Dearborn, Michigan.

Dear Sir:

At our meeting tonight final arrangements were made on our trip to Dearborn. There will be between sixteen and twenty members to come.

We will come into Dearborn on U.S. 112, and will arrive at about eleven o'clock, or possibly at a little before that time.

We assure you that we are very grateful to you and to your officers and members for making this trip possible, both for the seniors of Coldwater High School and for ourselves.

Very sincerely,

Secretary
