NEXT TUESDAY

Mac McKeith, who has the program, is planning to present a PR man from Lederle Laboratories in Chicago. Mac says that if his speaker doesn't show up, for weather or other reasons, "we'll sing."

THIS WEEK

The club, thanks to Program Chairman Bob Loose, got acquainted with the newly-created distric court. The speaker was District Judge James E. Carr and a lively question-answer period following his talk indicated high interest in what he had to say.

GUEST LIST

Rotarians Bill Slisher and Ray Smith of Bronson. Ray Ehl of Quincy. Earl Ripstraw of Union City. Virgil Royer and Paul Brower were Rotarian guests, while two Coldwater High School seniors, Robert Watson and John Barber, were introduced as this months student guests.

NEEDING MAKE-UPS:

Couillard, Culy, Kampenaga, Klein, Kornstien, Norm Moore, Olmsted, Patterson, Rice, Schlubatis, Skabo, Thompson, Weaver, Clyde and Warren Williams.

IN SUNNY SOUTH

Mel Rice, who is spending some time in Flordia, has been making up at the Bell Glade Rotary Club.

BIG QUESTION

Several members were wondering Tuesday whether Duke is our musical director or "supervisor."

GOLDEN RULE

Drive your car for others as you would have them drive their cars for you.

WHAT EVER HAPPENED TO THE SODA FOUNTAIN IN THE DRUG STORES?

Dan Glotry of Lederle Laboratory, Chicago, didn't answer that question, but he was willing to take on all others about the research and distribution of drugs. What is good today in the drug business may change overnight to be an obsolete product tomorrow. Research is key to success and the cost of reasearch for one new drug may reach millions. Drug priacy during the development and federal regulations are problems that laboratories must be very watchful of. According to Mr. Goltry the cost of drugs over the last ten years has dropped 14% on largely used products. Thanks to Mac McKeith for making this program possible. If you must get sick be sure and ask your doctors to prescribe the drugs that are 14% cheaper.

NEW FACE AMONG US

Frank Moler, son of Mr. and Mrs. Frank Moler Sr. of Coldwater Lake, was introduced as our high school guest for January. Also get to know Bob Watson, our other guest student. They are both real interesting to talk with. Make them feel at home in Rotary.

BOARD MEETING NEWS

It was after long debate and consideration that the Rotary Club Board voted to cancel the "Rotary Show" scheduled for March. As President Doug said, we are in need of suggestions for a project. Please think about it and give your ideas to any Board member.

Other action was taken to accept the resignations, with regrets, of Ken Kampenga, James Koss and Bob Sweet. Both Ken and Bob have found their business to demanding. Jim Koss has been transferred to New York state. We are sorry to see them leave Rotary.

VISITING ROTARIANS AND GUESTS

We welcomed Rotarian Bill Whorley of Kokomo, Indiana. Dick Biringer presented Alan Demming of Hillsdale, and Dean Pridgeon of Coldwater as his guests

Sanford, our Jolly sergeant-at-arms, was home with the flu so Norm Moore stepped in to collect fines. Without a club project in making fine costs could be increased. As Judge Carr said at our recent program, the fine for infractions of the rules could be the same but the court cost may go up. Think about that for a while.

Dick Moore

TODAY'S SCHOOLS HAVE CHANGED

Lester Luce, Coldwater High School principal, was the speaker. He indicated that school problems and school curriculums do not remain stationary. Student problems and demands have also undergone changes. Class room teachers are not satisfied with the old image and are more militant than in the past.

Bert Faller presented the speaker.

NEXT WEEK

Next week Harold Goodholm is program chairman. No news as to Harold's program.

VISITING ROTARIANS:

GUESTS

Howard Sharpley

EARLY LEAVERS

Only four!

Have you suggested a project to President Doug?

This might also have been added to the changing school program:

"The parents and teachers are linked together like a team of runners in a three legged race. If you fail to jog-trot in harmony, you may not only fall down on the job, but perhaps you short -- change a child educationally". This advice comes from the National Parent-Teacher.

Ax Olson

P. S. Last Remark -

The superintendent visited the ailing principal in the hospital. "Now Joe," he said, "don't worry, everybody at school will pitch in and do your work - as soon as we can figure out just what you have been doing."

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan
The Singingest Club in the U. S. A.

JANUARY 30, 1969

NEXT TUESDAY

Hang on to your hats fellas cuz Ax Olson, who has next week's program, promise that we will be soaring high. Seems that Lynn Bondurant, planetarium director at Legg Junior High, will be the speaker and as everyone knows, his main interest is in space.

THIS TUESDAY

Harold Goodholm came up with two aces, Ray Ehl, Quincy Rotarian and a member of the Board of Supervisors, and Rex Gifford, County Tax Equalization Director. Among other things, Ray said that since joining the Board, he'd discovered that a certain Coldwater Supervisor wasn't such a bad guy after all. It's apparent he doesn't know Duke like we know Duke. Gifford ~~explained the functions of his department and~~ all-in-all, it was an interesting half hour.

SOMEONE GOOFED (we think)

The absentee list handed us this week omitted the names of Les Woodward and Warner Van Aken. We seem to recall they left for Arizona last week along with Mac McKeith, Russ moore et al.

FINE TURNOUT

Bronson was well represented here Tuesday with Rev. Fanter, George Brusak, Jerry Bystry, Ray Smith, Tom Megargle, and Lloyd Phillips making up as fugitives from Ladies night. They drew 50 cent fines, which should remind local Rotarians to make up at Quincy until the storm blows over. Howard Teeter had Blaque Knirk as his guest.

EARLY LEAVERS

Only four ! ! ! !

LET'S WALTZ

Prez Doug announced Tuesday that the club is sponsoring an April appearance of Wayne King at Tibbits Opera House. Members will be asked to sell tickets, popcorn etc with the club's "take" to be turned over to the Little League organization.

CLOSING THOUGHT

The best safety device is a rear view mirror with a patrol car in it.

PROGRAM FOR THIS WEEK

Ax Olsen presented Lynn Bondurant director of the Planetarium at the Legg Junior High School. Bondurant also teaches three science classes. In his production Ax mentioned that already three articles have been published in national magazines and happenings in the area of science in Coldwater. Bondurant showed a movie that he had gotten from the National Aeronautics and Space Administration titled "America's Space The First Ten Years". This was a real fine program.

EARLY LEAVERS

There were only four, Norm Moore, Noel Shedd, Carroll Barnes and Bob Kerr.

GUESTS:

Robert Man had as his guest Murone Boersima.

ABSENT MEMBERS:

Font, Biringer, Bristol, Davidson, Endicott, Faller, Goodholm, Kornstein, Leavenworth, McKeith, Rus Moore, Nagle, Olmsted, Patterson, Pitts, Schlubatis, Skabo, Skinner, Teeter, Warren Williams and Wicks.

UP AND COMING ACTIVITIES

The planning is continuing on the possibility of holding a district golf outing here in Coldwater sometime in August. If the plans go through for this you will probably be asked to help work on it.

FUTURE PROGRAMS

Don't forget to check the back of the Bulletin to see when it is your turn to provide the program so that you can prepare for it in advance.

Members knowing of good programs that are available should let Tom Collins know so he can relay the information to those who need assistance when their time comes up.

NEXT WEEK

Program Chairman for next week is Roy Patterson. He has made arrangements for Larry Carrico to present the program.

NEW MEMBERS

Several of our members have moved or had to drop their membership for various reasons in recent months therefore we should all be alert for persons that make good members. If you know of someone who would make a good member his name should be submitted to Secretary George Pearce.

March 4th, we will vote for new board members. Nominations will be included in the next weeks bulletin.

"GRACE PATTERSON DAY"

A big "thank you" to Grace Patterson was offered by President Doug last Tuesday. Proclaiming "Grace Patterson Day", Doug expressed the wishes of the club in thanking Grace for her fine music in playing during noon meetings and Rotary shows. It was the clubs pleasure in presenting Grace with a larger travel tote bag for her winter vacation use and a corsage to celebrate the occasion. From Coldwater Rotary members - "Thank you Grace".

TIBBITS NOW IN FIFTH YEAR

Larry Carrico, manager of Tibbits, presented a theater progress report at our noon meeting. Generally speaking, Larry explained that Tibbits has accomplished a lot over the last four years of a planned five year period. Debit reduction and building restoration have been the main goals and are being worked on all the time. Now, future program development can be planned to a greater extent. The theater was used for meetings, programs, plays or practice over three hundred days last year. Quincy, Bronson, Union City and Coldwater high schools have used Tibbits at least once during the school year. Larry explained that an increased winter concert series has been planned for next year. This summer seven different plays and musical programs are lined up for a ten week period. He Thank Roy Patterson, program chairman, for bring Larry Carrico to Rotary.

NEXT WEEKS ATTRACTION

Program chairman next week is John Pierson. Upon being questioned as to his plans for next week, John said he would proudly present Mr. Joe Keating, a former Coldwater resident now of Lansing, who would hopefully speak on the budget program for the State of Michigan. (I didn't know they had a planned budget. Did you?

PROGRAM

Mr. Joe Keating, administration officer of the Department of Commerce, State of Michigan, presented a very informative talk.

He related some of the problems of which people should be aware as they pertain to the Department of Commerce. Airports, economic expansion, financial institutions, insurance companies and liquor control commission were departments discussed.

A good program brought to the Rotarians by Fred Culy in the absence of John Pierson.

THOUGHT FOR FEBRUARY

Washington and Lincoln probably would be puzzled by the term "public relations". Yet both men faithfully adhered to an ideal that should underlie all good public relations, the ideal of service to people, community and nation.

ANOTHER THOUGHT

Keep abreast of the swimming pool!

COMING UP

Noel Shedd, who has next Tuesday's program, hasn't revealed its nature but says he's "optimistic" he will have something of interest for the membership.

BACK IN FOLD

The Club extended a warm welcome Tuesday to Reo Goodwin, who has returned to the Club after a leave of absence. Good to have you back, Reo.

THIS WEEK

Ken Putnam came up with an interesting program featuring Dr. George W. Bowman, President of Glen Oaks Community College over near Centerville, and Kathy Baldwin, President of the Student Council there. They presented a most appealing picture of the new institution.

FROM AWAY

Visitors Tuesday were Rotarian Gordon Van Wieran, of Bronson, and the GREAT(remember that, John) Monk Watson of Colon (and points East, West, North and South).

MISSING FACES

Biringer, Davidson, Dean, Faller, Leavenworth, Laney, McKeith, Russ Moore, Pierce, Pitts, Rice, Shedd, Skabo, Skinner and Warren Williams. ~~Warner Van Aken, vacationing~~ in Arizona, had already made up but that isn't news he always does.

CLOSING THOUGHTS

Habit is a hard master but a willing servant.

The best way out of difficulty is through it.

Advice is least heeded when most needed.

"PLAY BALL"

The Detroit Tigers won the World Series all over again. High lights of the seven games were presented on color film with stop-action and slow-motion of the close plays. Bats boomed, the pitchers were fast, and the fans were delirious. So were the Rotarians watching the film and they already knew how it would end. Fear not, the sun will shine and it will be opening day at Tiger Stadium before you know it. Then just maybe, the Tigers will do it again. Thanks to Noel Shedd for making the film arrangements with his guest Jim Lyon and Glyn Dee Havens for running the projector.

I DIDN'T KNOW THAT

Naturally no one ever gives the groom a shower - - he's all washed up anyway.

"There's no charge, madam," said the Taxi driver to his passenger, "You did most of the driving."

The above lifted from the Marshall Rotary Fountain. Thanks.

TUNE IN FOR NEXT TUESDAYS PROGRAM

Don Shorno, next Tuesday's program chairman, has as his speaker, Dr. Bill Nettleman who will present a program on drug abuse. This should be an informative presentation and one you will not want to miss.

GENERAL NEWS

The results of the election for club directors were as follows: John Klein and Bob Rumsey were re-elected and Bill Fuerstenau was selected as the new board member.

Bernard Laney presented John Borden and John Barber as student guests for the month of March. Make a real effort to meet these young men and be sure they are not sitting together at lunch or somebody is going to get fined.

Visiting Rotarians were Clarence Snyder, George Brusak, and Robert Kolassa of Bronson, and Larry Ives of Sturgis.

Bob Rumsey had Pat Patrick and Chuck Woodward had Lee Vance as their guests.

Keep in mind the Wayne King Show. This is scheduled for May 5th. You will be getting tickets to sell very soon.

The Governor's Monthly Letter places Coldwater at 87 percent in attendance and we are ranked 18th in the district. This is a drop for us so help out by making up when you must miss a Tuesday meeting.

SEE YOU IN THE NEW SWIMMING POOL !!!!!!!

CARE

HOPE

REHABILITATION

This was the program told to the Rotarians as it pertained to the Maple Lane Medical Care Facility

James Skinner presented a social worker, a recreational director, and director of nursing who, in turn, explained the programs as they affect the patients a very informative program.

Next week's program is in charge of Conrad Swart who will bring us the State Police.

This month eight Rotary Club will reach their 50th year! If you're interested, check the March Rotarian Magazine.

Forty-one new clubs since February listing of Rotary Clubs.
(check page 54).

Thought for the week:

Life itself can't give you joy.

Unless you really will it:

Life just gives you time and space -

It's up to you to fill it. (Optimist)

INTERACT NEWS:

The Interact Club of Saigon - West, Vietnam, constructed ten homes to house
refugees -- and then planned a further program of aid to the families which
moved into the houses.

A successful man is one who earns more than his wife can spend. A successful
woman is one who finds such a man.

Next week's program - John Dean in charge.

PROGRAM

What must be one of the great success stories of American business and free enterprise, that of Markus Robtbart, now of Great Mark Western, who fled Germany in 1949, penniless, and now brings a business with a 22 million dollar investment to our area, comprised last week's program. You who were absent missed one of our most outstanding programs. I can't remember all the statistics, but the story of how Great Mark Western ended up in Allen Township is most interesting. Cornflakes for cows is one way of summing it up!

Thanks to John Dean for bringing Don Hines, the Vice President of Great Mark Western to us.

PROGRAM

Reo Goodwin brought us an up-to-date review of "Rotary Today" here in Coldwater.

Among the members participating and telling of some of the Rotary goals this year were Ralph Toupalik, Howard Teeter, Bob Rumsey, Ernie Luse, and Fred Culy.

Programs of this type help us to understand what some of our fellow Rotarians are doing and how we can all help in attaining our goals.

COMMITTEES

All committees should now be functioning in accordance with the programs outlined to our District Governor Fred Keicher at our Club Assembly earlier this month. If there are any questions call the director in charge of your area of service or Tom Collins.

HILLSDALE MEETING DAY

We Wish to remind you again that the Hillsdale Club meets on Wednesday now at 12:15 p.m. They still meet at the St. Peter's Episcopal Church Parish Hall on Broad Street.

PROGRAM

Program Chairman for the week, Chuck Bristol, presented Barry Case, President of the Coldwater Exchange Club, who announced the Exchange Club is going to tackle the business of fluoridation for Coldwater's water supply.

Berry then presented Dr. Howard H. Mehaffey, Assistant Chief of the Dental Division of the Michigan Department of Health who talked about the history of fluoridation in Michigan; the beneficial results; its harmlessness; and the necessity of continuing this fight in preventing tooth decay. He pointed out that all public water supplies in Michigan are to be fluoridated by 1973 unless exempted by Council action or local referendum. He pointed out that 83 percent of our urban population and 66 percent of our rural population never receive dental care, and only 10 percent of the population under 5 years of age receive dental care. So there is plenty of work for the dentists even if we do have effective programs of tooth decay prevention.

How damaging is tooth decay to our population? The second greatest cause of absenteeism in our schools and in industry!

Rotarians - we have the responsibility of being informed on this issue. Let's be aware of, and attend the open meetings the Exchange Club will be having in the near future. It's an issue that brings all of the extremists and crack-pots out of the woodwork. Let us be informed and draw intelligent conclusions in this matter. Thanks to Chuck for an excellent program.

President of R. I. Jim Conway sez:

"Don't repaint the town pump, when the city is crying for a new water-works."

How about it Coldwater Rotary? Have we really found out what is needed in our community and are we willing to do something about it?

THE BEST EXECUTIVE is the one who has sense enough to pick good men to do what he wants done, and self-restraint enough to keep from meddling with them while they do it. -Theodore Roosevelt

PROGRAM - We are deeply indebted to Mark Andrews for bringing to us a film of the American Bar Association concerning "The Middleman" -- the American policeman, caught in the middle of the burning conflicts searing the life of our nation. The film presented all sides of the problems without the simplistic allegations and solutions we are all so used to and devoid of any "preachery" rhetoric that extremists from all sides force upon us. From where I sat, it was a plea for some quiet, time-consuming understanding on our part, and a call to personal involvement in building respect for law in our communities and helping our local law enforcement officers achieve a place of respect and status in the community through proper attitudes and by providing the necessary economic factors. Certainly a program the following persons would not have wanted to miss, had they only known!

NEXT WEEK'S PROGRAM - DON'T MISS IT - Sounds highly mysterious - in charge, Ernie Luse - entitled

"THIS n' THAT"

When you see those 70 dozen!!! tulips blooming at Englewood next spring - think Rotary - and men, remember, THE ROTARY SHOW - May 7 - 8 - 9. Is it on your calendar?

International Service - District 741 in Pennsylvania, U. S. A. has provided a \$25,000.00 mobile hospital for Rancagua, Chile to serve town and rural dwellers in and around Rancagua. It is a custom built unit, built for rugged mountain roads.

Don't miss the remarkable pictorial feature "World of Water" in the October issue of The Rotarian. Also, some interesting letters to the editor concerning Fred DeArmond's article in the August issue. No easy answers here, either!

New Rotary Clubs organized since July 1, 1969 - 22 in 10 countries

Be sure and welcome our STUDENT GUESTS for the month and make every effort to include them in Rotary fellowship. Both Juniors at Coldwater High School, they are Joe Collins and Bill Doll.

It is estimated that the people of the United States spend approximately one billion dollars each year for medications against the common cold - despite the fact there is no known cure! Not many of us follow the advice of the great English doctor, Sir William Osler, who said, "The best way to treat a cold is with contempt!"

It seems the local men's clothing stores are having quite a rush on the new, very "in" wide ties this week. The question is, who benefited most? - Rotary Foundation or the tie manufacturers?

PROGRAM

Ernie Luse lived up to the title "This N' That" this week. In a day of instant communications, causing us to live constantly with the hostilities, frustrations and problems of the whole world, it was refreshing to be carried out of ourselves for awhile and be entertained. Thanks, Ernie!

But back to hard realities - Harold Goodholm is coming up with a timely and interesting program next week. Mr. Robert A. Fisher, Senior Vice President of the Michigan National Bank of Lansing will be the speaker of the day. His subject will be on inflation and the general business outlook.

ROTARIAN GUESTS

Marle Morrison, Detroit
Burt Aldrich, Bronson
Will Whorley, Kokomo

Bill Treacy, Quincy
Jim Nesbit, Kokomo

Please be sure to meet our student guests this month. John Swanson, a senior at Coldwater High School and Bill Doll who is a junior. If you attend Cardinal football games - John is #88 and Bill #23 - both doing an excellent job for their team.

DID YOU KNOW - Harold Goodholm has been appointed by District Governor Fred Keicher to serve on the district committee of World Community Service with Robert Winkel and past district governor Richard Bucknell of Sturgis. Another milestone in Rotary Service for Harold is the sort of Rotarian you expect to find active in Rotary Service.

Well, today is "M" Day. Business as usual in Coldwater. Someone has said "The middle of the road may not be the most exciting place to be, but at least you'll be further from the ditch - on either side."

I suspect a lot of anger will be stirred today on both sides of the Vietnam question. And a lot in the middle will become angry with the extremists on one side or the other. Someone has said "Whenever you find yourself in an angry mood, stop and find out why. Then figure out something constructive to do about it. Never stay angry - people who do are digging their own graves."

ROTARY FOUNDATION WEEK - 9 - 15 of November

The Rotary Foundation began as an idea in 1917 when Arch Klumph, president of the then International Association of Rotary Clubs, called for "some great educational service to mankind" at the convention in Atlanta. At the 1928 convention, Rotarians approved the establishment of what is now known as The Rotary Foundation.

In 1947, Paul P. Harris, Rotary's Founder, died, and memorial donations to the Foundation poured in from all over the world. The same year, The Rotary Foundation Fellowship for international understanding, the first major educational program undertaken by the Foundation, was started. Since then, the programs have increased to include Group Study Exchange, Technical Training, Undergraduate Scholarships and Special Grants.

So pay those fines cheerfully, men! See the good Foundation money is doing.

Some 4,000 awards worth \$9,300,000. have been made by The Rotary Foundation through the academic year 1969-70; that is, in the history of the Foundation.

IN THE NOVEMBER ROTARIAN -

PROGRAM

You know that old saying, "a Rotarian never says no?" Well, when it extends to a visitor from another Club, providing a program "on the spot," that's real service! Harold Creel of Bronson Rotary became the program for the day yesterday, when he walked in the door. He talked to us about his new nursing home, Carriage Inn, being built on North Michigan Avenue in Coldwater. That location was chosen for the new 75 bed nursing home because of its nearness to the Health Center and its access to city sewers and water.

This home, which will offer skilled nursing care is scheduled for completion, August 15, 1970.

Remember that change in the meal price - \$2.00 (as of last week).

No bulletin next week. With Thanksgiving, it will be a short and busy week in our office. With the tension that exists in our nation today, thinking men will wonder about giving thanks. But the man who cannot find something for which to give thanks is not really alive - for such, George Herbert's plea was this:

So much has been given to me;
One thing more I ask - a grateful heart;
Not only when I feel thankful -
But when blessings have spare days.

EARLY LEAVERS -

- and I was among them last week - so I was hit right between the eyes with this
item from The Lansing Rotogram. Let's give it some thought!

Before leaving a meeting early, try the Four-Way Test.

IS IT THE TRUTH that you must leave early? Or can whatever
you're rushing off to reasonably wait 30 minutes longer?

IS IT FAIR TO ALL CONCERNED? Our committees work hard to
bring us above average programs, and most speakers appear
at considerable sacrifice.

WILL IT BUILD GOODWILL AND BETTER FRIENDSHIP? Were you ever
a speaker before a group where many left early?

WILL IT BE BENEFICIAL TO ALL CONCERNED? Is there more than
one answer to that question?

CHRISTMAS WISDOM FROM PEANUTS

Shermy to Charlie Brown: "I've got this whole Santa Claus bit licked, Charlie Brown! If there is a Santa Claus, he's going to be too nice not to bring me anything for Christmas no matter how I act ... Right? Right! And if there isn't any Santa Claus, then I haven't really lost anything! Right?

Charlie Brown: WRONG! But I don't know where!

(Editor's note: Substitute God for Santa Claus in Shermy's argument and you have present-day American morality in a nut-shell. Right? Well - a Merry Christmas anyway!)
