1981-1982

ON THE WATERFRONT

Like the never-ending ebb and flo of the tides, life during the 1981-82 school year consisted of many transitions. Not long ago September arrived and we watched our carefree days of summer drift out beyond our grasp. We begrudgingly returned to the classroom where we hoped an occasional wave of spirit or friendship might lighten the educational rigors we must endure.

As we entered into these uncharted waters, we began to identify with unfamiliar faces and reach out in hopes of sharing the burden. Often the waters were rough because of team defeat, budget problems, or personal tragedies. Even these churning currents were somehow softened by shared ambitions, hope, and working together.

With final exams over and the last locker slammed shut, another voyage aboard the "UCHS" comes to an end. Each of us will vanish into our own private world with only fleeting memories of our long journey together.

Just as seashells and sandcastles along the shore remind us of days gone by, we, the yearbook staff, hope to preserve and remember could be included, we hope that you find yours

"The Community School concept is a reflection of the community and the school. Under this concept, the school is built and thrives through the active participation of community members. It exists not just for the young, but as a center of the community for the use of all. As a result of the community school, education is seen as an ongoing process in the lives of all people as long as they may live."

TEEF FIFT

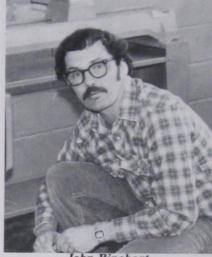

"The co-op and work experience programs are designed to give a student the opportunity to acquire job experience and knowledge while they are still in school. Students on this program are released from school from 1-3 hours a day to work in a local business for which they receive school credit. Students on co-op have received vocational training related to their jobs. Many students remain on their jobs as full time employees after graduation."

"We were competitive in '81 and with a couple of breaks, we could have been second in the conference. This was a young team, hit hard by injury and other circumstances that cost several would-be starters to be absent. Despite the odds, the team worked together and won a couple of close ball games near the end of the season. The team played its best game against the conference champions, Quincy, despite the final score. The boys deserve both credit and congratulations for their hard work during their winning season."

"The season on the whole was very successful. We started the season beating a very tough Olivet team and then went to beat four Big-8 Teams.

The highlight of the season was shutting out Homer. They came into the game undefeated in the conference and had beaten both Quincy and Jonesville. Union City lost to both of these teams earlier. With this victory, we proved we could compete with every team in the league."

HOMECOMING 1981: SAILING ON A CREST OF ENTHUSIASM

Sophomores floating with excitment.

Sophomore float: Candyland

Riding on a crest of enthusiasm, classes set sail to participate in Homecoming festivities. Sponsored by the Student Council, activities included hall decorating, float construction, mock olympics, and class skits. Every class was a winner at one time or another as they took part in Fifties Day, Hat & Shades Day, and Maroon & Gray Day. A major conquest was taken with the Junior float, while the Sophomores came back strong with hall decorating and olympic victories. Concluding the battle, the junior class stormed into port with a treasure chest of \$50. Attempting to build their coffers for future voyages, the seniors sold classmates into slavery, further heightening the week's fervor.

Breakers thundering in.

Swelling waves of spirit rose as the Chargers took the field on Friday night. Distress signals were heard from the Spartan team as the mighty tide of Union City rushed in. Caught in the undertow, the final score reflected the ebbing strength of Springport. Union City would once more celebrate a "victory at sea" Chargers 26, Springport 0.

"The girls team finished with a 12-9 record, 9-5 in the conference, good enough for the 3rd place finish behind Homer and Quincy. The team provided many exciting moments during the season with their fast break style of play.

The eighth winning season in a row for the Chargers was deep with tradition. The players take pride in the fact that other teams are shooting for them, and relish the challenge at every opportunity."

Chargers anticipating the pass

"The varsity team finished with a 7-14 record, 4-10 in the league. It was a steadily improving team that provided for the fans a fast, exciting brand of basketball. The highlight of the season was an overtime victory over arch-rival Athens, 69-63.

The fine seniors will be missed but the returning nucleus should provide the Charger fans with many exciting moments in the games to come.

Tyler Smith was named to the all-conference team while Thom Grohalski gained honorable mention recognition. Smith was also the leagues leading scorer and received All-State special mention honors in a past season selection by coaches and sportswriters."

"The wrestling season was a fantastic experience. Everything came up roses, we could do very little wrong. We were undefeated in duals but I think the greatest success was the fact that we had a fun year besides. These young men gave it their all and when that wasn't enough, they gave more.

This year the girls track team was able to break four school records with the help of Tammy Rathburn (shot put 33'6"); Malinda Brauker (2 mile-12:10.7); and Deb Spierling (880 run-2:22.4 & mile run-5:21.4). Running full speed ahead, Deb also competed in the Mile Relay at the State Meet. Navigating with her at state were Conference Champs, Cheri Colvin, Missy Herman, and Kristy Smith. Overall, it was a season of personal achievement and improvement.

"The Chargers were a very competitive dual meet team, led by Most Valuable Player Kevin Katz in the shot put and discus. They finished 3-4 in the conference competition. Katz placed 2nd in the discus at the regional meet and competed in the state meet held in Bangor.

Alan Herman was awarded the Most Improved Award. Herman was second on the team behind Kevin Katz in points scored and placed 5th in the regional in the 330 low hurdles.

Scott Fabiano was awarded the Hardest Worker Award. Fabiano ran on the freshman 440 and 880 relay teams and ran the open 880 run.

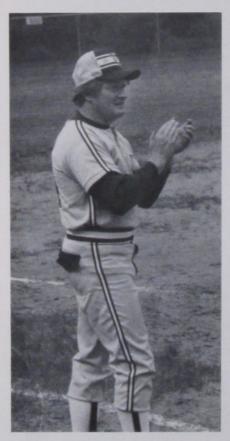

The team has a fine nucleus of young runners, which blended with experienced upperclassmen, should be a factor in the conference race in the years to come."

CAST ADRIFT

The annual band sponsored talent show was a huge success this year. A wide variety of acts were presented, such as, skits, vocals, dances and instrumentals. Senior funny-man, Brian Barlow served as Master of Ceremonies for the slightly chaotic evening. Outstanding acts included a vocal solo by Billy Goodrich, a "unique" take-off on the punk-rock group the "Go-go's" by Union City's own "To-go's", and the excellent sounds of the 18 piece Stage Band. The event-filled night ended, of course, with the Senior Boy's chorus line, who had been expertly coached by Amy Olds.

A NIGHT ON THE TOWN

A SAILOR'S DELIGHT

The 1982 Junior-Senior Prom, "Sweet Dreams", was a smashing success. Dinner and dancing were held at the Coldwater Country Club. Musical entertainment was provided by the band "Champagne". After that, there was bowling at Recreation Lanes. Night owls then went to various breakfast parties until the wee hours of the morning. Although the evening was stormy, spirits weren't dampened, even when the lights went out momentarily during dinner!

Our Filipino exchange student arrived in August from Zamboanga. Accustomed to a metropolitan population of 345,000, she had to adjust to Union City life. Her stay began with the Merchant family and progressed to the Priddy and Tassie households. While her visit provided her with many memories, Monserrat definitely missed her home in the Philippines. Upon her return to the islands, Monserrat will attend the University of the Philippines.

"As I reflect upon my senior year many experiences and frustrations come to mind: Graduation with new classmates-missing my old; less formal classes, friendships with teachers, choice of classes, lunch in school vs. uniforms, stress on academics, strict social code; TPing, tobogganing, skiing, homecoming vs. frigid winter, homework, giving talks, and homesickness."

SENIOR TRIP

Pam, Lori, Jennifer, Lynda, & Deb with a new "friend".

"We departed Union City during an evening thunderstorm, but spirits weren't dampened. The bus ride was long and poor Kevin didn't get much sleep, (not any more than the rest of us any way), but it was well worth it. The sun appeared as we stepped off the bus at the 1982 World's Fair in Knoxville, Tennessee.

With "Energy Turns the World" as the theme, it was appropriate that we had beautiful, sunny weather. For those of us who were patient enough to wait in a few lines, it was well worth it. The American and Chinese Pavilions were popular, as were the Sunsphere and Midway. Of course, everyone enjoyed the pool and playing hide and go seek with the chaper-ones at the motel."

Nice catch, Kim!

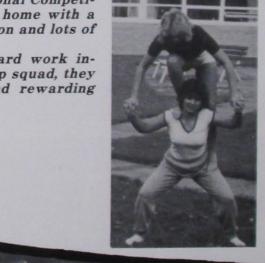

The Union City Varsity Cheerleaders started out their long season by attending a U.C.A. camp at Eastern Michigan University, and, to their surprise and delight, came home with a trophy and the title of District Champs. This was the first time a Union City squad had ever won such an honor.

The girls then traveled to Miami University in Oxford, Ohio, to compete in the Regional Competition. They returned home with a blue "superior" ribbon and lots of great new ideas.

Despite all the hard work involved in being a top squad, they had an exciting and rewarding year.

The 1981-82 J.V. Cheerleaders provided excellent crowd leadership this year. It was rough going for them in the beginning because all nine were first-year cheerleaders; but, through their hard work and persistence, they became a fine squad.

At their summer camp, they won several red and blue ribbons and at the Coldwater Cheerleading Competition, they came home with a very respectable fifth place award.

The girls all had a great time cheering and a very enjoyable year.

"The concept of "media" involves a variety of educational materials in different formats. To effectively run such a center there is a great demand for talented and dedicated media aides. These students are involved in circulating books, distributing AV equipment, and the maintenance of software. Aides also distribute REMC movies, inventory the collection, and help prepare purchase orders. While these du-ties are painfully routine at times, there are al-ways moments of frenzied rush or frantic laughter. This year's aides have been a tremendous help to me and a benefit to the media center ... I'm very proud of each and every one of them."

This year's President Kristy Smith led the council into many new areas that have not been attempted before. The result is that the council began to be noticed by the entire student body.

The council organized Homecoming activities and introduced a midwinter carnival called the Sno-Coming. Revenue from concession stands and the pop machine went toward two assemblies and college scholarships for four seniors.

The year ended with elections by all students in the school. This means that for the first time in years the council will be accountable to the students who elected them.

Thanks to Kristy Smith, Sara Cole, Jennifer Schragg, and Becky Hawkins, the 1982 student council will go into history as one of the better ones. These students led the council admirably."

MEMBERS

"1981-82 was a banner year for the National Honor Society. A record twenty-one new members were inducted at the all-school ceremony. This brought the total membership to twenty-seven. The traditional candle lighting ceremony included a description of the four qualities, scholarship, leadership, service and character, which a junior or senior must possess to be inducted into the society. A reception was held in the media center following the ceremony.

"Activities for this year included a book fair in the fall and candy sale in the spring. Also undertaken by the society was a new tutoring program. Members helped underclassmen who were having trouble with classes by tutoring them in small groups. The year ended with the annual NHS fieldtrip. The group drove to Detroit for a day of learning and fun touring the Renaissance Center and Greenfield Village."

Thank-You!

The yearbook staff dealt with many challenges in completing this book. Most devastating of all was the grim financial situation we faced. To this end, we wish to show our sincere appreciation to those businesses who purchased ads and our other contributors. Their financial assistance helped to make this book a reality ... not just a dream.

We also wish to express gratitude to the following people who aided in our photographic endeavors; to Dave Mathis for the prints he generously supplied, to the many others who came through in a pinch with negatives or key shots, and to Bopp's and Carousel Studios for printing our negatives even under severe time limitations.

To all the many others who made this book possible, THANK YOU ...
