SENIOR CLASS REVIEW

Reminiscing, we realize that we will never forget those three wonderful years in Senior High . . .

We were officially welcomed into the halls of C.H.S. by the Seniors, who sponsored the Sophomore Reception in our honor. That year, the beginning of our money-making career, we held a spaghetti dinner, and entertained the Seniors at Christmas time with the Winter Wonderland Dance.

We descended two floors our Junior year and were in a main street of heavy traffic. Our play, "The Great, Big Doorstep", a ham dinner, and the Valentine Formal helped to fill our ever-growing money bags. We donated \$500 for a concession stand, a very profitable investment, and still had a larger treasury than any previous class. We said "farewell" to the Seniors with the Jr.-Sr. Banquet and Prom.

Now holding the scepter of power, we rolled out the red carpet to the Sophomores. The theatrical cream of the class then took the stage to present the Senior Play, "Our Town." As usual, the class was successful. At the termination of a most eventful basketball season, two deserving members of our class took the top scoring honors in the Twin Valley League. This year we were on the receiving end of the farewells as the Juniors entertained us at the Banquet and Prom. The Senior Trip climaxed our years at C.H.S.

Senior Trip

Ninety Seniors, the largest group ever taken, started their trip, accompanied by Oscar Renshaw and Miss Ilda Philips, by visiting the Annapolis Naval Academy, Washington D. C. followed, with the F. B. I., Library of Congress, and Supreme Court highlighted. A cruise down the Chesapeake Bay from Norfolk, Virginia, brought the class to New York City, where they saw the Statue of Liberty, the U.N. Building, and Radio City Music Hall. Seeing Niagara Falls completed their trip.

BILL SWEET, Mayor

ROOSEVELT STUDENT COMMISSION

The senior high commission started out with many ideas at the beginning of the year and succeeded in fulfilling them all. Helping in the fulfillment of these ideas were: Bill Sweet — Mayor, Bev Gruner — Clerk, Walter Weaver, Sybil Schlubatis, Marvin Picard, Larry Waldron, Molly Milnes, and Ruth Herman, commissioners.

The commission started a chess team which is the first in Coldwater High School's history. School dances featured the weekly top ten records purchased by the commission. A torchlight parade, under the supervision of the commission, was held previous to the voting for the new high school.

During the year, the commission has done a fine job governing our school. Credit should be given to the Mayor and commissioners.

LINCOLN STUDENT COUNCIL

The annual magazine sale was again undertaken by students of the Lincoln Junior High School.—The sales totaled \$3,375.—This money will be saved for an intercommunication system for the new Junior High School.

Three Lincoln Junior High parties were held this year, with each of the classes having the opportunity to sponsor one. Each of these three parties were very well attended and were considered a success by everyone.

The student council this year was headed by Bill Randall and was supervised by Axner Olson, Junior High Principal. The other council members were Paul Herman, seventh grade representative, Dick Straw, eighth grade representative, and Bill Robinson, ninth grade representative.

The 1954 Cardinal

Ted Rennell, his assistant editor, Rita Weeks, business manager, John Milnes and Mrs. Hayes have devoted much time and thought to the '54 Cardinal to make it one well remembered. With the cooperation from their staff members, they have made it possible for the students to reminisce through the year.

Many differences from former Cardinals are found in this 1954 edition. For the first time the pictures were taken by the editor and some of the staff members. Also, for the first time, there is a definite theme throughout the book. The cover features an extremely modern design compared to former Cardinal covers.

The '54 Cardinal is one of which they can be proud.

In October four members from the local chapter attended the National F. F. A. Convention in Kansas City. These members were Gene Easterday, Harry Luce, Jim Lippert and Merle Donbrock. As a club project, chickens were entered into the Chicken of Tomorrow Contest. Another successful project was a seed sale which totaled \$425. In order to reach the goal, every member had to sell three dollars worth of seed.

Dancing Class

For the first time in the history of Coldwater High School, social dancing was introduced as part of the school program. Mixed classes of boys and girls met once a week with Mrs. Dorothy Aitchison, instructor, who taught many dances including the waltz, tango, rhumba, fox-trot, polka, round dances, and square dances. The senior members of the social dancing classes provided the entertainment for the Sophomore Reception.

This year the senior high girls again met twice a week for credit dancing. The main goals of these classes were technique and balance. The girls also worked on folk dances, tap dances, rhythm, exercises and ball room dances. This class gave programs for the Fortnightly, Modeling Show, and the spring chorus review.

Rolene Newman, Rhea Lewis, Margie Aitchison, and Carole Palmer have received awards for completing a credit or more in dancing during high school.

The Hi-Y held its semi-monthly meetings on Wednesday evenings in the study hall at 7:30. At their meetings the club discussed projects that they had worked on and new problems that confronted them.

This year the club went in with the Y-Teens on two projects; the Valentine Formal and the study hall bulletin board. A Project Committee was formed to find a suitable gift for the club to give to the high school this year. Six Hi-Y boys were sent to Albion in October to a District Convention. Three of these boys attended the State Convention in Lansing.

The group sponsored Twirp Week, a carnival, and the Valentine Formal. Dr. Kolivosky, Hillsdale College Dean of Men, spoke to a combined Hi-Y and Y-Teen meeting. Judy Lucas and Peggy Skabo attended the State Summer Conference June 14-21, while Bev Gruner and Linda Spencer represented the group at the midwinter conference. After journeying to a Hillsdale Y-Teen meeting, the year was completed by entertaining their group at a picnic.

C. H. S. students stepped through a doorway of clouds and harps into "A Bit of Heaven," the annual Valentine Formal held on February 13 at the Masonic Temple. The Y-Teens and Hi-Y, co-sponsors, decorated the room with a false ceiling draped toward a silver cupid under a cloud of angel hair. Music was furnished by Dick Rensch's orchestra from Battle Creek. SENIOR PLAY

"Our Town"

"Our Town," a three act play by Thornton Wilder, was enacted by a capable Senior cast under the direction of Miss Patricia Church. The nearly bare stage was inconspicuous due to the fine acting (Phil Rice had the immortal role of Stage Manager), intricate lighting, and realistic sound effects. Audience reaction proved that the cast had succeeded in revealing the underlying meaning of this Pulitzer Prize winning drama.

JUNIOR PLAY

"Ramshackle Inn"

"Ramshackle Inn," a three act mystery farce by George Batson, was presented by the Junior class on March 25 and 26 in the Roosevelt Auditorium. The plot concerned the problems which met Miss Melinda Pryde, an old maid librarian, upon her arrival at the broken-down hotel she had purchased. She found the place infested with gangsters, and her capture of the guilty party provided the audience with many hilarious moments.

With only eight lettermen, Coldwater's football team, under new Head Coach Bill Zabanick, opened the season with a loss to the Three Rivers Wildcats. The next two contests found the Cards still in need of experience, losing both by close decisions. Returning to Cardinal Field for Homecoming, the Cards came through in the last half to defeat Hillsdale 14-7. The next three games with East Lansing, Albion, and Lakeview showed that they were the better. Coming back with two touchdowns in the last half, Coldwater defeated a fired-up Sturgis team, 14-3.

RESERVE FOOTBALL

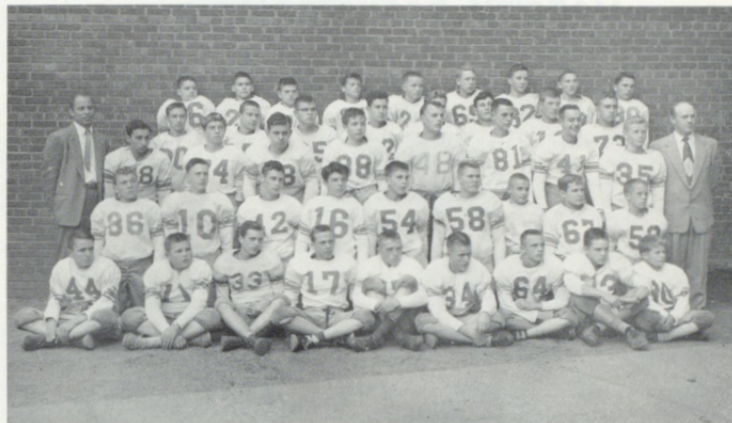

The 1954 Coldwater High School Reserve football team, under the leadership of Coach "Whitey" Weaver, ended the season with a record of one win, two ties and four defeats. Although definitely outplaying several of their opponents, the team came out on the short end of the score in many of their games. At no time did the junior Cards give up. The team was composed of mostly sophomores with a few juniors playing on the squad also. The determination and the desire to win that these boys showed made the coaches proud and more than made up for the season's record.

FUTURE VARSITY FOOTBALL

Under the able coaching of "Pat" Lowe, the Future Varsity football squad ended the 1953 season with a record of one win, three losses, and one tie. Playing an exceptionally tough schedule the F. V. started the season off on the wrong foot by losing to the St. Charles Varsity squad 18 to 6. In their next outing they played a tie game with the State School. Playing a very good Sturgis team, Lowe's men bowed to the Trojans, 13 to 6. The fourth game on the Future Varsity slate was a return game with the State School. The Coldwater club came out on the long end of a very high-scoring battle, 34 to 21. They were defeated 7 to 0 by Sturgis in the final game.

whether winning or losing,

TRACK SQUAD

Coldwater's track team has done quite well this season in its meets, having recorded a 4 - 2 record thus far this season. With single wins over Adrian, Hillsdale, and Bronson, a victory in a triangular meet with Three Rivers and Albion, and losses to Sturgis and Marshall, the track and field men have a creditable start under Coach Ted Hagadone. Because most of Coldwater's returning lettermen participated in the dashes and relays last year, the team was not expected to be too strong in the field events. However, this deficiency has been made up by the showing made in the pole vault and shot put. Lettermen from last year include Ron and Don Bercaw in the dashes, Jim Thomas and Jerry Troutman in the hurdles, Lysle Luke in the pole vault, and broad jump, Eldon Johnston in the 880, Jay Cleveland in the 440, and Bill Parshall in the sprint events.

With eight returning lettermen, the 1954 tennis team has the potential of becoming Coldwater's toughest since pre-war days.

Although next year the team will suffer the loss of John Bennett, Ted Rennell and Hal Weidner with four years' experience and Stewart Gordon, Dave Wert, and John Scheidler with three it will include Jack Robinson and Marvin Moran, who, in the future, may prove to be the Twin Valley's toughest contenders.

GOLF TEAM

Starting their second year back in Twin Valley competition the Golf squad with their new coach, Robert Gotta, looked for a good season. The first match played, showed Coldwater as host to Three Rivers and Adrian. Matches with Marshall and other T. V.

opponents which followed showed the Cards were on their way to building another good team for the future. Ted Rennell, John Milnes, Jack Robinson, and Pete Goshia with Stewart Gordon and Don McCann who were alternates, did most of the golfing for the squad this season. The Twin Valley conference meet was played on May 8. The regionals on May 15 closed the season for Coach Gotta's golfers.

Many projects were completed by the C-Club this year. One of the biggest was the installation of the drinking fountain at Cardinal Field. Goal posts were placed in at the practice field. The club gave a potluck get-together for all the varsity members, parents and coaches. The Sturgis rally and two after-game dances were sponsored by the club. They gave money to the Community Chest and sold the traditional C-Club pencils.

This year the G. A. A. has set up a much larger program with a number of new sports added to the list. Basketball and volleyball lead the list of sports, followed closely by softball, tennis, ping-pong, deck-tennis, and badminton. Two representatives from each class were elected to decide on the several honors won for outstanding sportsmanship and attendance during the year. After-game dances, paper drives and a float were their drives for the year.

And they in turn have
