ILDA PHILIPS

OSCAR RENSHAW

Dedication

The dedication of our year book proved a simple matter, for Miss Ilda Philips and Oscar Renshaw, our class advisors, had a definite and pleasing part in shaping our junior and senior years at CHS.

Miss Philips is probably best known to those students who majored in commercial subjects, yet every member of the senior class of '50 knows of her efficiency, her pleasing personality and her always cheerful smile.

Economics, sociology and history classes were only a small part of the daily schedule of Mr. Renshaw. In our junior, as well as our senior year, he was an invaluable aid. For extensive help whenever we needed it we honor Mr. Renshaw.

So to two very grand people we, the class of 1950, extend our thanks and all the hope that they may have many more successful years at CHS.

Administration

Mr. Thomas

(SUPERINTENDENT OF SCHOOLS)

E. Byron Thomas, our new and efficient "Super," graduated from Albion College with a B. A. in 1924. In 1935 he received his Master's degree from Northwestern University, later doing graduate work at the University of Michigan. He taught high school four years, was for six years Superintendent of Schoolcraft High School and for ten years Superintendent of Vicksburg High School. Six years ago he became C.H.S. Senior High principal and just two years ago Superintendent, thus completing his twenty-fifth year as an educator.

He is a member of the Masons, the Junior Chamber of Commerce, the Rotary Club, the Michigan Educational Association, the National Education Association, and the National Educational Fraternity, Phi Delta Kappa. He uses his spare time, when he has any, reading anything in print and gardening.

BOARD OF EDUCATION

The Board of Education is a group of five Coldwater businessmen elected by the people of Coldwater for terms of three years. The Board meets once a month and more often when necessary.

The largest task of the Board this past year, other than their regular duties of collecting and appropriating revenue and hiring teachers, has been the Edison School. Under the Board's able supervision the construction of this new elementary school has been proceeding as part of a general expansion program under way in Coldwater, which program will provide better buildings and a more adequate budget for the Coldwater School system.

MR. DENNIS

(SENIOR HIGH PRINCIPAL)

Kermit Dennis, busy but genial principal of Roosevelt Senior High, graduated from Adrian College as a Science Major in 1931. At the University of Michigan he took his M. A. in Educational Administration. He then came to Coldwater High School, where he taught Science for fourteen years. After three years as principal of the Junior High, last year he took over the job of Senior High principal.

He belongs to the Masons, the Kiwanis Club, and the National Association of Secondary Schools, and is a Presbyterian elder and president of the Southwestern Michigan Guidance Association. He is a man of many hobbies, enjoying photography, hunting and fishing, carpentry, and reading mysteries.

MR. OLSON

(JUNIOR HIGH PRINCIPAL)

Axner Olson, friendly head man across the court, graduated from Troy High School in 1929. He took his Bachelor of Science degree from Western Michigan College and has also done post graduate work there. For five years he was basketball and baseball coach at New Troy High School.

He was principal and baseball coach at Homer High School for two years, and for one year was superintendent of the Camden High School.

Six years ago he came to Coldwater and since that time he has taught Science and Mathematics, and served as assistant football and baseball coach. This is his second year as Junior High principal, and is doing an excellent job.

Besides his regular duties as principal, he has written for the *Mirror*, assisted in athletics, and cheerfully helped out in other activities. His special interests include hunting and fishing, and he has spent many hours in the North woods enjoying them.

THE SHIP

*I am standing upon the seashore. A ship at my side spreads
her sails in the morning breeze and starts for the blue lagoon.*

*She is an object of beauty and strength and I stand and watch
her until at length she is only a ribbon of white cloud just where
the sea and sky come to mingle with each other. Then someone at
my side says, "There! She's gone."*

*Gone where? Gone from my sight — that is all. And just at the
moment when the one at my side says, "There! She is gone," there
are voices in a happier land to take up the glad shout, "There
she comes!!!"*

Wouldn't it have been interesting if the class of 1950 had kept a Diary for each year they spent in Coldwater Junior and Senior high school. Pretending that they did, let's turn back and read the entries.

Valedictorian — Salutatorian

SHARON FACKLAM—*Valedictorian*

Headlines read "cold war mounts, American plane shot down by Russians, Stalin refuses to accept President Truman's note. Will war be declared?" Every day the tension mounts more and more. Americans live with fear in their hearts. The all-powerful atom is a terror to there anything to help us?" Here on this stage lies a the world. Everywhere men and women are crying, "Is power greater than any atom bomb or hydrogen bomb. It is the power of youth.

There are three serious threats to the peace and happiness of men and women all over the globe today. They are communism, prejudice, and war. Each of these enemies is reaching out all over and trying to establish a stronghold. For once they have become entrenched it is hard to get rid of them.

But the roots of the graduating classes of 1950 have been planted four years and are springing up all over the country. It is our job to grow straight and strong. We must reach out and destroy the weeds of communism, prejudice, and war, especially in our own vicinity.

Prejudice is an age-old problem. For thousands of years men and women have worked to find an answer. Why then if they failed will we do any better? The answer is the power of youth. A million students will graduate this year from high schools all over the United States. Each student will step out into a new life where he or she will come in contact with many others. From these graduating classes will come the children of the next decade. If all the students would banish from their minds any prejudice whatsoever, they could influence millions.

Communism is the most serious threat democracy has ever known. At other times in our history our new form of government has been threatened, but every time we have proven our system is best. You all know what communism stands for—a totalitarian government. The doctrine of communism is being spread both by force and propaganda. The only way it can be stopped is by proving that democracy is the better system. Where else in the world do you find such a high standard of living? Where else are the people allowed so much voice in the government? What other country in the world can give its people so many benefits with so much freedom? We must shout these facts from every corner of the country. In this case I believe that the little details

are so important. In every school in the United States students are exchanging letters with young people in foreign countries. Every year exchange students are sent to schools abroad. In these and other ways a true picture of American life is presented.

War will always be a prevalent threat so long as men are greedy and jealous. In the past 25 years we have fought two terrible world wars. The cost in human lives and suffering is immeasurable. No one wants to go through another terrible period of war. What we need now is an army of peace. We must build that army to be so strong that war will never again be written in our history books. The army of peace should consist of every man, woman, and child in the world, whose only training would be in the promotion of a peaceful and friendly world. Now is the time to build that army, and the graduates of 1950 will be numbered among its recruits.

JOE YORE—*Salutatorian*

The school is one of the greatest instruments for promoting a democratic form of government. Through the school the students are taught to think for themselves—an essential for democracy; they are taught the principles of our government, how it operates and how they can strive to improve our system. Today the threat of Communism is a great danger to our country. Under Communism the mass of the people is kept in ignorance because only through ignorance can Communism be maintained, but Democracy can exist only if as many as possible are educated.

Our school can be proud of a fine group of instructors who work hard for the advancement of their students. We must have good instruction in our schools to effectively promote the ideas of the school. There is still the need, though, on the part of the instructor to make more students realize, when they become eligible voters, that they must take active part in the election of their governmental representatives.

Our school and all other schools must continue to promote democracy and all its advantages and expose its short comings if we are to have a true democracy. It is through the schools that our form of government will be maintained. And I believe that as long as we keep our standards of education high; they will be our greatest weapons against those forces which would destroy democracy.

Ideal Boy

GRECHEN MEIER,
Ideal Girl

D A R.

Dear Diary:

Gretchen Meier was chosen D.A.R. girl by the students and teachers of Coldwater High on November 28, 1949.

The girl chosen must live up to certain qualifications. She must be courteous, industrious, honest, and cooperative.

Gretchen received a D.A.R. medal at a tea held at the home of Mrs. John Hardy in February and she also attended the state convention at Lansing in March.

The class of '50 is proud to have Gret as their representative.

Class Prophecies

We hear that David Ayers just lost the United States golf championship because all during the game he was wondering which one of his flames to celebrate with.

We understand Doug Baxter is a lonely bachelor because he refused Elizabeth Taylor's proposal of marriage as he doesn't believe in going steady.

We found Seton Bovee behind bars at the Bronx Zoo. He went to Africa to find a few rare specimens and another big game hunter found him first.

Renee Brauer is posing as the "after" for the Du Barry success course.

Joan Brayton is now managing the Tribolet chain stores.

You've probably guessed by now that Don Byers was the big game hunter who discovered the rare specimen Bovekey, now on display in the Bronx Zoo.

We find Hugh Calahan still traveling between Coldwater and Hodunk, hunting for a likely wife.

Bucket Carver is now the star of the Saint Louis basketball team.

Carlos Clark has just been awarded a gold medal for his diligence in mopping the gym floor during the basketball season.

Junior Class

Dear Diary:

1949-1950

The class of '51's Junior year has just passed leaving its members with many cherished memories and also with the thought that we have only one more year to enjoy "the foot-loose and fancy-free" days of high school.

In October we chose Gail Olmstead to lead us through the year as class president. The rest of the officers were:

Vice President, Aulton Treacher (He was a big wheel in the F.F.A.).

Secretary, Julie Branch (Our lover of horses).

Treasurer, Carolyn Burton (Carolyn, Barb, and Janie made a swell ballet team.)

Junior Commissioners: Jean Schubel and John Dygert (Jean was kept busy with group dues every Friday, and John and Mary Kay made a cute couple.)

Commission Clerk: Barbara Engle (Our ballet-Russe star.)

The Junior boys went out "en masse" for sports. Bob Lyman made varsity basketball and helped lead the team to win its 4th consecutive

Twin Valley Championship. Keith Secord, Harold Grigg, Dick Gilbert, and Bob Whitcomb were Reserves of whom we are proud. Margaret Thomas and Diane Hammond, our varsity cheerleaders, showed their school spirit by cheering the team on.

Our "thespeans" came through with a hit on March 24 when they presented the Junior Play entitled "Ever Since Eve." Eighteen juniors worked in the cast of the three-act comedy.

Sponsoring many after-game dances and also selling jewelry were other ways in which we tried to raise our treasury funds for the senior send-off — The Prom. Deciding to be different this year, we had the Junior-Senior on two nights. May 4 was chosen for the Banquet and May 12 the Prom was held.

Carolyn Burton and Virginia Renshaw were Juniors who made the finals in the annual, "I Speak for Democracy" contest held November 14, 1949. Virginia walked off with second prize.

This year has been busy and fruitful for most of us and next year we shall strive to be an outstanding senior class.

Sophomores

Dear Diary:

1949-1950

This year is one which will be long remembered by the class of '52. We began our high school career this year.

At 8:15 A.M. on a bright Tuesday morning, we gathered to begin our three year journey in Senior High. The halls were long and cold; the new teachers, friendly and encouraging; last but not least, lessons offering a challenge to each and everyone of us.

We began this all important year with a slam-bang election. The officers selected were Norman Hawk, president; Helen Weakley, vice president; Lee Roy Morril, treasurer; Paul Pope, secretary. Also Vicki Tropp and Judy McKnight represented us on the Senior Commission. They suited us all to a "T" with their decisions for us.

The Seniors welcomed us to Senior High at a very nice reception. We enjoyed ourselves. Thanks a lot Seniors.

Of course it was up to us to give the annual Christmas party. With a few masterminds and our noteworthy advisors, Miss G. Moore and Mr. Green, we presented the "Holly Hop." A lot of

hard work was given by the ambitious Sophs.

Being sports-minded, we'll mention some of our own all high and mighty who participated in basketball and football. Dale Jackson was our one and only regular on Varsity football. Tom McConnell, Bill Connel, Lee Roy Morril and Leon Zabonic were on the Reserve Squad.

Also Dale Jackson was on Varsity basketball. Tom McConnell, David Bennet, Bill Connel, Eugene Miller, Robert Smith were on Reserves.

This year we had a very interested group in debate. In fact a few Sophs were able to debate against other schools. Among them were Peggy Facklam, Helen Jean Weakly and Julie Lind.

On March 31 we gave an enlightening assembly which we hope everyone enjoyed. The class gave a lot of thought and time in preparing it.

Also a group of the more journalistic minded joined the Mirror and Cardinal staffs. Also some obtained a berth on the "Cardinal Chatter" staff of the "Reporter." Joyce Hinson and Ella Marie Esterline served as co-editors for the second semester "Mirror" Junior High section.

Joyce Adams, Bernard Allen, Susie Allen, Richard Anderson, James Baggerly, Helen Balch, Shirley Barringer.

Ninth Grade

Dear Diary:

1949-1950

On October 3, 1949, we, the class of "53," held our annual election, and chose the following capable officers: President, Jack Stansell; vice president, Mickey Cochrane; secretary, Janie Soule; treasurer, Katherine Stott, and Ninth Grade Representative, John Swain.

On October 31, 1949, we entered a float in the annual Halloween parade. Although the float, which was based on the coming magazine sale did not win a prize, we got a good plug in by advertising the campaign.

There were many Freshmen boys out for sports this year. We are proud of those who made the Reserve basketball, track, football, and baseball teams. While on the subject of sports, congratulations to our own Freshmen girls who made the reserve cheerleading squad. A handshake to each one of you for doing a splendid job.

On March 17, 1949, we had our Ninth Grade party, which proved to be a big success. We had a grand time playing mixer games, dancing, and eating refreshments, which were enjoyed by all. Our officers and their committees proved their efficiency in planning and executing this party.

As it is now June 2, school is over for another year; having enjoyed Ninth Grade, we are all eagerly looking forward to our first year in senior high.

Commission

1949-1950

Dear Diary:

The Commission has had a very successful year under the leadership of our Mayor Seton Bovee. Other members were Barbara Engle, clerk; Mary Lapham and Russell Peavey, Senior commissioners; Jean Schubel and John Dygert, Junior commissioners; Judy McKnight and Vicki Tropp, Sophomore commissioners.

During the year Barbara Engle, Judy McKnight, Jean Schubel and John Dygert attended a conference at the University of Michigan. There they, and other student commission members from Michigan high schools—met and discussed problems pertaining to school activities.

The highlight of the Commission's active year was the sponsoring and planning of the "Homecoming Queen." This was the first time such an event occurred and the Commission deserves a lot of credit for a job well done.

Besides the several after-game dances sponsored by this group, there were the many professional assemblies.

Again this year the Commission had the duty of organizing the Athletic Police; a group of boys who kept order at the football and basketball games.

All in all, we'd say the Commission of '50 did a splendid job in handling the affairs of our high school.

Dear Diary:

The Junior High council has had an active year under its president, Patsy Green. The other members of the Council were Sybil Schlubatis, Hal Weidner, Jim Lint, John Burton, John Swain and Jack Stansell.

November 23 the annual Junior High party was sponsored by this organization. This was a gala affair with many seventh, eighth, and ninth graders attending.

A movie projector for the Junior High was installed during the year. The money for this project was raised by means of a magazine sale conducted by the students last fall.

Again this year, the Council conducted a talent search. Those showing ability participated in an assembly given before the student body Friday, March 10.

Dear diary, the Council has done a wonderful job this year.

Cardinal Staff

Dear Diary

September-May, 1950

This year we had a wonderful staff to work on the Cardinal. Everyone co-operated and all the assignments were in on time. We were late with the pictures because of the weather and for this reason the Cardinal came out late.

Each editor has a particularly hard job to do. It is their job to see that every bit of their particular section is done and in on time.

Our events editor, Linda Sibley, worked very hard this year. She was in charge of all the stories on events and activities of the school year. A great big thanks goes to Linda for helping us so much.

Don Byers was the advertising editor. He worked for many months obtaining the funds with which we pay for our yearbook. We could never have done so without Don's assistance.

One of the best features of this year's book is the sports section. Bob Cochrane and Bill Stansell as Boy's Sports Editors did a wonderful job of writing all sports stories.

Our senior section was managed by Mary Rose Hudson. This is the hardest section because it contains so many articles. Mary Rose and her staff did a fine job.

Jackie Thompson, snapshot editor, Russell Peavey, art editor, and David Renshaw, photography editor, all did a splendid job to give our book the extra touch to make it read much better.

Lois Shaw, club editor, and Mary Rowe, girls sports editor worked together and wrote many excellent stories to complete the book.

Louise Olmsted, literary editor, and Dave Ayers, business manager, worked with the editors to help make our yearbook one of the best ever published.

We wish to thank all the people who worked diligently on the staffs of our fine editors.

Senior Play

November 17, 1949

Dear Diary:

Tonight we witnessed another outstanding success for the senior class, the annual play, "Murder at Random."

The cast Dave Ayers, Harold Dinsmore; Ruth Pfof, Mrs. Dinsmore; Lois Shaw, Betty Austin; Jane Luadders, Alice Corey; Joyce Schlubatis, Rachel; Russell Peavey, the doctor; Winston Maggart, Oliver; Janie Smith, Miss Schultz; Bill Dennis, Officer Peters; Rex Corless, Madden; and Gene Fry, the radio announcer.

The three-act play centers around Harold Dinsmore, an addict of horror shows and comic books. Left alone in his family's old house, he becomes involved with what he thinks are criminals. A person is supposedly killed and the local Sheriff makes a friendly visit before Harold's parents return home after a scarey talk with their son over the telephone.

Arriving home from the city, Harold's parents

find him with two pretty young girls; all three seemingly scared to death. When Harold tells his parents about the criminals, they don't believe him. However, they change their minds when Miss Schultz, the person who was supposedly dead, appears with a gun in her hand. The criminals are about to succeed in their plot of scaring the Dinsmores out of the house, when officer Peters upsets their plans by stopping for another social call. As the visit nears its end, we find officer Peters about to arrest the criminals.

After the criminals explain that they are actors without a home to live in, are financially embarrassed, and were using the old Dinsmore home as a shelter, and playhouse, Mr. Dinsmore drops all charges. As a result of this exciting evening Harold is cured of his love of horrors, shows and comic books.

Our director, Mrs. Doris Hudson, was ably assisted by Mary Rowe and Joyce Stout. Diary, we thought the play was swell and we are very proud of the Senior Class for a job so well done.

Junior Play

March 24, 1950

Dear Diary:

Tonight the Junior class scored an outstanding hit with their play, "Ever Since Eve." The large cast starred Ann Weidner as Susan Blake, and Clifford Granger as Johnny Clover.

In the supporting roles were Gordon Wallace, Spud Erwin; Barbara Thebaud, Betsy Erwin; Carolyn Burton, Lucybelle Lee; Barbara Engle, Mrs. Clover; Dean Harvey, Mr. Clover; Carol Douglas, Martha Willard; John Dygert, Henry Quinn; Bob Lyman, Preston Hughes; Don Sturgeon, Officer Simmons; and Harold Raymond,

John Davis, Erwin Kusel and Maurice Troutman as football players. Assisting Mrs. Doris Hudson with the directing were Harlean Bond and Bonnie Hall.

The play centered around Johnny Clover, who was editor of the school paper, and Susan Blake, who wanted to help Johnny edit this paper. The plot involved the difficulties and perplexities that arose when the unwanted female entered the situation. After many trying affairs, the play came to a happy close.

Dear Diary, I want to say that the kids in "Ever Since Eve" did a wonderful job.

Y-Teens

Dear Diary: 1949-1950

Our first Y-Teens meeting was held Monday, September 26. Plans were discussed for activities throughout the coming year.

We gave our first pep assembly, September 30, for the Marshall football game. After a short skit, which centered around a raft, cheers were led followed by the audience singing various pep songs.

On October 13, the informal initiation was held in the Roosevelt gymnasium. After the abhorred routine of going through the locker room blind-folded, refreshments of ice cream bars were served to the initiates.

Our first big social event was held October 25. It was a "Sadie Hawkins" hayride with a square dance following. Tasty refreshments of cider and donuts were served during intermission.

November 6 our formal initiation, which took place in the Episcopal parish house, was held according to tradition. Mothers of both the new and old members were cordially invited to attend. The program consisted of a brief ritual by the club officers, a short talk, by Mrs. Russell Green, and a piano solo by Carolyn Douglas.

The program was followed by refreshments of ice cream and cake.

December 22 the Y-Teens presented a high basket of canned goods and clothing to a needy family here in Coldwater to make them a merrier Christmas.

Ruth Semmelroth and Julie Branch left today, February 17, for the Y-Teens conference at Clear Lake Camp, Dowling, Michigan.

On March 2, 1950, one of our greater achievements was accomplished. We purchased and installed a new mirror in the girls' rest room. We paid for the mirror by sponsoring a Friday night dance and selling stationery.

Throughout the whole year the project of the Y-Teens was to keep the girls' rest room in respectable condition.

Our club was ably led this year by President, Joyce Schlubatis; Vice President, Margaret Thomas; Secretary, Jane Smith; Treasurer, Joyce Stout.

Two cooperative advisors, Mrs. Watson and Miss Peterson, helped us solve our problems. The Y-Teen members unanimously agree this year has certainly been successful in many ways.

Hi-Y

Dear Diary:

1949-1950

The first meeting of the year was held September 14, and immediate plans were made for the acceptance of new members. At this time we elected the following officers for the 1949-1950 year:

President, Don McCurley.

Vice President, Don Byers.

Secretary, Joe Yope.

Treasurer, Bob Cochrane.

September 16, we gave a pep assembly in which the cheerleaders for the year were chosen by the amount of applause by the students. To raise our treasury funds, we sponsored several dances after basketball and football games. Un-

der the management of Charles Williams, our basketball team ended a very good season winning three of its three games.

We now take time to look back and remember all the benefits that were derived from the meetings of the year. The rest of us wish to give special recognition to Bill Milnes, an outstanding member, who gave much time and energy that our club might be a success. Our advisers Coaches Livermore and Prevost many times helped us over the rough spots.

Diary, through the help of our advisers and officers, we have had a very beneficial year. We hope next year may be as successful and fun as this one has been.

In our Horizon Club we are now making paper mache articles. We hope next year can be as beneficial and fun as this has been.

for their services. They also helped out with the Senior and Junior plays.

All in all, the ushers had fun and we hope the girls serving next year will enjoy their work just as much.

Senior Trip

May 20, 1950

Dear Diary:

At about 3:00 o'clock in the afternoon approximately 56 seniors left Coldwater by special bus on the 23rd annual Washington trip. Upon arrival in Toledo they boarded the Pennsylvania railroad for the Capitol.

In Washington they visited several outstanding buildings. Among these were the Washington Monument, the Lincoln Memorial, the Jefferson Memorial, the Capitol, the Supreme Court, the Library of Congress, the United States Naval Academy at Annapolis, and Mount Vernon. Since

the White House was being redecorated, they were unable to go inside.

Boarding a ship, the tour members sailed down Chesapeake Bay to Williamsburg, Virginia, where they visited the restored buildings of that famous city.

New York offered the Statue of Liberty, the Rockettes at Radio City, the U. N. buildings at Lake Success, Coney Island, and Rockefeller Center.

Diary, we all had a wonderful time — even if we were all dead tired! We wish everyone could have gone with us. This almost winds up our high school career, doesn't it?

April 13, 1950

Dear Diary:

Today Mary Rose Hudson won first place in the annual District Spring Forensics contest held in the CHS auditorium. Her entry, a dramatic declamation, was entitled, "My Little Boy."

The other schools represented were Lakeview, Albion, Sturgis, and Marshall. At this contest Jack Scott entered in the oratorical declamation, and Peggy Facklam entered the oration contest.

May 12, 1950

Dear Diary:

Mary Rose Hudson has done something that hasn't been done in six years here at CHS—she has won the Regional contest at Kalamazoo. This is the last of the contests so we can say she won first in state. She defeated six students from State High (Kalamazoo), Kellogg High (Battle Creek), Hastings High, Albion High, and Condstine High.

We all want Mary Rose to know how proud we are of her. It takes great ability to win such a contest.

A bouquet goes to her mother, Mrs. Hudson who was the driector of the whole Coldwater delegation.

Senior and Junior Choruses

Dear Diary:

1949-1950

This year the choruses had large enrollments. The senior high chorus boasted thirty-three members and the junior high chorus claimed forty eager choristers.

The choruses participated in many assemblies and also gave one concert, "I Hear America Singing," under the direction of Miss Joanne West.

Dear Diary:

"I Hear America Singing," the annual spring concert, was presented by the combined forces of junior and senior high choruses, the boys sextette, the special chorus, and several soloists, on April 21, 1950.

The dancing club assisted to make this program very successful.

Varsity Football

August 29-September 4

Dear Diary:

The Coldwater varsity gridders opened practice on August 29 with only five returning lettermen among them to bolster the 1949 ranks. Backs Rex Corless, Gene Fry, Carlos Clark, Bob Simmons and tackle, Bill Dennis constituted the remnants of the Coldwater co-champs of a year ago. The other aspirants who competed for starting varsity berths and eventually saw action were:

Ends—Revel Ivey, Russel Peavey, Bob Cochrane, Lowell Maxson, Harold Raymond, and Dale Jackson.

Tackles — Don McCurley, Winston Maggart, and George Worton.

Guards—Joe Yope, Bob Freeman, Alton Treacher, Bob Lyman, and Don Sturgeon.

Centers—Bill Stansell and Seton Bovee.

Backs—Don Byers, Jim Rhodes, Erwin Corless, and Ned White.

The Cardinal schedule opened after three weeks of conditioning and was as follows—

Sept. 16: Coldwater 12, Adrian 18. Sept. 30: Coldwater 21, Marsall 6. Oct. 7: Coldwater 14, East Lansing 25. Oct. 14—Coldwater 20, Hillsdale 0. Oct. 21, Coldwater 7, Lakeview 13. October 28: Coldwater 14, Al-

bion 25. Nov. 4: Coldwater 12, Sturgis 6.

With the sounding of the final gun, 18 senior graders on the Coldwater squad faced the thought of never again donning the Red and White football uniform. Among them are: Don Byers, whose educated toe scored many a point after touchdowns; Jim Rhodes, who also used his toe quite a bit. One of the finest triple threats in Twin Valley history, Rex Corless, will also be missing from the roster next fall. Because of his outstanding all-around play, Rex was placed on the all-conference first team by rival coaches, and also received a second team berth on the Detroit Times all-state second team.

Three other Coldwater players were rated in all-conference selections: Gene Fry, fullback, and Don McCurley, tackle, were placed on the second team while guard, Joe Yope, was given honorable mention.

The above mentioned plus Seton Bovee, Carlos Clark, Bob Cochrane, Bill Dennis, Bob Freeman, Revel Ivey, Winston Maggart, Lowell Maxson, Russell Peavey, Bob Simmons, Bill Stansell, and George Worton, all seniors, will be greatly missed next year and will have to rely on returning lettermen Erwin Corless, Dale Jackson, Bob Lyman, Harold Raymond, Don Sturgeon, Alton Treacher and Ned White, to strengthen the 1950 eleven.

Reserve Football

Dear Diary:

August 29

The Coldwater Reserves opened practice today and found themselves in the same predicament that their varsity mates were in, depleted ranks. This was due the fact that their members of a year ago were moved up to fill the graduation riddled position of the varsity squad. Under the leadership of Coach Bob Livermore, they started working with determination to do good in upholding the fine record last year's squad posted.

The boys who started with the reserves are:

John Brown, Richard Baldwin, Bill Connell, John Davis, Bob Dickey, Victor Ford, Richard Gilbert, Clifford Granger, Harold Grigg, James Garman, John Hurley, Jerold Johnson, Irwin Kusel, Charles May, Tom McConnell, Eugene Miller, James Morrill, Leroy Morrill, Dale Rubley, Keith Secord, Richard Sherman, Bob Smith, Jack Stansell, Herman Tait, Jack Walker, Gordon Wallace, Bob Whitcomb, and Leon Zabonick.

Dear Diary:

Waterworks Park was the scene of the Junior Reds first encounter. Their foe was in the form of a crack Sturgis club, who, displaying plenty of passing and running, proceeded to rack up a 25-0 victory. Lack of experience hampered the junior Cardinals severely, this being one of the main reasons for defeat.

Dear Diary:

Looking vastly improved, the Redbird juniors scored

their first victory of the season as they blanked the Hillsdale Hornet "B's", 6-0.

Dear Diary:

Running into their toughest opponent to date, the reserves were swamped by a huge Howe Academy team, 42-6.

Dear Diary:

The younger Cards hit their stride again with a convincing 13-6 win over a fighting Albion eleven.

Dear Diary:

In the "B" team's last contest of the season, they tangled a second time with the powerhouse Sturgis team. Appearing more sure and stable of themselves, the junior Cards gave the Trojans a tougher battle than in the previous game, but still found themselves on the short end of a 18-12 score. Four seniors, Bob Dickey, Dale Rubley, Charles May, and James Garman ended their playing days for Coldwater High at the end of this game.

Dear Diary:

The reserve team also has an important part in the Coldwater athletic system; that of supplying capable gridders to the varsity teams. This is outstanding, because the better the present reserves, the better the varsity teams in the future.

Top Row: Thompson, Ballard, Wood, Ferguson, Walker, Bressler, McBride, Riggs, Cochrane, Silvers, J. Zabanick, Corless, Northrup, Coach Prevost.

3rd Row: B. Allen, Snyder, Camerson, Dillon, Tucker, Himes, McLaughlin, Helmer, Swain, Spencer, Luce, Simpson, Coach Houston.

2nd Row: Hall R. Zabanick, Fonda, Brayton, D. Allen, Dennis, Dean, McConnell, Trumbull, Dirschall, Foote, Silvers, Farris.

1st Row: Kinyon, Stephenson, Smith, Hudson, Betts, Roach, Jones, Cranson, Barringer, Wilkins, Fowler.

Future Varsity Gridders

Dear Diary:

Fall, 1949

The future varsity lads, under the guidance of coaches Roy Houston and John Prevost, followed in the steps of their bigger brothers, the varsity and reserve, as the practice sessions went.

They worked hard along with the other squads, sometimes scrimmaging the reserves, preparation for a tough season's schedule. The boys were divided into two groups: one, a first and second string team called the future varsity regulars, and a midget team taking the name of the reserves. The fellows composing the squads were:

Bernard Allen, Daryl Allen, Forrest Ballard, Fred Barringer, Richard Betts, Lee Brayton, Wade Bressler,

Dan Camerson, Mickey Cochrane, Harold Corless, Tom Cranson, James Dean, Roger Dennis, Bruce Dillon, Richard Dirschell, Max Farris, Richard Ferguson, Roland Flower, Victor Fonda, Gordon Foote, Ed Gifford, Jack Hall, Jerry Helmer, Ned Himes, Harry Hudson, Max Kinyon, Mervin Luce, John McBride, James McConnell, Tom McLaughlin, Jack Northrup, Lewis Pearce, Paul Pope, Remus Rigg, Harley Roush, Jerry Silvers, Reid Silvers, Joe Simpson, Kendall Smith, Don Spencer, Lorenzo Stephenson, John Swain, Rex Snyder, LaVern Thompson, Maurice Troutman, James Trumbull, Bob Tucker, Joe Wilkins, Bill Walker, Lloyd Wood, James Zabanick and Richard Zabanick.

Varsity Basketball

Dear Diary:

Today 12 boys, three lettermen and nine of last year's reserve team, were picked to compose the 1949-1950 Varsity cage squad. Many hurdles lie ahead, the main one being, upholding their title of defending State Class "B" Champs, and also defending leaders of the Twin-Valley league for the past three seasons. This year's club is built around All-Stater Rex Corless, plus the capable talent in Gene Fry, Jim Rhodes, and Bob Simmons, who saw a bit of varsity service as a member of last year's State Championship quint. Dale Jackson, Bob Lyman, Lowell Maxson, Bob Cochrane, Joe Yope, Rodney Myers, George Worton, and Revel Ivey, reserve letter winners last year, bolster the nucleus of the team.

NOV. 29—The Cards tonight raised the curtain on their 1949-1950 cage season with a stunning 57-43 victory over a non-conference foe, the Three Rivers Wildcats. The Cards had to stage a belated rally to clinch the hard-fought tilt.

DEC. 2—Before a packed home crowd at the Armory the Redbirds copped their first T-V triumph at the expense of the Albion Wildcats. The Cards, winning 52-32, made up for Albion's brilliant one-point upset the year previous.

DEC. 9—As quickly as they rose they fell, bowing to an under rated Lakeview Spartan unit. This defeat did not drown the Cards' hopes though as they worked furiously for their next important engagement, that with the league leading Marshall squad.

DEC. 16—Their hopes of a fourth T-V title seemingly vanished into the dark shadows, as an inspired Marshall Redskin climbed into the conference lead with a surprise 42-41 tilt over the stunned Cardinals.

JAN. 3—Traveling to the Capitol city the Cards got back on the road to recovery as they neatly trimmed the lofty East Lansing Trojan outfit by the impressive score of 57-38.

JAN. 6—Regaining more of their vaunted poise that had brought their predecessors three straight championships and a class "B" State title, the Cards trampled the Adrian Maple Leaves, 48-35 for their second straight triumph.

JAN. 10—Coach Dave Dillions "hot and cold" Sturgis Trojans were next on the list as the Big Reds rolled to an impressive 57-47 victory, making it three straight.

JAN. 13—Coldwater racked up their fourth successive win with a 47-28 romp over the opposing Hillsdale Hornets.

JAN. 20—Entrenched in second place of the T-V loop standings, the Cards made doubly sure of further prestige with a second victory over Albion, 50-34.

JAN. 27—Coldwater, fired up with the memory of a previous one-point loss to the Spartans vindicated their setback as they leveled Lakeview, 56-38, thus putting their record at six straight.

FEB. 3—In the game of the week Coldwater settled their account with Marshall as the Redbirds posted a

decisive 67-51 triumph on the credit side of the ledger. This win elevated the Cards into a first place tie with the Redskins.

FEB. 10—Shooting for the coveted Twin Valley trophy in hopes of making it a fourth consecutive one, the Cardinal hoopsters set the East Lansing Trojans down a second time with a taunting 49-35 win.

FEB. 17—For their tenth straight conquest the classy Cards banished the wilted Maple Leaves of Adrian to the tune of 64-43.

FEB. 24—Running into an "up" Hillsdale squad that had pulled a couple of surprising upsets earlier in the season, Coldwater had to fight hard and settle for a slim 38-31 victory. This was the final conference tilt, and by winning the Cards put their record at eleven straight with a total of 12 wins and 2 losses for the season.

DISTRICT TOURNAMENT PLAY

MARCH 2—In the opening game of the district tournament at Sturgis, the Three Rivers Wildcats topped Coldwater's defending Class B Champs, in a game that was regarded a major upset in the infant tournament play, by the meager margin of 42-40.

Besides being Twin Valley Champs this year, the Cards also had four men, all seniors, on the squad who received additional honors by being placed on mythical all-star teams.

Rex Corless, twice previously an all-stater, was a unanimous choice for a first team all-state berth on three Detroit newspapers, *New, Free Press, and Times* and also the *United Press* ratings. Besides these honors, Rex was played on the T-V All-Conference first team, for the third straight time in his three year stint with the Redbirds.

Jim Rhodes, who ranked third among the T-V scorers, also received an all-conference first team position.

Gene Fry, playing brilliantly all season, took a T-V second team rating, being nosed out of the first team division, by one vote.

Bob Simmons, another member of the first five, by his alert and clever play, was given honorable mention.

1949-1950

Dear Diary:

The CHS basketballers have set a record that will probably never be broken. They have won their fourth consecutive undisputed T-V title! In a league that is considered the toughest Class "B" in the state, that was quite a record. In 1947 they won 14 and lost two during their regular season. In 1948 they won 15 and lost one. In 1949 they won 14 and lost one to go on to win the State championship. You'll never find a team like the one in '49.

After all these marvelous squads, the townspeople said that another TV title couldn't be won by our varsity basketballers. Nevertheless, in 1950 they came through to do it again with a 13 win and but two losses. "You aren't licked until you mentally give up," ought to be their motto.

Of course, this feat could never have been accomplished without an excellent group of coaches. Along with our famous Coach Eby there was Coach Reed Laughlin, who has since then brought his Port Huron boys to final state competition three times; Coach Dave Dillon, who has resided at Sturgis for the past two years; and Coach Bob Livermore, who has been Eby's "right hand" man for the past two years. Each one had his bit to add to the teams.

Here's a quick run down of this year's team:

REX CORLESS is first and foremost on everyone's list. This was his third year as a varsity letterwinner and in that time he has racked up 986 points, with a high of 256 this year to take the T-V scoring honors for the third time. He has been an All-State choice each year, this year being chosen unanimously by all Detroit newspapers for the first team. Rex was chosen for the all-conference team for the third time. CHS will have to look way into the future to find anyone who has the athletic ability to compare with that of Rex.

JIM RHODES, another three letterwinner, in his senior year proved to be the most improved player on any T-V squad. He injured his knee while playing freshman football and had played with this handicap until last summer when an operation cured him of this. With-out his 14 point per game average, along with that of Rex, CHS wouldn't have won its fourth title. Jim is an excellent ball handler, both in out-court play and underneath the basket; he plays an exceptional floor game all the way. Jim finished this season with a total of 201 points to place third for TV scoring honors. He also won a first team all-conference berth.

GENE FRY is another senior winning his third varsity letter. He hasn't received a lot of publicity, but without him CHS wouldn't have had much of a defensive team. Many realized that even though Gene's point column did add up to 20 or 24, he was one of the most valuable players on the floor. If it hadn't been for his interception to that ball during the G. R. Goodwin semi-final game in 1949, CHS would never have won the State championship. Gene showed us this season he could score if given the chance. Last year he made the second all-conference team and was to be an alternate for the first team this year, but the coaches decided to put five on the first team and the others were to be on the second team. Gene lost out by one vote. Even if he didn't make it, we all feel he's first team material.

BOB SIMMONS, a senior, won his first varsity letter this year when he came up and capably filled the forward position left open through graduation. He was a fast man, and turned in a good floor game. He wasn't a great one to score, but somehow he kept pep and snap in the fellows. Bob drew an honorable mention on the all-conference team.

LOWELL MAXSON, another senior, won his first varsity letter this year also. Lowell went in a lot as a sub-

(Continued on Next Page)

Varsity Basketball

stitute and each time turned in a very good performance. He could befuddle the opposition, and had plenty of spirit.

BOB LYMAN, a junior, won his first letter this year and everyone has hopes that he'll be able to slip up into Fry's defensive position. He got off the floor and intercepted many of the balls to break up a lot of plays that were needed to win the games. Whenever he was needed, he was right there to help.

DALE JACKSON, a sophomore, winning his first letter, turned in a wonderful performance and proved what a valuable player he's going to be. His inexperience didn't seem to hinder him and often he cleverly broke up plays under the basket. Next year Dale should prove to be one of the better players.

REVEL IVEY, a senior, won his first letter this year. Although he didn't see a lot of action, he somehow always seemed to be the life of the party. He stuck it out for practices and tried to bolster spirits when they needed it.

JOE YOPE, another senior winning his first letter,

saw some service, but not as much as the others. Joe's one of those fellas who can get all A's and still be an athlete.

BOB COCHRANE, still another senior winning his first letter, has been a faithful follower. He didn't see too much action, but when he did he proved capable of doing the job.

GEORGE WORTON, a first letter winner and a senior, was one of the fellas who came and practiced faithfully, yet he didn't play too much. He tried and succeeded to play as the coach wanted him.

RODNEY MYERS, winning his first letter and graduating this year, was another fellow who showed up at practice and when the time came, he could turn in the performance if necessary. Not everyone can play all the time, but when needed he'd do his job.

Diary, something well worth mentioning is the fact that Rex, Gene, and Jim have played in 59 games and out of that many have lost but seven — all by one point! Each year they have advanced into tourney play and have proven themselves capable of most anything. CHS will have to hunt far and wide to find a trio like this one.

Dear Diary:

Always looking for talent from the ninth and tenth grades for future varsity material, Mr. Livermore set to work immediately on the fundamentals of the hardwood game.

The Future Varsity

Dear Diary:

1949-1950

This year the F. V. has a new coach, John Prevost. He taught the F. V. boys a new style of ball that worked efficiently. The new style was a duplicate of the Varsity's checking system.

To start the season the F. V. played the State Home in ag ame that had two four minute overtimes but the F. V. still came out ahead, 27-25.

The next game was with the St. Charles Varsity. This was a close game all of the way but the F. V. came out ahead, 29-26.

Then the F. V. traveled to Bronson to play the next heartbreaker. In a three minute overtime Bronson got a two point lead and won 23-26.

On a return trip, St. Charles was out for revenge and got it. It was a neck and neck game

all the way but St. Charles gained a lead and kept it. The game ended at 40-36 favor of St. Charles.

Sturgis came to Goldwater for the next game. The F. V. made a comeback with a win over them. The final score, 43-41.

Next on the list was Quincy Reserves which the F. V. played at Quincy. The F. V. outplayed the little Orioles, 31-17.

Quincy came back the following week with blood in their eye, but the F. V. turned them back with a defeat to the tune of 31-27.

The last game for the Future Varsity was with the State Home. The F. V. played a sizzling game, pulling away from State Home, 14-6 in the first quarter and finishing the game, 57-26.

Varsity Baseball

Dear Diary:

1950

Head Coach Bob Livermore's 1950 Varsity baseball crew slated to play a grueling 12-game schedule, five more than last year, started grooming themselves into a full fledged squad as veterans and rookies prepared to clash for first line berths.

The Cards, who shared a T-V loop diamond title with five other rival clubs last year, prepared this spring with the intention of snatching the coveted crown outright.

The possibilities of a winning team are potentially great as the Cards greet eight lettermen. Rex Corless, pitcher, infielder, outfielder. Jim Rhodes, pitcher, outfielder. Bob Simmons, Lowell Maxson as fly catchers, and Gene Fry, second base guardian. Dale Rubley, catcher, and Bob Cochrane, first baseman, both seniors. Bob Lyman is back at shortstop. Other members expecting to see action with the Varsity include freshman, Bruce Dillon; Sophomores, Dale Jackson, Leon Zabonick, Bill Connell, Dave Bennett, and John Shiery; Juniors, Erwin Corless and Harold Raymond; Seniors, Joe Yope, Maurice Strong and Ray Weakley.

April 17. Having spotted the Bronson Vikings five runs, the first four innings, the Cards maltreated four Bronson hurlers in a big fifth, as they chased home eight runs. Coldwater continued their batting binge as they tallied a 5 to 10 triumph in a non-conference fray.

April 12. With Dick Ditto of Marshall and Jim Rhodes locked in a torrid pitching duel, a lucky Redskin nine finally emerged with a 4 to 3 triumph. Jim Rhodes toed the slab.

May 1. Playing hosts to Union City in a non-conference affair, the Cards started a belated rally that netted them two runs, and a 5 to 4 triumph. Dale Jackson relieved Bill Connell.

May 2. Playing their first T-V game at home, the Cardinal nine took things in stride as they walked all over Lakeview, 10-1, for their first conference victory. Rex Corless went the distance.

May 3. Hosting Albion, Coldwater nipped the Wildcats 2 to 1 in a dramatic contest. Sophomore Dale Jackson got his third win.

May 5. Traveling to Adrian the Cards snuffed out a late Maple rally to gain a 6-4 triumph, for their third straight T-V win. Jim Rhodes hit the .500 mark.

Reserve Baseball

Dear Diary:

This year 52 boys answered Coach Prevost's call for players on his reserve team. This is the largest number of boys going out for reserve baseball in many years, thus, the competition is very keen.

The reserves had more games this year than ever before. Four of last year players, who were on the reserve last year, moved to the varsity. There are a few reserve lettermen back from last year.

This year's team is made up mostly of freshmen, a few sophomores and one or two juniors.

TOP ROW: COACH EBY, WEBBER, WALLACE, WALKER.
2nd ROW: AYERS, RYAN, SIMPSON, JONES.
1st ROW: BROWN, JOHNSON, WILLIAMS, DYGERT, WALKER.

Golf

Dear Diary

Spring, 1950

Coldwater's hopes of a championship golf team were greatly bolstered this spring, as three varsity letter-winners of last year turned out to form the nucleus of the 1950 team. Along with them were able Dale Ryan and Charles Williams who formed the remainder of the team.

Nine meets are scheduled for the season, three of them, with Albion, Hillsdale, and Marshall, already having been played. The Cardinals won all three of these games.

The team this year certainly has the experience for taking the crown. Dave Ayers, No. 1 man, is now in his fourth year as a varsity golfer. Jack Walker and John Dygert, No. 2 and 3 respectively, have two years behind them. Dale Ryan and Charles Williams, who alternate as the fourth man, are in their first year of varsity competition and are proving to be very capable.

Let's hope we have another golf trophy in our case at the end of the season.

TOP ROW: COACH WEEKS, LANGWORTHY, STEPHENSON, QUIMBY, ZABONICK, SMITH, BROWN.
1st ROW: WILKINS, BRESSLER, FONDA, DENNIS, THOMPSON, McCONNELL, BRAYTON, MAY.

Tennis

Dear Diary:

Spring, 1950

This year nine boys reported to the initial roll call of the tennis team, coached by Fred Weeks and Ralph Moden. There are four returning letter winners from last year: Charles May, Bob Thompson, Tom McConnell, and Victor Fonda. As newcomers, there are Lee Brayton, Joe Wilkins, Lorenzo Stephenson, Wade Bressler, Jim Zabonick and Larry Langworthy.

The team has already played four matches—they beat Howe, May 3rd, lost to Adrian April 26th, and Lakeview, April 20th, and received fourth place in the Twin Valley meet, May 6th. With every match and day of practice, the Cards are developing rapidly and should prove to be a tough crew before the remaining three games have been played.

The team, being greatly inexperienced this year, can look forward to next year with brighter hopes due to the fact that only one of them, Charles May, one of the top performers in his field, will graduate this year.

Top Row: Pope, Maxson.
 Fourth Row: Coach Houston, Sturgeon, Allen, Himes, McConnell, Cranson, Camerson, Otis, Knapp, Corless.
 Third Row: Bovee, Spencer, Treacher, Pearce, Kusel, Brayton, Tucker, Stephenson, Riggs, Gilbert, Myers, C. Green.
 Second Row: Peavey, Brown, Luce, Smith, Miller Bennett, Secord, Ford, Harvey, Gruner, Grigg.
 First Row: Lockwood, Troutman, White, Sieg, Clark, Byers, Granger, Sherman, Yope, Corless, Corless, Hurley.

Track

Spring, 1950

Dear Diary:

The interest that was shown in track this year has raised the hopes of track success in the future years. The squad of 1950, coached by Russ Green and Roy Huston, had eight returning lettermen; they are Carlos Clark, Don Byers, and Seton Bovee in the dashes; Rex Corless, star high and broad jumper; Cliff Granger in the hurdles; and Rodney Myers, Fred Lockwood, Russ Peavey back to participate in the distances.

The Cardinals opened their season at Lakeview and came out in the long end of a 61-3/5 to 42-2/5 score. As the season progressed, the Adrian meet was rained out; then the thinclads traveled to Marshall to take a 79 to 31 defeat.

At the Albion Invitational, Rex Corless won the class "B" high jump with 5'10".

Dasher's Carlos Clark and Don Byers were elected co-captains of the 1950 squad.

The schedule for the rest of the season was as follows: Sturgis, Twin Valley, Albion and Regional.

We're proud of our track team. They've shown great improvements this year.

Top Row: Coach Eby, Lyman, Jackson, Corless, Raymond, Treacher, Sturgeon, Coach Livermore.
 Second Row: Bovee, Peavey, Worton, McCurley, Maggart, Myers, Yope, Stansell, Dennis.
 First Row: Cochrane Ivey, Byers, Clark, Lockwood, Fry, Corless, Simmons, Rubley, Rhodes, Maxson, Freeman.

“C” Club

1949-1950

Dear Diary:

In the spring of '49 we held our election for the forthcoming year at our annual banquet. The following were chosen: Bernard Hoogenboom, president; Gene Fry, vice president; Rex Corless, secretary; and Fred Lockwood, treasurer.

Per usual we met just before school started and set up training rules and also made out the roster for the coming year. Because of "Hoogies" transfer to Michigan City, Indiana, Gene Fry took over the presidency at this meeting.

The "C-Club" sponsored two dances, the one after the Sturgis football game on November 7, was better known as "Homecoming." We had our football raffle that evening. The football went to Mr. Rowe, one of our janitors. The other dance was a sock dance after the East Lansing game on January 16. In addition to these things we have entered into several projects to better the athletic conditions of C.H.S.

Our biggest project this year was the purchase of the new basketball scoreboard with the help of the Senior class of '49.

We feel this year has been a good one.

Senior High G. A. A.

Dear Diary: 1949-1950

September 28, 1949, the General Board which consists of Jane Smith, president; Harlene Bond, vice president; Shirley Bonham, secretary; Barbara Engle, treasurer; Joan Watson, sports manager, met to organize the years' activities.

October 31, again we were proud of our club that won first prize on its Halloween float which it entered in the parade tonight.

Tonight, Monday, October 3, we opened our volleyball season. Approximately 200 participants turned out for this successful intramural activity.

December 20, 1949, the championship volleyball game was played with Barb Engle's team the champs. The team was composed of Joan Watson, Sally Lindquist, Pat Bodie, Jo Ellen Butters, Diane Hammond, Mary Ellen Parks, Jo Ann Smullen, Shirley Zabonick, Vicki Tropp and Phyllis Worden.

January 9 marked the beginning of our most popular sport, basketball.

We formed two leagues and the winners of each league played for the championship title. Joan Watson's team reigned victorious on May 10, when the deciding game was played. Sharon Facklam, Joan Pillsbury, Janie Smith, Louise Olmsted, Joyce Schlubatis, Joyce Stout and Mary Rowe made up this team. This team was also honored by the fact that Miss Ruth Lang, advisor awarded the eight senior girls with gold G.A.A. pins, which is the highest honor in G.A.A.

April 3 found us busily beginning three minor sports: badminton, softball and tennis. These offered many girls the opportunity to display their hidden talents. (Another new highlight this year was the naming of an honorary team after the close of each sport. The names of the girls making the honorary team are posted on the G.A.A. bulletin board.)

Junior High G. A. A.

May 18 found us dejectedly bringing another triumphant G.A.A. year to a close. We celebrated the conclusion of our years' activities by a spree tonight at Waterworks' Park with a potluck supper followed by a campfire. The awards were presented to their respectful winners by Miss Ruth Lang, who directed the G.A.A., at this time. This fling officially ended the G.A.A. season for the year of 1949-1950.

Eight seniors received the highest honor in G.A.A., announced Miss Ruth Lang, advisor. Gold G.A.A. pins were given to Sharon Facklam, Janie Smith, Joan Watson, Joyce Stout, Joyce Schlubatis, Louise Olmsted, Joan Pillsbury, and Mary Rowe.

Nine juniors received large C's and 33 sophomores received small C's. 43 freshmen were awarded their numerals, along with 80 Jr. high students who were given gold arm bars.

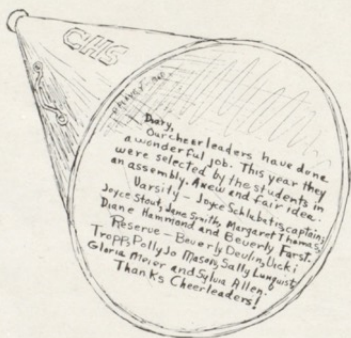

The volleyball champion for Senior high was Barb Engle's team. Joan Watson, Sally Lindquist, Pat Bodie, Jo Ellen Butters, Diane Hammond, Mary Ellen Parks, Jo Ann Smullen, Shirley Zabonick, Vicki Tropp and Phyllis Worden composed the championship team. The Jr. high champs were Pat McKeith, Mary Way, Sonja Maurer, Doris Blanchard, Alice Harris, Barbara Hills, Joanne Sortwell and Sally Elliget.

In Sr. High Joan Watson's team reigned victorious as basketball champs. Sharon Facklam, Joan Pillsbury, Janie Smith, Louise Olmsted, Joyce Schlubatis, Joyce Stout and Mary Rowe made up this team. The Jr. High winners were Carolyn Reppert, Joan Miller, Janie Soule, Barbara Sperbeck, Barbara Stevenson, Jean Forrester, and Geraldine Greig.

As we go to press, the volleyball tournaments have not been played off.
