# Dedication

The Class of 1951 is proud to dedicate this volume of the Viking to the men and women in the several branches of the armed services. We are mindful of those patriots who have held high the torch of liberty during those historic struggles which have passed and those who today fight tyranny in far away lands. We are not unmindful that it may be the lot of our generation to serve our great country with the force of arms. To our noble heroes of the past, the present, and the future we dedicate this book.

# Student Council

The Bronson High School Student Council is one of the most important activities in our school. The Council sponsors the interscholastic athletic program, school parties, an extensive assembly program, and a number of activities for students who must remain at school during the noon hour.

Regulations for wearing school sweaters, award letters, and arm stripes has been worked out to guide students, was reviewed by the Board of Education and unanimously approved. Membership badges were provided this year for the first time in place of membership cards. The Student Union Membership badge admitted the owner to athletic contests, parties, and assemblies.

The Union has also taken an active part in helping to keep our school home clean and neat. Admittedly there is still room for improvement. However, considerable has been accomplished toward measuring up to our ideal.

*Left to Right—Row I: Phyllis Fox, Delphine Nowicki, JoAnne Bawden Secretary; James Nowak—President; Margaret Kehoe—Treasurer; Chuck Somerlott—Alderman at large; Gareth Heisler (advisor).  
Row II: Charlotte Coy, John Klemmer, Bob Hilton, Max Haylett, Marshall Skinner, Charles Bailey, Barbara Blain, Judy Martin.*

Mrs. Marie Tracy, receptionist, has been with us for 5 years. All the students appreciate her courteous help. She has a very busy schedule, but her work is done on time, accurately and efficiently.

Mrs. Muriel Brower, who is in charge of the hot lunch program has been with Bronson High School for 4 years. She is better known to the students as "Ma". With the help of 20 girls they are able to prepare very luscious meals.

Among the best friends to students are the janitors. Who files open a locker when the key is lost? Who tears down a ventilator to retrieve a girl's vanity box lost therein? Who keeps tidy the place where students live? Who does a hundred other things to help students?

Students really appreciate the fine service of bus drivers who get us to school safely and then home again each day.

# MEMORIES

On the second day of September, 1947, seventy-five very serious faced freshmen enrolled in B. H. S. It was their first encounter with Senior High School, and they were not too sure of themselves, but under the careful direction of Miss Dora Anderson they got through all right. The Freshman Initiation was indeed a life saver and helped them to get better acquainted with the rest of the B. H. S. students.

As sophomores with Mr. Moyer as advisor, the class sponsored many sandwich sales in order to earn money. Class rings were ordered in the fall and the class became known as the class of 1951.

When the class of '51 started school as Juniors they were indeed very busy students. They sold refreshments at all home games, and sponsored two bake good sales to add to their treasury. The Junior play, "Grandad Steps Out" netted \$232.99, breaking all previous records.

A well stocked treasury helped a great deal when it was time to put on the Junior and Senior reception, the theme was South Pacific. Mr. Hilton was our class advisor.

As Seniors fifty-six members are still with us. Of the fifty-six graduates, eight have been together all through school. They are Betsy Hilton, Buz Littlefield, Jean Hollister, Ronnie Hartman, Dorothy Laughry, JoAnne Bawden, Betty Nelson, and Nancy Fair.

Janean Honeywell was chosen D.A.R. girl.

As the Viking goes to press, the big topic among the Seniors is the four day Skip-trip planned aboard the S.S. N. American. The trip will start at Chicago, visit Mackinac Island and Sault Ste. Marie, and end at Detroit.

The air is also buzzing with ideas about the Junior-Senior reception which promises to be a most enjoyable occasion.

The climax for the class of 1951 will be the Commencement Exercises, May 31st, and at long last a High School Diploma.

## SPORTS

The Van Patten All-Sports Trophy is awarded annually to a Little "C" Conference school by Wayne Van Patten, sports writer for this area. The award is made on the basis of a point system which applies to all inter-scholastic sports.

Bronson is proud to be the first to win this award in a very close race with our traditional rivals, Quincy. The trophy was presented to Mr. Hilton, our Athletic Director, at a special assembly. We are now faced with the challenge to win this award three years in order to place it permanently in our trophy case.

Varsity basketball squad composed of twelve players are enjoying a very successful season. The starting lineup is composed of the following boys: Max Haylett, high scoring forward; Keith Tracy, a strong scorer and a good defensive man; Dick Robbins, ace pivot and hook shot artist; Vic Nowicki, set shot specialist and rebounding star; and Chuck Somerlott, defensive ace and a good long shot man.

Other members of the squad: Max Hilton, a junior who sees a lot of action and is a good defensive man; Leonard Hoard, a sophomore, who gets into the game often at the forward slot. The remaining members of the team who keep the Varsity hustling are Marv Signeski, Ron Hartman, Charles Bailey, DeWayne Wiler, and George Balog.

The Bronson "B" team, more commonly known as the Reserves, is currently enjoying a very successful season, under the direction of Mr. Nicolette. Future Varsity players are being developed on the "B" squad which is composed of Juniors, Sophomores, and Freshmen. Skinner and Wotta handling the rebounds and plenty of speed in the rest of the squad have made the aggregation one of the strongest "B" teams in the conference.

## Double Sextette

The Double Sextette continued to make music history for Bronson High during the 1950-51 term. The highlight of the year was the reunion held during the Christmas holidays when former members met with the current group to enjoy a fine dinner at O'Shanahan's and sing the evening away.

The Double Sextette is very popular among clubs and dinner groups and may set a new record this year for public appearances. JoAnn Bawden, Nataline Kinter, Richard Bowerman and Glenda Fair are the members who will be lost through graduation.

Left to Right—Row I: Mr. Miller (advisor), Jean Wohlers, Kay Somerlott, Betty Haylett, Carma Lines, Beverly Travis.  
Row II: Richard Killian, George Balog, Richard Byers, Peggy Cuyler, Wylla Wanar.

The 1950-51 Assembly Committee, under the direction of Roy Miller, with Wylla Wanar as secretary, and the rest of the members, were responsible for a well planned and enjoyable series of assembly programs.

At least once a month they have planned an assembly. During the year our Senior Play was exchanged with the Junior Play from Coldwater. The Committee also presented Star Baby, a horse, with a head of knowledge, and several movies. The assemblies presented by the various classes proved very interesting.

The Senior class wishes to thank the Assembly Committee for their good work, keeping us entertained and informed.

The Future Farmers of America is an organization of farm boys studying vocational agriculture. It was organized in 1928 as a national organization and now has chapters in all of the states as well as in the territories of Porto Rico and Hawaii. Michigan was the twenty-ninth state to organize and Bronson has charter number 122 issued in 1934.

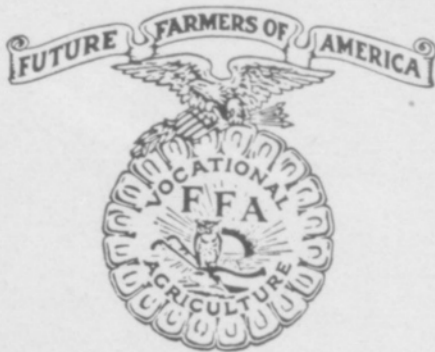

There are four degrees which a boy can receive, all based on service and achievement. The first two degrees, "Green Hand" and "Chapter Farmer" are awarded by the local chapter. The "State Farmer Degree" is awarded by the state association and the "American Farmer Degree" by the national association.

The Bronson Chapter now is made of of nine Chapter Farmers and 19 Green Hands, with several boys Farmers and nineteen Green Hands, with several boys ready to be advaced to Chapter Farmer Degree and others ready to be initiated as Green Hands.

A new project for this year is a gilt exchange. The Kiwanis Club has presented one bred gilt to a F.F.A. member who will present a like animal to some other member next year. The Rotary Club presented five gilt pigs to five members who will pass a like number on to the same number of boys next year. Our Chapter is financing two more gilt pigs to two more boys under the same kind of an agreement. All animals are pure bred and selected from good herds.
