# DEDICATION

We, the Seniors of 1958, wish to dedicate our annual to the teachers of the Bronson Community Schools. As we look back over the past twelve years, we appreciate their untiring effort, encouragement, and understanding.

We have finally reached the first plateau in our education. As we go forward into the future, we realize the valuable gifts our teachers have unselfishly given us--gifts we can never repay, but for which we are humbly grateful.

Charlene Kay Keeslar

## APPRECIATION

We wish to take this opportunity to publicly express our appreciation to the staff and all the members of the class who helped develop the 1958 Viking in any way. Most of all our appreciation goes to our sponsors, Mrs. Haenni and Mr. Zbonick, for without them the Viking would never have been the success that it is.

# Class History

It was the year of '54  
When first we entered the door  
Of dear, old Bronson High -  
But please don't ask us why.

Our freshman year was a scream  
'Cause all we did was dream,  
The teachers were holding the bats,  
But WE soon changed all that.

As sophomores we began to learn,  
And for our freedom we did yearn,  
For we finally realized  
That this was no paradise.

As juniors we were very proud,  
And felt ourselves above the crowd,  
"Moonlight and Roses"  
Oh, oh, our poor "toeses!"

Seniors are we now!  
(But we don't see how!)  
With the senior trip and all,  
We sure had a ball!

Now Commencement has come,  
And we're not quite so dumb,  
It's been a long, long mile,  
But it's all been worthwhile.

## Senior Advisors

Mrs. Haenni, home economics teacher at B. H. S., began teaching here in 1956. This year she also took the job of being an advisor for the senior class.

She has been a tremendous help in preparing us for our senior trip, and we are sincerely grateful for her patience and full co-operation.

We of the Class of 1958 extend our wholehearted thanks to Mrs. Haenni for her untiring work with us, and particularly for help to the Viking Staff.

Barbara Green

As one of our class sponsors this year, Mr. Zabornick has really done a great job in helping us to reach our goal, the long-awaited senior trip.

He has given up a lot of his time to help us with our projects, and when we have fallen down along the way, he has always been there with a word of encouragement.

The senior class as a whole thinks he has been one of the best sponsors we have ever had. We are deeply grateful for all his time and effort.

## "Come Out of the Closet"

Seated, left to right: M. Lepird, Jennie; R. Kibiloski, Officer Sweeny; N. Herman, Mr. Cutter.  
Standing: D. DeBolt, Ammonia; M. Walker, Mrs. Malone; J. VanPelt, Hilda; S. VanHusan,  
Irene; R. Schafer, George; B. Hehnke, Hercules; B. Sieger, Abby; S. Rumsey, Guthrie Rosewater.

Three girls from Ohio - Hilda, Irene, and Jenny - are compelled by circumstances to rent an old, gloomy, run-down apartment from a greedy landlady on their first night in New York. And WHAT a night it turns out to be!

Trying to save money, Hilda and Irene tell Mrs. Malone, the money-mad landlady, that Jenny is merely a friend who is helping them move in. Jenny will have to hide in the supposedly unused closet - when and if the key can be found. Unfortunately for Jenny, she isn't there to protest the scheme.

Directly across the hall live Mr. and Mrs. Cutter and their week-old baby. And then there is Guthrie Rosewater, probably the most modern of the modernistic poets. "Elderly" Abbie Phillips, his "Muse," is taken with fits of screaming, and Jenny is so shaken that she hires Hercules Jones as a bodyguard. Hercules and Irene's fiance, George, have an argument about who should protect the girls, and things really begin to pop when Officer Sweeny comes on the scene.

"Come out of the Closet," a mystery-comedy, was directed for the Juniors by Miss Patricia Chisholm.
