Use what talents you possess;
the woods would be very silent
if no birds sang there except those
that sang best.

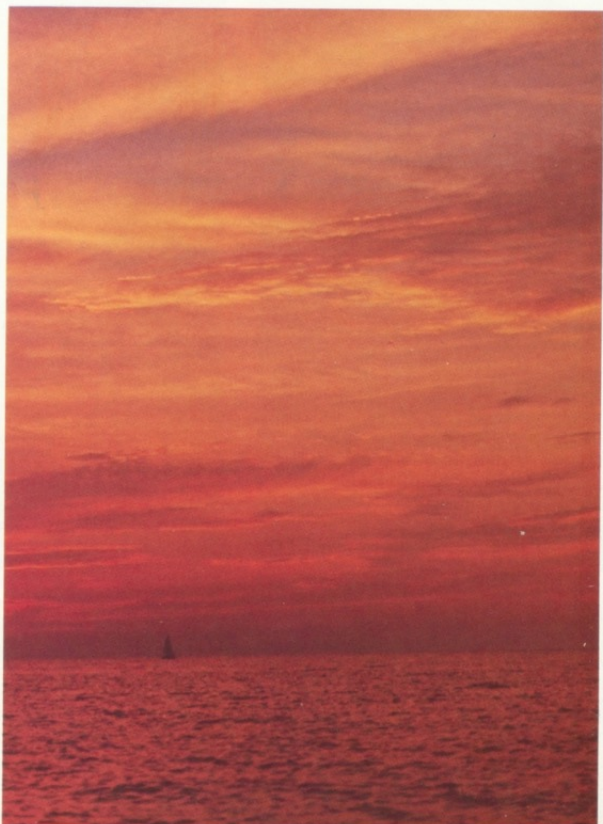

It is with life
as with a play —
it matters not
how long the action,
but how good
the acting is.

Seneca

If a man does not keep pace
with his companions, perhaps it is because
he hears a different drummer.
Let him step to the music which he hears,
however measured or far away.

Thoreau

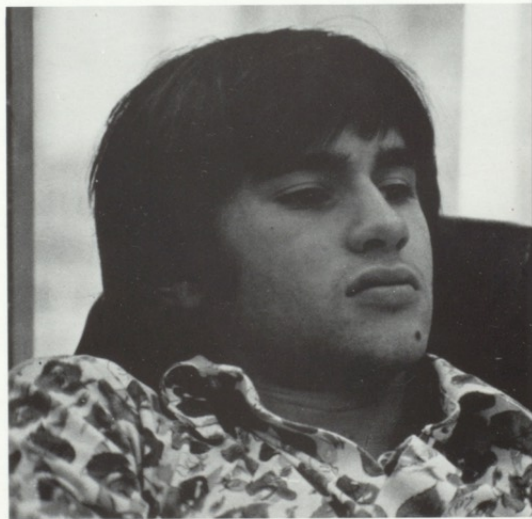

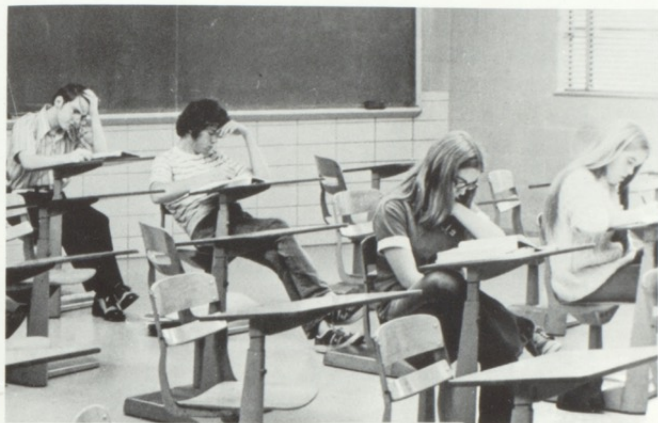

Throw my ticket
out the window,
Throw my suitcase
out there, too.
Throw my troubles
out the door.
I don't need
them anymore,
cuz tonight
I'll be staying
here with you.

Bob Dylan

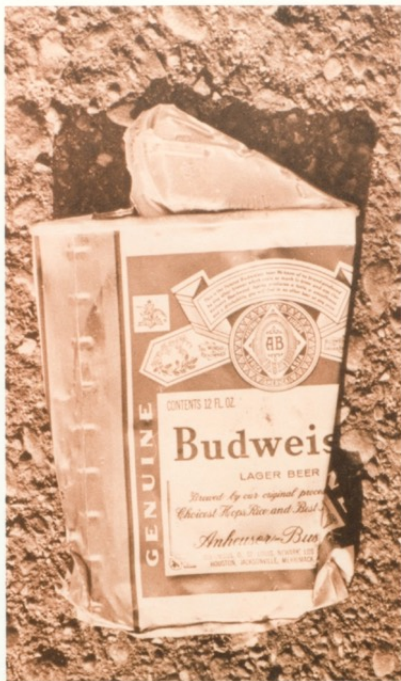

Happy are those who dream dreams
and are ready to pay the price to
make them come true.

Everything
has beauty
but,
not everyone
sees it.

people

From within
an echo searches
for a way out,
struggling
to be accepted
and released.
Anxiety
overwhelms
the total truth of it all,
as my conscience
suffers and yearns
to be understood.
Communicating
is not the answer —
I will always be unsure
from within.

Due to the lack in student participation the Mirror Staff has been able to put out only a few issues a year. A few years ago students enjoyed the Mirror bi-weekly. Purple Hayes can't do it all herself kids, so why not plan to make next year's paper (if there is one) a fantastic one? We know the kids in this shcool have lots of creativity and talent — a lot more than they think . . . all you have to do is spare the time.

Believe, It Can Achieve

Cards Are No. 1!!!

1973-74 was the year of the Cardinal as they won the first outright football championship ever for CHS. They beat all their Twin Valley foes and proved that individual stars are unnecessary for a championship team. They lost five key players for two weeks but pulled themselves together and won two very close and thrilling games. The Cards kept the crowd and themselves guessing who would win against Harper Creek and Marshall. The Beavers had the ball for the last five minutes inside Coldwater's 20 yardline but could not score on the staunch defense. The Marshall Redskins bombarded the Cards with an aerial attack and appeared to be heading for an upset. In the closing minutes however Coldwater's powerful offense maintained possession to thwart any ideas of a Redskin victory. The Cardinals manhandled the other Twin Valley teams fairly easy and proved that they were the best around. They outscored their conference opponents 159 to 89. All-Conference Honors went to Pat Weitecamp, Al Dow, Steve Stanekwicz, Larry Lewis, and Terry Baringer (both ways). Honorable mention went to John Stokes, Dave Martin, and Mike Klotz.

Mr. Sly**

This year brought a new Vocal Music Director, David Sly, to replace Skip Frizzell, who accepted a position in Muskegon. Mr. Sly has many plans for the music department next year, including re-vamping the Cardinal Choir. Due to an unfortunate accident this winter, Mr. Sly can be seen hobbling down the hall on crutches. Because of his illness the CHS Annual Musical was cancelled this year. However, an all-school play, "The Remarkable Incident At Carson Corners" was presented on March 16-17 to take its place.

B.A.C.C. Opens to Students

SEATED FROM LEFT TO RIGHT: ADMINISTRATORS: W. Wade Smith, Assistant Director; Ken Strong, Co-Ordinator; John Dygert, Director; and William Stanley, Industrial Director.

The Branch Area Careers Center opened last August to Juniors and Seniors from Quincy, Bronson, and Coldwater. Built on Morse street, this extraordinary piece of architecture has been viewed by many, both out of towners and localites. Exclusive in planning, the B.A.C.C. contains a mall area, individual program departments, a restaurant, canteen, student operated store, a television studio, and audio-visual center.

Tours have been frequently conducted through the Skill Center by qualified students. On these tours people view students in operation, utilizing the various tools and equipment available to them. Much money has been sunk into the tools used by students.

The B.A.C.C. has been beneficial to both the students and the general public. Organizations are invited to dine in the student-operated restaurant, then use the mall area for their business meetings. A tour of the facilities often winds up the day for these groups.

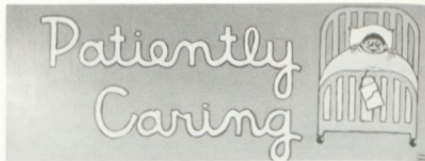

Students have not only learned a skill here at the Center, they have also learned to contend with the public in a working situation. Students can serve the public in the restaurant run by the Foods Classes, the Child Care students provide day-care training, the Auto Mechanics Classes service cars, the Graphic Arts Classes provide artwork, photography, and printing to businesses and organizations. These are only a few things pupils at the center do — all under qualified supervision. If you haven't already seen the kids at work, COME ON DOWN!!!!

That time of loving may not come again
and so I've saved the old loves one by one
to call back when the leaves fall down
and winter covers all the town
and now is next to nothing
compared to where I've been.

That time of loving may not come again
or if it does it might not be the same
The loves remembered, those that lost
have caught me living in the past
for now is next to nothing
compared to where I've been
and that time of loving may not come again.

Branch County Bank Backs Coldwater

Pictured are two of the three Co-Op students employed by Branch County Bank. We have enjoyed the association of these three fine students and wish them well in their chosen fields. Contributing to the education of the community is part of Branch County Bank's local responsibility.

Branch County Bank is also proud of the \$400.00 BCB Scholarship given in 1972 to Don Shemel who is attending Central Michigan University and in 1973 to Susan Hart, who now attends Eastern Michigan University. A similar BCB Scholarship is available each year as part of Branch County Bank's continuing search to serve the needs of Branch County.

Friendship Is the Only Cement That Can Hold the World Together

In producing a yearbook we must utilize the time and talents of many individuals. The 1974 Cardinal would like to thank the following people: René Poch of Colonial Studios, Jack Hills of the Sturgis Daily Journal, the teachers who let me out of my classes, the Office secretaries for information, Brian Dirschell and Tim Lenz for taking pictures, our Business Managers: Steve Stankewicz, John Vance, and Dave Martin for doing a great job, the small but mighty Cardinal Yearbook Staff, especially Carol Smith, Penny DuBois, and Terry Barringer, and a very special thanks to a great gal, Barb Kuntz, who stood behind me and gave me that extra kick in the butt when the going got rough.
