## Dedication

MR. SIBLEY

MRS. HUDSON

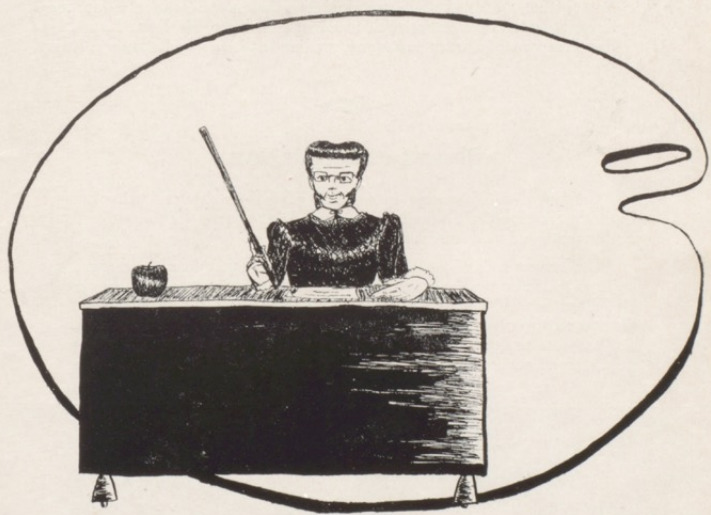

We, the Seniors of the class of '49, dedicate this, our yearbook, to our advisors, Mrs. Hudson and Mr. Sibley.

Mrs. Doris Hudson, our witty English, speech, and dramatics teacher was ever helpful, yet she let us know when we were out of line. She was not only an invigorating teacher, but also a priceless friend.

Mr. Bertrand Sibley, our joking physics and chemistry instructor, was our "general manager" who saw that things got done, many times doing much of the work himself.

Because of the unstinting efforts of Mrs. Hudson and Mr. Sibley our Senior class is the great class it is today. With this dedication we wish to express our appreciation to our class advisors for their job very well done.

**Mr. Thomas**

(SUPERINTENDENT OF SCHOOLS)

E. Byron Thomas, our new and efficient "Super", graduated from Albion College with a B.A. in 1924. In 1935 he received his Master's degree from Northwestern University, later doing graduate work at the University of Michigan. He taught high school four years, was for six years Superintendent of Schoolcraft High School and for ten years Superintendent of Vicksburg High School. Five years ago he became CHS Senior High principal and just this last year Superintendent, thus completing his twenty-fifth year as an educator.

He is a member of the Masons, the Junior Chamber of Commerce, the Rotary Club, the Michigan Educational Association, the National Educational Association, and the National Educational Fraternity, Phi Delta Kappa. He uses his spare time, when he has any, reading anything in print and gardening.

## Board of Education

The Board of Education is a group of five Coldwater businessmen elected by the people of Coldwater for terms of three years. The Board meets once a month and more often when necessary.

The largest task of the Board this past year, other than their regular duties of collecting and appropriating revenue and hiring teachers, has been the Edison School. Under the Board's able supervision the construction of this new elementary school has been proceeding as part of a general expansion program under way in Coldwater, which program will provide better buildings and a more adequate budget for the Coldwater School system.

### Mr. Dennis

(SENIOR HIGH PRINCIPAL)

Kermit Dennis, busy but genial principal of Roosevelt Senior High, graduated from Adrian College as a Science Major in 1931. At the University of Michigan he took his M.A. in Educational Administration. He then came to Coldwater High School, where he taught Science for fourteen years. After three years as principal of the Junior High, this year he took over the job of Senior High principal.

He belongs to the Masons, the Kiwanis Club, and the National Association of Secondary Schools, and is a Presbyterian elder and president of the Southwestern Michigan Guidance Association. He is a man of many hobbies, enjoying photography, hunting and fishing, carpentry, and reading mysteries.

### Mr. Olson

(JUNIOR HIGH PRINCIPAL)

Axner Olson, friendly head man across the court, graduated from Troy High School in 1929. He took his Bachelor of Science degree from Western Michigan College and has also done post graduate work there. For five years he was basketball and baseball coach at New Troy High School, he was principal and baseball coach at Homer High School for two years, and for one year was Superintendent of the Camden High School. Six years ago he came to Coldwater and since that time he has taught Science and Mathematics, and served as assistant football and baseball coach. This is his first year as Junior High principal, and he has done an excellent job.

Besides his regular duties as principal, he has written for the *Mirror*, assisted in athletics, and cheerfully helped out in other activities. His special interests include hunting and fishing, and he has spent many hours in the North woods enjoying them.

## The Senior Story

*1944.* The seventh grade. We were not so high and mighty then, but the initiation into our new life was not entirely without compensation. A few of us crashed the journalism world through Mirror and Cardinal staffs; a few, the A and B bands; and one was honored on the popularity poll. Officers: Bob White, President; Virginia Garvin, Vice President; Phil Munger, Secretary; Gilbert Dean, Treasurer; Paul Woods and Nancy Fair, Representatives.

*1945.* We had a bang-up eighth grade party — where all the girls danced! Harry Cooper made varsity basketball — as manager, and no one could forget the SPORES!!! Nan Fair was our prexy and had able assistance from John Odren, Bob Tubbs and Pat Kaser, along with Gilbert Dean, Council Representative.

*1946.* Freshmen. A deluge of rural students was warmly welcomed into the ranks of the '49ers. All the boys went out for sports, a good share making reserve squads. We were proud of Carl Lewis, the first to make varsity football. Fred Weeks was prexy; Eugene Sowles, Max McConnell and Pat Kaser completed the line-up. Odren was council representative and Betty Aiken was elected as president of the Lincoln Council.

*1947.* Across the court and sophomores!! We joined all the clubs, were on all the staffs of the Mirror and Cardinal, went out for forensics, filtered "en masse" into the select "A" band. We helped celebrate the TV Championship in basketball; it was a rarity then. Sowles, Don Smith, Glyn Dee Havens, and Bob Luse were our class officers; Jane Morgan and Richard Dick were Commissioners.

*1948.* Juniors — not much longer. The Bow Tie Club and "I Speak For Democracy" Contest were initiated into the CHS curriculum. "Peg O' My Heart" was presented and was a brilliant success. Some of us were finally made staff editors — Patience and Fortitude. The crowning factor was, of course, the second TV championship in basketball. Fred Weeks was class prexy; he was aided by Bob Luse, Carl Lewis, and Kenny McDonald. Morgan and Ardith Betts were Commissioners; the clerk was also a Junior — Aiken.

*1949.* This is Senior year. What has it brought? Oh, so very much. It has been a grand, wonderful year, one we, the Seniors, shall never forget. And through the Cardinal, our memory book, we want to share it with you, the undergrads.

## Class Wills

I, Betty Aiken, will my nickname, "Captain", to Mrs. Warnock, who deserves an official title for keeping the Roosevelt office running so smoothly.

I, Pat Arnold, will to any unsuspecting junior my lonely locker beside Mr. Dennis' door.

I, Marjorie Bates, will Mr. Rice a dog so he won't need so many pets at school.

I, Jean Baum, will and bequeath to Joyce Schlubatis any of my few possessions which her little heart might desire.

I, Ardith Betts, will my secret ambition of hitting the bald spot on Mr. Green's head with a chalk eraser to Donnie Byers, who is just the person to fulfill it.

I, Noel Bisel, leave my well known ability to make stupid mistakes in math class to my brother so that Mr. Green will have a new source of amusement.

I, Jim Blohm, will my talk of horses to some undergrad who appreciates them as much as I do.

I, Dorothy Borden, who has never played the cymbals in the "A" Band, will my ability to be a cymbalist to Richard Reppert, who has for a year thought he was the only one.

I, John Burtch, will the book *How to Win Friends and Influence People* to Mr. Dennis.

I, Guy Cobb, will to Gene Fry some glasses, so that he will find his way home from future basketball games.

I, Harry Cooper, will to Revel Ivey my nickname of "Little Moose".

I, Ronald Corey, will a pin-ball machine to Doug Baxter, so he can save nickles.

I, Tom Engle, will my theme song, "Near You", to Bob Simmons, who I hope will enjoy it as much as I have.

I, Nancy Fair, will an alarm clock to all incoming members of the "A" Band next year, so they can get to early morning practices on time.

I, Bud Harvey, will my nickname, "Ricket", to any unfortunate Junior who deserves it.

I, Glyn Dee Havens, will two cartons of safety matches to Louise and Sharon, so they will never have to sponge off anyone else like they did from Bob Pearce and me in chemistry.

I, Robert Heckman, being of sound mind, do hereby will Mr. Rice a place on the running board of my Chev.

# Underclassmen

## Junior Class

JUNIOR OFFICERS — Dave Ayers, Bernard Hoogenboom, Joan Pillsbury, Bob Simmons

### The Junior Story

One hundred-twelve Sophomores have advanced a grade and are now looking forward to being the future Seniors of CHS. They are the class of '50.

While Juniors they chose to lead them through the year: President, Bernard Hoogenboom; Vice-President, Dave Ayers; Secretary, Joan Pillsbury; Treasurer, Bob Simmons. Mary Lapham and Bill Stansell repeated as class commissioners. The clerk on the commission is always a Junior; this year Adolphus Goodwin was elected to the post.

The Juniors have taken part in most of the outstanding activities of the past year. In their athletic field, especially, they have shone brightly as stars and near stars; both championship teams — football and basketball — had an ample delegation from the class of '50. Rex Corless, Gene Fry, and Jim Rhodes were of utmost importance in helping win the T. V. basketball crown and the

State Championship. Hoogenboom and Simmons sparkplugged the Reserves in a brilliant season and were brought up to the varsity for tournament play.

The Class of '50 contributed a majority of our varsity cheerleaders. Joyce Stout, Joyce Schlubatis, and Jane Smith will all return next year to keep our school spirit high.

The class ran a little low on funds, but through their play, "Green Stockings", which was a great success; the collecting of class dues, and the sponsorship of several dances, including a bang-up Thanksgiving Dance at the Masonic Temple, they scraped up enough money to stage a grand Junior-Senior Banquet.

As the days grow longer and we Juniors are thinking more of summer, back in our minds is the thought that there is only one more year in CHS. Yes, we've only one more year to enjoy the foot-loose and fancy-free life of high school.

## Sophomore Class

SOPHOMORE OFFICERS — Aulton Treacher, Barbara Engle, Carolyn Burton (Not shown: Erwin Corless)

### The Sophomore Story

On September 8, 136 Sophomores and Mr. Dennis moved across the court into the sacred and cloistered halls of Senior High. Mr. Dennis immediately fitted himself into his surroundings, but it took us some time to become accustomed to the change.

The first thing we Sophomores did was to elect officers, who were: President, Barbara Engle; Vice President, Erwin Corless; Secretary, Carolyn Burton; Treasurer, Alton Treacher; and Sophomore Commissioners, Gail Olmstead and John Dygert.

A few weeks after school started 33 girls joined the "Y-Teens". For three days they were molested, harrassed, and taunted. In other words, they were made fools of.

On November 13 the Seniors honored us with the much-awaited and looked-for annual Sophomore Reception. It was a standing date for us. We all excitedly attended and had a wonderful

time. Thank you, Seniors, for the perfect reception.

"The Yule Log Drag" was the name chosen for our Christmas party which was held December 21. The gym was decorated in all its festivity. Johnny Shupp and his orchestra furnished the music for dancing. It was rumored that this Christmas party was the best one held in several years and we certainly think that our officers can pat themselves on the back for such an excellent party.

In the second annual "I Speak For Democracy" contest, one of our class members, Diane Hammond, won first place.

March 19, found the Sophomores playing host at the Saturday night Masonic dance. This plan for a teen age dance on Saturday nights has been continuing for two years and has been very successful. Everyone at CHS really appreciates it.

We think we have had a very successful year and are looking forward to two more of the same in CHS.

# Freshmen Class

FRESHMEN OFFICERS — Bob Smith, Tom McConnell, Bill Connell, Gene Miller

## The Freshmen Story

As the year of 1948-49 began, we, the class of '52, held our annual election and brought up some very good officers. They were Bill Connell, President; Tom McConnell, Vice-President; Robert Smith, Secretary; Eugene Miller, Treasurer; and Norman Hawk, 9th grade Representative. The 9th grader chosen as Student Council President was Don Davis. They all proved to be good workers.

In October we stirred up a prize winning Halloween float based on the chase of Daisy Mae for Lil' Abner.

As usual, November brought another magazine sale. Through this sale the ninth grade obtained a wire recorder. During this year we have used it extensively and intend to bring it with us next year for use in Senior High.

During the year we had two parties, each of which was a great success.

The heroes of the football helmets were Jerry Johnson, Dale Jackson and Tom McConnell.

The most enthusiasm of the year was displayed during the basketball season. Dale Jackson, Robert Smith, and Tom McConnell served on the reserve squad.

Naturally we want to mention our class representatives on the reserve cheerleading squad. They were Ellen Harris, Mary Robey, and Pat Bodie.

During the fall the F. F. A. held a contest to select a harvest queen. From three CHS contestants Wanda Stickan, a '52 class member, was chosen.

Many members of the class demonstrated their journalistic ability on the Mirror staff. They helped turn out a slam-bang Junior High section.

Because of Mr. Houston's interest in selection of vocations, he has offered the ninth graders many field trips and provided assemblies to spur their ambitions.

Barring accidents and mishaps, the ninth grade has had a successful year.

## The Student Commission

TOP ROW — Mary Lapham, Ardith Betts, Gail Olmstead.

FIRST ROW — Bill Stansell, Alfred Sortwell, Conrad Semmelroth, John Dygert, (Adolphus Goodwin, not pictured).

### Student Commission Story

The offices of this year's commission were ably filled by the Mayor and his commissioners. Besides Mayor Alfred Sortwell the commission was as follows: Clerk, Adolphus Goodwin; Senior Commissioners, Ardith Betts and Conrad Semmelroth; Junior Commissioners, Mary Lapham and Bill Stansell; Sophomore Commissioners, Gale Olmstead and John Dygert.

Again this year the commission arranged exchange assemblies. They were with Lakeview, Sturgis, Marshall and Bronson. These fine assemblies were possible only through the hard work of Ardith Betts, the head of the assembly committee.

Something new was added this year in the Twin Valley: a combined Student Council Meeting. Five members of the commission — one

commissioner from each grade, the mayor and the clerk — attended this meeting as representatives of CHS. Many systems of student government were discussed. The problems that have confronted the various schools' governments were also discussed and the suitable solutions were drawn to settle these problems.

The dances at the Masonic Temple were arranged with the help of the Junior Chamber of Commerce. The activities included dancing, ping pong, billiards and pool. This year the dances were divided between the Saint Charles School and the three classes of the high school.

Judging from the preceding facts, it can be said that the commission has had a very successful year — of which we at CHS can be extremely proud.

## Lincoln Student Council

TOP ROW — Don Davis, Mickey Cochrane, Keith Bisel.

FIRST ROW — Norman Hawk, Jerry Greist, Bill Connell, Jim Zabonick.

### Junior High Council Story

Members of the Junior High Student Council managed the affairs of the Junior High School very efficiently during the past year. It is considered an honor to serve in this way and there is considerable excitement in the fall in choosing the best representatives from the seventh, eighth, and ninth grades.

Members serving were Don Davis, President; the three class presidents, Keith Bisel, Jim Zabonick, and Bill Connell; and one elected member from each grade, Jerry Greist, Mickey Cochrane, and Norman Hawk.

Two parties were given during the year through the efforts of the Council. At both parties movies were shown in the auditorium, refresh-

ments were served in the Home Economics Room, and dancing was enjoyed in the gym.

An assembly was sponsored during the second semester at which time many students appeared whose abilities were well known; also, some new talent was discovered.

The annual sale of Curtis Publishing Co. magazines was a financial success. The total sales amounted to \$2,234.00. Mrs. Davis helped a great deal on the project and was presented with a gift of appreciation. Numerous individual prizes were given to the most ambitious salesman and a trophy awarded to the Junior High as a whole. The proceeds of the sale were used to purchase two wire recorders for use in the classrooms.

## Cardinal Staff Story

The Cardinal Sketchbook for '49 differs from past CHS annuals in several respects. In order to keep this year's production in the black, each organized club was assessed five dollars for its page and picture in the Sketchbook. The Band and Athletic Association paid lump sums for their respective sections. These organizations are to be commended for their fine spirit of co-operation. Secondly, the full names of undergraduates are being given this year. New this year is a junior as Assistant Editor. In the past the position has been filled by a senior, but this Editor-in-Chief, Robert Luse; Associate Editor, Sharon Facklam.

## Cardinal Chatter

To better public relations between the schools and the community, a page of each Saturday edition of *The Coldwater Daily Reporter* was given to the schools for their news beginning the middle of February. Mr. E. Byron Thomas, Superintendent of Schools, was the instigator of the project and through the cooperation of the *Reporter* editor the school page became a reality.

Students from the Senior High Journalism Class were chosen to edit the page. Charlene Fraser, a Senior, was named Senior High Editor and Editor-in-Chief for the page which was entitled "Cardinal Chatter". Her reporters for Senior High news were Betty Aiken, Joan Donkin, Pat Kaser, and Jane Smith. Claire Newberry, another Senior, acted as Junior High Ed-

itor and her staff members were Ann Weidner, Virginia Batterson, and Rosemary Michael. The grade school news department was headed by a Junior, Elaine Martin, who was Elementary Editor. Joyce Carls, Diane Little, Joyce Garvin and Barbara Parks handled the reporting end of the elementary section. Mrs. Anne Hayes served as advisor for the group.

By student and teacher cooperation on the writing of the news, it is hoped that the townspeople will be enlightened on some of the school activities which do not reach the paper otherwise. This page in the daily paper was planned so as not to conflict with the school newspaper, *The Mirror*. It is the desire of all those connected with the project that it will be continued in years to come.

TOP ROW — Bressler, Troutman, Douglas, Weidner, Batterson, Davis, McCurley, Renshaw.  
 FOURTH ROW — Lind, J. Kaser, E. Harris, Hammond, Rowe, Mack, Fraser, P. Kaser, Strang.

 FIRST ROW — Smith, Sheehy, Crispell, Donkin, Aiken, Luse, Carls, Little, Simmons, Harvey, Betts, Mrs. Hayes.

## First Semester Mirror Staff

The first semester "Mirror" was edited by Betty Aiken with Robert Luse as her assistant. Betty, as Editor-in-Chief, was serving her fifth year on the paper. After reporter work she advanced to Junior High Editor and News Editor when she was a Junior. Three years of "Cardinal" work are also accredited to her. She was Business Manager last year and this year's Events Editor. This past semester she wrote for the *Reporter*. Bob Luse has been a member of the "Mirror" staff for four years. Last year he was proofreader and Assistant Editor. In addition to his "Cardinal" work this year he found time to be Assistant Editor of the first semester papers and served on the news staff second semester.

Staff editors and reporters were in most cases from the first semester journalism class. This gave them an opportunity to devote more time to "Mirror" work in that class. The editors and staffs were as follows:

News Editor—Joan Donkin; staff: Charlene Fraser, Donna Mack, Joyce Garvin, Dorothy Borden, Virginia Batterson, Rosemary Michael, Carol Douglas.

Feature Editor—Ardith Betts; staff: Diane Little, Elaine Martin, Barbara Parks, Jackie Thompson, Maurice Troutman, Diane Hammond.

Club Editor—Joyce Carls; staff: Pat Kaser, Donna Mack, Don McCurley, Maurice Strong, Charlene Fraser.

Girls' Sports Editor—Jane Smith; staff: Ann Weidner, Donna Light.

Sports Editors — Bob Simmons and Bud Harvey.

Exchange Editors—Marjorie Bates and Claire Newberry.

Junior High Editor—Jessie Crispell; staff: Judy McKnight, Alyce Aiken, Pat Sager, Jean Ann Elliot, Shirley Luse, Beverly Devlin, Julie Lind.

Business Manager—Ted Sheehy; staff: Harry Bressler.

Advisor—Mrs. Anne Hayes.

Among the first semester editions of the "Mirror" were those in honor of the football Co-Championship and the special Christmas issue. In order to produce the latter, the Editors and staff faced the problem of lack of funds. To meet this a dance was sponsored by the staff and a "Poverty Mirror" was issued. Consisting of an eight-page mimeographed journal it was received in good faith by the student body. However, the next regular issue was genuinely appreciated by everyone.

Special features such as cartoons from the art class, numerous pictures, and a rising standard of journalistic style went into all the first semester "Mirrors".

TOP ROW — Dygert, Luse, Lyman, Byers, McCurley, Sheehy, Peavey, Simmons.  
 FOURTH ROW — Strong, Light, Betts, Davis, Douglas, Troutman.  
 THIRD ROW — Lapham, Parks, Martin, Garvin, Munger, Baum, Dolbee, Doll.

 FIRST ROW — Mrs. Hayes, Crispell, Batterson, Mack, Carls, Donkin, Fraser, Kaser, Little, Bates, Smith.

## Second Semester Mirror Staff

Mid-year brought changes in "Mirror" editors and staffs. Joan Donkin stepped into the Editor's role with Charlene Fraser as her assistant. New staff editors were named and the staffs were revised. The advanced and beginning journalism students all wrote for the paper.

Joan Donkin has four years "Mirror" work to her credit, as she joined the staff in her Freshman year. After two years of reporter work, Joan served as Business Manager and Junior High Editor when she was a Junior. The first semester of this year she was News Editor. Four years of Cardinal work are also accredited to her during which she served on various staffs and as Sales Manager and this year's Senior Section Editor. Joan wrote for the "Cardinal Chatter" of the *Reporter* the second semester of this year.

As Assistant Editor Charlene Fraser served her third semester on the "Mirror" staff. She joined the news staff the second semester of her Junior year and wrote for it the first semester of this year. Charlene has worked on the "Cardinal" for two years and this last semester she was Editor-in-Chief of the school page of the *Reporter*, "Cardinal Chatter".

The second semester staff editors and their reporters were as follows:

News Editor—Joyce Carls; staff: Bob Luse, Carol Douglas, Rosemary Michael, Elaine Martin.

Club Editor—Pat Kaser; staff: Maurice Strong, Don McCurley, Russell Peavey, Joyce Doll.

Feature Editor—Donna Mack; staff: Jean Baum, Phil Munger, Char. Fraser, Don Byers, Barbara Parks.

Sports Editor—Bob Simmons; staff: Ted Sheehy, Bob Lyman.

Girls' Sports Editor—Jane Smith.

Art Editor—Diane Little; staff: Mary Lapham, Jean Davis.

### The Senior Play Story

The '49ers really struck gold with their production of the comedy, "The Divine Flora," on November 19, 1948. The cast, under the direction of Mrs. Doris Hudson, succeeded in giving CHS one of the best plays in its history.

The play opened with Mr. Dean hiring Buzz Rafferty and Randy Pryor to transform his daughter Etta, whose name was changed by the boys to Flora, from the wallflower she was into a beautiful damsel. This they proceeded to do by inviting Flora to spend the summer at their cottage, Pryor's Rest, with Papa and Mamma Pryor and sister Sharon, who had also invited Tex Arlen, the great crooner, to stay there.

During the summer the boys arranged a fake romance between Flora and Tex which resulted in a great deal of trouble. However, the story

ended happily with Flora entrancing Randy and gaining the love and respect of her father.

Flora was played by Nancy Fair, Buzz Rafferty by Alfred Sortwell, Randy Pryor by Tom Engle, Mrs. Pryor by Joan Lennon, Mr. Pryor by Harry Cooper, Sharon Pryor by Jean Baum, Mr. Dean by Bud Harvey, and Tex Arlen by Clyde Brumbull.

Those of the supporting roles were Hal played by Guy Cobb, Winnie by Donna Mack, Boops by Pat Kaser, Stu Morgan by Sylvester Fredericks, Kit Olmstead by Phyllis Munger, Bob by Dick Hill, Wayne by Bob Pearce, Polly by Barbara Gist, Helena by Ellen Stein, Marvelle by Jane Ann Paul, Daphne Gillford by Joan Donkin, Mr. Dugan by Glyn Dee Havens, Susie by Jane Morgan, and Bella by Joyce Carls.

## Junior Class Play

TOP ROW — Milnes, Baxter, Williams.

SECOND ROW — Ivey, Sibley, King, Hudson, Bovee.

FIRST ROW — Ayres, Facklam, Meier, Jones, Light, Gillette.

### The Junior Play Story

On the 8th of April at 8:15 the curtain rose on the Junior Play, "Green Stockings". The play cast was: Celia, Joyce Jones; Colonel Smith, Douglas Baxter; Mr. Faraday, Seton Bovee; Mrs. Rockingham, Sharon Facklam; Lady Trenchard, Gretchen Meier; Phyllis Faraday, Jo Ann King; Mr. Tarver, Dave Ayers; Jim Raleigh, Revel Ivey; Aunt Ida, Linda Sibley; Admiral Grice, Charles Williams; Henry Steele, Clyde Gillette; and Martin, Bill Milnes.

Under the most able direction of Mrs. Doris Hudson, this play was a big success and drew a near capacity crowd.

The play opened with Aunt Ida, Madge, Phyllis, and Evelyn discussing Celia's homecoming. Shortly before Celia walked in, Phyllis and Mr. Tarver were speaking of engagement plans.

Phyllis gave hints of her impending marriage to Celia and then Celia announced her engagement to a Colonel Smith in Somaliland, Africa. Later Celia disclosed to Aunt Ida that the affair was a hoax. To solve the problem, they plan that a notice of Smith's death shall appear in the *Times* on October 11th.

On the eve of her announcement Celia was forced to write Colonel Smith a letter and by chance it was mailed. There was a Colonel Smith in Africa, but little did Celia know this until a man, who said he was Colonel Vavasour, appeared with Smith's dying message.

The play ended when Vavasour revealed himself to be Colonel Smith and all differences between himself and Celia were dissolved.

## The Y-Teens Story

The "Y-Teens" organization, under the advis-  
 orship of Mrs. Watson, was composed of eighty-  
 eight Senior High girls.

At the end of last year the "Y-Teens" chose the  
 following officers for this year: President, Mar-  
 jorie Bates; Vice-President, Jane Smith; Secre-  
 tary, Gretchen Meier; Treasurer, Nancy Fair.  
 These girls have been competent officers.

The first task undertaken by the club was the  
 job of initiating the new "Y-Teens". After all  
 punishment was rendered, there were thirty-  
 eight new members.

On February 12, the "Y-Teens" and the "Hi-  
 Y" combined forces and presented CHS and its  
 alumnae with a formal Valentine's dance held at  
 the Masonic Temple. The hall was decorated  
 with hearts and the music was supplied by Pat

Ackney and her band from Hillsdale.

Joyce Schlubatis and Mary Rowe were chosen  
 delegates to represent the club at the Michigan  
 Y-Teens Conference in Battle Creek. The pur-  
 pose of this conference was to promote more  
 racial tolerance and to do away with religious  
 prejudices. At the next meeting, following the  
 conference, Joyce told of their experiences. She  
 had pamphlets and folders which gave a better  
 idea of the two days' activities. The conference  
 proved interesting and beneficial to the girls.

The "Y-Teens" presented their annual assem-  
 bly on April 29, in which almost every member  
 participated.

Although the club has accomplished several  
 things this year, it is hoped that next year the  
 organization will be even more active.

TOP ROW — Ivey, Troutman, Cochrane, Whitcomb, Sieg, Freeman, Worton.

THIRD ROW — Brown, Lyman, Raymond, White, Bisel, Secord, Grigg.

SECOND ROW — Mr. Dennis, Corless, Hurley, Yope, Keller, Stansell, Myers, Milnes, Maggart.

FIRST ROW — Harvey, Maxson, Mossman, Dennis, Bovee, Dean, Byers, Williams, Rubley.

## The Hi-Y Story

The Hi-Y met shortly after school began to elect the following officers: President, Gilbert Dean; Vice President, Don Byers; Secretary, Seton Bovee; Treasurer, Bill Dennis. Mr. Kermit Dennis and Coach Robert Livermore were advisors for the group.

The Hi-Y has entered into many activities this year. The club has sponsored rallies for football games, assemblies for basketball games, and has had charge of concessions at the broadcasts of the tournament games.

The organization brought in a group of new members who went through the usual rigorous program of initiation to be admitted to the club. The Hi-Y and the Y-Teens sponsored a Valentine Formal that was a great success.

In the annual formal initiation, in which Lakeview took a leading part, a potluck supper was held. Later in the season the local Hi-Y took a

trip to Lakeview for a return meeting and basketball games.

On February 22, the Hi-Y officers went to Battle Creek for the District Meeting of all clubs in southern Michigan.

Plans were made to dedicate a plaque for the wall of the high school study hall.

Through the year there has been an activity program of basketball which played a major part in maintaining interest in the club.

The Hi-Y sponsored their annual assembly February 25, for the last game of the season. Bill Stansell was master of ceremonies for this assembly.

The club sponsored a dinner for its Seniors, and in completing the year the Hi-Y will dedicate this page in the Cardinal for the Seniors. The Hi-Y of 1948-1949 wishes every Senior good-luck in the future.

## The Future Farmers of America

This year's F. F. A. program was a large one which included participation in many activities ranging from local to national.

F. F. A. officers for 1948 were: President, Glyn Havens; Vice-President, Bud Harvey; Secretary and reporter, Maurice Strong; Treasurer, Lawrence Porter. Mr. Barnes was advisor for the organization.

The first major project was the Branch County 4-H Fair. The Coldwater F. F. A. chapter exhibit was given a "B" rating. There were 22 individual exhibits.

Jim Garman was awarded Reserve Grand Champion on his steer at the St. Johns, Michigan, State F. F. A. Fat Stock Show in October. Lawrence Porter also exhibited at this show.

Dennis Paul and Gerald Thomas were awarded trips to the National F. F. A. Convention at Kansas City, Missouri, October 11th.

Wanda Lee Stickman was elected F. F. A. Harvest Queen October 15th, and she reigned over the F. F. A. sponsored dance following the game.

The F. F. A. sponsored a "Veterans in Agriculture" training class this year for World War II veterans. An evening class for adults was also operated.

F. F. A. officers for 1949 were: President, John Burch; Vice President, LeRoy Cox; Secretary, Jim Garman; Treasurer, Lawrence Porter; Re-

porter and parliamentarian, Maurice Strong; Sentinal, Lee Pfost.

The F. F. A. presented a Minstrel assembly February 18, with Glyn Dee Havens acting as master of ceremonies and director.

John Burch and Maurice Strong, the F. F. A. demonstration team, won the district contest at Lakeview over eight contestants and placed second on a judge's decision at the regional elimination in Paw Paw. They demonstrated the proper method of trucking and handling of livestock to prevent injury. This was the second consecutive year that Coldwater has been so placed.

Glyn Dee Havens, Jim Garman, John Burch, Maurice Strong, and Aulton Treacher were the members of the parliamentary procedure team which placed fourth at Lakeview from eight teams.

Jim Garman and Maurice Strong represented Coldwater as official delegates at the State Convention of the Michigan Association of F. F. A. March 22-23 at Michigan State College.

At the F. F. A. Parents' Night, April 20, seventeen "Green Hands" and thirteen "Chapter Farmers" were given their formal initiation. John Burch acted as the master of ceremonies. This was the second of these annual events in which the parents and sons were brought closer together in F. F. A. work.

## The Athletic Police Story

This year the Athletic Police, organized last year, served CHS by selling tickets, handling the record crowds which attended the athletic contests, and maintaining order by seating spectators. At football and basketball contests the Athletic Police were very able not only to maintain order and sell tickets, but to seat the huge crowds.

This organization, which is commonly called the A. P's, consists of two groups. Senior High boys composed the Senior police, and the Junior High boys had their own group of junior police. Mr. Dennis, Mr. Olson, Mr. Davidson, Mr. McCamley, Mr. Renshaw, Mr. King and Mr. Rice assisted as advisors and directed the boys in their activities.

The A. P's assisted the Junior Chamber of Commerce in serving cider and doughnuts and

in keeping the people in line at the Hallowe'en parade.

Checking group dues books and collecting tax money at professional assemblies was another duty which formerly had to be performed by the men faculty members but which is now handled by the Athletic Police.

"All work and no play makes Jack a dull boy", so the A. P's fell in line when the Athletic Association gave them a steak dinner, Friday, April 1 at Gracie O'Shananhan's restaurant in recognition of their valuable service. The boys got all of the fine food they could consume and enjoyed it very much.

All of us at CHS wish to thank the Athletic police for their fine work and are glad to know that the organization will be continued next year.

SECOND ROW — French, Robey, Denbrock, Lapham, Vaughn, Curtis, Omo, Lawrence.

FIRST ROW — Paff, Porter, Jones, Renshaw, Batterson, Heckman, Munger, Tucker, Harris.

### The Ushers Story

Collecting tickets, directing people to their seats, and helping to keep the auditorium from being a mystery to play goers has been the job of the ushers of this year. Due to their services, donated gladly, the Junior and Senior plays and the Bank Concert have been more successful than if people would have had to find their own seats.

The girls divided into groups, one of which was assigned to each aisle and one to the doors upstairs and down. Their help has been greatly appreciated not only by the play casts and concert members, but also by the many people who attended the events.

# Dancing Class

FIRST ROW — Hudson, Pillsbury, Baum, Fair, Drinkwater, Olmsted, Mahaffey, Parshall, Smith, Downer, Hammond.

## The Dancing Class Story

Dancing courses today are considered as a very important extra-curricular school activity. The study of dance compositions, note values, and interpretation of many of the classics develops in the students a greater appreciation for the finer things in life. Learning to execute the various dance steps and interpreting dances develops poise and personality in the girls.

Because the girls of Coldwater High School realized this, the Dancing Club was formed this year as a self-supporting organization made up of 10th, 11th, and 12th grade girls. The following people were elected to hold offices: Jean Baum, President; Mary Rose Hudson, Secretary; Gail Olmstead, Treasurer; and Nancy Fair, Assistant Instructor.

The club met every Tuesday night for two hours of exercising and learning the many different kinds of dances. This was considered an

extra-curricular activity, but a gym credit was given to those girls who had been present a required number of hours.

All year the group prepared for the Spring Song and Dance Festival, which was presented by a combination of the choruses and the Dancing Club. This festival was in two parts: the first consisted of choral work; the second, of folk songs and dances. England, Hungary, Russia, Spain, and France were some of the countries represented in these dances.

The 14 Seniors of the club worked up a routine to the song, "School Days" for Senior Class Day.

Nancy Fair did a fine job teaching the new members. This gave Mrs. Aitchison, who started the class and has made it what it is, the time to work with the older and more advanced pupils. They both deserve a lot of credit for their work.

## Chef Class

TOP ROW — Stephenson, Pfost, Fredericks, Wood, Heckman, Jividen, Selby, Shook, Thompson, Shook, Mrs. MacFarlane.

FIRST ROW — Sturgeon, Tompkins, Sumner, Vaughn, Lines, King, Weiler, Hacker, Hacker.

### The Chef Class Story

A new class, the Chef Class, was organized this year, under the leadership of Mrs. Viva MacFarlane. There were twenty in the class, eight of whom were boys. This is the first time boys have been included in a cooking class. The eight boys are Sylvester Fredericks, Bob Heckman, Ed Jividan, Lee Pfost, Roland Selby, David Shook, Rolland Tompkins, and Jack Woods.

Roland Selby was honored by receiving a scholarship from Snyder's Bakery to take a course in baking and cake decorating.

During the year the class performed such things as cooking and baking for several teachers and persons outside of school and by serv-

ing the Teachers' Club and the Board of Education.

A field trip to the hospital showed how food is stored, cooked and served. Economy was the subject of a field trip to the A & P meat market. A visit to the Armory showed the class how an army cook would prepare a meal in the field for a company of men.

Several talks and movies from the Health Department revealed the importance and management of sanitation in eating places.

This class has been a great success in the past year and it is hoped it will continue to be so in future years.

## The Senior Trip Story

On the morning of May 21, approximately 55 members of the Senior class left on the 22nd annual trip to New York City and Washington, D. C., via the New York Central Railroad.

The first point of interest to be viewed was Niagara Falls in all its lights and color.

The next morning we arrived in New York and spent three exciting days in that city. A few of the many famous places seen were: Radio City, Times Square, the Empire State Building, China Town, Coney Island, the Statue of Liberty, and Rockefeller Center. Those who had tickets also saw "Kiss Me, Kate," the current musical hit on Broadway.

Wednesday afternoon we left New York for

Baltimore, Maryland, where we visited the Annapolis Naval Academy.

From Baltimore we journeyed on to Washington, our nation's capital. Here we visited, among other important places, the Washington Monument, the Bureau of Engraving and Printing, the United States Capitol, the Tomb of the Unknown Soldier, Mount Vernon, and the Federal Bureau of Investigation. One of the highlights for us was the moonlight dancing party on the beautiful Potomac river. We left Washington Friday afternoon and arrived back in Coldwater early Saturday morning.

The whole trip was a wonderful experience that will never be forgotten by any of us who went.

TOP ROW — Virginia Renshaw, Mrs. Hayes, Jackie Thompson.

FIRST ROW — Conrad Semmelroth, Joan Donkin, Charlene Fraser, Noel Bisel.

### The Debating Class Story

Composed of one veteran and three newcomers, this year's debate team, coached by Mrs. Anne Hayes, acquired valuable knowledge while debating the proposal, "Resolved, That the United Nations Now Be Revised Into A Federal World Government."

The Coldwater teams, made up of Charlene Fraser and Noel Bisel on the Negative and Joan Donkin and Conrad Semmelroth on the Affirmative, were defeated by all of their eight opponents. However, none of their foes should honestly say that the debates were one-sided. The Coldwater four showed a fine understanding of the subject and were worthy competition for their opponents.

Jacqueline Thompson and Virginia Renshaw made up the reserve debate team. Jacqueline

substituted for Noel in the Lakeview meet.

Although Coldwater High School facilities for such extra-curricular activities as debate are considerably poorer than those in other Twin Valley schools, there is hope that the school and students will take an increasing interest in these activities in the future.

The debate schedule for the 1943-1949 season ran as follows: Marshall at Coldwater, Coldwater at Albion, Coldwater at Hillsdale, and Lakeview at Coldwater.

Albion finished first in the race, with Hillsdale and Marshall tying for second.

A number of undergraduates have shown interest in debate and the future of Coldwater High debates looks promising.

## "I Speak for Democracy"

### Democracy Contest Story

On Wednesday, December 1, 1948, the annual "I Speak for Democracy" contest was held in the auditorium with the Senior High as an audience. This contest is national and is annually sponsored by the Junior Chamber of Commerce. The local JC's offered prizes of fifteen, ten, and five dollars for the three best speeches, which were judged on delivery, content, and originality.

The six speakers in the final contest in Coldwater were Gretchen Meier, Glyn Dee Havens, Pat Arnold, Diane Hammond, Jackie Thompson, and Marilyn Bradley.

Judging the local contest were Mr. Samuel Rosenburg, Mr. Mark Andrews, Mr. Fred Weeks, Rev. Russell King, and Mr. Earl Davidson. They gave their decision to Diane Hammond, Jackie Thompson and Marilyn Bradley, respectively.

Two days later the three winners went to Kalamazoo to broadcast their speeches. They were escorted by Mr. Rosenberg, local Junior Chamber of Commerce president, and Mr. David Leichy, chairman of the contest. The winners were given records of this broadcast along with their cash prizes.

TOP ROW — Bill Stansell, Glyn Dee Havens.  
FIRST ROW — Virginia Renshaw, Barbara Engle, Charlene Fraser.

### Spring Oratorical Contest Story

Under the direction of the three Senior High English teachers, Mrs. Hayes, Mrs. Watson, and Mrs. Hudson, a local spring oratorical contest was held.

Virginia Renshaw, a Sophomore, won first place in oratorical declamation. Memorization of a speech is necessary to enter this part of the contest. Also, only Sophomores and Freshmen are eligible. Others who participated in the oratorical declamation were Barbara Engle, Lucille Harris, and Carole Douglas. Charlene Fraser, a Senior, placed first in the dramatic declamation, for which memorization of a one act play or monologue is required. Juniors and Seniors are eligible for this part of the contest. Glyn Dee Havens, Ruth Ann Pfost, and Jo Ann King also

participated.

Bill Stansell, a Junior, took top honors in extemporaneous speaking. Bill was required to read the *News Week* and *Time Magazine* for three months, and then he was given an hour to prepare a speech on one of three topics.

At the district contest, held at Marshall, April 27, only one Coldwater student won a rating. Glyn Dee Havens won third place in the Dramatic Reading contest.

Mrs. Hudson, who accompanied the group, stated that the Coldwater group were outstanding in their presentations, and that much experience was gained both in the local and district contests.

## The Bow Tie Club Story

The Bow Tie Club was formed in 1947 for the purpose of giving to the male population a united opportunity to dress up and better display their natural beauties. It was for the boys' personal satisfaction only and was not the result of any desires on the part of any girls.

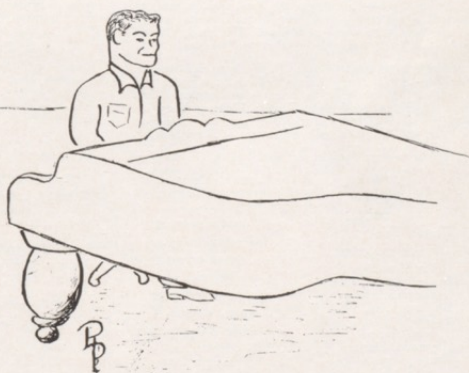

One of the excellent assemblies of the year was presented by the club on the second annual Bow Tie Day, February 4th. Sylvester Frederick was the master of ceremonies. Mr. Green's tumbling team worked out the first part of the assembly, entertaining the students. "The Tie

Spots", LeRoy Cox, Rex Corless, Harry Cooper, Fred Weeks, and Max McConnell, sang two songs. Dick Hill then played his golden saxophone for two numbers. Adolphus Goodwin took the spotlight and sang "On a Slow Boat to China". These numbers were accompanied by Pat Arnold on the piano. Ed Jividan, representing the Chef's Class, presented Sylvester with a cake, since it was his birthday.

The club had a basketball team which played several noon-time games.

## The "A" Band

The "A" Band, under the guidance of "Maestro" Harlan Bond, chalked up a very active year. The band started its activities with playing, marching, and performing at the Annual Branch County 4-H Fair and the St. Joseph County Fair at Centerville.

During the football season the band was on hand to present some snappy marching formations and music at all home games and at Sturgis. The band, divided into small groups, played for all home basketball games.

CHS bandsmen participated in the laying of the corner stone for the new Edison School building by Ex-Governor Sigler, and in the Annual Southwestern Michigan Marching Festival at Benton Harbor. They led the annual Halloween Parade, the annual Christmas Parade, and the parade of the Veterans of Foreign Wars.

In March came the Concert and Follies, and the an-

nual Southwestern Michigan Band and Orchestra District Festival at Kalamazoo.

During the spring months several members of the band went to Detroit by bus to hear and see "Allegro", a musical production by Rogers and Hammerstein, motored to Marshall to hear the Michigan State College Band directed by Leonard Falcone, and went to Battle Creek to hear the University of Michigan Band.

The annual Band Banquet was held in the dining room of the Elk's Temple. There were speeches, entertainment, and the presentation of the annual Music Awards by Mr. Bond. Sixteen fourth year members received gold medals. After the banquet a formal dance was held in the high school gym.

Ending a very active year, the band participated in the Memorial Day Parade and Program.

## The "B" Band

The sixty members of the "B" Band this year are all from the Junior High. This has been a busy year for these people.

First, the "B" Band motored to Marshall, where they heard the Michigan State College Band under the direction of Leonard Falcone. Next, the band participated in the Southwestern Michigan District Festival at Kalamazoo. This

was the first time that the "B" Band of Coldwater has ever taken part in this festival. They received a Second Division rating in the Junior High Class. They added to the annual Band Concert and Follies with their playing. Last, but not least, they took part in the Memorial Day parade.

This year's Senior High Chorus was composed of fifteen girls and ten boys. They presented the annual Christmas assembly with a variety of solos, duets, and choral numbers.

On April 29th the chorus presented its concert, "The Spring Sing and Folk Festival". This featured solos, numbers by the special chorus, the boys' chorus, dancing and a duo-piano number. This concert took the place of last year's operetta. The chorus also sponsored a dance, which provided them with money for new music.

The special chorus was composed of Beverly French, Virginia Renshaw, Beverly Thompson, Betty Parshall, Marjorie Smith, Margaret Pifer, Marion Russell, Ruth Ellen Smith and Joyce Jones. The accompanist was Margaret Wilson.

The officers of the chorus were: President, John Fisher; Secretary, Joyce Jones; Librarian, Adolphus Goodwin; Accompanist, Ruth Ellen Smith.

Miss Roberts was their instructor for the past year and has done a very good job. We hope to see her back again next year.

Next came its part in the Christmas Assembly. The chorus also went caroling, participated in the Junior High Assembly, and took part in the "Spring Sing and Folk Festival."

As an able advisor they have had Miss Roberts, who has spent much time with them and helped to make them the chorus group they are.

## The Varsity Football Story

After an elapse of eleven years football prestige has returned to Coldwater High.

The competition this year was unusually tough, a fact which seemed to inspire the team. When the Cards, possessing a record of six wins and two losses, finished the season they were co-champions with East Lansing.

The team had victories over Lakeview, Hillsdale, Marshall, Albion, Adrian, and Sturgis. They suffered one lone conference defeat at the hands of East Lansing and one non-conference defeat by Three Rivers.

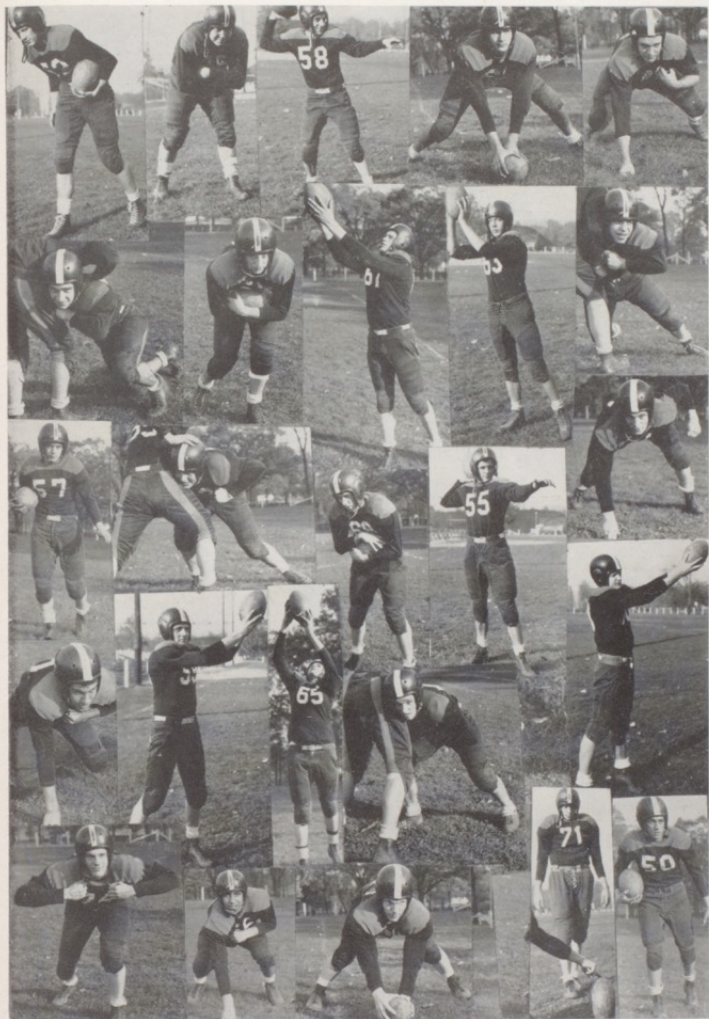

When the final gun sounded at the last game this year, high school football was ended for eighteen Seniors on the team. The graduating

varsity men are LeRoy Cox, Max McConnell, Don Smith, Marvin Rosenberg, Keith Weage, John Odren, Fred Weeks, Eugene Sowles, Carl Lewis, Ken McDonald, Harry Cooper, Tom Engle, Clyde Trumbull, John Burtch, Lawrence Porter, Sylvester Frederick, Kenwood Drayton, and John Yope.

The Cardinals placed Don Smith, LeRoy Cox, John Odren, and Carl Lewis on the All-Conference first team. Max McConnell was given a position on the second team and Eugene Sowles and Marvin Rosenberg received honorable mention. In addition to Don Smith's All-Conference selection, he was appointed to the first eleven of the "Detroit Times" All-State team.

## The Reserve Football Story

The Coldwater Reserves triumphed this season, as did the Coldwater Varsity. Our Junior Cards compiled a record of five victories and two defeats.

One fact of great significance is that this record is one of the best ever turned in by a Cardinal Reserve team. Another is that the team was playing under a new Reserve coach, Bob Livermore, who spent his high school days at CHS.

After three weeks of hard work at the first of the season the Coldwater Reserves opened their schedule at home by trouncing the Lakeview Reserves. The Sturgis Reserves became the next victims of the Junior Cards. The following week

the Reserves were able to add another victory to their record only after beating the Wildcats in a close game. Then the Reserves trounced Hillsdale in both games of a two game series. Our winning streak ended there because the following week the Junior Cards met a tough Colon Magi eleven and were defeated. The Cardinal Reserves, for their last game, traveled to Sturgis. They lost to the Trojan Juniors after a hard battle on a rain-soaked gridiron.

An important fact usually overlooked by most people is that the Reserve teams are the backbone of the Varsity teams; the better the Reserves, the better the CHS Varsity team of the future.

## The Future Varsity Football Story

Along with the Varsity and Reserve squads, the Future Varsity also distinguished themselves on the grid-iron this year. Finishing the season with three wins, one tie, and two defeats, they demonstrated the fact that they were worthy of the title of "one of the best" Future Varsity teams that has ever played for CHS.

Under the able supervision of Coach Roy Houston, they plunged headlong into the season by upsetting the Quincy Reserves by a score of 6 to 0. The following week they stormed the State Home, defeating them 12 to 6. Their first encounter with their traditional rivals from Sturgis, however, proved disastrous — Coldwater came out on the short end of a 6 to 0 score. The next week, with renewed confidence, they faced the Quincy Reserves for the second time and proved their worth by walloping them 27 to 0. In their final game, although rated to lose, they managed to battle the Sturgis Future Varsity gridders to a 0-0 tie.

The Future Varsity squad is one of the most important phases of the fall sports program. It is just as important as either the Reserves or the Varsity squads, since the members of the future Varsity squad are the boys who will be playing with the Varsity in the next two or three years. It is vitally important that these boys continue to be properly trained, so that when the time comes they will be able to replace their predecessors in complete confidence.

Besides the regular Future Varsity there was the 7th and 8th grade football squad. As a member of this squad each boy was introduced to high school football. This year the 7th and 8th grade squads received much new equipment and some of last year's equipment and were much better prepared than in previous years. With Mr. Grigg as coach, the members were taught most of the fundamentals of football.

## The Varsity Basketball Story

On Nov. 30, showing the same spirit and aggressiveness as last year's championship team, the Coldwater Cardinals opened their 1948-49 basketball season by easily downing Eaton Rapids in a non-conference game, 65-30.

On December 4, the Cards suffered their first setback in 25 starts, dropping a close one to the Albion Wildcats 51-50, but the next week they came back strong to whip the Lakeview Spartans 60-35 for their last conference win of the season. In a thriller at Marshall, the seemingly beaten Cards came from behind with 14 points in the last 3 minutes to down the Marshall Redskins 46-42. Gaining momentum, on January 4, the Cards defeated E. Lansing, 49-29, thereby moving into second place in the T-V standings. The next week they moved to first place in the T-V league by handing the Adrian Maples a 49-28 beating. Their next opponent was Sturgis, and the Cards managed to slip by them by a surprisingly small margin, 36-33. This marked the Cards' fifth straight conference victory. To end the first half of the season the high-flying Cards romped over the Hillsdale Hornets with comparative ease, 45-31.

Opening the second half of the season, they removed

their chief rivals in the T-V race, and also avenged their lone defeat by emerging victorious over Albion, 57-33. The next week the Cards were compelled to fight all the way as they faced an inspired and improved Lakeview five. Coldwater managed to come out on top, 44-38. On February 4, the Cards all but clinched their third consecutive T-V championship as they scalped the revenge-seeking Marshall Redskins 54-21.

The East Lansing Trojans suddenly ended the 'Cardinals' 10 game winning streak. They pulled a major upset by defeating Coldwater in the last minutes of play by a very close score of 41-40. Completely recovered, however, the CHSers displayed top form as they raced to a surprisingly easy decision over the Sturgis Trojans 56-30. When Coldwater first faced the Adrian Maples and then the Hillsdale Hornets, they found their task not too difficult as they downed each of them by scores of 55-30 and 48-28 respectively, thus ending the season. By beating Hillsdale, Coldwater became the 1948-49 Twin-Valley Basketball Champions, being one whole game ahead of anyone else. This was the third straight year that Coldwater has accomplished such a feat.

The Cardinals defeated Angola on February 8, 64-38, for their second non-conference win of the season.

### DISTRICT

In the first game of the District Tournament at Sturgis, Coldwater met and defeated the Sturgis Trojans in easy victory. The Cards, in the first of the game, rushed into the lead with an exhibition of sharpshooting and at the half were out 36-14. Coldwater outscored Sturgis 13-4 in the third quarter, and in the final stanza the Trojans had the edge, 17-1. The final score, 50-35.

Kalamazoo State High was Coldwater's opponent in the District finals and playing true to Cardinal enthusiasm, the CHSers gained the right to play in the Regionals by eliminating State High in a close game. Coldwater outscored their opponents in the first three periods and held a 11 point margin, going into the fourth quarter. At this point, however, the Kalamazoo club found the range and scored 14 points while limiting Coldwater to 3. State High was unable to score the winning bucket and the final score was 39-37 in favor of the Cardinals.

### REGIONAL

The State Class "B" defending champs, who a year ago tripped up the Cards by one point in the Regional finals, met Coldwater in the initial game of the Regionals at Kalamazoo. This year the score was very much in reverse with the Cardinals winning, 48-39. The first two quarters saw St. Joe out in front 11-9, and 26-18 respectively, but in the third quarter, the Cards caught fire and outpointed the defending champs, 19-5. The same was true in the last period as the Eby-men again rushed past their opposition, 11-8.

On Saturday, March 12, the Cardinals became Regional champions after whipping the South Haven Rams. Coldwater established a 15-4 lead in the first four minutes of play and was never once in danger. The score at the end of the first period was 19-7. South Haven fought back in the second quarter only to be outscored 14-12 and trail at half-time, 33-19. Play slowed down in the third quarter with Coldwater gaining a 9-7 edge, leaving the score at the end of the respective period, 42-26. The Cardinals, in the first four minutes of the final stanza, built up a substantial lead to make the score 55-31. South Haven then came back fighting to outpoint the Cards 9-1, but this didn't affect the outcome of the game and the Cardinals triumphed, 56-40.

### QUARTER-FINALS

The Boys' Vocational School Fieldhouse at Lansing was the site of Coldwater's next battle, in which they met the Alma Panthers, who had been picked by the Free Press to take the State "B" title. In the first period, Coldwater bom-

barded the bucket to pace the Almanites, 15-6. The second quarter showed the teams on even terms with each registering 13 points, and making the half-time score 28-19. Both teams again played on even terms the rest of the game with each getting 10 points in the third quarter, and 13 in the last. Thus the favorites fell to mighty Coldwater, 51-42.

## "OUR STATE CHAMPS"

This year's State Championship team will go down in history as one of the best basketball teams ever to play for Coldwater. They had a record of 21 wins and 2 losses. This is indeed excellent!

Many honors were achieved by this fine team. It was the Twin-Valley, District, Regional, and State Champion. It was also the highest scoring team in the league, with an average of 50 points per game. Also significant was the fact that four members of the team placed in the All-Conference selections: Rex Corless, who held Twin-Valley scoring with 224 points this season, and LeRoy Cox made the first five. Eugene Sowles was placed on the second team while Gene Fry was given honorable mention.

There are eight members of the Cardinal State "B" Championship team who are Seniors and thus have played their last basketball for Coldwater. They are: Harry Cooper, Tom Engle, Marvin Rosenberg, Fred Weeks, Max McConnell, Lawrence Porter, Eugene Sowles, and LeRoy Cox. Rex Corless, Gene Fry, Jim Rhodes, Bernard Hoogenboom, and Bob Simmons are the Juniors around whom next year's team will be built. All these boys will long be remembered because they brought to CHS the first State Championship in its history.

## SEMI-FINALS

Grand Rapids Godwin Heights, paced by their lanky pivot star, Art Spoolstra, gave the Cards a tough, close fight for the semi-final tilt at Lansing Sexton High School. The opening period saw Coldwater outscore the Heights team 10-4, but in the second stanza Grand Rapids out-pointed the Cards, 13-12, making the score at half-time, 22-17. Inspired Godwin Heights, at the beginning of the third quarter, scored 6 points in

rapid succession and then scored 7 additional counters while holding the Cards to a mere 4. Score at the end of third quarter — Grand Rapids 30, Coldwater 26. Grand Rapids' lead was temporarily vanquished when the hard-fighting Cardinals made a field goal and two charity tosses in the opening of the final period. The lead see-sawed until the score stood 34-34 at the automatic time out. Grand Rapids scored on a free throw, thus regaining the lead, 35-34. It was Coldwater's brilliant center, Gene Fry, who then pulled the game out of the fire by stealing the ball and dribbling the length of the huge floor to score the winning basket. The Cards stalled the remaining few seconds to win 36-35 and advance to the finals at East Lansing.

## FINALS

Saturday night, March 19, 1949, will long be remembered for on that night the Coldwater Cardinals met the tough River Rouge Panthers before 11,800 fans at Jennison Field House in East Lansing. The game, highly publicized as a close contest, turned out to be just that.

River Rouge, sparked by Al Driscoll, opened the scoring with a free throw. Cox sank a pivot shot then the Panthers hit on a corner shot. The Cards and the Rouge men each countered a charity toss. The score was then tied up 5-5, on two free throws by Corless. Driscoll scored but the Cards made up the deficit with two quick free throws. Rouge took the advantage with a close-in shot. A free throw by Sowles and a field goal by Corless put Coldwater ahead 8-7, only to have River Rouge regain the lead with a hook shot. Cox sank a rebound while the Panthers made a charity toss to tie it up 10-10. Rhodes then sank a free throw to give the Cards a 11-10 lead at the end of the first period.

Opening the second stanza, McConnell hit on a tip-in shot. The Rouge men racked up two points on a set shot only to see Rhodes tip in a rebound. Cox and McConnell each sank a free toss and then Driscoll scored again for Rouge. In the remaining few minutes before the half Coldwater scored 5 points while River Rouge made 4. The score at the half, 22-18.

Starting the third stanza, River Rouge opened the scoring with a free toss. Corless retaliated

with a field goal making it 24-19. Driscoll of the Rouge men then broke loose with two baskets to make it 24-23. At this point, however, Corless opened a scoring spree and connected for 7 quick points. River Rouge came back with 3 free throws but Sowles off-set this with a field goal to put the Cards out in front 33-26 at the end of the third quarter.

In the first two minutes of the final stanza, Coldwater spurted ahead with 6 points. Driscoll came through for the Panthers with a field goal

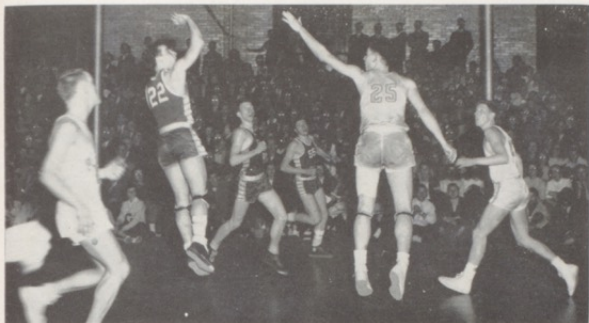

while Corless dropped in a charity toss, making the score 39-23. The Panthers, fighting desperately, tried to stage a rally, but McConnell and Cox halted their efforts with field goals, making the score 44-31 at the automatic. In the last two minutes, the Panthers, led by Driscoll, scored 11 points, while Sowles fed the ball to Cox and McConnell, who also hit on a charity toss, for four valuable points. This made the final score, 49-42.

## The Reserve Basketball Story

The CHS Reserve Basketball Squad, under the supervision of Coach Robert Livermore, completed its season, having been victorious eleven times out of sixteen.

Starting off in true Cardinal form, the Junior Cards overran Eaton Rapids by a score of 82-29. Their next foe, Albion, seemed to be more intent on winning, but came out short on a 26-25 score. In the next game the Lakeview Junior Spartans were humbled by a score of 31-18, and after that the Marshall Papooses were left trailing by a score of 24-23.

After Christmas came E. Lansing, which was defeated 32-25 by our Reserves. Although the Jr. Cards managed to out-play the Adrian Reserves 33-23, the Junior Trojans of Sturgis overwhelmed the CHS Reserves, 33-23.

The Reserves extended their string of victories by overpowering Albion, 24-18, in the first game of the second half of the season. Facing a revenge-seeking Lakeview team, they suffered an upset by a score of 32-36. At this point the Reserves were plagued by a string of greatly improved ball clubs. First came Marshall, then Sturgis and finally E. Lansing, all of whom defeated the Jr. Cards. The Junior team also lost to Angola in a non-conference tilt.

Apparently fully recovered, the Reserves went on to finish the season by defeating Adrian, 25-22, and Hillsdale, 26-22.

Bob Simmons, high scorer for the Jr. Cards, was acting captain for the squad every game. However, Donald Byers was appointed honorary captain at the conclusion of the year. Bernard Hoogenboom, another high scorer, and Simmons both moved up to Varsity at the end of the season and both took part in the tournament games.

## The Future Varsity Basketball Story

This year the Future Varsity basketball squad, composed of Sophomores and Freshman teams, played a tough schedule and finished the season with a very successful record.

The first team, consisting of Sophomores, compiled a record of seven wins and three losses, while the second team, made up of Freshmen, equaled the first team's record by winning five games and losing only one.

At the first of the season the Future Varsity traveled to Quincy where the Sophomores and the Freshmen both lost, 19-22 and 15-24 respectively. The following week the Future Varsiteers made up for this loss by whipping Quincy at Coldwater in both games — the Sophomores 29-22 and the Freshmen 26-13, Sturgis then came to Coldwater to trounce the Sophomores 35-26. In a return game at Sturgis the Trojan juniors gained another victory by a score of 32-22.

Playing the next game at the high school, the Sophomore team beat the State School varsity 49-22 while the Freshmen whipped the State School reserves 18-14. The following week at the State School, in a return game, the CHS Sophomores romped to a 33-12 victory while the Freshmen did likewise by a 20-6 score. Tekonsha then traveled to Coldwater where the Cards again added to their victory column. Both teams beat — the Sophomores 40-31, and the Freshmen 25-13. St. Charles pro-

vided the next opposition only to lose to the Sophomores 30-11, and also to the Freshmen, 32-20. The Sophomores played two more games with school clubs. In the first, they beat the F. F. A. 42-18, and in the second they beat the Hi-Y 26-25.

If in the future we continue to have such Future Varsity teams we shall gain many more Varsity basketball championships.

## The Varsity Baseball Story

This year's Cardinal Baseball team had a record of five wins and three losses. The Cards opened the season with a non-league win over the Quincy Orioles. Quincy scored three runs in the first inning and maintained this lead until the fifth when the Cards pushed four runs across the plate. The victors also scored three runs in the sixth to clinch the 7-3 win.

Marshall became our first T. V. victim by a 5-3 score. Marshall took an early lead, forcing the Cards to rally in the late stages of the game to win.

The Cards then dropped two games in a row. Albion took a 6-3 decision, and Lakeview handed the Cards a 12-5 drubbing.

Adrian came to Coldwater the following week

for one of the most exciting games of the year. The game was tied at 5-5 at the end of seven innings but the Cards tallied a run in the eighth to win, 6-5.

East Lansing handed the Cards their third loss by a 6-4 score. Coldwater led 4-3 until the sixth when the Trojans scored three runs on two fluke hits.

The most exciting game was played at Hillsdale. When it looked as though the Hornets were sure of a 2-1 victory, the Cards loaded the bases in the seventh and came through with two timely singles to win, 4-2.

In the last game of the season Coldwater beat Sturgis by the resounding score of 5-1, thus ending a very successful season.

## Reserve Baseball

TOP ROW — Hawk, Kaswell, Thompson, Foote, Taylor, Silvers, Hoff, Taylor, Sherry.

### The Reserve Baseball Story

Thirty-five boys constitute the Reserve baseball team, from which future Varsity teams come. They practiced and played under the watchful eye of Coach Roy Houston, who just this year assumed baseball coaching duties.

They scrimmaged with the Varsity baseball

squad several times and played four league games. Quincy won by a score of 19-16 on their home ground and then came to Coldwater to hand the Reserves a 13-12 defeat. Sturgis traveled here to beat the boys 7-4. In a return game with Sturgis there the Reserve players were beaten 11-2.

# Golf

TOP ROW — Dean, Thebaud, Thomas, Kaser, Coach Eby.

SECOND ROW — Jones, Johnson, Walker, Dygert, Troutman, Smith.

FIRST ROW — Ayers, Ivey, Gist, Olmsted, Facklam, Pillsbury, Bates.

## The Golf Story

Golf coach Floyd Eby reported a turnout of twenty-one golfers this spring, eleven girls and ten boys. All of last year's Varsity team, composed of Dave Ayers, Revel Ivey, Jack Walker, and John Dygert, returned this year, as well as many other aspirants.

The CHS tee-totalers (that's a joke, son) were beaten in their two meets with the Lakeview

Spartans. They beat Albion's team there, and returned to Coldwater to drubb Marshall. At the Regional meet held at Battle Creek, Coldwater placed fifth out of eight entrants. In the Twin Valley meet they placed fourth by scoring 370 points. Lakeview won first with 327 points; East Lansing was second with 353 points. and Adrian came in third with 369.

TOP ROW — Luce, Spencer, Gruner, Brown, Hurley, White, Kusel, Collahan, Sieg, Otis.  
 THIRD ROW — Maggart, Harvey, Smith, Tait, Dennis, Sortwell, Gilbert, Stansell, Otis, Corless.  
 SECOND ROW — Coach Green, Pope, Hill, Peavey, Tait, Smith, Lockwood, Fry, McCurley, Parks.  
 FIRST ROW — Bovee, Myers, Havens, Granger, Clark, Byers Corless, Sowles, Frederick, Weeks, McDonald.

## The Track Story

Forty-one boys answered veteran Coach Russell Green's roll call at the initial practice of the track team this year. There were eight Freshmen, nine Sophomores, sixteen Juniors, and eight Seniors. Because of the large number of underclassmen, future track teams at CHS within the next few years hold bright promise.

There are twelve Varsity letter winners returning this year. The Seniors returning are miler Fred Weeks, half miler Eugene Sowles, quarter miler Reid Tait, low hurdlers Ken McDonald and Alfred Sortwell, pole vaulter Sylvester Fredericks, and shot putters Don Smith and Carl Lewis. Returning Junior letter winners are Fred Lockwood in the half mile and Don Byers, Carlos Clark, and Rex Corless in the 220 and 100 yard dashes.

Six track meets were scheduled for the Car-

dinal thinclads this year. The first was held at Marshall. Coldwater showed much improvement since the previous meet with Marshall last year, but the Redskins held too much of an edge in the field events and won. The CHS team was swamped by Adrian and beaten by Sturgis by 18 points. Only a few Coldwater boys were entered in the Invitational meet at Albion in which about twenty Class B schools and over one thousand boys were entrants. In the Twin Valley Conference meet at Albion, Coldwater tied for third place with East Lansing. The best was yet to come, however. At the triangular meet with Albion and Lakeview, Coldwater came within one half point of tying with Albion for first place! Rex Corless and Eugene Sowles qualified for the State meet held at East Lansing by winning first and second in their events at the Regionals at Kalamazoo.

# Tennis

TOP ROW — Mr. Weeks, Spencer, Brayton, Fonda, Gamby, Haogenboom, McDonald.  
FIRST ROW — May, Thompson, Bisel, Engle, T. McConnell, Thompson, M. McConnell.

## The Tennis Story

On March 28, 1949, at 6:00 p.m. the 1949 tennis season began for 15 of Coldwater High School's tennis enthusiasts. This group, ranging all the way from Freshmen to Seniors, displayed plenty of spirit and talent.

The racketeers opened their T-V schedule on Friday, April 22, as they faced the much more experienced Lakeview netmen. Their efforts came to naught as they were defeated by the score of 4-1. The following week they were again defeated, 5-2, by Adrian. Playing Howe Military

School there, the Cards lost 4-1. At Lakeview here the score was 4-3 in our favor. The meet at Adrian was rained out and cancelled. In a return meet with Howe here, the Coldwater netmen avenged their previous defeat by winning 4-3. The CHS team placed fourth in the Twin Valley Conference meet at Adrian.

Five of last year's letter winners who will graduate this year and whose services certainly will be missed are Max McConnell, Noel Bisel, T. G. Thompson, Ken McDonald, and Paul Woods.

## "C" Club

TOP ROW — Tait, Rosenberg, Odren, Smith, Sortwell, Dennis, Engle, Maxson.

SECOND ROW — Coach Eby, Rhodes, Cooper, Parks, Lockwood, Byers, Porter, Simmons, McDonald, Hoogenboom.

FIRST ROW — Wood, Weage, Clark, Sowles, Carless, McConnell, Weeks, Lewis, Fry.

### The "C" Club Story

The purpose of the Varsity Club is to promote better athletics and sportsmanship in Coldwater High School. Our school's successful athletic teams have made this a big year for us.

The first job the club undertook was to set up a new training rule program, which was very successful. The members operated a concession at the 4-H Fair and for two cents a chance gave away many pounds of coffee. Some of the members sold cokes and hotdogs at the home football games. Fall and spring initiations were held and several new letter winners entered the club.

Two Twin Valley championship trophies were

picked out and partially paid for by the C-Club. The trophy case was kept up and rearranged from time to time at ice cream eating contests. (Eby and Cox are champions).

We had many other activities and projects which are too numerous to mention. The Class of '49 and the C-Club are each donating \$175 to buy a new basketball scoreboard.

The officers for this year were: Fred Weeks, President; Eugene Sowles, Vice President; Kenny McDonald, Secretary; and Donald Smith, Treasurer. The faculty advisor was Coach Eby, who has done a wonderful job of supervising C-Club plans and activities.

## The G. A. A. Story

The Girls' Athletic Association, terminating its second year of active club work, made an early conquest by winning the Grand Prize in the Hallowe'en parade sponsored by the Junior Chamber of Commerce. Their entrant was a float carrying three of the more courageous members, Joyce Schlubatis, Bonnie Hall, and Marabeth Selby, painted as statues. The girls struck various poses, and even though the wagon jostled and jerked, they managed to keep almost a perfect balance.

The prize money, \$25.00, went into the treas-

ury, where it was undoubtedly very lonely until dues were collected by the class representatives. Part of this money went toward the "Get Acquainted Hour" which welcomed the old and new members into the club with a mock Olympic Championship and a feast of ice cream and cake.

This took care of the preliminaries and immediately volley ball was begun with the girls having their choice of coming either on Thursday after school or Monday evenings. Teams were organized and the games were played off, leaving the Junior and Senior High champs to fight it out by themselves.

## Junior High G. A. A.

 FIRST ROW — McKeith, Koper, Folk, Woods, Devlin, Miss Lang, Aiken, Zabonick, Thomas, Inde, Kemp, Wilcox.

### The G. A. A. Story, Continued

With volley ball out of the way, basketball was welcomed with a whoop. The girls finally became convinced that women's rules could be applied with a maximum of action and good times.

About this time the cabinet drew up a club charter specifying the rules and purposes of the organization. Also at this time the method of distributing athletic awards was revised. No member in her first year of G. A. A. is eligible for anything more than numerals. Second year participants, providing they enter all sports offered, are awarded a chenile letter. These letters are initiated with the G. A. A. insignia and are distinguished from the awards given to the boys.

Spring sports were brought upon the scene at this time and a new zeal was shown by all the soft ball and ping-pong lovers. A new innova-

tion was initiated this year in the form of competitive tennis with Bronson and Quincy.

Under the personal direction of Miss Ruth Lang, who has made many new friends during her first year at CHS, the club has struck a new high in group athletics. Miss Lang's original and stimulating ideas have won her the heartfelt praise of all G. A. A. members.

The officers of the club were: President, Jane Morgan; Vice President, Joyce Stout; Secretary, Bonnie Hall; Treasurer, Barbara Engle. The class representatives were as follows: 12th grade, Ellen Stein; 11th grade, Janie Smith; 10th grade, Margaret Thomas; 9th grade, Shirley Bonham; 8th grade, Marlene Woods; and 7th grade, Peggy Miller.

# Varsity Cheerleaders

Joyce Stout, Jaan Donkin, Joyce Schlubatis, Diane Hammond, Margaret Thomas, Jane Smith.

## The Cheerleaders' Story

The Varsity and Reserve cheerleaders started one of their most successful seasons by electing captains of each squad, an innovation this year. Joyce Schlubatis led the Varsity leaders while Elaine Smith took over the Reserves.

The captains' job were to originate new yells,

revise old ones, and to decide on the motions to each. Both captains planned the yells to be used at the games.

The Varsity girls had outfits alike consisting of red culottes and white letter sweaters.

## Reserve Cheerleaders

Ellen Harris, Elaine Smith, Bonnie Hall, Pat Bodie, Mary Robey.

### The Cheerleaders' Story, continued

The Varsity squad decorated the football field for each of the home games and also entered a decorated float in the Hallowe'en parade.

The Sturgis pep rally was a huge success, thanks to both cheerleading squads, who planned

and carried out the program.

By sponsoring an after-game dance and participating in each pep meeting, the cheerleaders gained the respect and cooperation of the entire school body.

"The Pause  
that Refreshes!"

---

Take time to work. It is the price of success.  
Take time to think. It is the source of power.  
Take time to play. It is the fountain of wisdom.  
Take time to be friendly. It is the road to happiness.  
Take time to dream. It is hitching your wagon to a star.  
Take time to look around. It is too short a day to be selfish.  
Take time to laugh. It is the music of the soul.  
Take time to play with children. It is the joy of joys.  
Take time to be courteous. It is the mark of a gentleman.

★ ★ ★

*And may you, the Graduating Class of 1949, adhere to the above philosophy throughout life. Time is an important factor in everyday life; but we, as individuals and as a group, are prone to place too much importance upon it: doing everything in a hurry and yet accomplishing very little.*
