- Happy Birthday Bob Kerr. He's 75! We all enjoyed a piece of his birthday cake.
- Ray Cardenas received a 13 year perfect attendance pin.

Bob Henning of Michigan Center Club spoke on the Rotary Foundation. He is a past District Governor. There is both a district and national foundation. Various projects are supported by our donations to the foundation. Donations can be made by wills, bequests, outright gift, and trust.

### Announcements/Program

• Dwight Woodman – pleads for Rotarian support on the broad band issue.

• Bill Stewart reiterates that plea.

• Also, Lindy Cox reminds us to fill out information sheets for the Rotary Web page.

Randall Hazelbaker presents himself and some of his toy collection. Today's hot collectables are – anything Disney, and old comic characters. Avoid restoration of your good shape old toys, they are worth more as is. Baby Boomers are behind huge surge in old toy popularity. G.I. Joe is big.

### Announcements/Program

Coming Programs:

- 10/28/97 - Howard Taylor on car restoration.
- 11/04/97 - Our Governor visits.

Bill Stewart was in charge of a tour of the ACM plant which produces parts for Honda (or will in the near future). Though ACM is a foundry, you would never guess how clean it is inside. Everyone is on associate not an employee. Good Program Bill.

**BOARD OF DIRECTORS MEETINGS:**  
3rd Tuesday of each month, 7:30 a.m.  
Putnam Funeral Home

In keeping with next weeks Golf theme and by popular demand, here are the five "Rules of the Day" as immortalized by Jim Erickson:

1. A ball hitting a tree shall be deemed not to have hit said tree. Hitting a tree is just bad luck and has no place in a scientific game. The player should estimate the distance the ball would have traveled if it had not hit the tree, and play the ball from there.
2. There shall be no such thing as a lost ball. The missing ball is on or near the course somewhere, and eventually will be found and pocketed by someone else. It has thus become a stolen ball and the player should not compound the crime by charging himself a penalty stroke
3. If a putt passes over a hole without dropping, it is deemed to have dropped. The law of gravity holds that any object attempting to maintain a position in the atmosphere without something to support it must drop. The law of gravity supersedes the law of golf.
4. The same goes for a ball that stops at the brink of the hole and hangs there, defying gravity. You cannot defy the law.
5. A putt that stops so close to the cup that it inspired comments like "You could Blow it in" may be blown in - But only if it is no more than three inches from the hole. After all, we don't want to make a travesty of this game.

### ROTARY CLUB of Coldwater

Box 42, Coldwater, Michigan 49036

July 2, 1997

Mr. Duke Davidson  
366 Crockett Drive  
Quincy, MI 49082

Dear Duke,

At the Annual June meeting of the Board of Directors of the Coldwater Rotary Club the board unanimously approved the change of your membership classification to *Honorary*. This change will be sent to Rotary International and places you along with Howard Teeter as the only members to hold such status in our club.

This classification change was done to recognize the many years of loyal and dedicated service you have given our club. Your years of participation in the Rotary show are surpassed by no other member. Your commitment to the club and the ideals of Rotary set an example for all of us, and you have truly earned the appreciation and respect of the entire club. We hope that you and Mary will find some comfort and satisfaction in this honor, for it is being extended with the full respect and admiration your entire Rotary Club.

We wish you and Mary the very best and pray that God's blessings will be with you both.

Sincerely,

Mark W. Putnam  
President

Thank you from CHS Choir Boosters for assistance with their Disney Trip. Rotary Show proceeds - \$13,560.00 Total. Board recommends distribution as follows:

\$5,000 to Community Center  
(1st of a 4 yr. commitment @ \$5,000 per yr.)  
\$3,000 to Tibbits Opera House  
\$3,000 to Heritage Park for Dugouts  
\$1,000 for Rotary park  
\$1,560 for Rotary Endowment Fund

### Announcements:

Special Welcome to John "Sal" Pierson, Jim Koss, Dick Uhl. Mayor Rumsey expressed need for home for 16 year old German Male Student for school year. Karen Kirkpatrick is looking for those interested in a "Toastmasters Club." Happy Birthday Dave Rubley! Requests for show funds for groups + causes requested.

EARLY LEAVERS- President Pat is getting a little annoyed at the large number of early leavers. We had been doing pretty good, but lately it has started to get out of hand. The worst part about having people leave en masse is being one of those who has to be embarrassed about staying. We are embarrassed for the program speaker. How would you like to come to our club to present a program and have a large number of people get up and leave before your presentation? We realize that some of you have no choice and must leave early on occasion. But, if motives are spur of the moment because the weather is nice and the golf course beckons...why not just make up at another club? Remember one of the four-way tests...IS IT FAIR TO ALL CONCERNED?

Proposed for membership - Bob Briest, Rick Vanderhoff  
Any objections should be submitted to President Pat or any Board Member in writing within ten days.

NO ROTARY CLUB SOFTBALL TEAM PRACTICE THIS WEEK.
