INTERACT CLUB of Coldwater High School

In May of 1991, a new service oriented club sponsored by the Noon Rotary Club was established at Coldwater High School. This club, known as the Interact Club, has a twofold purpose: 1) to promote the idea of service to the community, and 2) to open young people's minds to the world in which we live. With those two goals in mind the following will give a partial list of activities that our Club members are involved in.

In regards to community service we are participating in the State's Adopt-A-Highway Program, cleaning up a section of I-69. A group of our students have been involved in a tutoring program at Edison School each Tuesday and Thursday, and other members have been involved with the English as a Second Language Program offered through Franklin Adult Education. We organized this year's Christmas in Coldwater food drive in the High School and doubled the amount of food received from the previous year. Our organization has helped with the Big Brothers/Sisters Bowl-A-Thon and also helped the local Hospice program with various activities. Later on this year we hope to donate money that we are raising to various community organizations as well as establishing some type of scholarship program for our members who are in need of the financial help.

As to the International component that we participate in, one significant thing the club decided to do at the beginning of this school year was to invite each foreign exchange student to be a part of our group. This has given these students activities to be involved in as well as new students to meet and befriend. As a way to better understand the world in which we live our club members will be participating in a Model United Nations held at Hope College in March.

This has been a busy and exciting time for our club and we would like to thank the Rotary Club for all their help and support in our first year of operation!

John Petzko - Advisor

The following is a list of all members of the 1991-1992 Interact Club of Coldwater High School.

Officers -	Kira Hutchinson	- President
	Nicole Sielken	- Vice President
	Sara Shoop	- Secretary
	Dan Martinson	- Treasurer
