A school year is about to end and with it goes another senior class into UNLIMITED HORIZONS. To the graduating seniors this annual will hold many fond memories. We hope it will carry to each and every student the memories we have strived to bring to them.

We would like to take this opportunity to thank our advisor, Miss Judy Lilliquist, for the many extra hours she spent in helping us to produce this book. A special thanks goes to Judy McCann, Gary McCann, Cindy Pask, and Gerry Smith for their extra effort, as well as to the rest of the members of the annual staff.

To the faculty, Board of Education, parents, and to the community, we hope this book will show the many possibilities of our UNLIMITED HORIZONS.

Sincerely,

Dedication

The picture below was taken during the homecoming activities.

Mrs. Denham drew the above picture from the photograph at the right.

An Artist in Every Way

MRS. JEAN DENHAM

The annual staff is proud to dedicate the '65 Oriole to Mrs. Jean Denham for her eleven years of loyalty and friendliness to students of all ages. We hope, Mrs. Denham, that this annual will hold many fond memories for you in the future.

What started out as a temporary job for Mrs. Denham, soon turned into a full-time job. All students who have had Mrs. Denham as an art teacher and as a friend are proud to say, "I know Mrs. Denham. I had her for a teacher."

Mrs. Denham is surrounded with ceramic work done by her students.

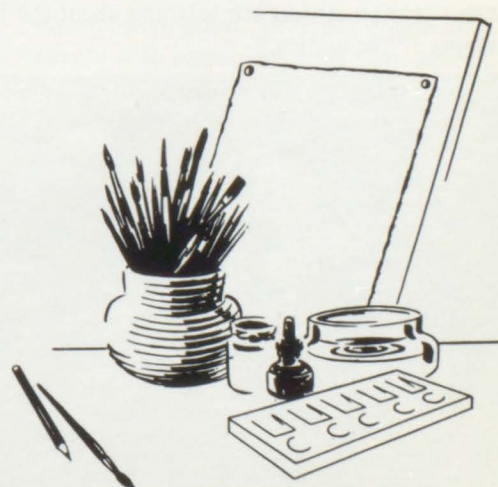

Diannia Curtis, Mark Van Patten, Cindy Pask, and Bruce Parker, second-year art students, are working on one of their many art projects.

During the year Mrs. Denham has her students make advertising inventions.

Mrs. Denham experiments with abstract sculpture.

Mr. Henry Longhini explains new drafting techniques to Jim Sattler.

Students and teacher alike take advantage of the many uses of the library.

Sophomore Penny Fenno is having her ring size taken by Mr. Dave Ernst from Josten's. Lois Anthony is anxiously awaiting her turn.

Varsity Football

After an exciting year of football, the Quincy Orioles ended up with a 3-4 conference record and a four-way tie for third place in the Little "C" Conference. The team, coached by Mr. Dan Ludlow, lost their first three games; but finished out the season strongly by winning three of their last five games. The game most remembered by the team was the 12-7 upset victory over the second place Athens Indians. Bob Barrett and Tom Mills were selected for the All-Conference team.

Orioles Break Records

Coach White's 1964-65 Orioles established the best league record of any Quincy team during the past 14 years with an 11-3 record and a 2nd place finish in the Little C Conference. The team also set a new school record in scoring an average of 71.6 points per game for 17 regular season games, beat Homer on Quincy's court for the first time in 14 years, and kept the school's winning tradition by having its third winning season.

Jerry Wortz, Quincy's 6' 8" center, helped greatly in setting these new school records. Some of Jerry's own accomplishments were: He set a new individual scoring record of 54 points against Bronson, set a new individual rebound record by grabbing 38 rebounds against Athens, established a new Little C scoring record for the season by scoring 512 points in 14 games for a 36.6 average per game, became the first player in league history to score over 500 points in one season, established a new school record in scoring by canning 635 points in 18 games for a 35.3 average per game, was named to the Little C All-conference team, and established a new record for rebounds during one season by grabbing 382 rebounds for a 22.5 average per game. Jerry was also the first player in Quincy's history to accomplish two more firsts - his jersey, number 54, has been retired, and he was named to the 1st team of the Detroit Free Press, Class "C" All State team.

Varsity Basketball Cheerleaders

The Varsity Cheerleaders completed another successful year under the direction of their advisor, Miss Judy Lilliquist. They sponsored their Annual Valentine's Dance and made \$115 to pay for the new cheerleading outfits for the Reserve Cheerleaders. They also purchased new varsity football sweaters, and were planning to send some girls to Smith-Walbridge Cheerleading Camp. Some of the social activities they had were their bi-annual spaghetti dinner, two pajama parties at the home of their sponsor, and attending a cheerleading clinic at Grand Rapids Junior College.

Shown preparing basketball banquet decorations are left to right: Diana, Miss Lilliquist, Nancy, Sandy, Judy, Carol, and Myrna. Below, the girls decorate the cafetorium for the big feast that night.

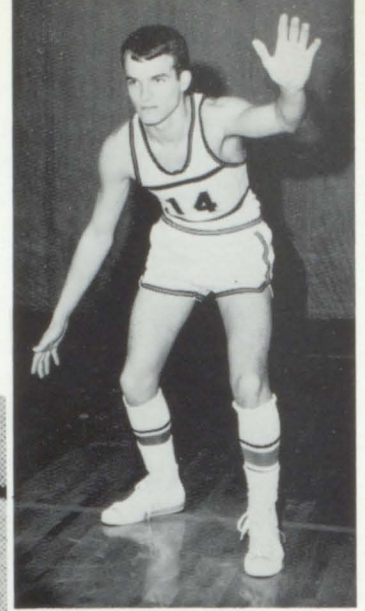

Excitement was at its highest during the double overtime game with Bronson.

Returning Lettermen Backbone of Track Squad

This year's track season is just getting under way as the yearbook goes to press. Returning lettermen are Bob Barrett - 3 years, Mike Morris - 2 years, Ken Peterson - 2 years, L. D. Wise - 2 years, Larry Bowerman - 2 years, Phil Howard - 1 year, and Terry Piper - 1 year. A squad of about 25 centered around these lettermen will be striving to improve on last years seventh place finish. Eight dual and triangular meets will be held in preparation for the conference meet at Coldwater, May 12. This year's squad should be strong in the middle distances relays and field events. With hard work and a strong desire to help win the All-Sports trophy, the thinclads could have its best season since 1957.

Memories of Spain

by
Milena Krymis

One of the most memorable events that I have experienced was my eight-week stay in Spain. It was a great honor for me to represent Quincy as an exchange student. I will never forget the adventures of becoming acquainted with a large city, the excursions to towns outside of Madrid, and the friendliness of the people.

Milena Krymis, exchange student to Spain, and Helle Nors, exchange student from Denmark, overlook the places they have been.

The officers that led the Juniors through another successful year were: Sara Roth, Secretary; Bob Watkins, Vice-President; Bill Rhoades, President; Barb Brents, Historian; Sarah Lambright, Treasurer; Miss Judy Lilliquist, Advisor.

“Rhoades’ Runners” Shatter Records

The Juniors began the school year early this year by sponsoring two car washes during the summer. Then the ever-busy Juniors broke a school record at homecoming by winning the “Pep Jug” for the third consecutive year. Ambitious as ever, the Class of '66 kept rolling on to present the Junior Play, Junior-Senior Banquet, and the Junior Prom. Needless to say, they are looking forward to their senior year with great enthusiasm. Helping the Juniors along in their busy year were Miss Judy Lilliquist, Mr. Brent Veysey, Mrs. Carol Barker, and Mr. Robert Bennett.

Unlimited Horizons — Known and Unknown

A short, but successful year has come to an end for the class of '65. Many activities were included throughout the year besides school work. The first event was homecoming and we were very proud to have Bob Barrett and Carol Hampton as our Homecoming King and Queen. Next on the agenda was the date of November 20 and 21 when we presented our successful play "Mississippi Melody." Karen Fry was chosen as D. A. R. girl for her outstanding citizenship and good grades. Spring was in the air and so was the Junior-Senior Banquet. The J-Hop was another very special event. These fond memories will never be forgotten by the Class of '65. This year's senior advisors were Miss Evelyn Weckerly, Mr. Gerard Nowak, Mr. David Wood, and Mr. Daniel Ludlow, head advisor.

SERVING THE COMMUNITY SINCE 1881

Drive-in
banking saves
much time and
many steps for
customers.

Convenience, again,
is stressed in this
spacious banking
area.

Even though the First
National Bank is new
it still strives to
make the best better.
A newly added piece
of office equipment is
being used at left. This
machine cuts down hand
labor and increases the
efficiency of the bank.
