Foreword

The 1965-66 school year was a very busy and active one for the students of Quincy High. Classes, athletic meetings, and dances rounded out the year.

As the graduating seniors look through this year's ORIOLE, they will see and remember the many opportunities and challenges that were presented through experiences at Quincy High School.

Senior Memories

We will always remember how we broke the "square" tradition, by ordering our "round" rings.

Moments to Remember

As the year comes to a close, and we look back on our high school days, we will remember many pleasant, happy, and sometimes sad memories--all never to be forgotten.

In the next few pages we would like you to recall with us, these memories of the class of 1966.

Now alumni, we will never forget, and always be thankful we were once a part of Quincy High School.

Classes Resume

When school started in September, some classes were as boring as ever. So we passed the time by writing notes to each other, and most of them provided many hearty laughs.

Exchange Student

Ron had just returned from his trip to Holland, and he had many interesting tales to tell--mainly, how he broke his leg while unboarding the airplane.

Magazine Drive

The Magazine Drive was the first big event of our Senior year. Some of our girls helped tremendously by recording the daily sales.

Al's Augers

The famous senior "augers" will be remembered by all!!

Homecoming

Before we knew it, Homecoming was here. It was a heartbreaking moment when we discovered that we had lost the "Pep Jug" by only 1 point. We still had our "Pep Jug" that we rightfully earned... until someone "lifted" it out of the trophy case.

Bank Car

The familiar Bank Car was used to broadcast news of the games and plays. We all remember the fun we had with it and the trouble we almost got into.

Enthusiasm

After two days of cheering for our team, our voices became very hoarse, but.....

Wierd Lady

We still found time to make visits to the "WIIRD LADY" in Coldwater.

Skit

As we recall the festivities, we'll remember the 1st place we took with our skit, "Tarzan", and...

Yell Fest

Our original "Rip-snortin' yell."

Haunted House

After working hard on our float, "Haunted Houses", were a vital part of our night life agenda until

...

Royalty

The big moment arrived when our own Laura and Mike were chosen as King and Queen.

"Mr. Crane", our first all-school play, ended the first semester nicely. It made such a "smash hit" at Quincy, it was presented at the famous Tibbits Opera House in Coldwater.

Advisors

With the ending of the semester, came our beloved report cards. Our advisors, who played a VERY important part in our high school activities are overjoyed at the prospect of marking grade cards.

Mr. Crane

Locker Inspection

So the second semester began, and it was time to turn over a new leaf, making locker cleaning essential.

Economics Group

As studies began to get harder, the Economic Independent Study group was chosen.

The time flew, and graduation rapidly approached. With it came the ordering of caps and gowns. We will never forget the "heated" argument over burgundy and red robes!

Burgundy or Red??

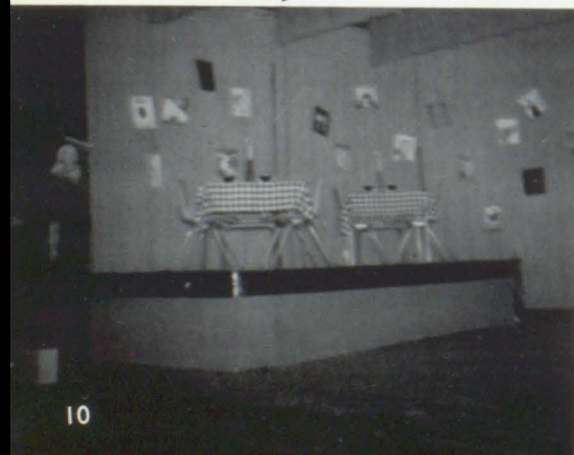

Soon it was time for the "Top 10" to be announced.

Top 10

As the time for the Jr. -Sr. Banquet approached, we all recalled our Banquet, CLUB DESAFINADO, which was so well carried out last year.

Banquet

Uncle Sam Wants You

None of the boys will forget this sight as they registered on their 18th birthday!

The seniors who served as sports captains and publications editors will be greatly missed next year.

Class Leaders

As always, with the end of the year comes "Senior Skip Day" but as we leave...

Skip Day

"To you we pledge our heart and hand Dear Alma Mater Quincy High."

Q.H.S.

Memories, Memories

Graduation will soon be here
As we near the closing year
Happy memories of days gone by
that we shared at Quincy High

Teenage dances were so much fun
Football games we lost and won
The ole pep jug was do or die
They're all part of Quincy High

Meetings in the hall between each class
Walking home after school
All the exams we didn't pass
The teacher we could never fool!

Class parties and Senior skip day
Filled with laughter all the way
But in secret our hearts will cry
On the day we say good-bye to Quincy High

Bill & Doree Post

1966 District Champs

The most prized event of the 1965-66 basketball campaign was the winning of the first district championship by a Quincy team in 15 years. (since 1951) The Orioles did it the hard way by winning three straight games. They defeated tourney favorite, Homer, on the first night of action, 73-65. Reading was their second victim, 79-70. On the final night the Orioles bombed Pittsford 77-49 to win the championship and the right to advance to the regionals at Battle Creek. Quincy's first draw in regional play was 4th ranked Middleville (18-0). The tough team, led by All-Stater, Rob White, eliminated Quincy 99-71.

Q.H.S. Student Council

The Student Council sponsored the annual Magazine Drive which made the biggest profit ever. The Council will contribute over half of the money for the new organ. In addition, it revised the outdated Student Association Constitution and did many other useful functions throughout the year.

OFFICERS: Mr. Reynolds, Advisor; Andy VanDoren, President; Sarah Lambright, Delegate at Large; Kathy Booher, Secretary; Richard Bermingham, Vice-Pres.; Don Lambright, Treas., Jack Budd, Parliamentarian.

Student Council Projects

SCOREBOARD

By saving enough money from year to year, the Student Council purchased a very nice football scoreboard, which was a badly needed item

WASTEBASKETS

The addition of the new waste-baskets throughout the school has made the students conscious of their duty to keep our beautiful school neat and clean.

PIANO

The piano that the Council helped buy last year has been very helpful in the school.

ORGAN

Recently, a new Hammond Organ was purchased by the school and the Student Council has helped tremendously toward paying for the organ.

Junior High Student Council

The Quincy Junior High Student Council has been very busy learning one of the most important facets of being a good representative--that is, how to represent the whole student body and not just one person's view. A few of the projects undertaken by the Council this year are building school spirit and promoting campaigns to keep our lockers and halls clean and pleasant. The Council also contributes annually to the United Fund. It has also moved to help purchase the school organ along with the Senior High Council and other clubs.

Science

Left to right: Gerry Smith, Treasurer; Jack Budd, Parliamentarian; Mike Budd, President; Marilyn McCann, Secretary; Tom Oxenham, Sgt. at Arms; Kathy Booher, Vice-President; Mr. Michael Snyder, advisor

Science Club, under the supervision of Mr. Mike Snyder, had an active year which included the purchasing of club pens and a trip. This year the club donated \$10 for the Hammond Organ and \$5 for the United Fund.

Craig was the 1964-65 scholarship winner sponsored by the Varsity Club. He is now attending the University of Michigan. Jerry was chosen by the Club as the 1964-65 senior "Athlete of the Year." Jerry is enrolled at Taylor University.

Varsity Club officers for 1965-66 are Bill Rhoades secretary; Larry Marvin, Don Lambright, vice president; Al Himebaugh, president; Don Cook, sergeant-at-arms; Mr. Dan Ludlow, advisor; Mr. Ron White, advisor. Missing is Stan Banker, treasurer.

Varsity Club

The 1965-66 Varsity Club sold pens with the basketball schedule imprinted on them, maintained the coat check for home games, and donated to the United Fund and the Organ fund. Other projects include the annual club picnic at Pokagon, and donating funds for the possible purchase of a rotating picture rack for athletic photos for the gym foyer.

The Club will again award a \$100 scholarship to a deserving member of the Club as well as award the perpetual trophy to the senior "Athlete of the Year."

The Future Homemakers of America have had a very busy year. Under the guidance of their dedicated president, Sarah Lambright, they have undertaken regular fudge and brownie sales, much to the delight of Q. H. S. students. The members have been kept busy throughout the year with various projects. Points are awarded for participation in projects with the members with the greatest total points going to State Conventions at Grand Rapids in the spring.

Concessions

The Concessions Club has had a truly successful year. The money that is obtained from the selling of concessions is distributed in four primary ways. First and most necessary are the monthly bills which must be paid for our supplies. Some of the money is then delegated for worthy causes and for gifts to the school. One of the most recent gifts given to the school are the rubber mats in the gym. Finally if there is money left over a party is usually given for the members.

This past year committees have been set up to organize the club and write a constitution.

G.A.A. and Gymnastics

This year the Girls Athletic Association was off to a good start, with a powder puff football game. Miss Irene Peters, the club's advisor was very helpful, in offering new ideas and keeping the girls under control.

The association hopes to continue their fun and to help the girls learn new skills in gymnastics and the physical education field. They ended the year with a swimming party, which was followed by a pizza party.

Band Activities

The new Quincy Band started a very successful year by entertaining at half time for all the home football games. The most spectacular performance was one which featured our new director, Mr. Harry Blake. Mr. Blake, who ranked fifth in the nation for his baton twirling, did a routine to "On Wisconsin." Since 1962 he has retired from competition.

On October 2 the band attended Marching Contest at Marshall and received a second division rating. The next big event for the band was Band Day which was held at the University of Michigan. Our annual Christmas Concert was held on December 15.

The band looked forward to such events as District Contest on February 19 and the possible attendance at the State Contest. The Spring Concert was held in April and this year Quincy had the honor of being chosen to host the 1965-66 All-Star Band.

The candy sale was very successful this year. The band was divided into two teams, with the losers having to foot the bill for a party. They cleared \$650 on this project and were able to purchase risers for the band room.

The 1965-66 Quincy High School Band was led by senior, Barbara Hall.

Orioles Best Since '59

The 1965 Oriole team played a memorable year of football as they started the season with a victory over Homer. They came on strong at the end of the season to beat Bronson, establishing the Orioles' hold on second place in the Little "C" Conference. The team boasted the best record since 1959. The Orioles displayed their best performances at Athens and with Bronson. The hard-fought Athens game was decided by breaks. Since this year's team was primarily juniors, most of the boys will be back next year with high hopes for a winning season.

High Hopes for 1966-67

A young Oriole cage team that finished in a fourth place tie with Athens in league play, is looking forward to next season's campaign. The 1965-66 club consisted of only two seniors, eleven juniors, and one sophomore. The overall team record stands at 10 wins and 11 losses. This year's squad showed good balance in scoring, rebounding and defensive ability. Top scorers were Don Cook, Don Lambright, and Dick Bermingham. Leading rebounders were Dick Bermingham, Steve Shook, and Don Cook.

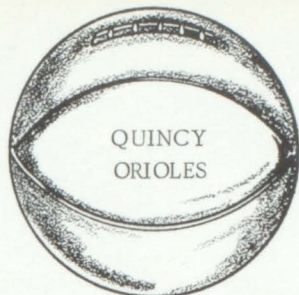

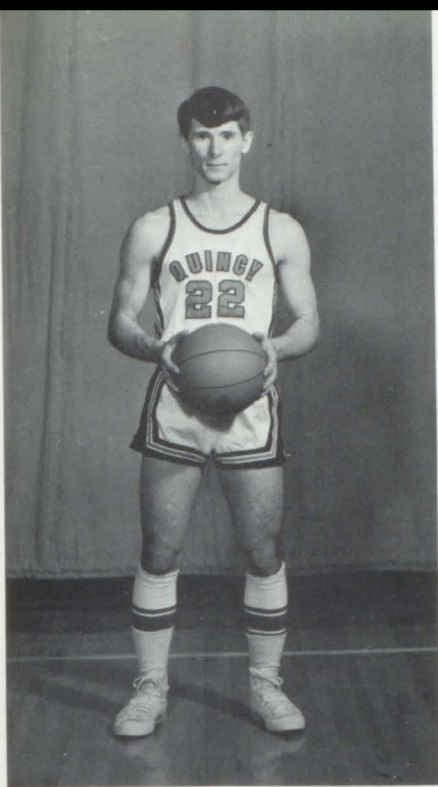

Coach White discusses tournament strategy with "Coach" Abbott.

Juniors Sponsor Tip-Up

This year the annual Tip-Up Carnival was sponsored by the Juniors. They spent many long, hard hours working on the decorations, making posters, and organizing the talent portion of the program. They did a splendid job and the entire show was a real success. They made over \$400 which will help them meet some of their financial debts through the remainder of the year.

Freshmen Begin Road to Graduation

The class of "69" got a taste of what it was like to be in High School. Suddenly they realized how important it was to keep their grades passing. They had some fun times; like class parties and homecoming. They looked forward to homecoming for a long time. Most of the upperclassmen had told them it was hard work but they had fun and of course they had some problems, but then they didn't expect everything to be trouble free. Also this year they were glad to be represented on the Reserve football and basketball teams plus they had two girls on the cheerleading squad. Now they are looking forward to their next three years and hope all 98 make it. Class advisors this year were Mr. Dan Ludlow, Mrs. Nancy Jones, Mrs. Marianne Miller, Mr. Larry Sullivan, Mr. Robert Bennett.

Not Finished — Just Begun

This was a busy and exciting year for the Class of 1966. There were many things that had to be done in preparation for graduation. Announcements and caps and gowns had to be ordered, and other details had to be discussed in order for a smooth graduation on June 2nd. The class also sponsored many dances and a pancake supper which was enjoyed by all. Class advisors this year were Mr. Brent Veysey, Miss Judy Lilliquist, Mr. Charles Sussex, and Miss Evelyn Weckerly.

In Memoriam

Robert Baker

Whither, midst falling dew,
While glow the heavens with the last steps of day
Far, through their rosy depths, dost thou pursue
Thy solitary way?

Vainly the fowler's eye
Might mark thy distant flight to do thee wrong,
As, darkly seen against the crimson sky,
The figure floats along.

Seek'st thou the plashy brink
Of weedy lake, or marge of river wide,
Or where thy rocking billows rise and sink
On the chafed oceanside?

There is a Power whose care
Teaches thy way along the pathless coast--
The desert and illimitable air--
Lone wandering, but not lost.

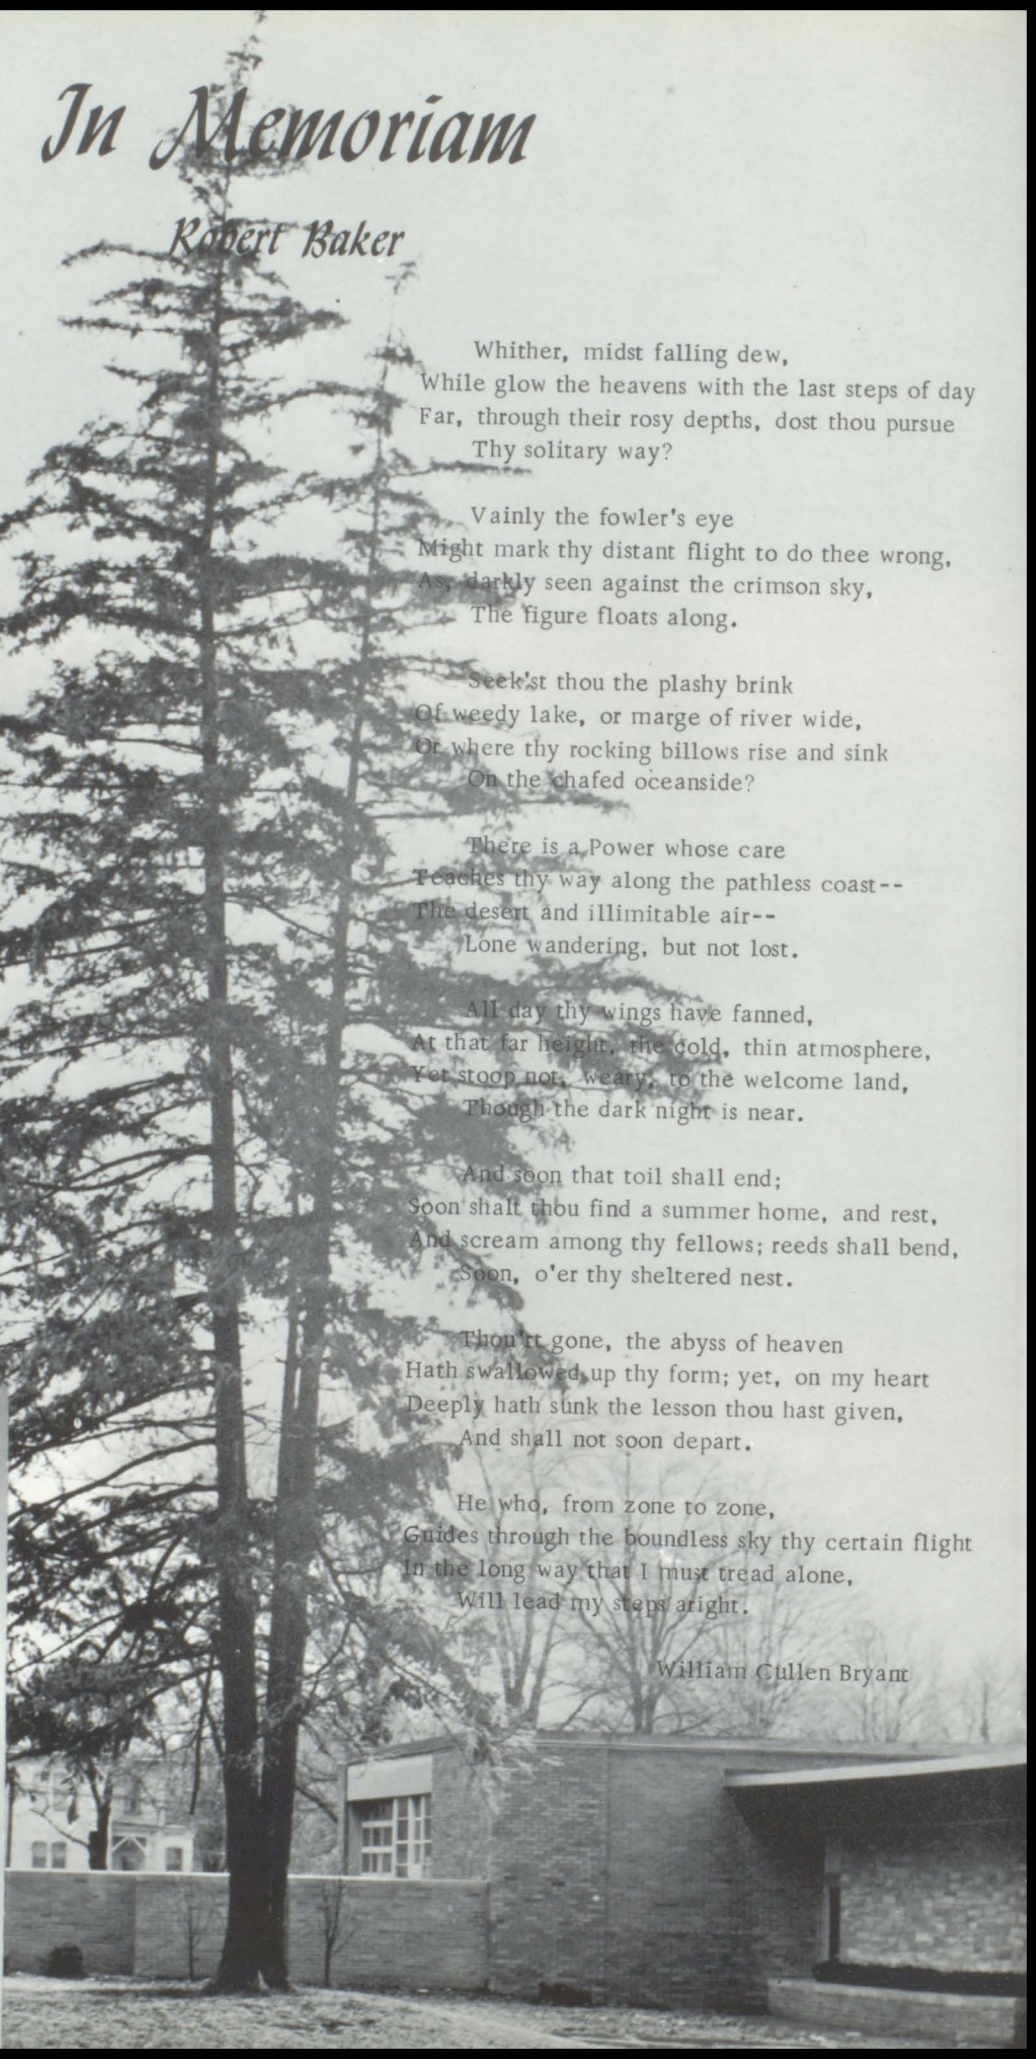

All day thy wings have fanned,
At that far height, the cold, thin atmosphere,
Yet stoop not, weary, to the welcome land,
Though the dark night is near.

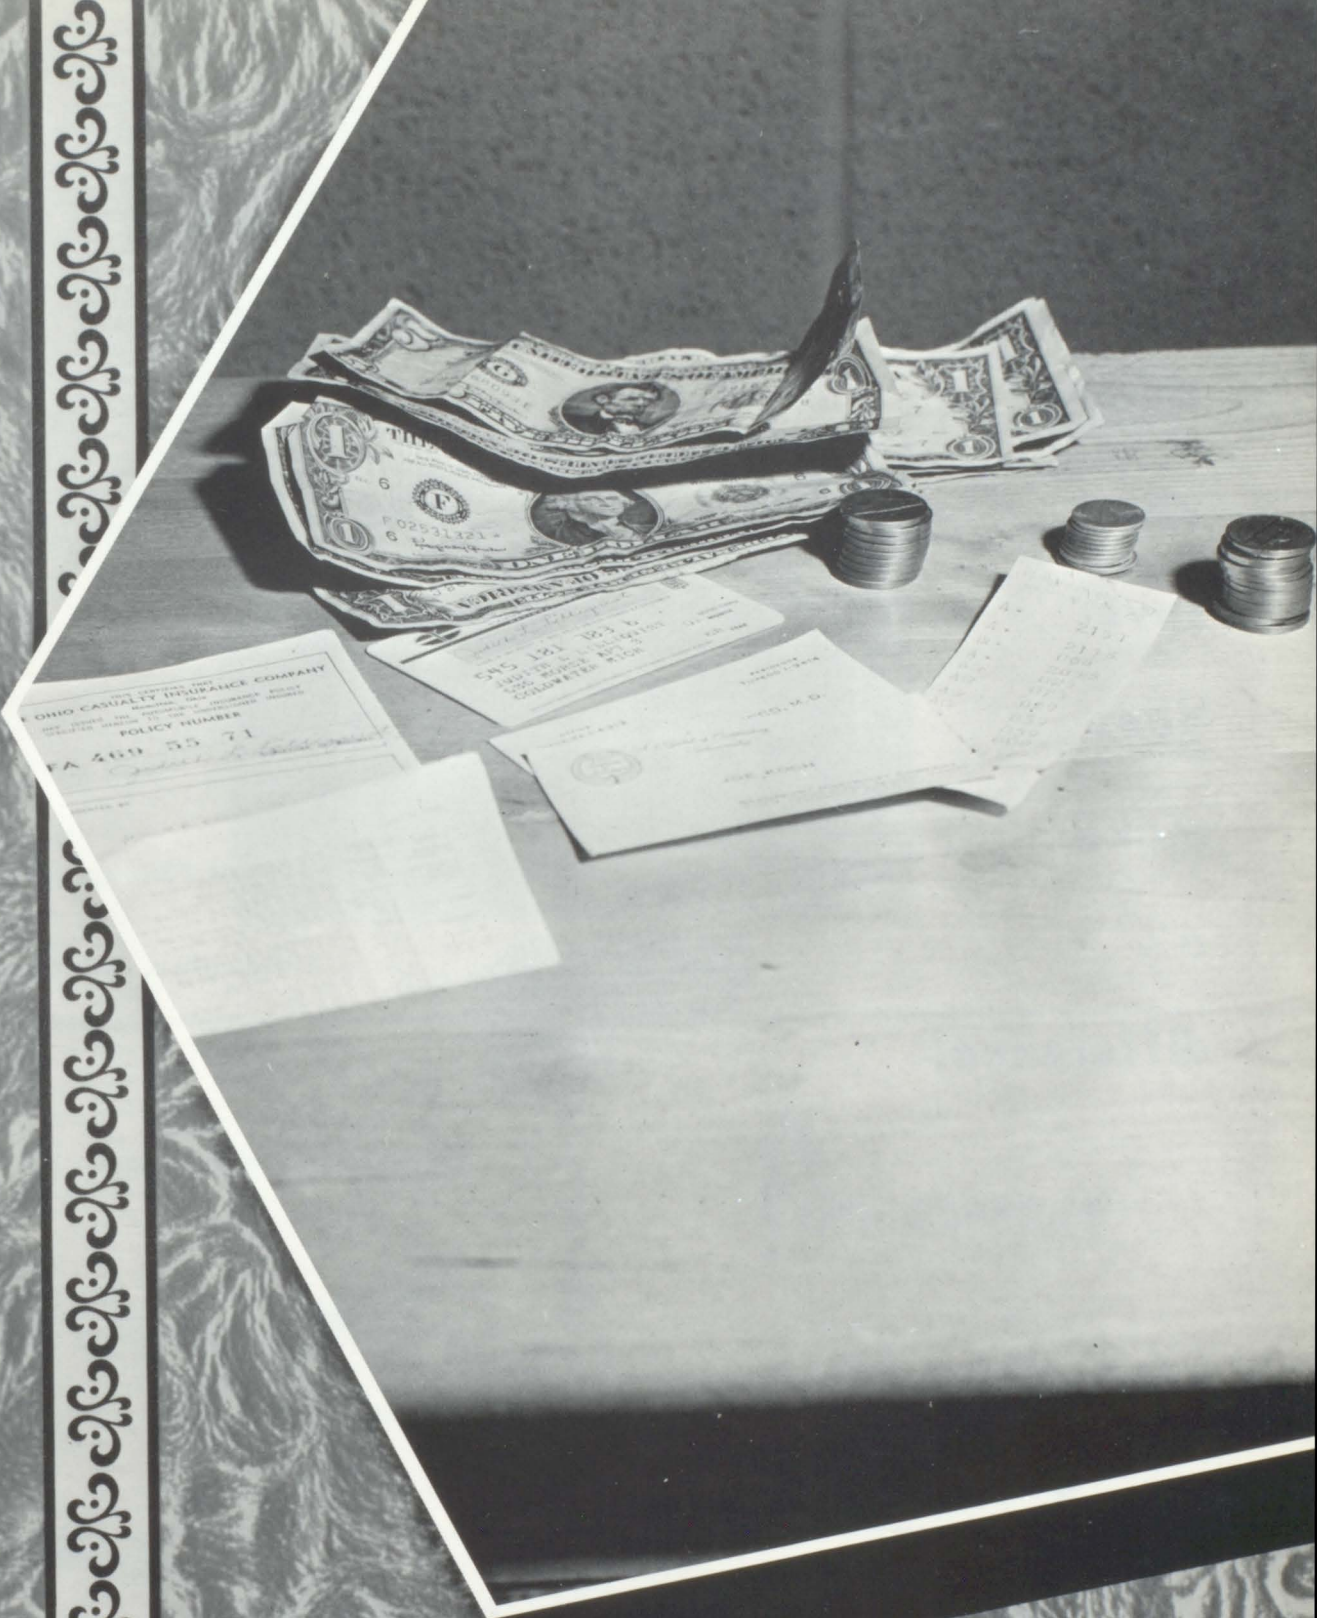

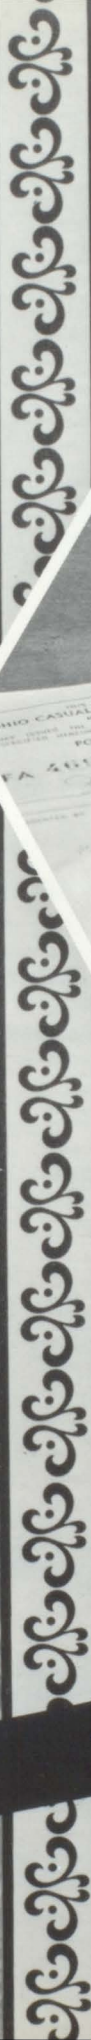

And soon that toil shall end;
Soon shalt thou find a summer home, and rest,
And scream among thy fellows; reeds shall bend,
Soon, o'er thy sheltered nest.

Thou'rt gone, the abyss of heaven
Hath swallowed up thy form; yet, on my heart
Deeply hath sunk the lesson thou hast given,
And shall not soon depart.

He who, from zone to zone,
Guides through the boundless sky thy certain flight
In the long way that I must tread alone,
Will lead my steps aright.

FIRST NATIONAL BANK

The First National Bank offers many opportunities for employment to high school graduates, their modern, efficient quarters provide very pleasant working conditions. The whole atmosphere of the bank promotes learning and experience for the employees.

SERVING THE COMMUNITY SINCE 1881

At left the women are balancing the days business at their counter in the front of the building.

Two experienced women work in the bookkeeping room operating the coding machine, which prepares checks for data processing, and the micro-data machine, which photographs all transactions.

Here is a view of the installment loan department where the ladies make daily postings on their ledger cards, etc.

ELMER SEZ:

I'd like to meet each graduate
I'll not say when. You set the date.
We'll plan a future just for you.
If plans are good, they'll carry thru.

BELOW: Do I really have to run through this thing again? Right: Three little devils and an angel. (We'll let you decide who the angel is.) Far right: Joe's side had 42% fewer cavities. Below right: Which half do you want, Coach?)

Final Deadline

As the 1965-66 school year draws to a close, there are many things that each student will remember about Quincy High School. Things have not always been as we wanted, but in the end many things worked together for good.

Now as we all go our separate ways, not knowing if sorrow or happiness will cross our path, we will always hold the memories of our days spent at Quincy High as the happiest of our life. Turn to this ORIOLE Annual, which holds the best of students and adults, and simply say, "Thanks for the memory."
