## THE SEASON IN REVIEW

The Maroons started the year with nine lettermen and several promising reserves from last year's team. The boys racked up three victories in a row, downing Reading (13-0), Colon (18-0), and Homer (19-0), before being nosed out in a hard-fought, 13-6 battle by Quincy.

Union City's second defeat came from the hands of Bronson, when the Maroons wound up on the short end of a 14-6 score. After coming through with an 18-0 victory over a stubborn Jonesville eleven, the Maroons lost a tough one to Litchfield (6-0), and, in the season's final, were beaten by their old rival, Athens, in a rugged contest which ended 14-0.

## GIRLS' BASKETBALL

The girls started this season with thirty-two members, and Mrs. Davison who has been coach in past years. The girls chose the following officers: captain: Evelyn Sickal; co-captain: Vivian Vujovich.

The girls started practicing a week after school started and continued for three months before their first game. They worked out many new plays, learned how to control the ball properly, and drilled hard on zone guarding which proved to be very successful this year; but most of all they learned to work together as a team. The first game was with Athens, December 7th. The girls won and continued winning their games throughout the season. Barbara Eyre, a guard, is the only letter girl that the team will lose this year.
