## The Way We Are Now

The change from the way we were has proved to be successful. 1974 has been a first for the big 8 conference, which consists of 8 schools: Quincy, Homer, Concord, Springport, Reading, Jonesville, Union City, and Athens.

Also a first, in fifteen years the girls are given credit, for they too contributed to the great success with basketball, track, and volleyball teams of their own. And it has been rewarding for Quincy, for this year our Orioles walked away with the First All-Sports Trophy. Good going guys and gals!!

Our Orioles fought in eight different sports to achieve this goal. They were: girls and boys basketball, track, wrestling, baseball, golf, cross country, football, and girls volleyball.

Also newly formed this year was an interscholastic student senate. The purpose of the senate is to promote better interscholastic relationships and activities with each other.

Quincy also held the presidency with senior Oriole Jeff Smead presiding. Other officers are: vice-president: Joan Beck - Athens, - secretary: Sue Clifton, - Reading, and treasurer: Cheryl Downing, - Springport.

Memories - Light the corners of my mind  
Misty water color memories - of the way  
we were.  
Scattered pictures of the smiles we left  
behind  
Smiles we gave to one another - for the  
way we were  
Can it be that it was all so simple then  
Or has time rewritten every line  
If we had the chance to do it all again  
Tell me would we? Could we?

 What's too painful to remember

CHILDREN OF PRESENT

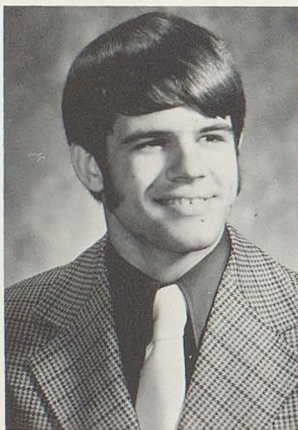

We're all children in a playground  
And we're climbing up a slide  
Come along and join up with the crowd  
Come along and take a ride

We don't care about tomorrow  
We're just living for today  
Sick to death of war and sorrow  
We've all got to find our way

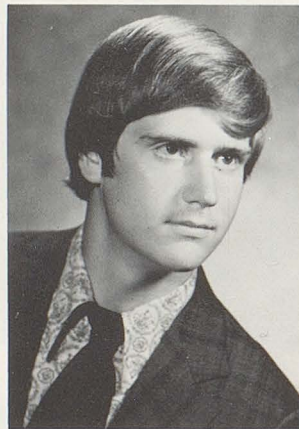

The clouds are up above us  
And the sun is edging thru  
May we all have peace within us  
Together may we be true

Cobwebs hanging on the walls  
The dust is inches thick  
Who shall answer to our calls?  
Does someone know the trick?

# We May Never Pass This Way Again . . .

- was the theme of 1974 Junior-Senior prom.

The prom this year was held at Hillsdale College, with the band Skyhook providing the entertainment.

BELOW: The College.

Dan King, the president of the Junior class welcomed us, and was the master of ceremonies for the evening, which included; dinner, giftatory, and last but not least the dance. An evening we'll never forget.

The tension mounts as we ask the question, WHAT'S FOR DINNER?

Our own two Gourmets Mr. Reynolds, and Carl, both agree that the food was GREAT!

Everyone else thought so too.

even Jennie.

Laura and Angelo, Boogie Down! ,

while everyone else warms up.

Truck on Billy

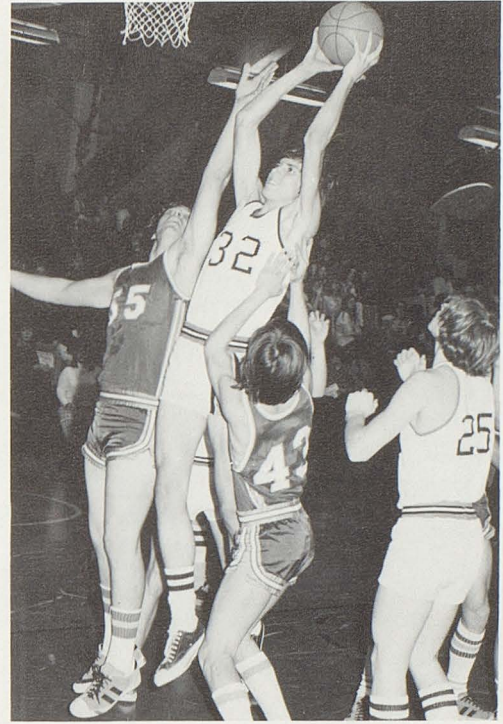

Where's the WATER?

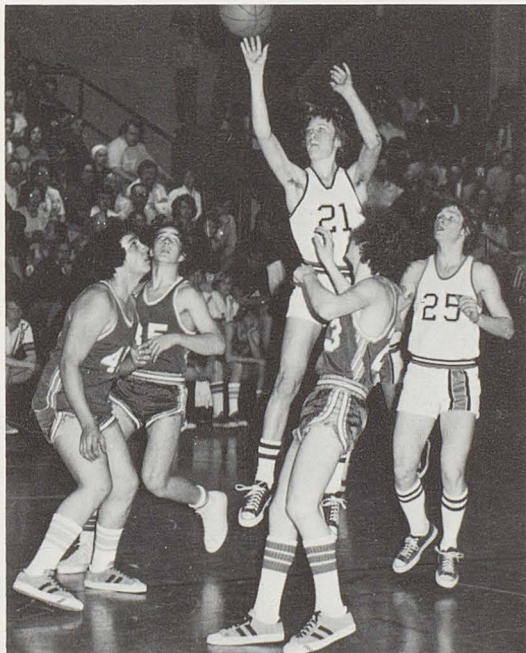

Our 1973-74 J.V. Orioles had a remarkable season with an overall record of 18 and 1. The highlight of the season was 2 victories over the Homer J.V.'s. We held the best record in the league with a 13 and 1 record. The team was made up of 15 super sophomores. The leading scorer was Dennis Bice, and the leading rebounder was Chris Everline. Tim Baldwin had the most defensive points; Bill Kurtz had best free throw percentage and Joe Wright held the best field goal percentage. These 5 were the starters and the rest of the team did an excellent job coming off the bench. CONGRATULATIONS!!

In this League two points are hard to come by, as we see Tim going in for a well covered shot.

If you can hustle, you can score, and Chris scores 2 pts.

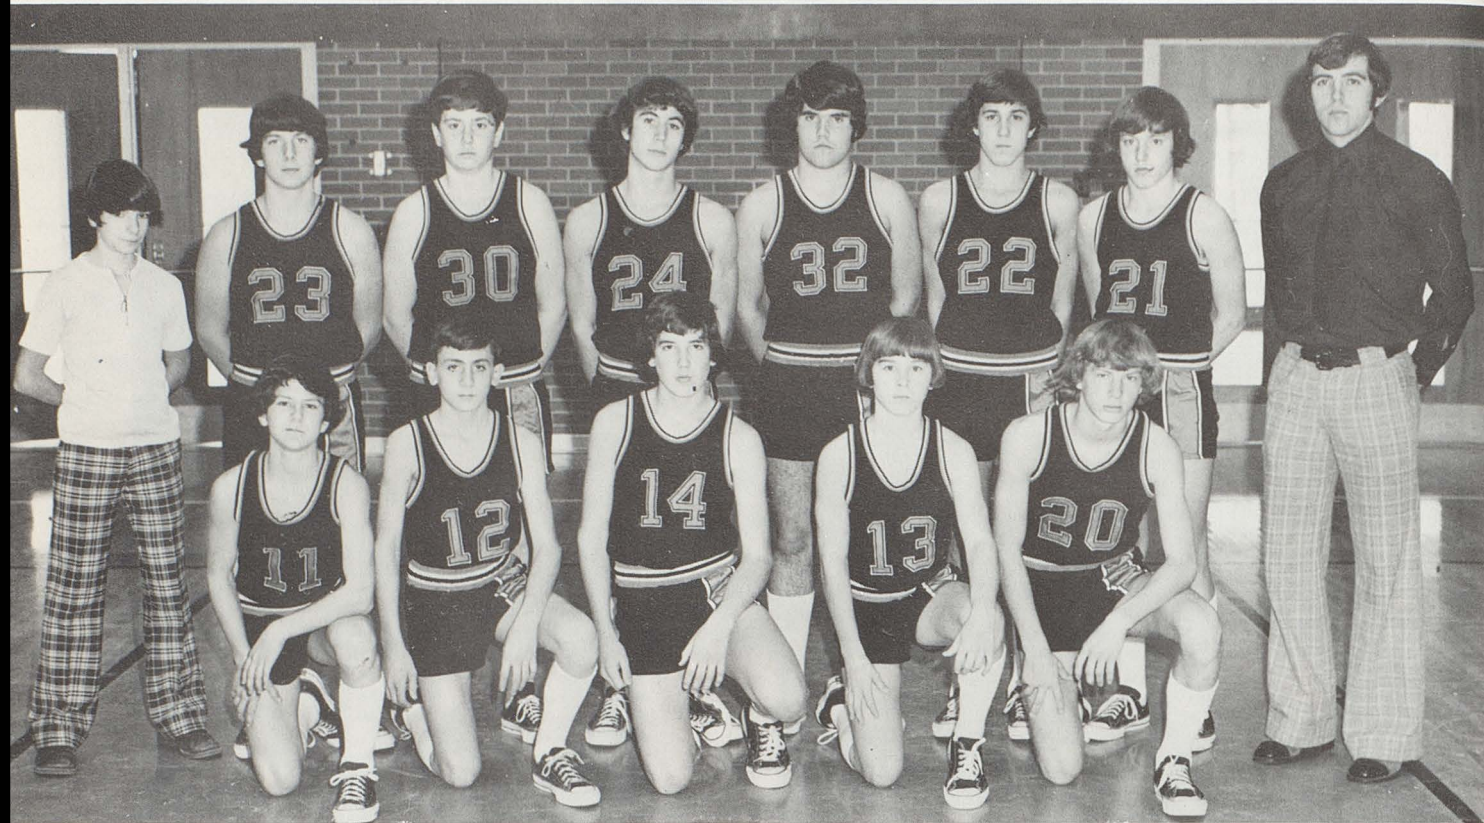

Joe Wright gets his fingers on two more pts, and puts us ahead.

Billy Kurtz goes for fast break.

7 Wins - 4 Losses

A lot of work and hustle from 21 boys put together a great season for the eighth grade Orioles. The top scorer for the season was Dave Elder, who also held the top rebounding position.

## 7th Grade Orioles

Even though the seventh grade basketball team ended up with a 3-5 record, Coach Stewart was extremely pleased with his players. The season was marked with close games and aggressive defense by the baby birds. As the boys grow and become stronger, they will be an asset to the future basketball program at Quincy.

This year Quincy sent thirteen students to the 26th Annual Youth Ledge in Lansing. Of these thirteen, ten were Seniors, and three Juniors. Jeff Smead ran for the office of Governor, and lost by only five votes. Rick King held the Chair of the Health and Social Welfare Committee. Sandy Longardner was Reading Clerk of the Senate, while Linda Wagner resumed her position on the Press. The rest of the group held a position of either Senator or Representative. IT WAS GREAT!
