Coldwater High School
Volume 42

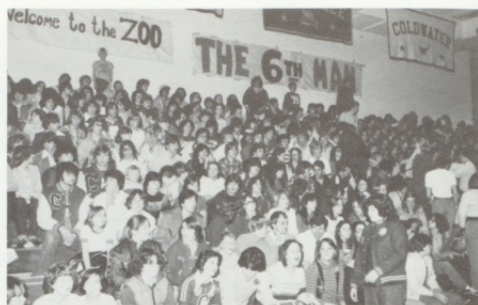

John Keeslar is the symbol of school spirit at Coldwater High School. He is responsible for, and leads the pep assemblies. During a losing football season, and a winning basketball season, J. W. kept the juices flowing by creating a gimmick. He started the slogan "We Believe." The students picked up on his contagious enthusiasm, and eagerly passed it around. J. W. was the cohesive element in our school. Thanks, J. W. Memories of this year and your important part in it, will remain with us always.

Closson, Grace, In State Finals

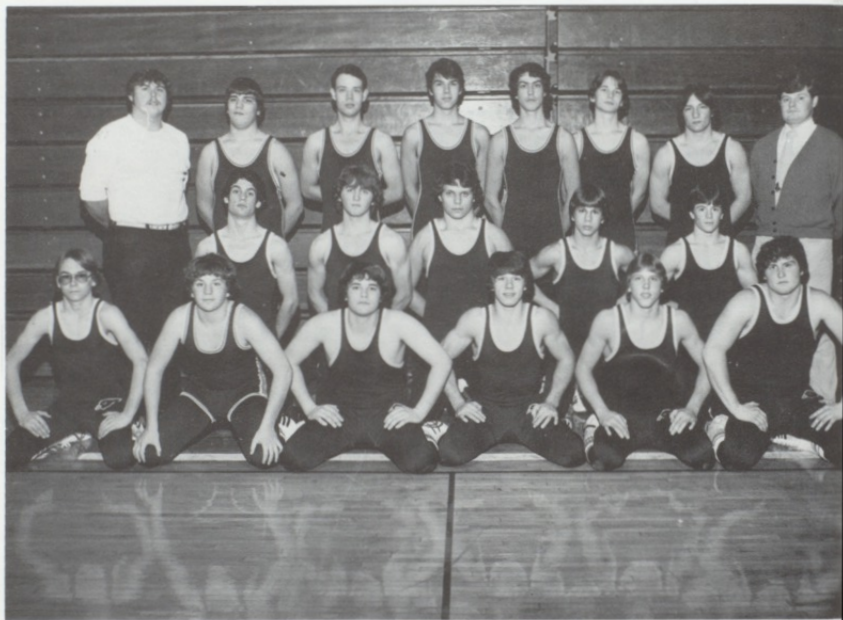

MARSHALL — In a pair of record shattering performances, Coldwater High wrestlers Steve Closson and Ed Grace advanced through a tough regional field Saturday to qualify for Class B state final action at Central Michigan University.

Closson, coach Tom Swetizer's 138-pounder, eclipsed the Coldwater High individual record for wins, with 38 as he finished first in his region.

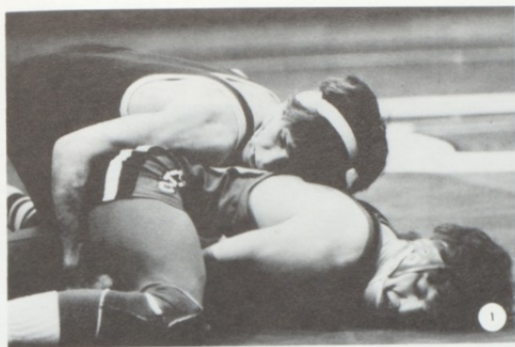

Grace met Vicksburg's Randy Jensen, the meet's eventual champion in his first match and was pinned in 43-seconds. Jensen went on to record his 100th career victory later in the day.

In the second round, Grace pinned Sam Colbath of Mason in 1:33 to avenge an earlier loss to the A' pet.

Activities

Spirit of Homecoming '78

Unifies CHS Students

Saturday, September 30 — Court members were named at the Coronation Dance. Senior court members were Patty Brown, Kristen Goodreau, Carol Cranson, Jim Lyon, Doug Cope, Tim Ufkes. Representing the Juniors were Tanis Allen, Annette Payne, Ross Rubley, Mike Kaley, and elected for the Sophomores were Renee Maire, Miriam Hoeksema, Kurt Loehr, and Mark Whitesides.

Sunday, October 1 — Juniors continued the tradition of "painting the town" red. Red and White spirit covered Chicago Street.

Monday, October 2 — Hall decorating started on this day, proclaimed *Senior Day*. The activity of the day was a sack-race-pie-eating contest. The Seniors munched to victory, the Sophomores followed with a messy second, and the Juniors hopped in third.

Tuesday, October 3 — The Juniors won their day's activity, a string race, in which a string is passed through the teams' clothes before they can dash to the finish line.

Wednesday, October 4 — For the Sophomore Day activity, a Pile-in-the-Car contest was held. 25 tiny Sophomores squeezed into first place, while 18 Juniors jammed in second, and the Seniors compressed 15 people for third.

Hall decorating continued, with all classes working diligently into the wee hours, on their enchanting "Walt Disney" variations.

Thursday, October 5 — Spirits ran high through Junior and Senior halls as both teams planned last minute strategy for the mudbowl that evening. The Senior girls were victorious with a 13-0 edge over the mud-splattered Juniors. Hall judges chose "The Wonderful World of Seniors" as first. "Wish Upon a Junior Star" was second, with the Sophomores pulling out third. Despite rain, a roaring bonfire ended the days activities.

Friday, October 6 — The pep assembly ended with the Class of '80 winning the pepjug. Coming in a rowdy second was the Class of '79 and the Class of '81 was awarded a spirited third. Preceding the big game against our rival, the Sturgis Trojans, was the homecoming parade. Led by Parade Marshall, Mr. Emil Lopez, it led the way to Cardinal Field.

Class floats were judged on arrival at the high school, with the winner "Fly up to Victory" by the Class of '79. This victory gave the needed points for the Seniors to win the Homecoming Class Competition.

During halftime, the 1977 Homecoming Queen, Beth Robertson, kept cameras readied and suspense up, as she moved behind the three Senior candidates before finally resting the crown on Patty Brown. The honorary King's mug and cape were presented by 1977 King Mark Kellogg to Tim Ufkes. The new King and Queen embraced and took their traditional ride around the track.

In the game, the Cardinals fought valiantly only to see a touchdown and victory snatched away two yards short of the end zone as time ran out.

Cardinal Choir and Balladiers Take Washington D.C. by Song

Cardinal Choir and friends ready to spend four great days together.

Mr. Bailey asked for more, and he got it.

Balladiers sing at the Lincoln Memorial.

For a full four days, our choirs invaded the Nation's Capitol. They sang on the steps of the Lincoln Memorial, at the Capitol, and at restaurants, bus stops, and a Black storefront church.

They were attending the International Festival of Nations. Approximately 2000 groups have participated in the festival over the past seven years. About 350 of those groups have received a silver medal and 76 have received gold medals.

The performance given by the Cardinal Choir was excellent. They received a silver medal for their musical talents. However, the Balladiers were greatly honored by receiving the 75th gold medal given at the Festival of Nations!

Sales! Sales! Sales! Candy canes, flowers, pens and pencils, pennants, and after school concessions were a necessary part of the Commission's work. With the proceeds, we were able to sponsor Homecoming Week, the Albion Exchanges, Twin Valley Government Day, and help install a Freedom Shrine in the lobby.

I would like to express my thanks to the 1978-79 Commission for their efforts and give special thanks to Mayor Kris Stokes, for it was her leadership that made a successful year.

The National Honor Society was organized in 1921 for the purpose of recognizing high school students who have exhibited outstanding achievements in the fundamental virtues. Since the first charter was granted in 1921, many local chapters have been organized in high schools throughout the United States. Membership in the N.H.S. has become recognized nationally as one of the highest honors that can be bestowed upon a high school student.

Members are selected by the high school faculty on the basis of the four virtues of Leadership, Scholarship, Character and Service.

Language Clubs Go Cultural!

This year the French Club attempted to upgrade the cultural awareness of our students. French club members, or "frogs" as they are affectionately called have been very active this season. Culinary adventures included a trip to a French restaurant, a European candy Sale, and a French dinner at which students discovered such delicacies as crepes and escargot.

The Spanish Club had a good year. A trip to a Mexican restaurant in Kalamazoo and a Spring Fiesta were the highlights of the year for the "Tacos." The Hispanic atmosphere was furthered by a Spanish movie, and foreign exchange students added to the dinner's cultural aspects.

C-Club Raises Money

The C-Clubs main purpose is to support athletics. Money is raised by running the concession stand. This past year it has donated \$1,100 towards athletic supplies, equipment and two scholarships. Money was given to help the boys track and girls tennis teams, along with paying for the paint to put Cardinal Country on the gym wall.

Card Fans Say, "We Believe"

In something less than 6 hours, history will be made where you are sitting. The biggest game in the history of CHS will happen here. Albion has beaten everyone in the league twice, except Sturgis. Sturgis has been beaten twice by CHS, and now (tonight), the two titans join in deadly embrace. Two of Michigan's strongest basketball giants tangle to settle the issue. One of the flashiest coaches in the state comes to the lair of the old Red Fox, Fred Hobart. One of the most highly regarded players in the nation takes on our Moss, our Uf, our Scotty, our Sowles, our Rider, our Thorpe, and our Super Subs. It is truly us against them. The hour is at hand. Everyone else is gone, and now comes our greatest test in 30 years. Albion holds all the aces — except one. That age old ingredient that is native only to Coldwater. That which no man or woman can know until he feels it. That which sustains us in bad times and raises us to the heights when opportunity presents her fair hand. (continued)

1. A prominent member of the "Mexicans for Marty" attempts to whip Cardinal fans into a pregame frenzy.
2. It worked for the Seniors!
3. Juniors too!
4. Even the Sophomores!

The ancient Cardinal that you may feel right now; the little lump you feel when you hear the loyalty; the ice that makes you shiver with pride when the team comes on the floor; the tears you might be fighting knowing that this is the last time these super stars will don the red suit to play in this old gym which has echoed to the shouts of Cardinals now long since gone; all of that is what we now call upon once again as we march into battle. Few from Albion can know what Cardinal Spirit is, but we do. We shall, dear Redbirds, go with you in heart, soul, and spirit to win the inevitable triumph. WE REALLY DO BELIEVE!

MEN - WOMEN

Take up to 365 days to say good-bye.

Good-bye can mean more than a peck on the cheek when you take advantage of the Army's Delayed Entry Program.

Good-bye can mean 365 days to finish unfinished business, plan your future, spend one more season on the beach or the slopes, before you go off to tackle the world.

But the best part of Delayed Entry lies ahead. By enlisting now, then relaxing and reporting for duty later, the Army can promise you the skill training you want more than any other — training that's often hard to find in civilian life.

Delayed Entry also lets you pick the place you want to spend a good part of your time in the Army — Hawaii, Korea, the Canal Zone, Europe or Alaska.

Say hello to your Army Recruiter. Soon you could be saying a lot of sweet good-byes.
