLL

MARCIA PUSTELNIK

If anyone ever said Mr. Anglin was a little "art-sy and crafty" they would be right! Arts and crafts and elements of art are courses which draw both the experienced artist and the novice. Somehow, Mr. Anglin's students turn out masterpiece after masterpiece, proving the quality of his teaching.

Mr. Carroll directs the Concert Band, Pep Band, Jazz Band and Follies. His efforts have consistently gained for Bronson the highest ratings in instrumental music in competition with other schools state- and interstate-wide.

Not many are busier than Mrs. Pustelnik. Teaching Concert Choir, A Cappella Choir and middle school vocal music, consume her days, and planning and producing evening and weekend concerts and attending vocal music festivals uses up every other minute she has. Her talents and abilities have proven invaluable to her students and all of us at B.H.S. when she, too, brings home awards of the highest rating, on a regular basis, from festivals throughout Michigan. Somewhere this year, Mrs. Pustelnik also found time to aid the Junior class as one of its two advisors and spend time after school and evenings working with Follies.

Art and Instrumental/Vocal Music Departments

Besides his duties as Library Media Specialist, Mr. Kilgren also is sponsor of the Library Club. He is responsible for acquiring plenty of current books that interest even the hard-to-please reader. B.H.S. has several new pieces of audio/visual equipment, encyclopedias, microfilm, cassette recorders and tapes, half-frame slide camera, fish tank, and other equipment - all thanks to his efforts.

Mrs. Troyer keeps the library on an even keel, by constantly straightening chairs, tables and books. Together with Mr. Kilgren, she aids teachers and students alike in the use and care of media equipment. Mrs. Troyer spends much of her "spare" time organizing the magazine room, typing letters or corresponding with the Regional Enrichment Center in Kalamazoo and other local libraries. She is one whose work is quiet but doesn't go unnoticed. Without her, our library would soon return to a "hall," through which many would roam with little respect for the wealth of equipment stored there.

STEVE KILGREN

DEANNE TROYER

Library/Media Department

Mrs. Laws works at her never-ending job with attendance matters and watching over the study hall. She collects and records from the teachers all absences each class period. These records seem sometimes "miles" long. This often frustrating job of hers never ends, but she tackles it and keeps track of all of us daily - even when we don't even know where we are! - without a complaint.

B.A.C.C. Chooses Outstanding Seniors

Two Bronson High School seniors were named as "Students of the Year" in trade and industrial education at an On-The-Job Training Recognition Banquet, held at the Career Center in Coldwater on May 19, 1977.

Sheila Wiser, chosen female OJT student of the year, is employed by Larry and Doris Hagen of Bronson Floral.

Rod Smith, male student of the year, works on the farm of his parents, Mr. and Mrs. Fred Smith, Jr.

FRIENDS AND LOVED ONES

Losing a friend or loved one is a hard thing to accept:
so much wanting them back,
but having only memories instead.
You ask, "how it is one day they're here and the next they're gone?"
How can it be?
This is where they belong.
They've left us with precious moments
and memories we'll never forget
And we go on loving them as they are somehow with us yet.
We dare to remember the things we loved so much -
things they have said and the hearts
that they've touched.
We dare ourselves to try to understand
Why our friends or loved ones were those chosen to go
When truly only God himself could know.
And as we go from day to day, our minds drift
to thoughts of our past:
Moments in our life we know will always last.
Our friends and loved ones are like that, for they always stay apart.
Even though they are not with us
they're in our mind, soul and heart.
For us on earth we must face the pain,
for those who have left us
Have only love to gain.

CLASS DAY

The committee of Lenny Kline, Lu Ann Losinski, Martha Megargle, Jim Siler, Diane Smoker and Don Supianowski helped prepare an outstanding array of skits and acts, the likes of which haven't been equaled in a long time. Aided by their class advisors, Mrs. Vera Hurd and Mr. Gordon Scully, Class Night/Day was an entertaining opportunity to see some of the Seniors at their "best."

Some of the acts included Gloria Housley singing "Memories," Girls' Chorus Line, "A Cappella Seniors," and "Teacher of the Hour." "The Times of Your Life," Senior Class Song, was sung as the Finale of a fun evening.

Pictured clockwise from above: "Junior Birdsmen," with Cindy Neil and Gen Bailey; "The Wedding Cake," with Cindy AcMoody and Bruce Burnett, and "Hathaway's Experience," with Rod Hathaway and Dave O'Rourke.

GRADUATION '77

Commencement exercises were held Thursday, June 9, 1977, eight o'clock, on the Athletic Complex at Bronson High School. As tradition goes, throughout the years, the class of '77 was escorted onto the field by the honor guards of the class of '78.

Dave O'Rourke, President, addressed the crowd with a talk of "What It Takes." Valedictorian, LeeAnn Clark gave a speech on "Why Not the Best?" and Sherry Sikorski, Salutatorian, spoke about "Yesterday, Today and Tomorrow."

Honors were presented to various members of the graduating class, followed by the presentation of the Class of 1977, and finally the long awaited-for, awarding of diplomas.

Having completed Graduation, Dave O'Rourke, in his last duty as President, turned over the cane to the President of the next Senior class, Chuck Bell.

Congratulations to the Class of '77!

Bronson High School went back to the days of the old west during 1977 Spirit Week activities. Many of the scheduled events aroused the Western Spirit of the crowd at assemblies and other special activities held during the week. The King and Queen were crowned at the assembly and reigned over the evening activities, the game, and dance. Freshman representatives were Kevin Bucklin and Jody Kolassa. Sophomore attendants were Dale and Vicki Brown and Juniors were Jim Arver and Lisa Beck. The Seniors proved that they had the most spirit by backing the new king and queen named Penny Thompson and Larry Sikorski.

TWIRP WEEK

***"A Work/Fun
Event"***

This year Twirp Week was won by the sophomore class, with the freshmen and juniors tied right behind them, and, last but not least, the seniors.

There were many new events added this year, and a few old ones discontinued. But, all in all it was a "great" week.

Among the other sports at Bronson High was the 1976-77 Girls' Tennis team which consisted of six new members and four returning seniors.

This year, the team had two matches a week which kept them very busy along with their practices.

Along with the sweat, agony and headaches, tennis proves to be a sport of competition, challenge, but most of all fun.

The Varsity Basketball team had a great season this year with 8 wins and 11 losses. Winning both games in District Tournament, they went on to qualify for the Regional Tournament, and fought their hardest to take the title, but lost the first game of regional competition.

The team has a lot to be proud of, and we are sure proud of them. There is one outstanding person on the team, who broke a school record this year by scoring 44 points in the 2nd half to have a total of 52 points in the entire game. This was Rod Hathaway. Congratulations on the great season, guys!

A 10-9 record was what the JV Basketball team achieved during their season this year. One of the team's biggest wins was over Hudson with a score of 60-37.

Converse sneakers and musk oil perfume -both tucked away in a gym bag. Pigtails in the wind. Yes, the kid-bumping, setting and spiking. She wants to win. She hustles, tries hard because she has a job to do. She's part of the team.

She doesn't have to stay after school and practice, practice, practice, but she wants to. She doesn't have to fight so hard. After all, girls are supposed to sit back and let a "man" do the job. But Why? She's used to the ribbing she gets from the guys. It's expected.

But why does she play? Because after the game there's that special feeling of being part of something. Jumping up and down, hugging people, or maybe having a good cry. Yes, the kid bumping that volleyball is a GIRL . . .

Bump, set, spike, were the words you would hear if you went in the gym right after school some night. This is the Reserve girls' volleyball team practicing hard to achieve their 9-5 record they held this year. The Most Valuable player practicing was Paula Somerlott, and Most Improved was Mary Rhoades. Both of these girls were voted by the entire team. Good job girls.

VARSITY CHEERLEADERS:
FRONT ROW, l. to r.: Martha Megargle, Kelly Tighe, and Chris Milliman. BACK ROW, l. to r.: Bonnie Hyska, Dawn Barr, and Shelley Kelley.

Girls who dedicate their time and efforts toward every sport in the entire high school, spend hours after school, during school, and even weekends practicing to perform their very best. Their spare moments (if any) are trying new cheers and making signs to create enthusiasm for the whole school to help support.

These girls are the cheerleaders and they sure know how to be leaders with support to cheer any team to VICTORY.

RESERVE CHEERLEADERS: Tina Barr, Bridget Bohacz, Cathy Myers, Barb Sobeske, Cindy Torrey, and Carla Wotta.

The Reserve Cheerleaders also dedicate many hours of practice to their duties and responsibilities as a cheerleader. Many times, as during the Homecoming game, the Reserve cheerleaders help the Varsity cheer, because maybe some or one of the Varsity cheerleaders was chosen to be on Homecoming Court. These girls deserve a great deal of recognition, for doing such a good job as a CHEERLEADER.

FRESHMAN CHEERLEADERS, l. to r.: Robin Luce, Sally Lampman, Tammy Weage, Kari Crampton, and Tina Lutz.

The Freshman Cheerleaders are really just learning to cheer, and they should do a good job with the good example they have had set for them by the Varsity cheerleaders. The freshmen seem to have the same amount of ambition and pep in them as the varsity cheerleaders do now. Good luck next year, girls.

PROM '77

Moonlight and Roses was the theme chosen for the 1977 Junior-Senior Prom. Jim Brusak and Bonnie Hyska served as co-chairmen for the event. Garlands of roses graced the tables and a rose-lined tunnel romantically set the scene for the gala evening. The Snow Prairie Road Band provided the entertainment and the traditional grand march. The evening concluded with movies and bowling and the ever-popular after-prom breakfast sponsored by the Bronson Rotary Club.

Journalism Dept. Is Recipient

Often, a high school is identified by its athletic teams, vocal and instrumental facilities, or local organizations. These important facets of a school always stand out in one's mind because of their huge capacity of students and community services.

A recognized - but often seemingly less important - foundation at Bronson High School is its production of the newspaper, the VIKING LEGEND, and the yearbook, the VIKING MEMORIES. These two publications are funded entirely by sales and advertising, which is secured by the student staff of Viking Publications, the class in which these two journalistic endeavors are produced.

The Senior Class of 1977, in their recognition of the efforts put forth by their peers in this class, have unanimously voted to donate the remainder of their monies to further the education of all students in journalism. As advisor of this class, I know of no area which will benefit as much from their gracious gift as this. Dave O'Rourke, president of the Class of '77, Mrs. Vera Hurd and Mr. Gordon Scully, co-advisors of the Class of '77, and all members of the Class deserve a special thanks and the knowledge that your thoughtfulness will buy long-needed equipment, to be used by all individuals at school, in future years. A plaque will be made, inscribed with your class and year, as a constant reminder of your indebtedness to the pursuit of journalism at B.H.S.

Diane M. Bolton, Advisor
Viking Publications Class

Laughing and crying throughout the past years,
Reliving old memories brought back by our tears,
Sharing and caring with friends we love so,
Saying good-bye - but not wanting to go.

Changing your lifestyle, going out on your own,
Feeling an emptiness of being alone,
Leaving a life so safe and secure,
Going out in the world, afraid and unsure.

The tears and laughter of friends, old and dear,
Seeing the past as if in a mirror,
Reflections of yesterdays stay on our mind
And are hidden inside, for no one to find.

Reaching out for the future, letting go of the past,
Knowing today is a time that just won't last,
Looking ahead for the future holds much
Ready for someone to take hold of and touch.

The times that we shared - not all were the best,
But those times were ours - special from the rest,
Growing beside you, taking each step together
Holding onto a friendship that will go on forever.

Tami Ludwick
Assistant Editor

The 1976-77 Viking Publications staff wishes to express their appreciation and thanks to the scores of individuals who have helped make our work - that of assembling your MEMORIES - much easier, and certainly, more enjoyable.

Mrs. Diane Bolton, our advisor; Risa Davis and Tami Ludwick, MEMORIES editor and assistant editor; Martha Megargle and Julie Davis, LEGEND editor and assistant editor; Pam Jenkot and Eric Smoker, staff photographers; Dilly Gibbs, advertising coordinator; Cindy AcMoody and Karen Micklatcher, business managers; MEMORIES staff; Mr. Lee Zimmerman and Taylor Publishing Company; Mr. Bob Conway of Skylight Studios; advertisers; students and faculty of Bronson High School. And a special thanks to Mr. Ray Smith, who saved us from ourselves time and again.

Risa Davis, MEMORIES editor
Tami Ludwick, MEMORIES asst. editor
