Dedication

Rose Marie Haenni is known throughout the community for her contagious enthusiasm and willingness to help. After teaching in Indiana for thirteen years she came to Bronson in 1956. Since then she has been the driving force of Bronson's Home Ec Department. In her role as an educator she initiated the concept of co-

educational home-economics and such courses as family living and interior decorating.

On behalf of the student body we wish to thank Mrs. Haenni for her contribution to our futures and to those of our families and dedicate the 1973 Viking Yearbook to her.

Type "A" lunches were dropped this spring and two ala carte lines help with the short noon hour.

Happiness is . . .

Which one is really a 39-year-old bus driver?

'Today is the tomorrow we dreamed about yesterday.'

WARREN WADE, our principal, wanted to be a pro-baseball pitcher when he was small.

ROLLAND NORTON keeps track of money going in and out of the schools. He has also fulfilled his boyhood wish to become a farmer.

PHYLLIS CRANDALL is Mr. Wade's secretary. When she was a little girl, she wanted to be a teacher. We guess working here may have caused her to be glad she's not.

This is ROBERT BEAUCHAMP'S second year as superintendent at Bronson. His boyhood dream was to become an architect.

MARIE TRACY is Mr. Beauchamp's secretary. She dreamed of being a nurse. Perhaps that's why there are students in the sick room so often.

MARLENE BURKHARDT, financial secretary, always wanted to be a soda fountain clerk.

Our Exchange students this year were Vera Sablic from Yugoslavia who was with us the entire year and Ana Pessoa from Brazil who arrived in January.

Vera was known throughout the school for her academic skills, particularly in math and science. She had a great interest in our way of life and in return told us much about hers. She made her home with Mr. and Mrs. Leo Smith and Susi.

Ana's lively personality made her visible wherever she went and her giggle was quite contagious. Dr. and Mrs. Henry Gomley and Wendy were Ana's family here.

Twirp
Week
April 23-27

Student Council's annual Twirp Week is held to raise money for exchange students. This year the seniors challenged the faculty to a tug of war, (seniors won). A greased pig contest and a scavenger hunt were also added to the activities. Dan Belote went for the most (8,50) at the slave auction - a sign perhaps that inflation hasn't struck the male body market since in 1970 they were going for \$15-\$20.
