MEDICAL EXCELLENCE. COMMUNITY COMMITMENT.

WE GO THE DISTANCE, SO YOU DON'T HAVE TO.

When you need healthcare, you don't want to wait long or travel far. So it's good to know that trusted care for the whole family is just a short drive from anywhere in Branch County, at the Community Health Center of Branch County. We bring you convenient access to a complete range of quality health services:

- Primary care for all ages, from newborns through seniors
- A cancer center, cardiac rehabilitation, orthopedics, emergency care, women's health, birthing care, pediatrics and more
- Surgery — including vascular, bariatric, urologic, podiatric, orthopedic and OB/GYN
- Home health and hospice
- Lab and pharmacy

Through the Telehealth Network, our physicians consult with specialists across the region — expanding local access to the nation's best practices. And our Union City Medical Center brings you more options in care.

The people you know. The care you trust.

INTERACT CLUB of Coldwater High School (www.coldwaterschools.org/interact)

The Interact Club of Coldwater High School is a service club sponsored by the Coldwater Rotary Club. Since 1991, Interact has been providing service to both C.H.S. as well as the community of Coldwater. The goals of Interact are quite simple: 1.) to promote the idea of service to our local community, and 2) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in this year.

In regards to community service, over half of our members are involved in a "lunch buddy" program established by Big Brother/Big Sisters at Max Larsen and Lincoln Elementary Schools. We are in the process of setting up a tutoring program at Legg Middle School. In conjunction with the Jaycee's we organized this past year's Christmas in Coldwater food drive in the High School and this year the school contributed one thousand pounds of food to the food pantry. We "adopted" four children at Christmas to make their holiday a little more special. Our organization participates in the Big Brothers/Sisters Bowl-A-Thon and has raised money for various community agencies such as Shelterhouse and the Sheriff Department's rescue dive team. We are an original sponsor of the Greater Hospice Duck Race, contribute to Relay for Life as well as Branch County's Walk for Warmth, and over 45 Interact members helped in the construction of Kid's Kingdom a few years ago. Our major club projects that each Interactor must participate in are the annual Senior Citizen Leaf Raking Day sponsored by the Coldwater Education Association and Sprucing up C.H.S. Each year we help to make the grounds of CHS look good for graduation. We have also made it a point to invite foreign exchange students into our organization and this year they have played an integral part in making or organization a success. We truly enjoy having them as members.

At C.H.S. we have given out over $14,000 in scholarships over the past 14 years to needy students, helped to purchase the new sound system for Cardinal Field, and the "Cardinal" on center court of the gymnasium was Interact's contribution to our school. We also spruce up the high school grounds getting C.H.S. ready for graduation. Interact members work concession stands and have the annual Interact Raffle as well as do other things to help raise the money needed to fund our various activities

Interact members have one thing in common; they care about themselves and the greater community that they live in. They are very involved in school activities and yet they find the time to give something back to our school as well as our community.

This has been a busy and exciting time for our club and we would like to thank the Coldwater Rotary Club for all there help and support. We would also like to wish them all the best with this year's Rotary Show. Congratulations on a job well done!

AUDIENCE PARTICIPATION

"God Bless the USA" - *Lee Greenwood*

(SOLO)

If tomorrow all the things were gone I'd worked for all my life,
And I had to start again with just my children and my wife, I'd thank my lucky stars to be livin' here today,
Cause the flag still stands for freedom And they can't take that away.

(Audience)

And I'm proud to be an American Where at least I know I'm free
And I won't forget the men who died Who gave that right to me
And I gladly stand up... Next to you and defend her still today
Cause there ain't no doubt I love this land God bless the USA

(SOLO)

From the lakes of Minnesota To the hills of Tennessee
Across the plains of Texas From sea to shining sea
From Detroit down to Houston And New York to LA
Well there's pride in every American heart And it's time we stand and say...

(Audience)

That I'm proud to be an American Where at least I know I'm free
And I won't forget the men who died Who gave that right to me
And I gladly stand up...*(cymbals)* Next to you and defend her still today
Cause there ain't no doubt I love this land God bless the USA
