## COLDWATER ROTARY MEETING, TUESDAY, JANUARY 8th, 1985

Meeting was called to order by President Mark. Invocation was given by Walt Balcom. Songs were led by Terry O'Connell with Estel Voss at the piano. Thank you very much Estel for being with us today!

The club celebrated two birthdays today...Happy Birthday to Bill Nettleman and Reb Turner.

Guests for todays meeting were:

Rotarian: Chuck Laupp, Hillsdale

Gary Gillette, Marshall

Pete Baldwin, Quincy

Student Guests: Crissy Wu, Coldwater and Mandy Zabonick, Coldwater

### Announcements:

- (1) Rich Holben made it known to the club that starting "tonight" Tuesday, January 8th we will begin practice for the show upstairs in the Elks 7:30 p.m. Also that there will be no practice for the end men on Sundays as stated on the schedule.
- (2) President Mark informed the club that next weekor this week as the case may be (january 15th) we will be voting for incoming directors.
- (3) Dick Fitzgerald had the pleasure of introducing our newest member Dick Tracy. Welcome to the club Dick now just get those vocal cords tuned up! I believe you're up for a solo this year.

Sergeants-at-Arms Steve Glover and John Shea quickly got out of the holiday spirit and began making up for lost time! Did anyone avoid a fine?

Carroll Barnes "Standing" in for Howard Taylor excused the early leavers for \$1.00, then introduced Craig Potter a Masonary Contractor from Hillsdale who talked to the club about the importance of good, safe, clean, chimneys. With the increased useage of wood or coal burning fireplace inserts, wood burners, add-ons or what have you the risk of chimney fires increases. Craig discussed different types of chimney liners and the importance of a good liner. As Chuck Bacon noted, after Craig had finished he had sort of put a "damper" on a cozy night in front of the fireplace! An excellent informative program Craig. Thank you.

## ROTARY MEETING, JANUARY 22, 1985

Rich Holben reminded us to make all rehearsals Tuesday nights at 7:00 p.m. and Thursdays at 7:00 p.m.

President Mark presented Jim Olmsted with his 2 year perfect attendance pin. Congratulations Jim.

Sergeants John Shea and Steve Glover harvested quite a crop of dollar bills by hook and crook.

If she can not attend on her given day please bring her on another. We only have to divide them up because of overcrowding and food preparation.

Our program for the day was introduced by Jim Trout. Dr. Jerald Veldman now of the Coldwater Regional Center told of he and his wife's 4 years spent in India as Missionaries. His slide show and talk was based around hunger and malnutrition. Highlights of his presentation were:

- \*More people have died from starvation in the past 5 years than the previous 150 years.
- \*40 countries around the world are now facing hunger and death problems.
- \*Most of the people live in small villages with no sanitation, fresh water, birth control or education.
- \*The cow is a family's most prized possession allowing it to live in the house with them. It provides milk, power to move things, dung which can be dried and burnt for heat.
- \*Most of the education if any is for the very basics in order to just get a person by.
- \*Many diseases haunt these people.

Dr. Veldman and his wife have to be very special people to move into a country like India and give of their talents as they have.

Thanks Jim for attaining Dr. Veldman and his program... Sometimes we seem to overlook our own Blessings.

Reb Turner, program chairman for the day introduced CPL Tom Reed of the City Police Departments Crime Prevention Bureau. Officer Reed presented a funny but very serious film about "Poor Charlie" entitled "A MATTER OF TIME". Poor Charlie was always planning to have the Crime Prevention Officers visit his business to find out where he was an easy mark for a crime to happen. Officer Reed urges all of us to invite him into our places of business to see what problems he can solve. If we have any.

"AN OUNCE OF PREVENTION IS WORTH A POUND OF CURE! CALL HIM!"

A brief discussion followed about the program.

DICK UHL PROGRAM CHAIRMAN FOR THE DAY INTRODUCED DAVID AMEEN who informed the club of the many health care changes taking place. Dave said there are a lot more changes taking place now than in past years due to economic reasons. One example is the number of employees laid off in different Health Care Facilities such as Bronson Hospital (260 people), Foote Hospital (460 people), Cameron (10 people). The Community Health Center of Branch County has laid off 75 people since David has been here. The lay offs are largely due to the decreased patient days at the Health Center. A patient day is counted each time a person spends a night in the hospital. In 1978 there were 37,000 patient days; 1983, 29,000; 1984, 25,000. They expect a 10% decrease for the next 10 years. David talked about the trend toward outpatient services, the pursuit of a Mental Health Unit and various other topics. Thank you David and Dick for an informative program.

## COLDWATER ROTARY CLUB MEETING FEBRUARY 19, 1985

The invocation was given by Jim Troust. Singing directed by Terry O'Connell while Winnie Kornstien tickled the ivories! They were enjoyed by all including the birthday boys, Jim Lyon, John Pierson, Howard Teeter and Vince Kornstien.

President Mark was out of town-VP Howard was not able to attend so Carroll Barnes took over control with his own print out.

### ANNOUNCEMENTS:

1. Ray Fast is in the hospital after falling on the ice and breaking his ankle in eight places. Get well quick Ray. Remember the show must go on!
2. John Shea advised the big Tibbits Dinner has been scheduled now for June 22nd.
3. Hal Sexton advised us that tickets are about gone-swap among yourselves.
4. Next weeks program is the "OL WHIP" Duke who will most likely have a couple of surprises and a few sour spots to sweeten with a little work.

Sergeants Shea & Glover drained a few billfolds and ended up with another good payment on a scholarship.

Carroll excused the 10 early leavers for \$1.00 each.

Dick White introduced Paul Viglianti, Assistant Alumni Director Marketing and Membership. Paul is 35 years old; 1972 MSU graduate in television and radio, minor in journalism; 5 years in minor league hockey; P.R. & broadcasting Des Moines and Columbus, Ohio; 2 years sports information director at Wayne State University; 2½ yrs Athletic Promotions Director at Western Michigan University; 1 year Assistant Athletic Director Marketing and Fund Raising at Temple University; Came to MSU in January of 1984. He and his wife Nancy formerly of Columbus, Ohio and 3 daughters live in Lansing.

Pauls statements included:

1. Enthusiam in athletics is great.
2. Building projects are coming along very good.
3. "The Front Porch" of Big Universities is sports. Through the sales and marketing of sports the universities get most of their publicity and headlines.
4. Two thousand MSU alumni around the country are actively recruiting new students.
5. The new twenty seven million dollar complex is coming together which will house a 16,500 seat basketball arena. Indoor football & tennis facilities are also forth-coming.
6. MSU is looking forward to the new administration with Dr. John DiBiaggio at the helm.
7. MSU hockey coach Ron Mason is the best in my opinion. Basketball is now so competitive it is difficult to be number 1. Tom Smith (formerly of Coldwater) coaches the baseball team and is improving the team very much.
8. The Alumni & Administration relations have improved greatly in the past 4 years.

THANK YOU DICK FOR MAKING ARRANGEMENTS TO HAVE MR. VIGLIANTI WITH US TODAY...

Program today under the direction of Jim Erickson. Jim was called out of town on business so had Greg Dean fill in for him. Jim had taped his intro. Program for the day was given by attorney Mert Smith with regards to estate planning with the emphasis on charitable donations to the local Cancer Society. Mert stated that of donations made \$2,500 locally 90% of the money is used locally. He stated that you not only could save on your Federal Income Tax but you would also be helping someone somewhere. He gave us several examples of how the money is used in research - education - management and other areas. He stated the greatest need is for volunteers to take patients for their treatments. Interesting program thanks Jim & Mert.

## COLDWATER ROTARY MEETING - TUESDAY, JULY 2, 1985

President Howard called the meeting to order today following a much more normal ringing of the bell. The invocation was given by Jim Trout and songs were led by the very capable John Uffkes and our new pianist.

Before I go any further, I must tell you that I am writing this bulletin from notes that were given to me by Al Nelson. I am on vacation and was unable to attend, so remember ... these notes are of a meeting experienced through the eyes of Al Nelson.

Now, where was I - oh - birthdays. Today we recognized the following for having cheated the odds for one more year: Howard Taylor, Tim Coletta, and Jim Royce. Happy Birthday fellows!

The introduction of guests was next. Our guests included the following:

Paul Ruse---Kendallville	Bob Stark---Quincy
Jim Eley---Bronson	Dr. Dave Montis
Linus Hayden---Quincy	Elmer Houghton---Bronson
Warren Wade---Bronson	

President Howard then made the following announcements:

July 29th---Golf Outing-See Richard Holben.

Something about our softball team. Seems our team played played a team made up of (at this point, Al's notes say "whimps" or "weenies" - I can't make it out) - anyway, we apparently won by one run!

Next, we had our sergeants. Seems that Gary and Rich were joined (again-these are Al's notes) by "some real short fella" and a large sum of money was collected. Good job!

Do I read this correctly? No early Leaver?! You bought the old "shrimp and sex play" didn't you, fellas? Good for you-keep it up.

### Upcoming Greeters--

July 16th---Fred Anderson and Chuck Bacon  
July 23rd---Dick Biringer and Walt Balcom  
July 30th---Gerald Boguth and Harold Card

### Programs--

July 23rd---Greg Dean  
Greg has an exciting program scheduled. He is having Scott Brayton as his guest. This will, of course, be following a big race at the Michigan 500. Please plan on staying for this program and all of our programs.

Today's program was brought to us by John Dean. The program was a great film about the 1985 Masters Golf Tournament. I'm sure it was of great interest to all, especially you golfers. Thanks for a fine program, John.

At this point, Al's notes become doodles and scratchings. Apparently the program ended with some kind of awards ceremony for Al Nelson. I can't make much out of this-just the words, "I am the greatest" and "Al is the most!"

In ending, I would just like to say that last night's lightning storm destroyed this electric typewriter. You can't believe how hard it is to pull up the right key, place some ink on it, and then put it on the paper in exactly the right spot.

## COLDWATER ROTARY MEETING-TUESDAY, JULY 2, 1985

Today's invocation was given by Jim Troust following the rather quiet ringing of the Rotary bell. We are sure the kleenex stuffed into the bell was meant for our new club president, Howard Taylor, and not for out-going president Mark Maine. Sorry, Mark.

Songs were led by our new song leader, John "what you see is what you get!" Ufkes. We must agree with Dr. Bacon's guest from south of the border that we are in much better hands now than we were with John's predecessor...Terry "sorry if I'm too high on that first note!" O'Connell. Keep up the good work, John!

Have a very happy birthday, Gil Patton. We were graced with many guests this week, including a group from Quincy headed by Dan Dobson. Our Quincy Brothers were hawking tickets for their annual Bar-B-Q which is held on the Fourth of July. We wish you all much success. Also among the guests was our beloved Ex-Rotarian, Dave Pierce. It was sure great to see Dave again, and we hope he visits again soon.

Wouldn't you know...my first time writing the bulletin and there were about 38 announcements. I had a blow out on my paper-mate...but these are the ones I got:

July 29th---Golf outing...See Rich Holben for details.  
August 17th---(the day before my birthday) Ladies Nite cook out party at the Koss's. More details later.

Sept. 15th---Detroit Tiger game. There are a few spaces open. See Jim Koss. This should be a terrific trip. \$25 per person.

July 27th---(I realize this is not in chronological order, but the order in which they were announced). Something about a tennis tournament. I didn't understand all of the specifics.

The announcement was made by Ray Cardenas...See him.

John Milnes informed us that he will be transferring his Rotary membership to Cadillac, MI. John expressed his thoughts about the Coldwater Rotary Club. Believe me, John, we appreciate your comments and the biggest loss is obviously ours. We're going to miss you, your singing, and all that you have given to Rotary. Thanks, and good luck.

### Upcoming greeters (downstairs only)

July 9th---Dave Ameen and Pat Albright  
July 16th---Fred Anderson and Charles Bacon, M.D.  
July 23rd---Walt Balcom and Dick Birninger  
July 30th---Gerald Boguth and Harold Card

### Upcoming Program Chairman

July 9th---John Dean  
July 16th---Ed Devito

At this point in the program, we welcomed our new sergeants at arms...Gary Hart and Rich Piatt. At first it was a breath of fresh air after that two-year reign of terror we just experienced at the hands of Glover and Shea...but it was soon obvious that in addition to the retaliation of the former sergeants...our new boys found a way to fine almost everyone in the club. It was all in fun, however, and our new year was off to a good start.

Our new president, Howard Taylor, having taken the gavel from Mark Maine, then proceeded to enlighten us via his staff about Rotary in general and early Leavers, attendance requirements, and programs in specific. Copies of our by-laws and constitution were passed out. Early leavers were excused just after Howard's speech.

Then we had our program. Win Shuler's daughter, the former Miss Illinois, served us fresh shrimp and showed us a slide show on the new styles of bikinis and ladies underthings. I'll never be an early leaver again.

## COLDWATER ROTARY MEETING

Tuesday, July 16, 1985

Rotarians were entertained today by vice president Rich Hruska, who played a rather short opening number on the club bell using a wooden gavel. Lovely, Rich.

Not to be outdone, John Uffkes provided further musical fun for the club using his talented arms and most of the voices assembled at the meeting. This, of course, followed the invocation which was given by Jim Troust.

Best wishes for continuing good health and much happiness to our birthday celebrants: Jim Whelan, Barry Case, and Steve Glover.

Following the introduction of guests, the following announcements were made:

Beginning July 30, our meals will be \$5.00.

Dr. Bacon (who, along with Fred Anderson, forgot to fulfill their designated assignments as greeters today) announced that the Bob Nagle golf outing will be September 10th.

At this point in the program, our sergeants took over and proceeded to "Lighten our loads" so to speak. At the rate we are going, we will be able to provide four full-ride scholarships to Harvard!

Following the exodus of a few early leavers, Ed DeVito introduced his program to the Club. Ed's guest today was Dale Brown, the Livestock agent for Branch County. A slide presentation was given to educate the Rotary Club on matters concerning Livestock auctions. Some of the aspects given particular attention were pricing of animals and criteria for judging. Many thanks for a very interesting program.

Please pay attention to the following:

Upcoming greeter: Gerald Boguth and Harold Card-July 30th.

Next week's program will be under the direction of Howard Teeter.

Please take the "Reflector" home to your Rotary Ann.

Feeling low? Catch our softball team in action on Thursday's-a guaranteed smile-maker! If there was a picture in the dictionary next to the word "inept", it would be a team photo of our boys! Just kidding.

COLDWATER ROTARY MEETING-TUESDAY, MARCH 22, 1985

Following President Howard's opening gavel, Walt Balcom returned thanks for a wonderful lunch. Then Jerry Towns led us in song. Believe me, this is not sour grapes, because it's great to have a piano player again, but maybe we should coax her to change from 33 1/2 to 78. Liven things up a bit-just my humble opinion and you all know that what I know about music would fit in a bee's ear.

We hope that the five foursomes representing Coldwater at the district golf outing had a good time and behaved themselves somewhat. While we are on the subject of sports-- maybe we should mention Jim Olmsted's report on the softball team. Seems as though they overcame having an early lead and snatched defeat out of the jaws of victory again. On the positive side of the 18-1 "massacre," I would like to point out that the other teams:

1. Risk becoming over-confident.
2. Risk internal injury from such prolonged and intense laughing fits.
3. Will remember these games when they are our age and will not be amused when it happens to them.

### Announcements

September 10th-Rotary will meet at the Country Club. A golf outing will be held followed by the dinner meeting. Sign up in advance for golf. More information later.

Lunch is \$5.00. (you noticed).

Gary Hant had tickets for sale for the Michigan 500. Hope you fared well, Gary.

We would like to thank our many visitors for stopping by this week. You are always welcome!

At this point Sergeants Rick and Dick and Private Howe double-dipped through our spare silver for various and sundry reasons including:

Birthday boy Fred Anderson. (Larry Dunworth will get his later).

Fritz Van Aken (for just being there).

Jim Olmsted (softball prowess).

And the rest of us for being boy scouts, etc.

Greg Dean then introduced the program. We were entertained today by our "hometown hero," Scott Brayton. Scott gave us an insight into Indy-type auto racing. Scott, who holds the one lap record for qualification at Indianapolis, told us of the tremendous expenses involved in auto racing. Scott also brought us up to date on the situation this past week at M.I.S. Apparently, the radial racing tires that have been used need more work before they are suitable for the bigger, faster ovals. We don't have nearly enough space to do justice to Scott's presentation, but it was a great program, and we hope that as you read this, Scott had a safe and successful race.

Uh, I almost forgot-be sure to plan on attending the Rotary and Rotary Ann's Summer Picnic on August 17th at Koss's. A separate announcement should have been taken home. By the way, C.I.A. means CASH IN ADVANCE!

## COLDWATER ROTARY MEETING - JULY 30, 1985

After our piano player rang out two notes of "My Country 'Tis of Thee," President Howard remembered to ring the bell and we started another Rotary meeting. Reverend James Troust gave thanks and John Uffes tried a couple of "new" old songs on us. Nice job, John.

Next, Carroll Bannister reminded us that all committee reports are over-due-get poppin' guys-don't want to make the big boys at the head table look bad.

### Announcements:

Happy Birthday to Larry Dunworth (again), John Klein, and Dick Hruska.

Softball report-due to an act of God, the game was shortened, leaving "Doc" Olmsted's "Long Traveling All-stars" just 3 runs short of a tie. Only one week left in the season as you read this. Let's all get out there Thursday at 7:00 at Jefferson School and see the boys play. Short meeting at Quality Inn following to plan next years draft. (beer).

Jim Erickson was our "Shining Star" at the Rotary District Golf outing. But, it seems that everyone had a good time, especially Dick White. Seems that Dick showed a few of the boys his prototype of a new invention of his-the Golf Score Card Jigsaw Puzzle!

August 17th-Sign up if you haven't for the summer party at the Koss estate.

We officially have a total of 94 members who go to Rotary meetings. Our average attendance for Rotary is 86.6%. Not bad!

Felspausch will again sponsor a walk-a-thon on August 17th. (Rain date August 24th). Please give your support.

At this point, Howard tried to summon the sergeants, but we made him be polite and call for the introduction of guests, as is customary. A Coldwater Rotary welcome to you all!

Now, the sergeants. With a little help from me and Dick Fitzgerald, Sergeant Gary did his usual fine job.

### Early Leavers:

Smoker, Van Aiken, Coletta, and York were excused. Our program was introduced.

Dr. Nettleman presented us with an interesting and thought-provoking program on the subject of "Death and Dying." Bill reminded us that there are no right or wrong answers to the questions that arise about prolonging life with an arsenal of technological advancements in medical science. Some of these include:

Ventilators for breathing  
Pacemakers for heart dysrhythmias  
Transplanted organs  
Dialysis  
Chemotherapy

Dr. Nettleman shared with us the concept of the "Living Will." The question usually comes down to degree of illness, probability for extended useful life, and ultimately the quality of life versus the quantity of life. Thanks for an excellent program.

Terry

## COLDWATER ROTARY MEETING

TUESDAY, AUGUST 6th, 1985

President Howard was on the ball today. Every motion was done effortlessly and expertly, from the ringing of the bell to the introduction of our guests. Following the invocation by Jim Troust, "Farmer" Pat Albright filled in for

John Ulker. Nice job, Pat, even if you did force us to sing about the pigs on "old Mac - Donald's farm!! HAPPY BIRTHDAYS FOR RICH PIATT AND (FOR THE THIRD WEEK) LARRY DUNWORTH WERE RECOGNIZED. Larry finally showed up to a meeting... and just in the nick of time too! President Howard awarded Larry with a pin for one year of perfect attendance. Apparently, Larry is a "make-up Artist". Congrats to you both.

### ANNOUNCEMENTS

- Softball Report; We are getting closer! If it weren't for that stupid "10-run Rule", we may have come back and won. It might also help if Jim Olmsted knew how to wear his equipment correctly!!
- Committee reports are still due and over-due!!!
- Ray Cadenas supposedly lost the pencil half of his pen and pencil set. This writer thinks it just may be that old Raymundo was trying for a little free plug for the business!!
- For the majority of us, friends of Dave Pierce, you may find the following of interest; Dave will be shepherding his first flock and has the following address;

REV. DAVID PIERCE  
8828 HWY. "K"  
FRANKSVILLE, WI. 53126  
PH: 414-835-1252

Sergeant Gary "Gimme a dollar" Hart and Rich "Pontius" Piatt took over at this point and fined virtually everyone present for something. Nice job, guys! Following the early leavers, Ken Elliott introduced Don Hebert, the new director of the Tibbets Opera House. Today's program was one that we all look forward to every year. We were visited by a representative group of young entertainers from this year's summer stock company. The extremely talented group performed several tunes from "South Pacific" and the upcoming "Best Little Whorehouse in Texas". Terrific performances were given by Judy Baird and Coldwater's Brian Dirschell, who have the lead roles in "Best Little Whorehouse in Texas" and Judy Seplowin and Del Bounee-Bach from "South Pacific". Great voices!! It is easy to see why Tibbets is enjoying such a successful summer run. Be sure to see these productions and support the theatre. Thanks for the "sample" and we look forward to seeing you at Rotary again soon.

When I have the time and space, I'd like to pass on to you what I'll call

### "MOSTLY TRUE, BUT HARD-TO-BELIEVE ROTARIAN TALES"

for example,

Last week Buzz Galliers awakened our Quincy Rotarian friend, and veterinarian extraordinaire.. Pete Baldwin at 3 in the morning with an emergency phone call.

"What's the problem?" said Pete.

"The darn dog just swallowed a corkscrew!!" blunted Buzz, excitedly.

Then, just as Pete was about to leave the house, the phone rang again.

"Never mind, Pete" shouted a relieved Buzz. "everything is O.K.....we found another corkscrew!!

## COLDWATER ROTARY GOLF OUTING AND MEETING

AUGUST 10th, 1985

\*Author's Note: due to the fact that I was ill and did not attend, the following is an eye-witness account of what took place at the Coldwater Country Club at the Coldwater Rotary Club golf outing and dinner meeting. (my eyewitness reporters shall remain anonymous)

Several foursomes hacked their way through 18 grueling holes and numerous "refreshment" stops following a shotgun start at approximately 1:30 on this cool Tuesday. The "scramble" tournament was so close, that only seven shots separated the winners from the last place foursome. When the dust finally settled and the scores were tallied, the foursome of Bill Tyson, Dick Fitzgerald, Gary Howe and Dave Rubley was declared to be the winner!!

and then.....

Following an hour or so of "fellowship", a delicious dinner was served. (two physicians at the scene agreed that some solid nourishment was definitely in order.)

At this point my eyewitness reports become a little foggy. Apparently, Santford Jolley took over and got down to the business of having fun while collecting large sums of money. "Jol" was quite successful and a total of \$541.00 was raised in somewhat of a circus-like atmosphere for the Tree Fund in honor of Bob Nagle. Some of the heavy contributors included Dick White. Dick paid \$60.00 for the privilege of never having to have anything to do, ever again, with a certain U of M baseball hat!! Also during the evening, Jim Endicott's drivers license ended up on the auction block. I am told that Jim refused to pay one dollar for the safe return of his license. (Apparently he figured that this was too steep a price to pay for accidentally dropping his license on the floor.) BOY WAS HE WRONG!!!

I find the rest of this story hard to believe myself, but I am told that another Jim Erickson successfully bid on the license and rather than sell it back to its rightful owner at quite a handsome profit, he SET FIRE TO IT!!!!. The next thing my eye witness reporters will have me believe is that Erickson challenged 3 people to a late night golf bet in which he used only a putter, wore his sportcoat, and used only the light from 3 cars shining headlights!!!

Well, I am really sorry I missed this one. It sounds like everyone had a great time and a lot of money was raised for a great cause.

The Singingest Club in the U. S. A.

## COLDWATER ROTARY CLUB MEETING TUESDAY, AUGUST 13th, 1985

President Howard presided over the meeting as usual, while John Ulfers doubled us as prayer master and song leader.

HAPPY BIRTHDAY to Jeff Dean and John Shea.

### GUESTS IN ATTENDANCE TODAY INCLUDED:

Wendell Hathaway, Bronson

Leo Sanderson and Dr. Ray Kranz from Quincy

Ed Johnson from Lake George

Thanks for joining us and come again whenever you can.

### ANNOUNCEMENTS

SOFTBALL REPORT: Jim Olmsted proudly boasted that this was the winningest softball team in Rotary history, compiling a 1-13 record. (Dr. Bill Nettleman suggested that Roy Jim Trout manage the team next year as it is apparent that the team is in need of Divine Intervention!!!!)

Jim Koss reminded us of the party on August 17th. Approximately fifty couples have planned to attend.

Buzz Galliers reminded us of the baseball trip to Detroit on September 15th.

Reb Turner announced the Chamber Golf Outing on August 27th at the Country Club.

President Taylor announced that committee reports are over-overdue and rumor has it that any chairman who is late one more week will be strapped to a barstool at "Lefty's Lounge" next to the jukebox speaker, and force-fed warm Dremery's beer during the playing of 57 country and western songs at max volume!!!

Jerry Towns announced that the Bob Nagle Golf Outing is still in the works for Sept. 10th.

### GREETERS

AUGUST 27th: FRED CULY and DAVID DARBY

SEPTEMBER 3rd: DUKE DAVIDSON and GREG DEAN

SEPTEMBER 10th: JEFF AND JOHN DEAN

SEPTEMBER 17th: ED De Vito and LARRY DUNWORTH

SEPTEMBER 24th: JOHN DYGERT and JIM ENDICOTT

SERGEANTS: for a new twist on things this week, our sergeants put the names of those members who have been neglected by our finers into a cup and "drew a few". These "lucky" fellows then paid the fines for the regulars. (I'm told to print that AL Nelson paid for a fine incurred by a member of the Dean family)

At this point, Gary Hart, Jim York and Steve Glover joined forces in an extortion plot in which they promised to sing a song until \$10 was collected. While not being critical of their singing voices, let it suffice to say that the money was collected in a record eleven seconds!!

### PROGRAM

Jim Endicott announced that unfortunately his program was forced to be a "no-show". This prompted President Howard to institute an ad lib program which consisted of Dick Fitzgerald and Police Chief Dave King.

Dick brought us up to date on the Coldwater school system... what has been done and what is being done and what the future plans will involve. Things seem to be on the upswing and there will actually be the possibility of a teacher shortage in three to five years.

Next, the club was entertained by Chief Dave "HENNY" King. Not unlike his uncle, Alan, of Las Vegas fame, Dave was very much worth the admission price today. We hope that his sense of humor remains at this level if, heaven forbid, we might chance to meet him in his official capacity after crossing the yellow line while on the way to return an empty beer can for the 10¢ deposit!!

TERRY

## COLDWATER ROTARY CLUB MEETING

Tuesday, August 19, 1985

Following the opening gavel and thanks for our many blessings by Reverend Jim Troust, Jerry Towns filled in as song leader. We actually sounded good.

### BIRTHDAYS:

Terry O'Connell  
John Dygert  
Larry Iverson

### GUESTS:

Rex Thorn from Savannah, Georgia  
Pete Baldwin from Quincy.

### ANNOUNCEMENTS

No need to tell those of us that attended, but for those of you who did not ... the summer party at Koss' held on August 17th, was super! Even the weatherman cooperated. The food was great and plentiful. The bar was well-stocked. The company was terrific, and the hosts were splendid. Thanks for the work and hospitality. I sure hope we get asked back again. Thanks also to those on your committee, including Buzz Galliers, Bill Tyson, and "Chef" Magsig.

Jerry Towns announced the tentative plans for the September 10th Bob Nagle golf outing. It will be a scramble tournament and will start about 1:30. Teams will be made up by the committee and a steak dinner-meeting will follow at approximately 7:00. Sign up soon.

Attendance award: Craig Sebald, 27 years, and Harold Card, 9 years.

We received a thank-you note from Paul Satow for the Rotary Scholarship.

Cindy Ireland has requested volunteers to help with the R.E.D. H.O.T. program this fall.

Dave Pierce is now ministering in rural Wisconsin.

Only two early leavers.

September 17th program-Dick Fitzgerald- "Project Close-Up."

### GREETERS

September 3rd: DUKE DAVIDSON and GREG DEAN

September 10th: JEFF DEAN and JOHN DEAN

September 17th: ED DeVITO and LARRY DUNWORTH

September 24th: JOHN DYGERT and JIM ENDICOTT

Today's program was under the direction of Jim Erickson. Jim introduced our old friend, Jerry Hagen. Jerry is associated with the Gilmore racing team, and is no stranger to Coldwater Rotarians. This year's program consisted of a film of last year's Indianapolis 500 race entitled "Sullivan's Brickyard." It was an exciting film, especially at the beginning. The film started with a racer's-eye view of what it is like to circle the famous oval at high speed. We were also informed of the lucrative pay-off of last year's race, featuring a record winners purse of \$507,662. Scott Brayton set a track record and received \$86,862. It was a terrific program. Thanks Jerry, see you next year.

### "MOSTLY TRUE, BUT HARD-TO-BELIEVE ROTARIAN TALES"

It seems that our Rotarian friend Howard Teeter needed some minor surgery done recently. When Dr. Bacon informed Howard that, "I'll just use a local anesthetic before we start," Howard responded vigorously, "no way! I can afford it-get some imported stuff!"

p.s. Just kidding about the surgery.

Terry

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

COLDWATER ROTARY MEETING-TUESDAY, AUGUST 27TH, 1985

Our meeting started at an earlier than normal time today so that those who were taking part in the Chamber outing at the Country Club could make the one o'clock start.

Reverend Jim Troust gave thanks for a fine meal and reminded us all that in addition the length of our lives, we should all give equal importance to the depth.

Jerry Towns led us in song after commenting that for some reason, unknown to him, assistant song leader, Pat Albright, had opted to sit and watch today. Apparently Pat had run out of animals for the Old MacDonald song he likes to have us sing.

A welcome to our guests was next in order. Thanks for stopping by, come again soon when there will normally be many more of us present.

## ANNOUNCEMENTS

September 24th-Governor's Day-no early leavers. Let's have 100% attendance.

Be sure to sign up for the September 10th Bob Nagle Golf outing. Here is the tentative schedule for that Tuesday:

- 1) No noon meeting.
- 2) Golf starts at approximately 1:30 at the CCC.
- 3) Cocktails at 6:00.
- 4) Dinner meeting at 7:00. (\$15 person).

If you do not attend this dinner meeting, please make up.

September 15th-Tiger Trip. 8 seats left at \$27.50 each. See Buzz Galliers.

Birthdays this week: Rich Holben and Walt Fisher.

Greeters next week: Jeff and John Dean.

## SERGEANTS

With virtually no preparation (what's new), Rich Piatt collected \$93. This was made possible due to President Howard's statement that everyone should pay a one dollar fine. This, he reasoned, was because nobody would sit at the head table with him. (Most of us agreed that \$1.00 was a bargain).

## PROGRAM

If there was one-I missed it! Most of us were off to the Country Club at the sound of the gong!

## "DID YOU KNOW?" DEPT.

There are 24 cogs in the Rotary Wheel and Rich Piatt said he has always been aware of that.

There are three groups that the one man, one classification rule does not apply to in Rotary.

The highest Rotary Club in the world (not including the Coldwater Club during the Rotary Show) is The Rotary Club of La Paz, Bolivia.

You have been hypnotized and the next time you see \*\*\*\* you will neatly fold this bulletin, put it in your pocket, take it home after work, and be sure to give it to your Rotary Ann.

Terry

# The COLDWATER ROTARY REFLECTOR

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

COLDWATER ROTARY MEETING, TUESDAY, SEPTEMBER 3, 1985

Thanks to an over-night on the part of Sergeant (soon to be Corporal) Dick Fitzgerald, those present today gave the word "Rotarian" a whole new meaning. When the gavel banged add the piano player hit the opening chords of our traditional patriotic start, most of us rotated 360 degrees searching for a flag to sing to. Thanks to the heroic efforts of former West Point drop-out, Jim Olmsted, we finished the second half of the song facing "Old Glory."

Reverend James Troust returned thanks and John Uffkes (back from the soggy south) led us in singing.

Guests included Gordon Martin from Bronson, Tony Minary (sp?) from Bryan, Ohio, and the much-abused, but always understanding Wade Smith.

## ANNOUNCEMENTS

Next week's program-Dick Fitzgerald (project "close-up")

Happy Birthday to John Pierson

Rotary Lapel pins are available from Craig Sebald for \$2.00.

Pat Albright is taking orders for pork before the government has a chance to inspect it.

September 15th-baseball double header in Detroit. Meet at the Elks parking lot at 9:45 a.m.

No Board of Directors meeting on the 17th of September.

President Howard (a former Marine) says we are "Looking for a few good men!"

Greeters next week-Ed DeVito and Larry Dunworth.

Jonesville Rotary meets at the Round Table Restaurant.

## SERGEANTS

Never a dull moment under this regime! A new weekly gimmick was initiated today. This program is under the auspices of Doctor Bill Nettleman and consists of a "table-fine," the criteria of which will change from week to week based on Bill's particular whim that week. Today's criteria was "The table with the most Rotarians wearing glasses."

The other new gimmick had to do with two baseball hats. One is from U of M and the other is from MSU. They were awarded this week to Dick White and Bill Nettleman (who paid a \$3.00 fine for not having to take anything with MSU on it). I still don't understand what the whole thing is about-maybe someone will explain it to me.

## PROGRAM

Today's program was brought to us by Jim Lyon. Jim went to "no expense" and presented Gary Kuckel, city manager, Rotarian, and honorary Kiwanian.

Gary briefed us on several areas involving the city of Coldwater. Some of these areas included:

Parking Lot and street maintenance  
Industrial Park  
The Motor Sport Hall of Fame

Police and Fire Protection  
Visitor Center  
Store Front Facade Program Study

Gary states that over-all the city is in decent shape. Thanks for the update, Gary.

## COLDWATER ROTARY MEETING-SEPTEMBER 17, 1985

Following the open bell and prayer of thanksgiving by Jim Trout, Pat Albright led us in song. I know Pat is too modest to mention it, but he assumed the role of back-up song leader knowing all the while that he was suffering from the rare nervosetta virus. Fortunately, this virus is not lethal, but temporarily renders your arms limp! Pat showed us today the kind of "gutty stuff" the American farmer is made of. Thanks Pat!

Following the introduction of guests, announcements included:

Happy Birthday Dick Moore!

Happy Independence Day to Mexico!

October 15th starts the visitation to club meetings by student guests. Let us know if you have relatives or friends in the 11th and 12th grades. Also-we need drivers. See Ken Elliot.

Larry Woodhams proudly announced that he returned from a successful hunting trip where he bagged a CARIBOU ELK (which happens to be 11th on the list of the worlds most endangered species.)

Dr. Bacon announced that the Bob Nagle golf outing was very successful and that a tree will be planted between the 10th and 11th holes at the Coldwater Country Club in memory of Bob.

The trip to the Tiger game was a lot of fun according to the bits and pieces of memory Buzz Galliers has put together. 15 Rotarian couples and 12 guests attended.

No early leavers today.

Welcome to Coldwater, District Governor Tom Sullivan.

Wear your Rotary pin. It stands for Leadership (and will save you money).

Did you know ... the following are a few open classifications in the Coldwater Rotary Club:

Accounting Service  
Banking Finance  
Building Material Dist.  
Carpet and Kitchen Cab. Sls.  
Civil Engineer  
Collection and Credit Service

Florist  
Furniture Retail  
Groceries Retail  
Homes for the Aged  
Jewelry Retail

More to follow in future bulletins.

## SERGEANTS

Today may have been a record collection. Fines were transferred to the person on the right of the line. Some of us will take more time in choosing our table mates next time. Today's table fine was for the table with the most facial hair present.

## PROGRAM

Dick Fitzgerald introduced Kristen Bushouse, a senior at Coldwater High School. Kristen is involved with a program called "Project Close-Up." This program encourages and allows students to become involved with the United States governmental process. This educational experience included participation in a teleconference with government officials on the subject of U.S.-Soviet relations. The program culminates in a one week trip to Washington D.C. The students visit many places of interest and are lectured by high level government officials and advisors. The trip cost \$760.00 per student and the money was raised via concession stands and a telethon produced by the students. The program will help Kristen to achieve the highest level of achievement in the Girl Scouts, the equivalent of Eagle Scout in Boy Scouts. Thanks for sharing your experiences and slides of Washington with us. We wish you continued success in whatever area you choose to study after high school.

Next week's program: Buzz Galliers, chairman.

Next week's greeters: Jim Endicott and Jim Erickson

Terry

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

COLDWATER ROTARY MEETING-TUESDAY, SEPTEMBER 24, 1985

What a start! President Howard hit the bell so hard he broke the top off of it. At this point we continued to impress our visiting District Governor, Tom Sullivan, with our singing. Following Jim Troust's prayer of thanks, yours truly proceeded to demonstrate to the club what a lousy song leader I am. The club showed great spirit, however, and (other than the handicap of Ray Cardenas grabbing my leg) things went pretty well. We ended with a musical tribute to the birth of David Ameen.

## ANNOUNCEMENTS

Handouts to obtain information about Rotary Show participation were made available. Please fill them out and turn them in.

Bill Milnes reminded us of the High School production of "Carousel."

Take your bulletin home. If your Rotary Ann signs it-and you bring it back the following week-you are immune from fines that day. Your fine will be transferred to the Rotarian of your choice.

October 22nd-Charter dinner at the Jackson Country Club for the new Jackson Breakfast Rotary Club. Price is \$15.00 each.

## SERGEANTS

Sergeant Piatt yielded to Bill Nettleton who announced that this weeks table fine would go to the table with the most blue blazers.

Then the transfer of hats took place. The recipient of the MSU hat this week was Bill Nettleton, thanks to Pete Baldwin. The U of M hat went from Gary Kuckel to Buzz Galliers.

## PROGRAM

This weeks program was really special! Our yearly visit from the District Governor was really an enjoyable experience. Tom Sullivan from Marshall has an energy and attitude that is really infectious. Tom is an excellent example of the Rotary motto, "Service above Self." In addition to his duties as District Governor, Tom is active in scouting. In the years that he has served as Scout Master, 24 scouts have reached the rank of Eagle Scout in his troop. Three of those are his sons.

Governor Sullivan discussed many aspects of Rotary, stressing the theme "You Are The Key." We are encouraged to become more active in all of the four avenues of Rotary International. Our club needs to make an effort to participate more actively in District and State conferences. Tom tells us that plans are underway to make the District conference on June 13, 1986 an event we will all want to attend.

We all enjoyed Governor Sullivan's visit. Thanks for your input, your compliments, and also your gift as a magician. Please come back as often as you can.

..... OOPS! I almost forgot . . .

Congratulations to Bob Rumsey. Governor Tom Sullivan presented a "Key Person" award to Bob for the outstanding service he has provided to our club.

Next week: Greeters will be Ray Fast and Jack Faulkner  
Program Chairman will be Ed Geishert

## "MOSTLY TRUE, BUT HARD TO BELIEVE ROTARIAN TALES"

Governor Tom Sullivan's wife asked him the following question just last month:  
Why don't you ever go down to Coldwater and play golf with your good friend, John Dean anymore? "Would you play with a fellow who puts down the wrong score and moves the ball when you aren't watching?" replied Tom. "No," she replied, "I certainly wouldn't."  
"Neither will John."

Have a good week! Terry

### SERGEANTS

Sgt. Gary, Rich and Dick did their usual fine job (pardon the pun).

Hats were awarded and for the first time the "franking" privilege was used and abused by Dave King, much to the annoyance of Jim Endicott.

Todays criteria for the table fine was "the table with the most gray hair".

This writer was able to hear many Rotarians muttering something to the effect..... "where is that damned Les Wise when you need him?"

### PROGRAM

Rich Piatt presented a program today to bring us up to date on what the Branch County Tourism Council is doing to promote Branch County. In addition to the booklet they have published, and the visitors center for information, an 11 minute video tape has been produced at a cost of \$2500. We were shown the video which was produced by the Carousel Studio and narrated by Tim Hart. The video touched on the "all seasons, all reasons" theme. The many Lakes, Sister City Festival, Polish Festival, Carp Rodeo, Tip Up Festival, Tibbits Theatre and world famous artistic marvel "Lamplighter Tiger" (just checking to see if you are paying attention) were highlighted on the video. Nice job Rich. May the Council continue the good work. Thanks.

# The COLDWATER ROTARY REFLECTOR

Published by the COLDWATER ROTARY CLUB, P.O. Box 42, Coldwater, MI 49036

The Singingest Club in the U. S. A.

## COLDWATER ROTARY MEETING - TUESDAY, OCTOBER 8, 1985

President Howard opened the meeting, and after our musical salute to this grand country of ours, Rev. Jim Trout gave thanks for our many blessings. Our new song leader, Pat Albright, then took over. Pat is still reluctant to move his arms, but I got that "If you say something, I'm going to bring you up here to lead the singing" look from him... so... great job Pat!

### GUESTS

Norm Moore, Wade Smith, Linus Hayden, and two visiting Buckeyes-Jim Derry and Dick Greathouse.

### ANNOUNCEMENTS

If your last name begins with the letter G thru L... we welcome your visiting employee guest to Rotary. Next week... those of us with the last initial M thru R will be bringing an employee to lunch.

Happy Birthday to Les Wise. Hope you have many more - Les.

The installation dinner of the new Jackson Breakfast Rotary Club will be held at the Jackson Country Club on October 22, at 6:30. It would be nice if some of us could attend. Cost is 15.00 per person.

Jerry Towns reminded us of the Tibbits Auction on November 2nd. It is really an enjoyable evening. Plan to attend and/or contribute something for the auction. Contact Mary Bacon or Nancy Towns.

New member proposals should be given to Steve Glover. It can never be assumed that all potential Rotarians in our community are known. Each of our members should understand that he has a personal responsibility to help fill open classifications with qualified men.

Please voice your opinion concerning distribution of show funds to members of the board. Names appear on the flip side of this bulletin. Do you want the method to remain the same or changed to support a new major project?

Next weeks Greeters: Steve Glover and Chet Graves.

Next weeks Program Chairman: Ken Smoker

Wade Smith and his nephew Dave Rubley are starting a "Dress Like a Cab Driver" Club. Those interested should call Dave at home after 7:30 p.m. week-days.

### SERGEANTS

Today's table fine was given to the table with the fewest neckties. Rumor has it that next week's table fine (today) will be for the table with the most "clip-on" ties. It may be a good week to avoid Gary Kuckel.

The MSU hat was given to Bob "I'd rather die than wear that" Kerr, and the U of M hat has been the proud possession of Maura Pierson via John for the past week.

Another great job by our sergeants who proudly admit that over 85% of the funds collected go to the scholarship fund!

### PROGRAM

Ray Fast introduced Lanny Stebbins the Extension Director from Ottawa County. Lanny shared with us the on-going program, "Save the Children." This is a program that started in 1932 in the Appalachian area of the United States. The program is based in West Port, Connecticut and is aimed at helping needy children. Lanny was personally involved in the program's work in the African nations. We were shown slides which clearly depicted the dramatic need for help in areas that are not conducive to success in agricultural production. "Save the Children" involves help in the area of education and organization for these people. It was very interesting and informative. It gives us a greater appreciation of our blessings as Americans and we wish continued success for those involved with "Save the Children."

Terry

## COLDWATER ROTARY MEETING - TUESDAY, OCTOBER 15TH, 1985

Today was a very special day. No, I'm not talking about it being National Grouch Day. I'm not talking about the opening of our meeting. President Howard slammed the gavel on the bell as usual. (By the way-Howard, could you do that little task with some variations added. It's getting difficult to describe your opening function and try to hold the readers interest.) Rev. Tim Troust did his usual fine job with the prayer of thanks. I'm not even talking about the actual movement I detected in Pat Albright's arm as he led us in song. By the way, being song leader is no easy job. Pat, you're doing great, keep it up! No, the special thing about today was the beauty of the magnificent colors Mother Nature has painted the trees in our part of the country. What a gorgeous sight. That's the unique thing about the Midwest in autumn. Don't you wish it could last longer? I know my wife doesn't look forward to raking all those leaves. Funny how the leaves just aren't as pretty on the ground.

### GUESTS

Dan Dobson, John Worth, Kathy Crotty, Al Fusion, Dick Spaulding, Jay Johnson, Kara Coe, Lisa Bowerman, Jeff Adams, Roger Sayler, Garth Wilber, Norm Moore, Al Wilber, Manly Magsig, Clarence Walters. Welcome to you all. Come again soon.

### ANNOUNCEMENTS

Happy Birthday and Congratulations to Buzz Galliers for his first Hole-In-One. I would also like to commend Buzz for being one of the most benevolent people I know. The Club should be proud of Buzz who not only does extra tasks for our club, but gladly drops more than his share of dollars into the Scholarship fund.

Your pledges and support for Dick Uhl, who will be running in the Chicago Marathon, would be appreciated.

Committee Chairman should be actively doing what they promised they would to the District Governor. Please continue to follow up.

A letter from our District Governor asked for help for the disaster victims in Mexico.

The installation dinner for the new Breakfast Jackson Rotary Club is tonight. (October 22nd at 6:30-try to make it).

A sheet explaining what Rotary is was passed out. Please read it and consider its contents when considering others for membership.

### SERGEANTS

Passing of the hats: MSU hat went from Bob Kerr to Fred Culy. The U of M hat went from Maura Pierson's roommate to Jerry Towns. Today's table fine was for the table with the most signed bulletins. An auction of priceless memorabilia produced several scholarship dollars from some good sports. Nice job guys!

### PROGRAM

Today's program chairman was Chet Graves. Chet introduced Dave DeMott, who is a representative of the United Auto Workers Union. Dave is involved in Region 1-C which is based in Flint. We learned that rank and file members of the U.A.W. do not necessarily have to be involved in jobs related to the automobile industry. Dave explained the function of unions, which include representation in contract negotiations, help in formulating grievance procedures, improving work conditions, and much more. The U.A.W. has a current membership of about 1,300,000. Dave answered questions from the floor and I'm sure everyone will agree it was a very informative program. Thanks to Chet and Dave.

### ROTARY TABLE CHATTER

Charlie Putnam was telling us the other day that the average man's life consists of twenty years of having his mother ask him where he is going; forty years of having his wife ask him the same question; and at the end, the mourners wondering, too.

Have a nice day!

Terry

The Singingest Club in the U. S. A.

COLDWATER ROTARY MEETING, TUESDAY, OCTOBER 22, 1985

President Howard (who, by the way, was the only recruit to sign up for the "dress like a Cab Driver" club) opened the meeting dressed in the customary garb, sans hat. Reverend Troust gave a prayer of thanks, followed by "Mitch" Albright, (alias "Hummingbird Arms") who led us in singing a few songs.

#### ANNOUNCEMENTS

Happy Birthday to Larry Parks. \*\*\* Next weeks greeters are Rich Holben and Dennis Holcomb. There were many guests and I didn't get all of the names written down-Sorry. However, Al Nelson and I were fortunate enough to have 3 lovely gals at our table . . . our employees! Don't forget to bring an employee to Rotary.

Congratulations to Dick Uhl for finishing the Chicago Marathon.

If you do not eat lunch at the meeting, an offering of \$1.00 will be sufficient to cover the coffee or tea you may choose to drink.

Dr. Larry Woodhams informed us of the upcoming visit of Haley's Comet. To obtain the best view, one should hide in Ray Cardenas' luggage shortly before his departure for a vacation in Mexico.

Have a prospective member in mind? Contact Dick White.

#### SERGEANTS

A tremendous job was done today by a hastily concocted back-up crew since none of the regulars were in attendance. Thanks to John Shea, Steve Glover, and me for a very adequate job. The table fine for today was given to the table with the most bow-tied members. This was obviously done to have a little fun at Dick Uhl's expense. Little did we expect there to be another member similarly attired - you guessed it - Robert Kerr. Would this be called a bow-tie tie??

#### PROGRAM

Today's program was introduced by Dr. Gary Howe. Gary's guests were his associates, Dr. David McClaud and Dr. Bruce Young. Dr. Young discussed the subjects of cataracts and glaucoma. Rotarians were given a crash course on the structure of the eye, with special emphasis on the lens of the eye. The lens is the site of cataract formation. According to Dr. Young, all of us have cataracts to some extent. The formation of crystalline cells takes place over a period of time, and since the lens is a closed system, a build-up occurs slowly over the years. All of this happens at varying rates from individual to individual for a variety of reasons. The crystalline cells eventually produce an opaque liquid which distorts light rays entering the eye, thus causing visual disturbances, and eventually blindness. Cataracts can be removed surgically by an ophthalmologist and the surgery is considered routine.

Dr. Young, an optometrist, congratulates his colleagues in the field of ophthalmology for their advances in surgical technique and expertise in the area of cataract surgery.

Dr. Young also discussed the subject of glaucoma. Time did not permit an extensive discussion; however Rotarians were briefed on the types, etiology, and effects of glaucoma. Glaucoma, a disease of the eye which is caused by abnormal interocular pressure, often doesn't become apparent until the latter stages. Early detection and treatment with medication can allow the glaucoma patient to avoid blindness and lead a more normal life.

The Coldwater Rotary Club would like to thank Dr. Young for such an informative program. We hope he will join us again soon to share his vast knowledge with us concerning the human eye. As often happens, time ran out before our interest did.

#### ROTARY TABLE CHATTER

Fritz Varken, with his wallet in his hand, was told by Dr. David Rubley as he sat in the dental chair, "Fritz, you don't have to pay me now." "Pay you?", said Fritz, "I'm counting my money before you give me the gas!"

Have a Nice Day!!

COLDWATER ROTARY MEETING - TUESDAY, OCTOBER 29, 1985

The last meeting of October was a very special meeting. In addition to celebrating Bob Rumsey's birthday, and receiving a musical critique from a rather beautiful employee of Taylor's Stationers, we welcomed our newest Rotarian, Larry Barr. Dr. Dave Rubley introduced Larry to the club. Larry's classification is Tubing Manufacturing. Larry is married to our newest "Rotary Ann," Luann (spelling?) and they are the proud parents of two children, Brett (11) and Michelle (15). Welcome to Rotary, Larry. We hope you will enjoy the club as much as we do.

## ANNOUNCEMENTS

Bob Rumsey announced that he still is in possession of a make-up card from Bronson, dated October 2nd. The card does not have a name, so if you made up a meeting in Bronson on that day, check with Bob.

A special thanks to everyone at Graphics-3. The membership letters were printed free of charge (as are the weekly bulletins). The club is very grateful for your support.

We received a letter from Walt Balcom in Florida saying hello and telling us to expect him back for the Rotary Show.

We received a letter from a program called "Positive Partners in Parenting." There will be a training session in February for volunteers. If you are interested in more details, see President Howard.

Greeters next week: Gary Howe and Dick Hruska

On December 17th we are having the Christmas Party for children. We need someone to volunteer to organize and take charge of that meeting. I'm sure one of you "take-charge" guys out there will contact President Howard or Vice President Carroll.

President Howard will accept donations to purchase a 2-way head set for Señor Cardenas. Ray can't understand everything Howard says and Howard can't understand anything Ray says.

## SERGEANTS

The sergeants were back from a week's absence and wasted little time in making up for lost ground. The table fine was for the table with the most eye glasses. Fritz Van Aken was caught red-handed taking his glasses off. His table mates paid \$1 each, Fritz paid \$2. Jim Endicott and Duke Davidson tried to pay \$1 each, but it turned out that they thought Sgt. Gary said the table with the most shot glasses. The U of M hat went from Fred Culy to Jim Lyons.

## PROGRAM

For those of you who missed the program today, you missed a dandy. Dick Guisinger introduced Dave Norton as his program. Dave is no stranger to Coldwater Rotarians. Dave talked about one of the three divisions of his Auctioneering business, the Tourist and Amusement Division. This division has to do with the auctioning of Amusement Parks, Theme Parks, Zoos, Museums, and Carnivals. Dave discussed the high interest in Carousel horses and other animals. One wooden horse recently was sold at auction for a record of \$32,000. Dave also discussed the history and current problems of the amusement business. Insurance costs, cost of riders, and increase in land value are some of the reasons many parks are closing. Time and space don't allow me to do justice to Dave's super program. Thanks Dave for one of the truly most interesting programs we've had at Rotary in a long time.

## COLDWATER ROTARY MEETING-TUESDAY NOV. 5, 1985

We started off the first meeting of November with a prayer of thanks by our Vice-Reverend, Dan Magsig. Pat led us in song and we even sounded pretty good for a change...too bad Howard didn't bring an employee.

### ANNOUNCEMENTS

\*\*Happy Birthday to ED GEISHERT !!

\*\* We were reminded that our meeting fell on election day and that we should all get out and vote. As I am writing this on Wednesday, I guess congratulations are in order for John Shea and all of the other successful candidates.

\*\*There will be a Board of Directors meeting tonight at Howards. (BYO)

\*\* Reb Turner announced that the World Community Service Committee has received a response from a Rotary Club in Turkey in regards to an offer to them about joining forces on a project to promote better World understanding and cooperation. Mayor Jerry Ford taught me how to write sentences that long.

\*\*President Howard reminds us Committee Chairman to be following up on the various promises we made to the District Governor. In other words, lets put our minds and muscle where our mouths were a few weeks ago.

\*\*MUCHOS GRACIAS to REYMUNDO CARDENAS. Ray has agreed to act as chairman for the Christmas Party meeting planned in December. Ray takes a good share of friendly kidding, but let me say that thanks to people like Ray, service clubs like Rotary continue to do many good things for the community. We need more people like you, Ray....well...not exactly like you..but you get the idea!!

\*\*GREETERS NEXT WEEK: DR. GARY HOWE AND DICK HRUSKA

### SERGEANTS

The table line for today, which was read in rather fractured Spanish, was for the table with the most Hispanics. Buenas Tardes, Reymundo!!

The U of M hat went from Jim Erickson to .... You guessed it.. Senor Cardenas.

The Michigan State hat went from Jim Lyons to Chuck Putnam.

The sergeants did another great job and I'M pretty sure that Vince Kornstien will stand during the entire meeting next week.

### PROGRAM

Todays program chairman was Jim Whelan. Jim then turned the mike over to his cohort, Gary Hart. Gary then proceeded to inform us about the Tri State Broadcasting operation. Tri State now owns three radio stations, WTVB AND WHEZ On the AM dial and WNW on the FM frequency. Gary explained a little about the difference between AM and FM and some of the restrictions and legal aspects related to their operation.

Gary explained concept of "target audiences" and how stations go about attracting those audiences. For example, WHEZ&WTVB (to a smaller extent) are using the "STARDUST FORMAT". This format features music that people between the ages of 35 and 60 can identify with. I guess he was talking about people like me who always save a preposition to end the sentence with.

The programming and formats used in the radio industry have changed a great deal over the years. Gary played some old commercials for us. Many were very familiar and some of us were even singing along. Thanks for a very interesting and entertaining program, Gary.

HAVE A GREAT WEEK.....

### TERRY

P.S. take this word... "the" .. cut it out... place it between the words "explained" and "concepts" on line six of the program report. I lost my typist so... we're on our own!!!

## COLDWATER ROTARY MEETING - TUESDAY, NOV. 12, 1985

Following the opening bell, Dan Magsig returned thanks for our many blessings. If you can come with an effective prayer to improve this wet, gray, depressing weather we've been having all month, we would all appreciate it. Despite some interference from one or two of the usual club hecklers, Pat led us in song.

### ANNOUNCEMENTS

Best wishes to our birthday boys....George Pierce and Santford Jolley!!! President Howard promoted his newest promotion....His uncle Nelvin impersonating Ernie Harwell and giving bogus autographs to those who purchase one of Howards latest over-stock items..a book called "tuned to Baseball"(by the real Ernie Harwell!!!)

BOWLING FOR DOLLARS: This years All-star team will be organized by Hal "7-10" Sexton. The team will participate in the annual Big Brothers-Big Sisters bowling Benefit. More later.

Each Rotarian will be asked to donate five dollars today to financially support the upcoming childrens Christmas dinner party.

GREETERS NEXT WEEK: BOB KERR AND DAVE KING

### SERGEANTS

The table fine today went to table of Rotarians who were apparently planning to go to a "lets dress up like the U of M Glee Club" party. I must say...all five of you looked pretty sharp in those blue blazers.

Reymundo Cardenas awarded the U of M hat to Chuck Young. Nobody seems to know exactly where the Michigan State hat is.

I think that the sergeants, in addition to being witty and extremely handsome guys are doing a good job of fining...only... people who have lots of money and don't really need those dollars to buy a well-deserved beer after work. (gosh, I hate boot-lickers)

### PROGRAM

Today the Coldwater Rotary Club was honored to have Lt. Col. Billy D. Williams speak to us about the Howe Military Academy. Lt. Col. Williams, who has served in Alaska and in Europe, is the assistant to the superintendant of development at the academy. We were told about the cadet corp curriculum and daily routine. (as you may have guessed, the curriculum at my high school did not include learning how to spell "curriculum"...what did I do with that dictionary I had around here?)

The school year at Howe Military Academy lasts ten months and there is a six week summer session. There are currently 151 students in the academy. The yearly cost is \$9000 per student and is non-refundable if the student is expelled for disciplinary reasons. There are some female students who attend during the day and do not board at the school. The academy is oriented towards college preparation and has a good record for college acceptance for its graduates. The Howe Military Academy is one of the best in the United States and we were given an open invitation to visit the campus. Thanks for a very interesting program, Lt. Col. Williams.

## COLDWATER ROTARY MEETING-TUESDAY, NOV. 19, 1985

I have run out of ways to describe our opening, so I won't even make an attempt this week. It is basically the same every week, so if you have seen our President slam the gavel into the bell once, make a mental note and retain it. We were honored today, however, to have Walt Balcom return thanks. By the way, Walt, congratulations on having thirteen years of perfect attendance!

Thanks also to songleader Pat Albright, who is getting better every week. I know that Pat will even be more enthusiastic if things ever dry up a little so that he can get that 700 acres of corn harvested!

### ANNOUNCEMENTS

\* HAPPY BIRTHDAY TO HAROLD CARD AND BOB KERR ! !

\*Hal Sexton has requested the bowling talents of a few good men on Dec. 7th. This is a very good cause (big brothers-Big Sisters) and really a lot of fun for the bowlers. I might mention that the banks usually send one or two all-girl teams that are fun to watch!

\*Remember.. if you have any suggestions as to a different way of dispersing the funds from the Rotary Show.. contact President Howard or Carroll Barber.

\*Reymundo Cardenas collected five dollars from those present today... don't think you can avoid him... he will continue to collect at subsequent meetings.

\*GREETERS NEXT WEEK: John Klein and Vince Kornstien

\*Next weeks Program: Dick Hruska

\*Proposed for membership on 11-19-85 : Donald Paarlberg, M.D. (classification: Orthopedic and Lynn Muckell classification: Aluminum Shapes Mfg.) Surgeon)

\*Need a Rotary lapel pin?.. see Craig Sebald

### SERGEANTS

The sergeants do such a great job week in and week out that it is really not even necessary to keep mentioning it. If giving favorable reports in this bulletin in any way affects their decision concerning whether or not to fine certain "nice guys".... it is certainly not intentional. I really do think that the impeccably dressed Gary Hart, the intellectually unbeatable Rich Piatt, and the jovial, fun-loving Dick Fitzgerald should be commended for such a superior job.

Today's table fine went to the tablet with the most ex-F.B.I. agents.

The U of M hat went to Ken Elliott and the M.S.U. hat went to Pat Albright.

### PROGRAM

We were honored to have Dr. Grahl, president of the Grahl International, Inc. company of Coldwater as our guest speaker today. Dr. Grahl, a former professor of cost accounting and Industrial engineering, was introduced by Dennis Holcomb. Dr. Grahl brought his business to Coldwater in 1982. He has recently moved to larger facilities and employs thirty people. Dr. Grahl explained some of the aspects of doing business on an international level. There were several localities attempting to persuade Dr. Grahl to locate his business in various cities. Dr. Grahl picked Coldwater over the others and we are extremely happy that he did. We wish Dr. Grahl could spend more than half of the year in Coldwater and we would like to thank him for visiting Rotary and sharing his time and vast business knowledge with us.

The Singingest Club in the U. S. A.

COLDWATER ROTARY MEETING-TUESDAY, NOV. 26th, 1985

We may have to contact the MIDAS MUFFLER people about building a special sound deadener for our new bell! For those of us sitting within 200 yards of the new bell (which, by the way, looks an awful lot like the Kiwanis bell that was reported stolen last week) the sound was deafening. President Howard tells us that the cost of the new bell was shared unequally by the members of the board. It will henceforth be known as the Carroll Barnes Memorial Bell, since Carroll was stuck with the major portion of the expense. Rev. James Troust and Pat Albright did their usual fine jobs... thanks.

#### ANNOUNCEMENTS

Happy Birthday to Jim Endicott and Carroll Barnes. (if I missed anyone.. it is because the guys at my table were not paying attention.)

Jim York, acting as mouth piece for a silent Ray Cardenas (laryngitis victim), reminded us that anyone who has not had the opportunity to give five dollars for the children's Christmas party need not feel left out.... anty up boys! It is for a good cause.

Hal Sexton has picked a bowling team to represent us at the Big Brothers - Big sisters Bowl-A-Thon on Dec. 7th. Sign-up sheets for pledges have and will be circulated for all the bowlers. \*\*Editors note! If there is still room on Duke Davidsons sheet, I would recommend his list over the others. For example.. at one cent a point, about the most it will cost you is \$1.15 !!)

Congratulations to Fritz Van Aken for an unbelievable 37 years of perfect attendance! Congratulations are also in order for Al Nelson with 11 years without a miss!

#### SERGEANTS

Today was fine - to - the - right day. I never saw so many guys raise their hands when their name was mentioned to be fined. Even Jim Endicott thought it was great fun until Duke got fined. Jim was sitting on Duke's right!

Another great job by our sergeants.

Permanent homes for our caps... U of M hat to Dr. Nettleman and MSU hat to Dick White. The table fine went to the table with the most persons having a last name starting with "D"

GREETERS NEXT WEEK: Jim Koss and Gary Kuckel

NEXT WEEKS PROGRAM CHAIRMAN: Larry Iveson

#### PROGRAM

This week our program chairman was Ken Smoker. Ken introduced our guest speaker, Jean Stoney. Jean is employed by Felpausch Food Stores as director of Consumer Affairs. Her responsibilities are in the area of education in nutrition. She plans and teaches cooking schools such as the one recently held at the Quality Inn. These seminars or schools are very popular and very well attended. Jean joined the Felpausch organization in 1984 and holds a degree in home economics from Michigan State University. During the presentation, Jean discussed the basics of nutrition. This included the "Basic Four" food groups. The basic four is a condensed version of the "basic seven" or "basic nine" food groups that many of you older members may have been taught in your youth. The goals of the educational programs are to help people determine and choose the proper food, the most healthful ways to store and prepare it. This is especially helpful to those people on restricted diets. I'm sure we all learned something today and we would like to thank Ken and Jean for the program and for all the extra effort that is put forth to make our lives more enjoyable.

## COLDWATER ROTARY MEETING-TUESDAY, DECEMBER 3rd, 1985

After the opening bell, a prayer of thanksgiving by Jim Troust, and a dandy fill-in job by John Sheas as songleader, "Happy Birthday" was sung to Dick Uhl, Mark Maire, Jim Erickson, Jim Endicott and Fritz Van Aken. **BEST WISHES FELLOWS!!**

### ANNOUNCEMENTS

\*Welcome to our many guests.

\*There will a board meeting tonight at President Howard's house.

\*Reb Turner announced that anyone having a special seasonal program or story should contact the Battle Creek Enquirer. Apparently the paper is looking for special interest stories for the holiday season.

\*Hal Sexton announced the awesome bowling line up which would lead us to victory on Dec. 7th. "How about a victory report today?"

\*Fritz Van Aken (speaking for Rey Cardenas) announced that everything was going well in regards to the Childrens Christmas Party. We do need, however, ten (10) volunteer drivers to help transport the children. See Rey Cardenas. . your help would be tremendously appreciated!!

Greetor Next Week: Bob Loose and Jim Lyons

\*Congratulations are in order for John Klein for 17 years of perfect attendance!

### SERGEANTS.

The table fine for today went to the table with the most off-spring. It didn't take a mathematician to figure out that if you were sitting with Bill Crotty, you were in trouble!

Many of us found out that the biggest bargain in Rotary lately is the \$2.00 lapel pin.

Nice job guys!

### PROGRAM

Dr. Nettleton was the program chairman today. Dr. Nettleton introduced Ruth Brown, the director of the Branch County Commission On Aging. It is always fun to have Ruth at Rotary. She is a dedicated and very energetic person. She explained to us just what the Commission on Aging does. It is a service providing agency in addition to being a social outlet for seniors. There are so many services that are provided, I will just list a few. The Commission provides such things as personal calls, check-up phone calls, transportation to various places, assistance in filling our tax forms, insurance papers, house-keeping, laundry, shopping, budget planning, and the "meals on wheels" program that provided 6892 hot meals to shut ins and needy people last year. The Commission on Aging is funded by the United Way of Branch County, Federal, State and County funds, but is always in need of financial assistance from private sources including service clubs. Thanks very much for the informative program that you gave us today and also for all the tireless and unselfish hours that you and your staff of volunteers do for the aged of the Branch County area.

Have a good week....

## Sincere Good Wishes

FOR THE HOLIDAY SEASON AND THE NEW YEAR

COLDWATER ROTARY MEETING-TUESDAY, DECEMBER 17th, 1985

Todays meeting, for those of you that missed it, was special. Todays meeting was the annual childrens Christmas Party.

Thanks to a lot of hard work and organizational effort by Rey Cardenas, Fritz VanAken and the many others who offered their time, several local children had a great time. After a lunch, complete with cake, the children were entertained by Gordon Miller. Gordon is a very talented magician from..where else?..Colon, Michigan. I am sure that everyone present, not just the children, was amused by the show. Everyone loves a good magician. Everyone (Coldwater Rotarians) enjoys a meeting with no fines!

We all thank Jim Olmstead for making sure that Santa found his way to the meeting on time. I know all of the children were happy, especially when Santa closed the meeting with the presentation of gifts to all of the children.

Again, to the committee responsible for the party, thanks for a job well done. I am sure the looks on the faces of the children made your effort worthwhile.

### Announcements

It won't be long now! Be sure to check your calendar hand-outs pertaining to the scheduled practices for the 1986 Rotary Show. January will be here before you know it!

The residents of Maple Lawn expressed their thanks for the large-print Readers Digests that our club has provided to them.

Greetors next week: John Martinen and Bill Milnes.

Why not start off the New Year by sharing Rotary with someone. We are always in need of "a few good men". If you are in doubt about open classifications, check with Steve Glover or ask any board member.

In closing, let me make one last seasonal comment.

## COLDWATER ROTARY MEETING/TUESDAY, DECEMBER 24th, 1985

President Howard greeted a rather small turn out with the opening bell at 12:25. Following a prayer of thanks by Walt Balcom, we sang a few Christmas songs and wished John Martinen and Dr. Chuck Bacon happy birthday.

### GUESTS

Dr. Kettleman's son...David Nettleman  
Mark Maire's brother-in-law ..Bill Shultz  
Bill King

### ANNOUNCEMENTS

Seasons Greetings \*\*\* \*PROPOSED FOR MEMBERSHIP: Don Hebert, Director of Tibbits Opera House

### SERGEANTS

no fines...everyone present gave a dollar except Jim Koss, who gave a round, hard coin-type object. (probably a family heirloom or one of those new U.S. gold coins we have been hearing so much about!)

### PROGRAM

"JDLLY OLD" Santford introduced a special guest today... "Sandy Paws", the Christmas Gorilla. Sandy, who is owned and trained by Jim Olmstead, passed out special treats to all present. The program was cut short, however, when Sandy became sexually attracted to Dave Rubley. Those who were absent really missed a show. Informed officials of the club tell us that any unusual results of the melee will be raised Catholic, according to Dave's wishes.

We then ended the meeting with the much-anticipated name tag drawing for the five hundred dollar cash prize. Had Gary Hart been present, he would be a little richer!! Sorry. Another hundred dollars will be added and the drawing will be held again next year.

Our first set of greetors for the new year will be Dick Moore and Al Nelson.

DON'T FORGET....The fun starts next Tuesday at the Elks Temple. Our first practice for the 1986 Rotary Show. I'm sure all of the Rotary Anns are excited about this. For you rookies Dan Magsig says that he will try to keep the practices reasonable in length. Few, if any, will run beyond 1 AM promises Dan.

Let me leave you with one very important thing that I have learned in 1985. You may pass this on to others if you like. I have learned that eraseable bond typewriter paper only erases on one side!

Have a great 1986  
\*\*Terry\*\*

PS: Some of you may feel safer to know that I will be in South Bend this evening and not on the public roadways.

## COLDWATER ROTARY MEETING-DECEMBER 31, 1985

President Howard opened the meeting today to a rather small pre-holiday turn out. Apparently a lot of the hard-core party people were getting an early start. Personally, I think that is somewhat like eating a sandwich in your car before going into an "all you can eat" smorgasbord restaurant. But, seriously, for what ever reason you missed todays meeting, you missed one of the more interesting programs we've had in a while.

After a few songs, we officially wished Dr. Bacon a happy birthday in our traditional musical manner.

### ANNOUNCEMENTS

\*HAPPY NEW YEAR from President Howard

\*Greetors next week: Jim Olmstead and Larry Parks

\*The fun begins tonight. Our first Rotary Show practice gets under way at the Elks Temple. Come early for a little Rotary brotherhood, if you like...be ready to sing at 7:30. For you new members, this is an ideal way to get to know the other members of Rotary. The show is the highlight of the Rotary year. Those who do not participate are really missing something. See you tonight.

### SERGEANTS

Yours truly filled in for Rich Piatt, who was called away at the last minute because of a bomb threat at the newspaper. All indications at the time of this writing suggest a hoax and we look forward to Rich returning to his usual tasks this week. Gary did a nice job, even though many members have been milking the "all I have is a twenty" scheme.

Our guests today included John Watkins, Rey Cardenas' son-in-law and Dr. Nettleman's son, Jim Nettleman. Jim is a graduate of Michigan and is a civil engineer residing in Paducah, Kentucky.

### PROGRAM

Our program today was presented by Dean Edwards, President of the Great Lakes Mohair Co. Mohair is a fiber that is processed from the wool of Angora goats. It is a fire-resistant fiber that is used widely in upholstery, drapery and fashion industries. The Angora goat adapts to almost any climate and is indeed a plausible alternative to present farming operations. We were instructed by Mr. Edwards and a video tape presentation concerning the aspects of raising Angora goats. Mr. Edwards tells us that the goal of his company is to achieve a total goat population in the tri-state area of one million. Due to the fact that polyesther is declining in popularity and the natural fibers are becoming very popular, there is a great demand for angora wool. The United Kingdom purchased approximately 95% of the current available production. The Great Lakes Mohair Company has developed because of the market need for angora wool. They are involved in every aspect of the production of mohair. We would like to thank Mr. Edwards for a very informative program and we welcome him back to Rotary anytime he is in the area.
