Foreword

To the students, faculty, and friends of Q.H.S.;

What is a yearbook but a book full of happy, or perhaps a few sad memories? Memories are precious possessions, and to keep alive these memories we present this 1964 Oriole to each of you. May you find most pleasant reminders of your school year recorded herein.

We also wish to take this opportunity to express our appreciation to all those who have worked so hard to make this book a success: Regina Rossman and Donna Knowles for their long hours of work, Mr. Robert Sutula, our photographer, for his patience, Mr. Reynolds and Mr. Larsen for their cooperation, and our staff and advisor, Miss Clark.

We hope that old memories will return to each of you as you leaf through this annual made especially for you. May each graduation senior take this 1964 Oriole with him wherever he may journey, and recall the wonderful school days he spent at Quincy High School.

Sincerely,

Jan Lampman

Administration

The Annual Staff Revives "Memories of School Days"

Producing an annual means many hours of long and tiresome work. Taking pictures, laying our pages, selling advertisements, and making deadlines keep the staff very busy. Our theme this year is "Memories of School Days" and if we can help the students of Q.H.S. recall some happy memories of the 1963-64 school year our work will have been worthwhile.

L. to R.: Regina Rossman, Gerry Smith, Morris Bollegraf, Joan Lampman, Bill Fazekas, Donna Knowles, Doug Thompson, Judy Weber, John Lampman, Karen Fry, Mike Smith.

L. to R.: Myrna Sanderson, Darlene Miller, Diana Hoopingartner, Mike Smith, Judy McCann, Connie Rawson.

Members of the School Board are Jack Fowler, Trustee; Elmer Dobson, Trustee; Franklin Kratzer, Trustee; Blaque Knirk, President; Amy Broad, Secretary; Harold Schultz, Trustee, and Dayne Himebaugh, Treasurer.

School Board Plans for Students

The 1963-64 school year started with the election of incumbent board members Harold Schultz and Jack Fowler for a new term of office ending in 1967. Organization of the board resulted in the election of Blaque Knirk, President, Mrs. Amy Broad, Secretary, and Dayne Himebaugh, as Treasurer.

One of the first major issues to be considered was a request for transfer of property from Coldwater school district to the Quincy district. This action was initiated by a petition signed by resident electors located south and west in Quincy and Alagansee Townships. A final decision was made by the State Board of Education. Approximately two-thirds of the area in question was transferred to the Quincy district with one-third remaining in Coldwater.

During the year the board has carefully evaluated curriculum needs as reported by faculty and administration. This study will result in changes to be incorporated in next year's curriculum. Staff members will be added due to increased enrollment, including a part-time vocal music instructor in the elementary.

The new 1964-65 salary schedule was adopted December 9, 1963, enabling Quincy to compete favorably with neighboring schools of similar size in attracting new teachers.

The Board solicits your continued support and interest in providing a quality education program for boys and girls of our district.

Elwood Larsen — Superintendent of Schools

Superintendent's Message

To The Class of 1964

Congratulations on your graduation and best wishes for your success in the future.

It is my sincere wish that every child be educated to the maximum of his or her potential. I trust your education will continue throughout life. Proper development of each child then requires a harmonious relationship between the home, school, and church. If any individual or organization lags behind in their responsibilities then the development of the child may well be retarded.

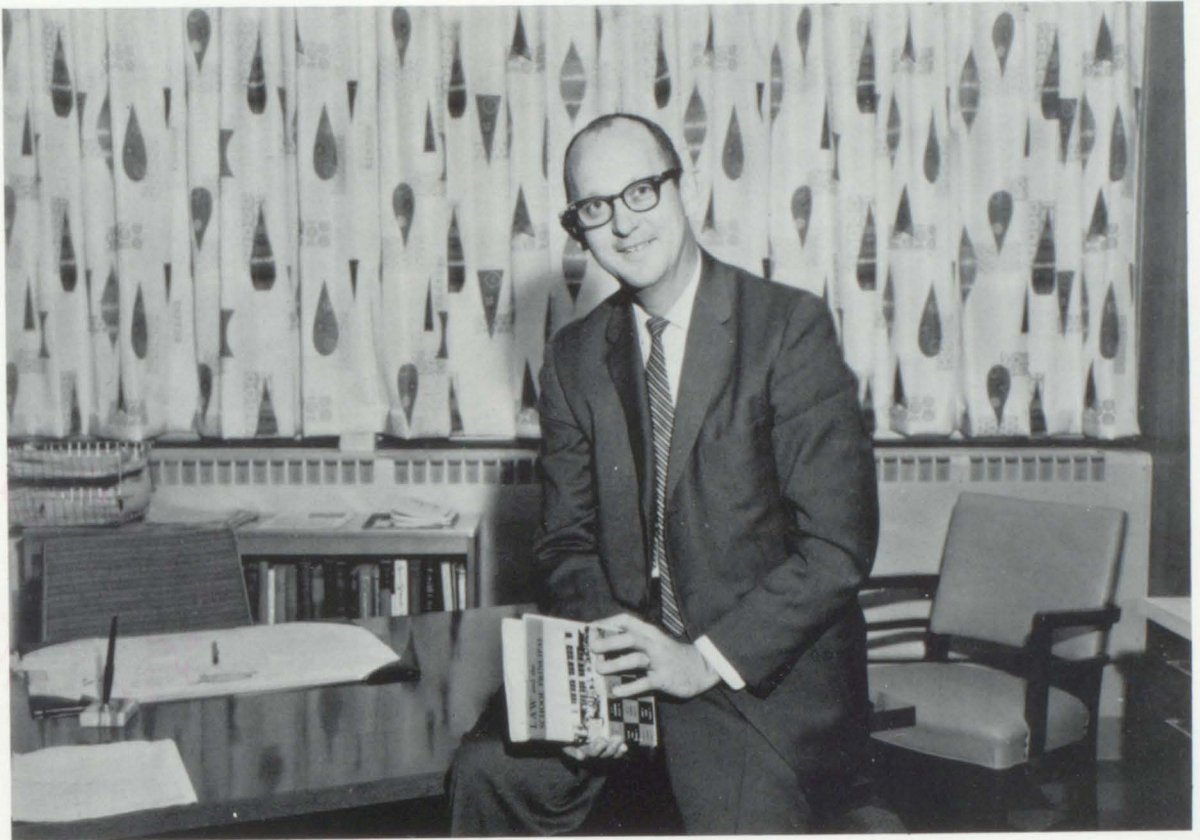

In our nation we hope for the best for each individual child. This can be accomplished by establishing worthwhile objectives and working together toward a common purpose - the child's welfare.

Sincerely yours,

Elwood Larsen

QUINCY, MICHIGAN

In behalf of the Quincy Community School system, I wish to acknowledge and thank the Annual Staff for their cooperative efforts and sincerity that was necessary for making the 1964 "Oriole" a success.

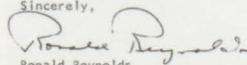

Every senior in the graduating class has had many and varied past achievements and experiences. These past accomplishments have been in the academics, athletics, dramatics, student aids, class and club offices, and numerous work and social experiences. Each one of these have added something to your total education. Upon graduation it is your responsibility to use your past experiences as a stepping stone for further work experiences or higher education. The responsibility must be accepted by you if your generation is to grow and prosper.

Each student owes a great deal of thanks to your parents and to your school district since they accepted their responsibility to give you your education and work experiences. They made it possible for you to have a better and broader education than was possible for themselves.

As an educator I feel confident that you will accept this responsibility and also find your place in your chosen field of endeavor. The community has made it possible for you to experience quality education and acceptance for opportunities provided become an individual responsibility. Your ambition, ingenuity, and cooperation has played the important role in the past and it will continue for you in your future.

Your education certainly doesn't stop upon graduation but merely is a beginning for future educational experiences and learning process that prevail throughout life. Best wishes to each graduate and congratulations upon becoming a Quincy High School Alumni member.

Sincerely,

Ronald Reynolds
Principal

Before You Can Succeed, You Must First Have a Goal.

This being the final year in our high school lives, the class of '64 has been making it the finest year of all.

In December the class presented the senior play. With Darlene Miller and K. C. McClughen playing the leads and a fine supporting cast, the play, "No Mother To Guide Her or More To Be Pitied Than Censored," an old fashion "melodrama" drew plenty of raves as well as people.

The senior year has also been full of many events, such as: homecoming king Larry Lounds and queen Andra Pelow; naming of the honor students: Darlene Miller, Larry Lounds, Joan Lampman, Joe Hildebrand, Werner Helfers, Mike Smith, Tom Crane, Keith Hayward, Larry Wortz, and Steve Dobson; Skip Day; trip to Detroit; filing applications; taking college examinations.

The senior class of 1964 has kept the high standards both academically as well as athletically, with Tom Crane, Bob Exelby and Gale Kiersey receiving honors on the All-Conference football team.

As we, the senior class, prepare to graduate on May 28, we can never forget the memories of the work we did here, the good times we have had, and the faculty and all others who have helped us to reach our goal.

Successful Sophomores

"We did it again!"

The class of '66 seems to have a knack for breaking traditions. They were the first class in a number of years to win the "pep jug" two years in a row. Oval rings were the order for this "tradition breaking" class. After two days of heated argument the "oval" people managed to convince the "square" people to vote for the oval shaped rings. Geometry and biology seemed to be the hardest subjects for some of the struggling Sophomores. Here's hoping the next two years of high school will be as successful as the past year has been for the class of '66.

Freshmen Begin a Long Trek

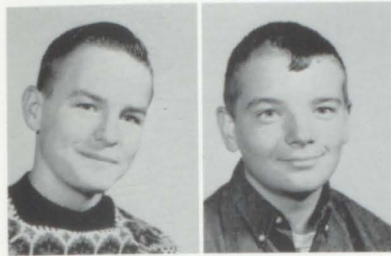

The Freshman Class began their first year of senior high school with an entirely new world opened to them. They were able to compete with the rest of the senior high for the Pep Jug. They also had the privilege of being represented on the Homecoming Court by Sandra Marquart and Morris Bollegraf.

Several vocational subjects were offered to freshmen this year along with the academic subjects. Freshmen were also given the opportunity to join clubs and participate in various extracurricular activities.

Seventh Graders Begin With Pep.

Seventh Graders took the big step from elementary school to junior high. They adjusted to the change very well. Although Homecoming was new to them, the class of '69 got into the spirit and won the pep can. Their enthusiasm carried through to the magazine drive, in which they took first place.

Typing was offered to the seventh graders this year for the first time.

Mrs. Calhoun, Elementary Principal, busy carrying out administrative duties for Jennings Elementary.

Jennings Elementary Building

Team Teaching in the First and Second grades has been one of the highlights this year in the Elementary School. Emphasis was placed on Physical Fitness, Music, Art, and Creative Language.

The greatest gain from this type of teaching was that students had a better opportunity to know more teachers, teachers were able to concentrate on their curriculum specialties, and correlation in those subject areas were improved.

The Modern Math program that started last year progressed into the Third grade this year. The students found the work to be most fascinating.

Airborne Television continued this year to be a teaching device used to enrich the curriculum in the area of Science and Language Arts.

The Fourth grade have been involved in a research project using the S.R.A. Reading Laboratory to improve their reading skills.

Safety Squad

This year's safety squad is made up of about one hundred fourth and fifth grade students. The main job of this group is to help children cross streets and keep order in the school.

Activities

Homecoming 1963 . . .

will be remembered by the students at Q. H. S. Some new traditions were started, such as our Snake Dance through town, and the Bon Fire we couldn't burn because it was too dry.

Strains of "The Victors" echoed down the halls. . . .

The A Band surprised the entire school when they began the festivities of Homecoming Day. Class demonstrations displayed our enthusiasm and school spirit.

The afternoon's pep assembly began with class skits. The Seniors' was a Presidential News Conference.

The Juniors brought the Beverly Hillbillies to life in their hilarious skit.

The winning skit was the Sophomores, with their panel show "To Tell the Truth."

School Spirit . . .

is very important in deciding who will win the Pep Jug and is at an all-time high during Homecoming Week.

The Seniors were really supporting the team during the yell fest.

The cheerleaders led the student body in support of the team at the downtown pep rally.

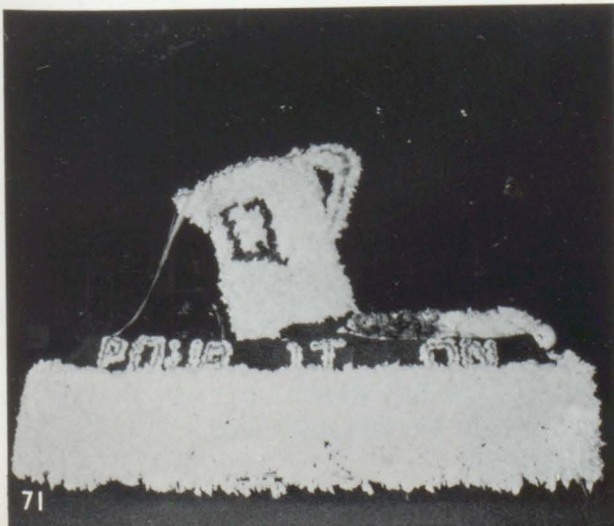

Competition for Pep Jug Is Stiff

Many long hours of work went into each of the classes' floats.

The third place float, made by the Seniors was a large dish of ice cream with the slogan "Cream 'Em."

Freshmen took first place with their pitcher and "Pour it on."

Senior Girls Dream of Becoming Queen

Members of the Court: (above) Pricilla Long (right) Donna Craun

Andra Pelow and Larry Lounds

(below) Darlene Miller

Thrilling plays and touchdown runs were part of the exciting battle that led the Orioles to victory over Union City.

"The Sweetheart of Sigma Chi" was the band's melody as the court circled the field. Soon everyone would know who was to be the new king and queen.

The Queen Is Crowned

Andra Pelow was crowned Homecoming Queen by Judy Hutchins, the 1962 Queen.

The new king, Larry Lounds, happily escorts his queen Andra from the athletic field.

"No Mother to Guide Her."

"Who is this girl, Casper?"

A mello-drama about a beautiful but persecuted heroine was the most successful play ever presented by the Senior classes at Quincy High. The Class made over two hundred dollars. Talbot Twillingham (K. C. McClughen), the felonious villain prusued the beautiful Spring Overton (Darlene Miller) until the handsome hero, Caspar Vandenburg (Tom Thomas), rescues her. 'All's well that ends well.'

"You asked for it, Vandeburgh!"

"Your husband is dead, Madame."

"At last I have you in my power."

"Unhand her, you white-livered knave!!!"

L. to R.: James Blair, Andy Van Doren, Gerry Smith, Mary Sara Roth, Steve Smith, Ann Hasch, Sarah Lambright.

Forensic Activities Keep Students Busy

This year's Forensic Club was advised by Mr. Brent Vesey. The Club presented an assembly with each member presenting his own oratory. Many of the participants went on to the District Forensics contest. The members of the Club worked very hard as they practiced long hours after school and at home. The Forensic Club was organized to advance the skill of a person's speaking ability, which is very important in today's world.

Gerry Smith brought state honors to Quincy High School by winning the Regional Contest sponsored by the University of Michigan in 1963.

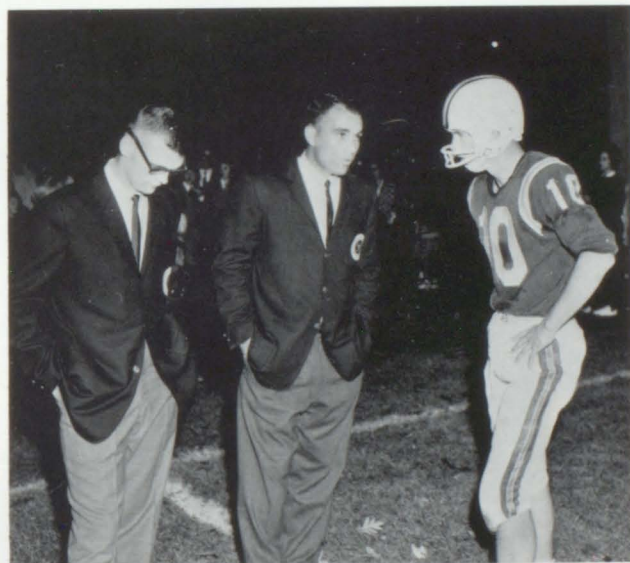

Football is one of the most colorful sports played at Quincy.

Here crowds cheer the team on to another victory.

Coaches give Keith Hayward final instructions.

This is football at its highest point of suspense.

Academics Provide Activities

The Trig. and Solid Geometry class, the smallest in the school, developed their skills in various fields of mathematics.

Several classes started new programs this year. Junior High Typing was offered to the younger students for the first time. Advanced math classes explored new fields of mathematics, English reading programs were begun, and seniors going on to college were given instructions in college level English by a college professor.

Students in sophomore English participated in an accelerated reading program which helped them improve their reading speed and comprehension.

Judy Tyson, editor of this year's Senior Edition, finds that this can be a major activity.

Classes mean more and more extra work to those students who take an active interest in their classes and school work. This extra work can bring excellent experience as well as rewards for a job well-done.

The sophomores in biology find that it is a very interesting field of science. Many have done extra-credit reports.

The speech class has been exceptionally busy this year. Their play, "Hillbilly Weddin'" was a success with their proceeds going to the United Fund. Several members presented skits at school assemblies and P. T. A. meetings.

Our dances and record hops are social activities that many of our students enjoy.

Zenith Ingersoll and Dennis Curtis were selected as the Sweetheart Couple. They were crowned at the cheerleader's Valentine's Day dance.

The winners of the 1964 Bowling trophy were the "Republicans." Members of the team are Jerry Kohler, Keith King, Gale Kiersey, Beth Alexander, and Bob Exelby.

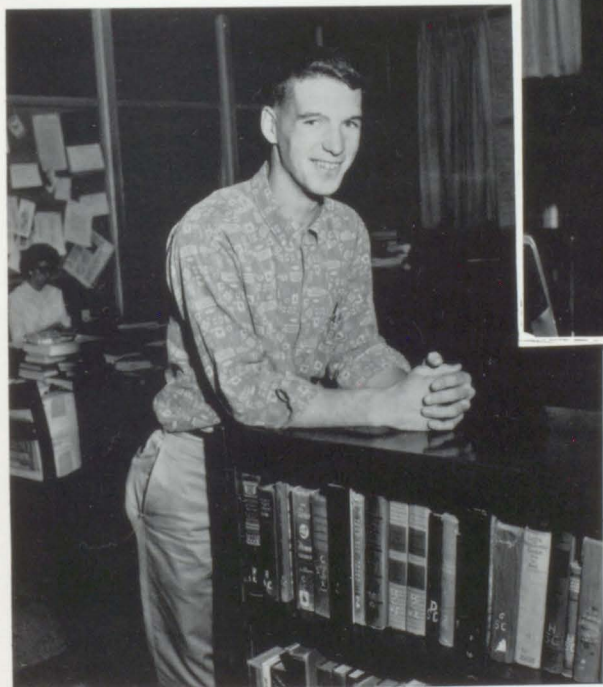

A Memorable Year for These Students

Wolverine Boy's State representative from Quincy was Mike Smith. He was sponsored by the American Legion.

Darlene Miller was delegate to Girl's State in Ann Arbor. The American Legion Women's Auxiliary selected Darlene to attend.

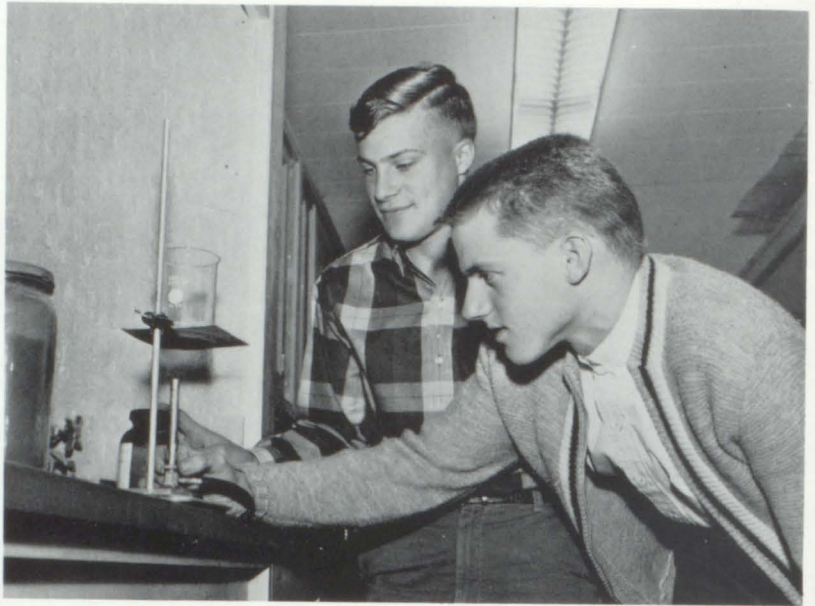

The Quincy Rotary Club sent Keith Hayward to the Camp Emery Leadership Conference on Big Blue Lake, north of Muskegon, Michigan.

Our first exchange student to Europe was Joan Lampman, who lived in Schlitz, Germany. The Student Council initiated this new program.

(Right), Steve Dobson and Larry Lounds were selected to attend the Summer Science Institute at Western Michigan University.

(Left), Joan Lampman was awarded the D. A. R. Good Citizen Award. She was chosen by her classmates and the faculty.

Each year, outstanding music students are awarded summer music scholarships to attend music camps. These scholarships are financed by the contributions of our photographer, Mr. Robert Sutula. Bob Diedrich, one of the recipients of the awards, is showing Mr. Sutula a few techniques on the clarinet.

Top Ten of 1964

L. to R., SITTING: Darlene Miller, Tom Crane, Joan Lampman, Werner Helfers.
L. to R., STANDING: Larry Lounds, Joe Hildebrand, Keith Hayward, Larry Wortz,
Mike Smith, Steve Dobson.

Once again the senior class is proud to announce its top ten students. The "top ten," being the top ten in their class academically only. The students' grades were collected and averaged out to find the top ten.

Many other students worked just as hard as the top ten, but there had to be a line drawn somewhere. The school salutes not only the top ten, but also everyone else, who studies and works hard to make himself the person that he wants to be.

Just as there must be a line drawn for the top ten, a line must be drawn between the top two students for Valedictorian and Salutatorian.

Seniors winning top honors were Darlene Miller, Valedictorian, and Larry Lounds, Salutatorian.

A thrilling and exciting football season left the Orioles in third place in the Little "C" Conference. Three members of the team were honored as members of the All Conference team. Bob Exelby, Gale Kiersey, and Tom Crane were named to the team. The Orioles excited their followers by winning their Homecoming game over Union City 26-00. The Orioles were led by eleven Seniors, they will be missed next year.

Junior Varsity Squad Exhibits Good Sportsmanship

Mr. Simmons' young Junior Varsity team showed good promise for the future with their record of two wins, two ties, and three loses. They were quick to learn the fundamentals of the game and gave their cheering crowds many a tense moment during their games. The two wins and two ties exhibited good form, and the three loses are sure to be corrected next year.

Below is the J. V. 's record for the 1963 football season.

Cheerleaders

Our cheerleaders have gained the reputation of being the best cheerleaders in the Little 'C' Conference, and we believe it. With the help of Miss Lilliquist, their advisor, the girls kept school spirit at an all-time high.

Reserve Cheerleaders, Debbie Chapman, Nancy Reynolds, Judy Deline. Absent, Karen Bice.

The girls were busy leading the students in cheers throughout the football season.

The Homecoming game and parade were special events for them too.

Orioles Finish Third

FIRST ROW, Left to Right: Dan Bellamy, Gary Abbott, Claude Nance. SECOND ROW: Bob Barrett, Tom Puckett, Herb Johnson, Kieth Hayward, Ray Monty, Ron Krok, Bradly Moore. THIRD ROW: Coach Ronald White, Dennis Smith, Ray Merkle, Jerry Wortz, Tom Crane, Bruce Parker, Sam Dodd, Asst. Coach Gary Simmons.

The '63-'64 "Oriole" cagers have displayed the finest basketball skills since the cagers of '49-'50, who were undefeated and led by Don Cook, Bob Adams, Jim Stemen, Jim Hewitt, Ed Donnelly and coached by Dale Shearer.

The current front line is the tallest in the conference. Led by sharpshooting guards, Sam Dodd and Tom Puckett, and towering front liners Tom Crane and Jerry Wortz, the Orioles finished in third place. Wortz and Dodd finished in the top ten conference scorers.

Two school records were broken in the first Jonesville game. Quincy broke their all-time scoring total for one game, by scoring 97. Sam's total of 34 points broke a disputed individual record high. The 34 points broke the record of 32 set by Dick Hartley against Bronson last year. The dispute comes from sources stating the record is held by Ed Donnelly.

The entire town and school wishes the Orioles the best of luck in the District Tourney held in our magnificent gymnasium.

Oriole Nine Vies for Little "C" Championship

This year's Oriole team has a fine chance to win their first "C" baseball championship. Quincy finished with a 3-4 record last year. Coach White has been fielding fine baseball teams since arriving in Quincy. Baseball, as a whole, in this area is showing much resurgence and Quincy is sharing its part of the load.

Quincy is fielding a veteran team this year. The returning lettermen are: Keith Hayward-catch., Sam Dodd pitch. and 3b., Craig Omo-1b., Don Todd 2b., Mike Smith ss., Tom Thomas 1f., Herb Johnson-pitch., Al Himebaugh-catch.

The "fighting Orioles" also have a fine crop of freshmen coming up which gives plenty of balance for league contention.

Best of luck to the ORIOLE Baseball team!

Work is man's great function.

He is nothing, he can do nothing, he can achieve nothing, without working.

If you are poor . . . work. If you are rich continue working.

If you are burdened with seemingly unfair responsibilities . . . work.

If you are happy, keep right on working.

Idleness gives room for doubts and fears.

If disappointments come . . . work.

If your health is threatened . . . work.

When faith falters . . . work.

When dreams are shattered and hope seems dead . . . work.

Work as if your life were in peril . . . It really is.

No matter what ails you . . . work.

Work faithfully . . . Work in faith.

Work is the greatest remedy available for both mental and physical afflictions.
