South Haven Kiwanis Club

South Haven, Michigan

April 1st, 1936

Mr. L. D. Watson
Secretary, Kiwanis Club
Coldwater, Michigan

Dear Kiwanian Watson:

At the district convention of Kiwanis to be held at Mackinac Island in July the South Haven Kiwanis Club will offer the services of Stanley Johnston for the office of District Governor for the year 1937.

Stanley Johnston is the outstanding Kiwanian in the South Haven Club, of which he has been a member for fourteen years. He is an excellent speaker and presiding officer, having been toastmaster for the State Horticultural Society banquet for the past eight years. He is an active community worker and organizer and easily secures the cooperation of his fellow-workers.

In the past twelve years Division two has not had a Governor of Kiwanis while every other Division has been represented. South Haven has never offered a candidate for this office until this year.

We are extremely proud of Stanley Johnston and know that he will give Kiwanis an outstanding administration if given the opportunity. We are enclosing a statement of his qualifications and his activities.
