Dear Secretary:

We are enclosing herewith a copy of Resolution unanimously adopted by the Kiwanis Club of Sault Ste. Marie, Michigan, relative to the construction of a bridge across the Straits of Mackinac from Mackinac City to St. Ignace. We feel that the joining together of the two peninsulas of Michigan would be of inestimable value to the entire State.

We would appreciate your presenting the resolution to your club and your influence urging its adoption.

Yours,

Chas. O. Bye,  
Secretary.
