### In the History of Coldwater

---

PREVIOUS to the coming of the white man, this locality was the red man's paradise. Coldwater prairie was a beautiful bit of country, dotted with fine oak trees and traversed by a running stream or two as well as by the Coldwater River. The adjacent forests abounded in deer, wild turkeys, squirrels and other game, while the waters swarmed with fish.

The following abstract is by no means intended as a history of Coldwater, but merely a list of the noteworthy events of the past eighty-nine years. It will be found valuable as a matter of reference.

1822—Joseph Godfrey established a trading post to barter with the Coldwater Prairie Indians; a little later one Marantette conducted another where Oak Grove Cemetery is now located.

1829—Oct. 29, Branch County was laid out and so named by the Territorial Legislature.

1830—Hugh Campbell erected the first (log) house, on the present site of the Y. M. C. A. The county had 50 whites at this time. Two-horse stages began running over the Indian trail, later made the Chicago road. Entire county tax, \$7.36.

1831—Allen Tibbits and Joseph Hanchett platted a village here, calling it Lyons. In July Mr. Tibbits preached the first sermon here. A. F. Bolton built the first frame building in the county, a hotel at Masonville, near the present cemetery bridge; landlord, Harvey Warner. Branch was made the county seat in place of Masonville, which held that honor a few weeks; Branch then had one log hut.

1832—Chicago road built through here, following the old Indian trail. Oriental Hotel built. Peter Martin built a sawmill at the junction of Division and Clay Streets. Cynthia Gloyd taught the first school, with 9 pupils; Silas A. Holbrook established the first store here, and became first postmaster in 1833.

1833—The name of the town was changed to Coldwater, from the Indian "chuck-sey-ya-bish" or cold water. Branch County, as such, began its separate existence, March 1; it had previously been attached to St. Joseph County. First sheriff, Wm. McCarty; clerk, Wales Adams; treasurer and register of deeds, Seth Dunham.

1834—The "old red schoolhouse" was erected near the corner of Pearl and Hudson Streets.

1835—The village of Masonville was platted on the east bank of the Coldwater River and aspired to be the county seat again.

1836—Methodists built a church.

1837—The village was incorporated; population of entire township, 969. Branch County then had 4,016 people. Francis Smith, Thos. Daugherty and

- Wm. B. Sprague erected a mill on the present site of the "A" mill; it was burned in 1858 and rebuilt in 1859. Dr. Alger at this time found 37 taverns between Quincy and Sturgis. A terrible year for malarial troubles. One historian says that 32 out of 140 people of the little village died that fall. The cause was said to be the Clay Street milldam built in 1832. A body of angry citizens destroyed it. July 18, Coldwater's first newspaper, the Observer, was issued. This became the News, then the Democrat, whose existence ended when as the outcome of a row among the owners the office was "pied."
- 1839—Schoolhouse erected at the corner of Pearl and Clay Streets. The present county poor-farm was purchased.
- 1840—The last of the Pottowattomie Indians, except a few stragglers, were removed to the far west.
- 1841—Albert Chandler founded the Coldwater Sentinel.
- 1842—Coldwater became the permanent county seat, supplanting the village of Branch and blasting Masonville's hopes.
- 1844—The Baptists and Presbyterians built churches, the former where the Old Bank building now stands; the latter is now the Lutheran Church, the other is the Gage building on South Monroe Street. Benj. H. Parker of Batavia was killed by John White, who mistook him for a deer, those animals, with wolves, bears, etc., being still fairly plentiful. Methodist conference held here.
- 1845—Robinson Robinson was robbed of \$1,500 in silver and gold in a Coldwater tavern.
- 1846—The first jail was erected. Spring election voted against licensing liquor selling. November 30, American Hotel burned.
- 1847—County vote decided to build a courthouse; majority, 27, the exact figure by which the proposition to build a new one was carried 40 years later. In this year (1847) a Masonic lodge was established here. The "old white schoolhouse" was erected, on present site of Washington school, also a steam flouring-mill on the corner of Jefferson and Pearl Streets.
- 1848—First courthouse erected, also "old brick" schoolhouse.

LET your eyes and mind face the faces on the opposite page who have honored the City so faithfully and well as its chief officer or Mayor.

Without doubt there is not one of these gentlemen whom HILTON has not furnished with Clothing, and their faces look good to us; we hope they do to you.

It's a safe proposition that HILTON is the Best Clothier and always offers something "right off the bat" that creates a good feeling. The whole year 'round we are in the markets of the world for **values**; not how low a price, but values for the trade which prove a practical benefit to our patrons; and it is a Tiffany stickpin against a doughnut if we are not brain helpers and money savers to the buyer who wants **quality** in the Shoe or Clothing line, Trunks or Furnishings.

THE SECOND ANNUAL ASSEMBLY  
OF THE  
**Branch County Chautauqua Ass'n**

We name a few firms whose label on a package carries assurance of quality. Most everyone knows that the products of these big firms are as faultless as modern science can make them so, but not everyone is aware of the fact that the product of *all* these mammoth concerns center in Coldwater in one store—the Dorrance Drug Co.

The business of the Dorrance Drug Co. is growing bigger every year, and we believe it is largely due to the fact that we pay particular attention to *quality*; things bought of us can be depended on.

# The SPIRELLA CORSET

IS THE FOUNDATION OF PERFECT DRESS

Laced in Front. Low Bust, Exquisite, Distinctly High Class for the Well Formed Figure.

It brings out every beauty line; subdues unnatural effects—fits perfectly and most comfortably.

## Spirella Boning

lightest, coolest, most sanitary made. Rust-proof, non-breakable, admits of frequent laundering. No other boning allows such freedom of motion and yet supports the form and retains its original shape permanently.

Planned throughout and fitted in your home. Made exactly to your measure. It lends all the feminine taste and refinement possible to put into dress.

Let me submit models and show the wonderful SPIRELLA BONING—light, sanitary, flexible; positively shape-retaining and supporting.

My training and experience are at your service.

Appointments to your pleasure at your home.

Post card or phone call will bring me.
