PROGRAM

Our fellow Rotarian Ray Mulchahey gave a most interesting program on the "Rotarian" which is celebrating its 60th anniversary. Just 60 years ago this month in 1911 the first Rotary publication came out. It was a twelve page newspaper relaying the plans of Paul Harris to the then existing 16 Rotary clubs. The first printing was 3000 copies. Today the "Rotarian" prints 460,000 issues. Ray made a trip to Rotary International headquarters in Evanston, Illinois and came back with some interesting information and some copies of the "Rotarian" from years back. Among the many facts and statistics he gave to us, he pointed out that there are 300 to 400 free lance articles contributed every month to the magazine of which two or three can be chosen to be printed. And there are about a hundred speeches submitted to the magazine every month of which usually one is chosen to be printed. He pointed out that it is a magazine which is reprinted a great deal, as many as 30 reprints from the magazine each month.

PROGRAM NEXT WEEK

Our speaker next week will be May Ann Hinkle, an instructor in the Practical Nurses program with the Coldwater Community Schools.

GUESTS

Guests this week were George Jeffery from Bronson; and Paul Thompson had as his guest Ned Neatherton from Hillsdale.

ABSENT MEMBERS

Last week, January 19, there were 18 members absent. Seven made up. Absent this week:

Chuck Bacon	Vince Kornstien	Russ Moore	Mel Rice
John Dean	Ken Leavenworth	Bob Nagle	Noel Shedd
Bert Faller	Dennis McCafferty	Axner Olson	Clyde Williams
Dick Hruska	Norm Moore	John Pierson	Ken Worden

BOARD MEETING

Board of Directors are notified that the next Board Meeting will be next Thursday, Feb. 4th at noon. The place will be announced at next week's meeting.

FROM THE DISTRICT GOVERNOR

District Governor Bert Ward pointed out that in his year end report that our district had shown a gain this year of 14 members. In his monthly letter he also reminds us of the district conference which will be held in Sturgis, Michigan, April 16 and 17, 1971. The goal - 500 people in attendance and every club in the district represented.

ROTARY NOW IN 149 COUNTRIES

Indonesia recently became the 149th country in the Rotary world with the admission on the 7th of December of the Rotary Club of Djakarta. The charter presentation was made by Rotary International President, William E. Walk, Jr. on that date.

Be sure to read in the "Rotarian" for February "Are You a Cardboard Rotarian?" by Charles McIntosh. A challenge to every Rotarian to examine the vitality of his Rotary Club membership.

THOUGHT FOR TODAY

The only thing necessary for the triumph of an evil is that good people simply do nothing.

DISTRICT CONFERENCE

April may seem along way away, but it will come quickly and we're reminded that the District Conference will be held in Sturgis, Michigan, April 16 and 17. This would be a particularly valuable meeting for new Rotarians to attend to become better acquainted with the workings and the purposes of Rotary. District Governor Bert Ward has set a goal of 500 persons in attendance and every club in the district represented.

ATTENDANCE

Last week, February 2nd, there were 17 Rotarians absent. Nine of the 17 made up. This week, February 9th, the absent members were:

Ken Leavenworth	Fred Neer
Jim Lyon	Mel Rice
Norm Moore	Noel Shedd
Russ Moore	Clyde Williams

Ken Worden

The list of absentees: has been considerably reduced with some good make-ups. That should boost our average for the month.

GUESTS

What happened this week? There weren't any Rotarian guests. We had two student guests with us. Chris Mooi, whom you met last week, is active in the high school choir, Balladiers, and is playing the lead role in the musical West Side Story which is to be given by the high school this month. This week we met Dennis Worst, the son of Mr. and Mrs. Raymond Worst. He's interested in aviation. He's a member of the Aero-Space Club of the high school and is a member of the orchestra for the high school presentation of West Side Story this month. Please make yourselves known to these students as they visit with us this month so that they may feel at home in Rotary.

ROTARY SHOW

It's not too early to firmly implant in your memory the dates of the Rotary Show which are May 27, 28, and 29. End men are reminded that they are to meet at Grace Patterson's this Sunday, February 14th at 7:00 P.M.

THE ROTARIAN FOR MARCH: "NEW GUINEA: MYSTERY LAND OF THE SOUTH PACIFIC" BY HARRY E. MERCER. "ROTARY FOR BREAKFAST"- ABOUT ONE OF THE NEWEST TRENDS IN ROTARY, EARLY MORNING BREAKFAST MEETINGS. YOU WON'T WANT TO MISS THIS ISSUE.

ROME REGIONAL CONFERENCE

3187 Rotarians and guests attended the Rome Regional Conference in November. One high light of which was an audience with Pope Paul VI. In a message delivered in several languages the Pope said in part: "We greatly appreciate the aims of your organization, you who seek through a large network of friendly relations and through your club meetings to broaden the culture of those who have the privilege of participating in them - this open attitude toward the problems of today's world is precious - it is even indispensable for all those who carry responsibilities. May your friendly meeting develop in you this concern for the common welfare. No one can fail to see the nobility and the importance of your purpose at a moment in which recent and dramatic events have made us feel the urgency of reawakening in the conscience of man consideration of those values whose reaffirmation you propound and we who dedicate such a large part of our apostolic solicitude to the problems of peace can only praise and encourage your efforts."

THOUGHT FOR TODAY

Fundamentally, Rotary is a philosophy of life that undertakes to reconcile the ever present conflict between the desire to profit for one's self and the duty and consequent impulse to serve others. This philosophy is the philosophy of service - "service above self" - and is based on the practical ethical principle that "he profits most who serves best".

PROGRAM

Our thanks to Chuck Bacon for another excellent program. Chuck reminded us of a talk he gave to Rotary two years ago at this time in which he stated that while there was one physician for every 750 persons in these United States, in Branch County at that time we had one physician per 2400 persons. He told then of the efforts of medical people in the community to attract new physicians to our community. I'm sure that we all appreciated the opportunity then this week of meeting the many new and capable doctors which have come to our community recently. Chuck introduced Dr. Reddy who is practising in Obstetrics and Gynecology with Dr. Roy Mooi; C. C. Wu, Urologist, who has been in Coldwater for ten months now; Jim Baker, Pathologist, who's been in Coldwater for nine months; Ralph Lenz who is practising with John Rick in Internal Medicine and Cardiology and Jim Burke who recently returned to the community to practise in Obstetrics and Gynecology. Thanks to Chuck for a fine program.

MEETING HIGHLIGHTED BY -

Bob Rumsey reminiscing on a great year for Coldwater Rotary. He emphasized that attendance, fellowship have been good and that the committees have functioned well. He pointed out we've had more gain in membership than any other club in the district, and that the golf tournament, Rotary Show, Ladies Night all served to make this an outstanding Rotary year. He pointed out that our attendance has been unusually good this year-nine months we ranked 15th in the district - one month 14th and 2 months we ranked 20th.

He then passed the gavel to Richard Moore who is our president for the coming year. Dick in turn, presented Bob with his past president's pin.

President Dick and the club also showed their appreciation to Fred Weeks for the great service he has rendered to our club as treasurer. He will be stepping down as treasurer this year and Clem Kromer will become the treasurer of our club for the coming year.

Rotarian Noel Shedd also reached a new milestone in his Rotary career. Out-going President Bob presented Noel with his Senior-Active Status in Rotary.

Bill Timm had the pleasure of bringing a new member into Rotary this week, Larry Iveson whose classification is printing with the Patterson Printing Company. Larry lives with his wife, Jackie, and children, Mike and Sherry on Centeniel Road. Larry, it's good to have you in the club. I'm sure that you'll gain as much from it as you will be giving to the fellowship of Coldwater Rotary.

ROTARIAN GUESTS

Dick Frazier, Fort Wayne; Walt Schneider, Wapokaneta, Ohio; Fred Nickols, Portage; Bill Slisher, Bronson; and Bill had as his guest son-in-law, Jim Knicki.

PROGRAM

Robert Yingling, program chairman for the week, presented to the Rotary Club Coldwater's new Chief of Police, Frank Robertson. He lives on North Clay St. with his wife and 13 year old daughter. He began his duties here on July 1st. He pointed out that in a police force the size of Coldwater the men had to be expert in many areas whereas in a larger force they could probably specialize in one area. He pointed out very well the difficulty of being a police officer today. The following eight things that he said were required of policemen: (1) to be a diplomat; (2) to be able to make instant decisions; (3) to be an expert in first aid, able to diagnose immediately a victim's condition; (4) to be an athlete; (5) to be an expert in the use of fire arms; (6) to be an expert driver; (7) always to be an outstanding example to the community; (8) to be an economist - in order to live on a policeman's pay! Frank Robertson showed himself to be a very able person. I hope we will all give him all of the support he needs as he adjusts to this new position in our community.

ROTARIAN FOR JULY

You will not want to miss the article on Rotary International's new president, Ernst Breigholtz. He is a person of unusual depth and quality and will certainly be a credit to Rotary International. You will also want to read the article entitled "Famine Fighters" which shows how misery stalked drought victims in India until a small Rotary Club counter-attacked.

THOUGHT FOR TODAY

Being appreciative is contagious. It's a contagious condition that we could all profit by. Today, tell someone that you think he did a good job. Maybe somebody will do the same for your tomorrow.

Please contact Bob Nagle with the names in your foursome, desired starting time and current handicaps. August 4th is the absolute deadline.

PROGRAM

Tom Collins, program chairman for the week, presented Fred Hobart who is superintendent of the summer recreation program. Fred gave a most interesting and informative program on the many aspects of summer recreation in Coldwater. You might be interested in the budget breakdown which he gave us which is for the full year recreational program for the city. From the city - \$16,000; from fees - \$8,000; from United Fund - \$4,000 to \$5,000; from the county - \$3,150; from the schools - they receive facilities and equipment. An excellent program. Thanks, Tom.

GOLDEN ANNIVERSARY

President Dick read a letter from Ernst G. Breitholtz, President of Rotary International, reminding us that on December 1, 1971, Coldwater Rotary will hit it's 50 year mark. A committee has been appointed to plan festivities for that day.

PRESIDENT BREITHOLTZ'S THEME

It is good for us to remember the theme announced by Rotary International President Ernst G. Breitholtz of Kalmar, Sweden, which is "good will begins with you." Recognizing the diversity of clubs and the conditions under which they operate, he says, "Your services will be different and unique. Your club is designed, organized, equipped for common purpose; to serve. Put good will to work through service. This is your challenge this year. Good will begins with you. Let it radiate into all parts of life. Let it encircle the globe."

ROTARY TODAY

As of the 17th of May, 1971, there were 14,771 Rotary Clubs and an estimated 701,000 Rotarians. New clubs admitted since July 1, 1970 totaled 434 in 48 different countries.

TORNADO INFORMATION GIVEN

Fred Neer, program chairman for this week, introduced Robert Moses, Chief Engineer for the radio station WTVB, Coldwater. Bob gave us a most interesting talk and color slide presentation on the history and facts concerning violent storms and funnel shape tornadoes. Coldwater and Branch County will long remember April 11, 1965 as the time the tornado again became a reality. It is still possible to see where the damage was most severe around Coldwater Lake. It all could happen again, so it's most important to plan for your safety at home and your place of employment. Pay attention to storm warnings by radio and TV announcements. Know where you can find shelter. Call the police, sheriff, or fire department to report any funnel shape clouds you might see. Getting the warning out to the public as fast as possible is the job of each of us. Thanks to Fred Neer for bringing this program to the club.

VACATION TIME - MAKE UP TIME

Planning a short trip with the family. Too busy to make up Rotary before you go. Then why not plan to visit a Rotary Club while you are gone. It's an easy and a fun thing to do. Check out your vacation area and select a club. The wife and kids can look the town over while you make new friends and help out our club attendance at the same time. Sound like a good idea. Try it out and see for yourself.

GET TO WORK ROTARIANS

This word from President Dick. Committee reports are due August 2nd. Get your committee together and get your ideas in writing. We need your contribution to report to our District Governor Ron Weger as quickly as possible. So....get to work Rotarians.
