Addressing problems solved - heat in the offices at 52 Marshall Street - and we should once again have a weekly bulletin. This one still goes to Union City for addressing - but soon the whole operation will be in our office and prompt mailings will be the practice for the rest of the year!

So - - if you have a good program coming up that you want the fellows to know about - get the information to me by Wednesday morning - 278-6068. -W.J.F.

PROGRAMS

Two excellent programs recently. Bob Loose brought us Capt. Homburg of Terre Haut, Indiana the week before last who spoke of the Vietnam war out of his own experience as a helicopter pilot.

This week we were fortunate to have District Governor Fred Keicher return with pictures of his trip to Russia with an educational study group formed by Kent University. Pictures and comments gave an excellent look at Russia.

PROGRAM

Our thanks to Bert Faller for a really great program (and to the men from Marathon, too!). For those who were absent, it was on the North Slope Oil discovery in Alaska. Some great pictures of Alaska and interesting information on the problems of drilling in that area.

NEXT WEEK: Axner Olson will be bringing Lynn Bondurant, Director of the planetarium at Legg Junior High School. No word on what Lynn has in mind but you can be sure it will be some aspect of space or science.

NEW DATES - ROTARY SHOW

MAY 21 - 22 - 23

MARK YOUR CALENDAR TODAY!

NEXT WEEK: January 27 we will vote on projects for proceeds from that great Rotary Show in May.

Suggested so far:

Lake treatment near Rotary Park
Tibbits Theater Improvement
Little League Field Improvement
Scholarship Funds
Projector for school

ROTARY ANNIVERSARY - February 23, 1970.

This will be the 65th anniversary of the founding of Rotary by Paul P. Harris.

To quiet his complaining wife, the poor husband bought her an electric range, dish washer, refrigerator, toaster and many other items. Then she complained she had no place to sit down, so he bought her an electric chair.

You see! Professional "pray-ers" are not indispensable. Thanks to Bill Weaver for getting the meeting started on Tuesday.

LADIES' NIGHT

Saturday, March 14th

Dinner followed by Ballet at Tibbits - More details to come - Save the date!

NEXT BOARD MEETING will be Thursday, February 12 as President Tom will be out of town on the 5th.

DISTRICT ATTENDANCE slipped during December, 1969 to 81.68%. But we went up! Coldwater Rotary was 6th in rank in the district with a 91.45% attendance average. Can we keep that figure going up? Certainly there is a relationship between frequency of attendance and quality of fellowship and service?!

DISTRICT CONFERENCE - Hayes Hotel, Jackson, April 17-18, 1970. Speaker for the Governor's Banquet, Edgar A. (Bud) Guest, Jr.

Four candidates have been proposed for District Governor for 1971-72, to be elected at the District Conference. They are:

Victor G. Boyer - Burr Oak
Fred Klein - Jonesville
Ronald Weger - Lansing

PROGRAM

It was appropriate, during Scout Week, and the 60th Anniversary of Scouting in America to have as our program, Jess Foster, Executive from the Nottawa Trails Council and Al Johnson of Ralston Purina (Battle Creek) present a graphic and candid report on the state of Scouting in Branch County.

It's the same story I've been hearing ever since I've come to Coldwater - we aren't even beginning to do our part financially in support of the Council. Since Harry Owens left, we have no executive living in District 3 which seriously hampers the work of unit leaders. Harry probably can't be replaced until we make it financially possible.

The skills, the self-confidence, the growth to responsible manhood that results from Scouting can't be measured in dollars - but it won't happen without them. Let's support Fred Anderson and his committee and have Rotarians lead the way in sustaining membership support of the Nottawa Trails Council.

The COLDWATER Rotary REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

February 18, 1970

Is Duke getting you into the "Show Mood?!" Don't forget those dates, May 21, 22 and 23. In accordance with the Club vote, the Board decided 2/3 of the profits to go to Tibbits Theater and 1/3 to Little League. Let's give Duke our enthusiastic support and attention.

PROGRAM

Bob Man presented Munroe Boersema, Director of the Department of Social Services. The facts and figures of welfare in our county are startling. One wonders if we were really involved in service to the community in such organizations as Scouting, Big Brothers', etc., if we might give the kids, at least, the vision of a different way of life? Certainly it's worth a try.

PROGRAM

The speaker last Tuesday, Don Butler, gave us a very informative talk on the Easter Seal Society for Crippled Children and Adults. Ken Putnam and Jack Gift, who are the high-powered committee in charge of this Rotary activity, ask your help to see that those individuals in the county who are in need of help know of this program. Your Rotary Board of Directors approves disbursements from these local funds which now amount to over \$1,500. Last year 4.1¢ per person was contributed to the Society from Branch County compared to a state average of 7.9¢.

SCHOLARSHIP FUND

Next week - we will vote on a \$200.00 contribution to a mutual scholarship fund for a graduating senior from Coldwater High School.

ROTARY INTERNATIONAL

We should be appreciative of the fact that Mel Rice, our world traveler, will be in attendance at the Rotary International Convention in Atlanta, Georgia, in May.

=====

Those of you helped intertain the visitors from Sweden last summer will be interested to know that Jane Hayden, a Lansing girl, recently flew to Bor, Sweden, where on Valentine's Day she married Lenvart Hoog, whom you will remember as the one bachelor among the "six from Sweden."

"Rotary is neither a religion nor a substitute for religion. It is the working out of religious impulses in modern life and especially in business and international relations. In my lifetime business practices have undergone particularly marked changes and here the influence of Rotary has been strongly felt." -Paul P. Harris, Rotary founder

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

March 25, 1970

PROGRAM

Our appreciation to Howard Teeter for a most informative and interesting program on the "double-duty dollars" of Insurance Companies and the great length to which they go in keeping the free enterprise system healthy and alive.

The film "Mission U. S. A." was done very well. And those were impressive figures - insurance companies investing their second billion in inner city areas of our nation, improving living standards and promoting economic growth.

Perhaps we'll all pay our insurance premiums a little more cheerfully now!

GUESTS were:

Elmer Dobson - Quincy

Nelson Weber - Bronson

Lester Wise had as his guest his son Bill.

MAKE-UPS

Please have secretary of Clubs where you make up send your make up slips in for you. They should go to Fred Anderson at The Southern Michigan National Bank.

DISTRICT CONFERENCE - April 17-18 in Jackson. Contact President Tom if you would like more details.

ATTENDANCE

For February our Club registered 85.91 percent. Our rank was 20/21 out of 52. Let's keep it going up this spring!

POTPOURRI HERE WE COME!

The Rotary Show activities are now in full swing. To make the show a success it is imperative that each one of us do the following:

- 1 - Sell all of our tickets
- 2 - Participate in the chorus
- 3 - Sell the advertising assigned.

Let's do our job!

SCHOLARSHIP FUNDS APPROVED

By a vote of 50 yes to 5 no the Rotary membership approved the expenditure of \$200.00 to go to a mutual scholarship fund with three other groups for a total of about \$800.00. This money will come from the Rotary General Fund, not show funds.

ATTENDANCE DROPS

Coldwater Rotary Club attendance average was 83.89% in March. This is below the District average of 83.97%. We can do a better job of making up. Bronson had 100% attendance for the month of March.

WHAT!! Only 11 absences last week? Must have been that great program under Duke's direction that got everyone out. At least the list of absent members is shorter than it has been for a long time.

Remember to turn your ticket money in to Tom Collins soon - so he will know how many tickets to plan at the Box Office.

Welcome to the Club! Clem Kromer - Controller at Climax. Clem, a native of Brooklyn, New York, now lives in Coldwater with his wife and two daughters, one at the University of Michigan and one a junior in High School.

EVERY NIGHT NEXT WEEK AT TIBBITS - SUNDAY, TOO!

HOW DO YOU RATE:

Do you consider yourself a Rotarian or are you just a member of Rotary Club: Don't answer until you check up a little.

1. Do you arrive early enough to enjoy a little gab and fellowship before lunch? Or are you one of the "60 percent" boys who barely make it by 12:15?
2. Are you one of those who duck out early? Next time, look back and see the Rotarians with more business than you have.
3. Do you infer that you are a "very busy guy" by leaving when the speaker is introduced? Any speaker finds it harder to talk to vacant chairs than to vacant minds.
4. Do you jump and run when the speaker finishes, or do you wait for the bell, as a Rotarian should? Those who leave early cause a commotion that makes it difficult for the President to thank the speaker and close the meeting courteously and properly.

Sure, you are a busy man! If you were not, it is doubtful if you would be a Rotarian. But, do you act like a Rotarian? Read 'em again, and if you are an offender -- just don't do it again! -quoted from the "Cog" of Fort Meyers, Fla.

Thought for today: Ill news is swallow-winged
these days, but what is good walks on crutches.

PROGRAM

Our thanks to Dick Hruska for planning a very successful Children's Party. Apparently others than the kids enjoyed the program, which is as it should be, recalling the words of Jean De Le Bruyere "Children think not of what is past, nor what is to come, but enjoy the present time, which few of us do." Let's be as children in our ability to enjoy the present!

ABSENTEES

Too many to list! Why so many? Afraid of children? Too many adults in our culture are.

DISTRICT ASSEMBLY - STURGIS - SATURDAY, JUNE 13

Speak to Bob Rumsey if you would like to join the group going from our Club.

RECENT BOARD ACTION

- that \$220.00 be sent to Rotary Foundation to make us an 800% club. Money collected from fines and Fred's "conscience money" is where it all comes from.

WHAT DOES ROTARY FOUNDATION DO?

During 1970-71, about 575 awardees will study abroad under three different kinds of educational awards programs and The Group Study Exchange. Financial grants made available for them are expected to reach a total value of \$1.42 million.

=====

Don't file away The Rotarian for June without giving it a good going-over. Twenty pages of pictures and text will give you new members especially a comprehensive view of Rotary activities.

=====

We are rapidly approaching the season when our summer visitors begin arriving on the scene of Coldwater Rotary. Let our fellowship and outreach to these visiting Rotarians be genuine. Instead of spending all of our time with old friends we see every day, let's make some new friends and help visitors feel at home.

=====

Thought for today: "Feel the dignity of a child.

Do not feel superior to him, for you are not."

-Robert Henri

The COLDWATER *Rotary* REFLECTOR

June 10, 1970

It was good to see Warner Van Aken back with us. Torg Skabo is at University Hospital in Ann Arbor and I'm sure would appreciate hearing from his friends in Coldwater Rotary.

PROGRAM

Our appreciation to Norm Moore and Ken Putnam for bringing to us Ken's son-in-law Mike Brayton this week. His description of large numbers of responsible and scholarly students working within our democratic system to voice their protests and seek change was refreshing. I hope we all got his point that this is education at its best. Students learn much more from involvement than they do sitting in lecture halls - though that also is necessary.

Also, as responsible community leaders, we ought to pick up Mike's urging to stop generalizing about students of today on the basis of "hearsay" or what "someone told us" or news reporting.

In reflecting on Mike's excellent and balanced presentation it seemed to me that there are some concerned students who are much more actively involved in our democratic institutions than any of us are. When only a few over 600 people bothered to vote on Monday of this week, it seems we have little reason to complain about the younger generation.

=====

By the way - Congratulations to George Pierce on his re-election to the school board!

=====

Remember - The Board has been making committee assignments. Be ready to assume your responsibility in building a better club for service to our community.

PROGRAM

Our thanks to Chuck Bacon for bringing to us yesterday Richard Kennedy from the University of Michigan who was formerly Director of State and Community Relations for the University and now is Secretary of the University, assistant to President Robin Fleming. Mr. Kennedy very carefully and thoughtfully reviewed with the club the confrontation of the Black Action Movement with the University administration and Board of Regents, the events which brought about the student strike this past spring on the University campus. I'm sure we all gained a new appreciation for the very unhappy position these student confrontations put University administrators in, and that the solutions to these problems are much more complex than just calling in the police.

And although Chuck Bacon cannot remember violence at the University of Michigan when he was a student there, nor can I, Representative William Bray, republican of Indiana, has made extensive research into the history of campus disorders. He discovered some of the following things happening in the early 1800's: students were shot at Miami, in Ohio; a University of Virginia professor was killed by students; Oakland College in Mississippi lost its President when stabbed by a student; the President and a professor were stoned at the University of Georgia. In fact, as far back as 1766, at Harvard College, Asa Dunbar, grandfather of Henry David Thoreau, complained about the quality of the food. He told tutors "Behold, our butter stinketh." The faculty ordered that Dunbar be censured for insubordination. The next morning the entire student body walked out. The Harvard governing board met that challenge by immediately demanding the students sign a humble confession or leave the college. The students signed. In 1815 angry students at Bowdoin College wrote colleagues at other schools, "We assure you this is a most wretched place." Bray found they were expelled for this offense. Well, times were different and so were the students and administrators, but the underlying story was the same then as now, with a key difference, unruliness and disorder were not tolerated. They were punished fast and hard. One wishes such schemes would work today.

NEW BADGE CASE

Remember your badge number and be sure it gets in the correct slot. The Sergeant-at-arms will have a lot of fun fining fellows who get their badges in the wrong spot. Quite an improvement though, isn't it, over the old badge board.

GOLF OUTING AUGUST 3rd

There's only been one foursome signed up from the Coldwater club. Let's get with it! We're hosting the event.

NEW MEMBER WELCOMED INTO ROTARY

Welcome Tony Holtzman to Coldwater Rotary. He is a stock agent with Fulton, Reid, Staples Inc., local manager at 11 S. Hudson St. in Coldwater. Tony and his wife, Ruth, live at Snow Lake. They have two sons, Seth, five years old, and Cameron, two years old.

PROGRAM

Tom Collins presented Al Sickles from the Department of Cemeteries and Parks who talked to the club about the Franklin school-J.C. Park project and the new long range plans for the Coldwater Community Recreational Complex. Our thanks to Al for bringing us up to date on these projects.

Next week Chuck Bacon who is in charge of the program, will be bringing to us Richard Kennedy who is director of state and community relations for the University of Michigan. This is a program you won't want to miss as he brings us up to date on the University's side of university and campus life today in Ann Arbor.

ABSENT MEMBERS

Those who were absent and need to make up were:

Chuck Bristol	Bob Man	Axner Olson	Robert Yingling
Will Couillard	Norm Moore	George Pierce	
John Dygert	Ray Mulchahey	John Pierson	
Jim Koss	Robert Nagle	Mel Rice	
Clem Kromer	Norm Olmsted	Don Shorno	
Fred Tartaglia	William Weaver	Charles Woodward	

DATES TO REMEMBER

Committee reports are due July 28.

District Golf Outing, August 3 at the Country Club. Bob Nagle is in charge. Please see him if you can give him some help.

CLUB DIRECTOR RESIGNS

The club Board of Directors have accepted with regret the resignation of George Pierce from the club Board of Directors due to the heavy demands of his time in business and civic duties. George will continue to be a club member.

Charles Bristol has been appointed Director of Community Service in place of George. Reports of these committees should be turned into Chuck in triplicate form.

Paul Thompson has been elected to the club Board of Directors by board action and the ballots cast in March. Congratulations, Paul!

ITEMS OF INTEREST

Congratulations to Olin Dally who is a new grandfather!

Clyde Williams is now a senior active member. Clyde has been an active member of this club for fifteen years. Congratulations, Clyde!

The Board of Directors has approved the rental of a wheel chair for a period of two to three months for a needy three year old in Coldwater through the "Crippled Childrens Fund!"

Our Rotary show, Potpourri, netted us eighteen hundred dollars. A check for twelve hundred dollars has been given to the Tibbits Theater and six hundred dollars was given to the Coldwater Little League. Both organizations have expressed their appreciation for these gifts. Our club can be proud of the show and these two contributions it enabled us to make.

We thought you should know that Jim Skinner, because of his inability to meet attendance requirements, has found it necessary to drop his membership in Rotary.

THOUGHT FOR TODAY:

He who sees a need and waits to be asked for help is as unkind as if he had

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

August 11, 1970

PROGRAM

Tuesday's program with Charles Geishert dealt with drinking and driving. Corporal Hayes of the Tekonsha State Police Detachment told of the use of the BREATHOLIZER which is used to measure the alcohol content of the blood when it is suspected that a driver has been drinking and is stopped for some traffic violation. It was Corporal Hayes opinion that the testing has to be made more rigid in view of the fact that drunken drivers are increasing in number. He stated that in England the test is much stiffer and this has resulted in the number of traffic violations decreasing in number. It would seem that since a very large part of the traffic accidents are caused by drunken drivers that if the traffic courts would be a lot tougher, it would help a lot. If the drunken driver is taken off the road, he can't kill any one.

Next week the club will hear from Michael Myckowiak who is the new director of Adult Education for the Coldwater Schools. He will coordinate all classes below the high school level as well as on the high school and college level. These classes will include both day and night classes and some will be free and there will be a fee charged for some.

FINANCIAL REPORT

From the financial report it would appear that the club is in fair financial condition even after the contributions have been made to the Tibbits Theater and the Little League.

4-H FAIR

This being 4H Fair week, it only seems fitting that some mention should be made of the man who started this fair away back in the depression days. He is a Rotarian and a man who has given much in the way of service both to Branch County and to the world in general. The writer remembers when Gordon Schlubatis started the 4 H Fair in some tents and on a very small scale. The program at that time did not include the very large saddle clubs that are so active now. The fair consisted mostly of exhibits of handicraft and livestock projects. A tip of the hat to Gordon.

ABSENT THIS WEEK:

Mark Andrews	Duke Davidson	John Klein	Axner Olson
Dick Biringer	John Dean	Norm Moore	John Pierson
Chuck Bristol	Bill Fuerstenau	Ray Mulchahey	Fred Tartaglia
Woody Craig	Dick Hruska	Fred Neer	Paul Thompson

THE FOLLOWING MEN MADE UP AHEAD OF TIME

Harold Goodholm	Clyde Williams	Red McKnight
Gordon Schlubatis	John Kennedy	Warren Williams

If any of the members are planning on going to the next BASH at Goose Lake over near Jackson, be sure and read the article in the August Rotarian beginning on page 32 before you go.

This is National Allergy Month and with Coldwater having a high pollen count, perhaps you had better check your yard for weeds.

With the good food served at the luncheons, the members might remember that you eat it today and wear it tomorrow. This is for the Rotary Anns, "Two minutes in your mouth, two hours in your stomach and a life time on your hips."

PROGRAM

Our thanks to Clem Kromer for bringing to us Ed Cline who presented a movie that explained the work of Big Brothers of America. The Big Brother Organization in Branch County is at this time a small organization but it is a solid and well run organization. We have a psychologist who makes the matches between Big and Little Brothers, does the counseling with Littles Brothers and mothers when ever it is necessary. In the three years that the Branch County program has been in operation, about 50 boys have gone through the program. It is estimated that there are as many as 500 boys in Branch County who do not have fathers in the home and would be eligible for this program. All that is asked is that you spend a minimum of 1½ hours per week with your Little Brother engaged in some activity that is of interest to him and to you. In addition there are group activities planned for Big and Little Brothers from time to time. Why not consider involving yourself in this worth while program? Speak to Clem Kromer who is a Big Brother and has had some experience in the program or to myself. We'd be glad to line you up.

Please let a director or Bob Ramsey know if it is impossible for you to be at the club assembly. Remember the meeting begins at 8 P.M.

FIRESIDE MEETING

Ernie Luse has planned Rotary Information meeting for Monday, September 14th at 7:30 P.M. It will be held at the Branch County Bank Civic Room. Rotary Anns are invited to attend also.

PROGRAM NEXT WEEK

Ray Mulchahey who is in charge of the program will be presenting slides of the Passion Plays at Oberammergau, which is held once every ten years in Bavaria, Germany.

BOARD OF DIRECTORS

The Board of Directors took action at their last meeting to contribute \$37.50 to a fund at the State Home allowing indigent residents of the State Home to attend productions at the Tibbits. This decision took place on the heels of a request concerning the recent production of Oliver in which a special showing was made for State Home residents. We were too late to be in on that deal but gave the money for future use of this fund.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

September 16, 1970

NEXT WEEK

Next Tuesday, September 22, our club will be visited by District Governor Bert Ward. No early leavers. How about a 100% meeting?

Club directors and chairmen of all committees are reminded of the club assembly that evening. Dinner is at 7 P.M. sharp at Gracie's followed by the meeting with the District Governor with committee reports and discussion scheduled at 8 P.M. If any directors or committee chairmen cannot attend the dinner, please let President Bob know immediately. If you cannot attend the 8 P.M. meeting after the dinner, it is your responsibility to have a representative from your committee attend the meeting to discuss committee reports.

PROGRAM

Our thanks to Ray Mulchahey who presented Leroy Harris who showed his slides of his trip to Europe this summer including the Passion Play at Oberammergau. The pictures were good, the commentary was interesting, all in all, a very good program.

GUESTS

Hilding Kilgren from Sturgis; Keith Pearce had as his guest Bob Charles, who is opening the Eagle Printing Shop on East Chicago Street.

FIRESIDE MEETING

An excellent Rotary Information night was held under the direction at the Branch County Bank Civic Room last Monday evening. More meetings in the future should greatly boost the quality of Coldwater Rotary.

VITAL STATISTICS

On July 27th there were 14,374 Rotary Clubs and an estimated 1,143 countries and geographical regions. New clubs since July 1, 1970, 11.

THE ROTARIAN

Be sure and read the article "Flame Out After 35" in the September Rotarian. It is an excellent article on the mid-life crisis which leaves Carroll Barnes and myself out of the picture, but be sure and catch this article by Dr. Herbert L. Klemme, of the Menninger Foundation, Topeka, Kansas.

Also, the article on Australia certainly ought to whet someone's appetite to attend next year's convention of Rotary International scheduled for Sidney, Australia, May 16 through 20, 1971.

THOUGHT FOR TODAY

We learn wisdom from failure much more than from success. We often discover what will do, by finding out what will not do; and probably he who never made a mistake, never made a discovery.

The COLDWATER *Rotary* REFLECTOR

Published by The COLDWATER ROTARY CLUB, Coldwater, Michigan

The Singingest Club in the U. S. A.

DO YOU BELIEVE IN YOUTH?

Rotarians supposedly believe in youth. We are first and foremost the parents of the youth. Vocationally and professionally we are the educators of youth, the ministers to youth, the healers of youth, the merchants to youth. One way we can prove it is by reading thoroughly the October issue of the Rotarian. Many publications cross my desk about the youth culture of today, but none of them have come up to the balance, frankness and honesty that this issue of the Rotarian contains. The analysis of youth culture on page 20, the listening the editors have done on page 26, the alternatives open to youth culture presented on page 32 and the different viewpoints about youth culture on page 34 all will bring you a balanced picture of youth culture today that cannot help but disturb you and move you to new understanding and action. A wise man will read the entire issue carefully.

PROGRAM

Our thanks to Ken Worden for bringing to us Oscar Renshaw who shared pictures and ideas gained on a recent trip around the world.

STUDENT GUESTS

Our student guests for the month of October are: Craig Darrow; Craig is in the 12th grade at Coldwater High School. His parents are Clarence and Mary Jane Darrow. Craig's high school activities are football, band and student government. This outstanding young man is considering two small colleges for next year, Alma and Adrian. Our other guest is Paul Branch who is in the 11th grade at Coldwater High School. His parents are Bob and Barbara Branch. His present high school activities are secretary of the Key Club, baseball and cross-country. These are two outstanding young men that you will want to get to know. Make every opportunity to make yourselves known to them and to visit with them during their month with us.

GUESTS

Dan Dobson from Quincy; Phil Williams from Hillsdale; Charley Hilton from Bronson; Allen Fenton from Bronson; Elmer Dobson from Quincy; Cal Dyer from Hamilton, Ohio.

OUR NEWEST MEMBER

It is a pleasure to welcome to the club Bill Timm, additional active under John Dean. Bill is with Dean-Timm Inc. His wife is Patricia Timm and they have two young sons Rick and Greg. Bill, we look forward to what you will bring into the fellowship of the club and hope that we can offer the same to you.

" I think I know what is bothering the students. I think that what we are up against is a generation that is by no means sure that it has a future."

" Unless we can be surer than we now are that this generation has a future, nothing else matters. It's not good enough to give it tender, loving care, to supply it with breakfast foods, to buy it expensive educations. Those things don't mean anything unless this generation has a future. And we're not sure that it does. "

PROGRAM

Our thanks to Jim Koss for bringing a very interesting and timely program in the person of Mr. Harry Buckle who is the assistant to the president of the Michigan Chamber of Commerce. Mr. Buckle gave an interesting history of the organizations of merchants and Chambers of Commerce, then centered his talk on our own state of Michigan, pointing out the very favorable growth of manufacturing and tourism over the past decade but also bringing to us the resultant problems of increased population, which means increased need for education, to prepare people to fill the changing and increasing job market in our state and along with the increasing population, the increasing costs of government and of education and the tax burden of which we are all too well aware. He certainly pointed up the need for all of us to support our local Chamber of Commerce, to strengthen it, that it may add its strength to the State Chamber of Commerce in helping to meet the needs as they come and to help provide orderly and rational growth for our state and our community. Many thanks to Jim for an informative program.

GUESTS

From Bronson we had Bob Boucher, Wendel Hathaway, Al Wiler, Hal Creal and Bert Aldrich. From Quincy we had Bill King.

That's a long list, fellas. Hope that many of you have made up or will make up before the next meeting.

SPEAKING OF THE NEXT MEETING:

Bob Nagle who is program chairman for next week will be bringing to us Wade Smith. The program will be in the area of distributive education.

RECENT ACTION OF THE BOARD OF DIRECTORS

The Board of Directors at their last meeting received requests from John Dean and Keith Pearce for Senior Active Membership in Rotary. The board acted favorably upon their request. Congratulations both to John and Keith.

In the area of the Crippled Children's Fund, we had requests from three different sources concerning children who had need for corrective shoes and related appliances. These requests were honored and a total of \$95.25 from the Crippled Children's Fund was spent for these items.

EARLY LEAVERS

I think we're all aware of the fact that we have had an excessive number of early leavers up until this last meeting. The board has discussed this thoroughly because it has been concerned about this situation. Our programs are usually good and it raises a question of politeness as far as our guest speakers are concerned and it also raises a question as to what Rotary really means to many of our members. The board realizes of course, that there are at times legitimate reasons that members must leave early. If you must leave early, remember to register when you first check in at the meeting and make your apology to the speaker. These are the only persons who will be excused early.

PROGRAM

Sorry, Norm, to have missed your program. I'm sure it was an interesting and informative program. Certainly the kind of program we need from time to time to give us some perspective on the situation in Viet Nam. Next week our program is in charge of Les Olney and of all times for Les to have a program, it comes on Election Day which is probably one of the busiest days in the year for him. But he will be sharing with us some of the processes that are necessary for his office to go through on Election Day. So, this should be a most interesting and timely program. One that we will not want to miss.

That's another long list, men. Hope that many of us will be able to make up before the next meeting.

FROM THE DISTRICT GOVERNOR

In attendance and membership, our district average went from 82.71 in August to 86.05 for September. And we gained 8 new members in September, so we are only down 14 for the year. Coldwater's rank in attendance for the month of September was 21. Our average was 87.50 which was over the district average.

Bert Ward reports that he has now completed visits to 47 out of the 52 clubs in the district and wishes to advise us that the fellowship in every club has been outstanding.

ROTARY FOUNDATION WEEK

Rotary Foundation Week, the 15th through the 21st of November, is a good time for us to review the activities of the Rotary Foundation. For the 1971-72 academic year the trustees of the Foundation have granted 353 educational awards divided among 215 men and 138 women. This included 247 graduate fellowships, 63 undergraduate scholarships and 43 technical training awards. The successful candidates come from 59 different countries and will pursue their studies in 47 different countries.

In addition the Rotary Foundation trustees granted 60 group study exchange awards for the biennium 1970-72, an increase of 10 over last year. Group study exchange is an educational activity to promote international understanding through an exchange between districts in different countries - of study teams composed of young business and profession men.

In recent years many individuals from through out the Rotary world have been recognized as "Paul Harris" fellows for their gifts to the Rotary Foundation. This honor is bestowed on persons who contribute U.S.\$1,000 or more within a one year period to the Foundation. Many districts and clubs have honored an outstanding Rotarian in this manner by contributing in his behalf to the Foundation. A plaque and a metal are presented to each "Paul Harris" fellow.
