# BOARD OF EDUCATION

The various functions of the Board of Education include providing a program of quality education for the Bronson schools and giving guidance to the school system through its policy development. The board also is the link of communication between the professional staff of the school system and the Bronson Community by using various media and promoting the presence of the public schools.

Members of the Board of Education include, President, Mr. Kenneth Norton, Mrs. Barbara Junker, Mrs. Audrey Taylor, Mrs. Pamela Rawden, Mr. Elmer Moffet, Mr. Lynn Scott, Mr. Lynn Mayer.

The time and effort they have spent is greatly appreciated by the staff and student body.

# ADMINISTRATION

James Thrall accepted the task of Superintendent of Bronson Community Schools this year. Among many of his responsibilities are the certification and tenure of the teaching staff and the development of curriculum. He recommends policies to the Board to be adopted. He keeps the board informed of the achievements and needs of the school district, and gives guidance as that which is permissible and required by school law.

Responsibility for keeping our school running smoothly rests in the hands of principal, Mr. Paul Turner. Both pleasant and unpleasant tasks arise daily to keep Mr. Turner busy almost every minute he's in school.

Assisting Mr. Turner is Vice-principal, Mr. David Binder. Besides carrying out responsibilities of our school, he serves as athletic director.

To help keep them in line we have our wonderful secretaries. Not only do they keep them in line they keep track of the students as well.

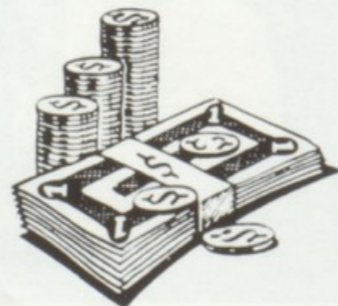

# TRANSPORTATION/FINANCE

It's through the hard work of our bus drivers that students arrive to school safely. We would like to thank them for their faithful service in all kinds of weather.

Back Row, Left to Right: Irv Worthman, Director; Bob Curey, Gale Metzger, Ron Ross, Gene Widener, Frances Furney, Frank Wilson.

Since 1974 Mr. Gary Crandall has been responsible for the financial structure of Bronson Community Schools. Mrs. Beverly Weaver has many responsibilities in the finance office, among which is keeping accurate records of the money of various clubs and organizations.

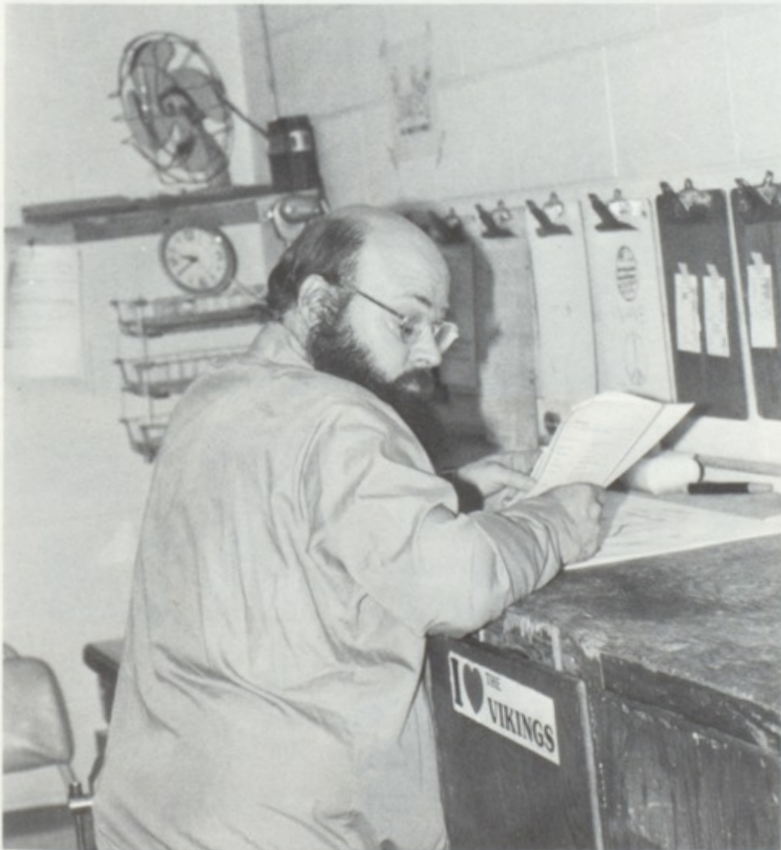

## KITCHEN STAFF

These women have a very big job preparing enough food to feed all of us. They must also make sure it's a well balanced meal. We appreciate their effort and hope they continue serving with a smile. L to R: Nancy Rakocy, Food Service Supervisor Helen Williams, Joyce Hoard, and Ruby Kehoe.

## M A I N T E N A N C E

The maintenance staff spends many hours cleaning our school and keeping things in good condition. They also help the teachers and students with any problem which may arise. A special thanks goes to Mr. Larry Griffeth (pictured left), Mr. Gary Osborn, Mr. John Birch, and Mr. Jeff Bloch for the good job that they do throughout the year.

The doubles team of Kathy Hutchins and Holly Washburn placed first in four tournaments while Laura Perkins and Amy Sikorski both put in fine individual performances at the Regional Tournament.

# 100 YEARS OF

This year's Homecoming began with an unexpected storm but that didn't dampen the spirits of the student body or the team. The Vikings went on to beat the *Springfield Rams* 13-0. Homecoming week was successful with students dressing up in a different theme each day. At the end of the week a pep assembly was held to get the student body and the team pumped up for the game. Since this year marks the 100th class to graduate from Bronson High, the theme revolved around it and several former Homecoming Kings and Queens were recognized during halftime of the game.

## TO THE SENIORS

Tonight we're gathered  
together, for one last  
special time.

The gals all look so  
beautiful, and the guys  
so divine.

We've waited for this  
night for so long, it  
seemed so far away.

And now that it's  
finally upon us, we wish  
it would stay.

Together we've made so  
many friends, been through  
thick and thin.

And if we ever had the  
chance, we'd all go through  
it again.

So tonight let's make fond  
memories, and pretend that  
we're in heaven, as we  
dedicate our Prom, to the

As I sit in this  
smokey room, the  
night about to end.  
I pass my time with  
strangers, but this  
bottle my only friend  
Remember when we used  
to park, out on Butler  
street, out in the dark  
Remember when we lost  
the keys, and you lost  
more than that in my  
backseat baby

### Chorus

Remember how we used  
to talk about busting  
out we'd break their  
hearts together, forever  
Never say goodbye  
Never say goodbye  
You and me and my old  
friends, hoping it would  
never end.  
Say goodbye  
Never say goodbye  
Holding on we've got to  
try, holding on to never  
say goodbye.

Remember days of  
shipping school, racing  
cars and being cool, with  
a six pack and the radio,  
we didn't need no place to  
go.

Remember at the prom that  
night, you and me, we had a  
fight, but the band they  
played our favorite song  
and I held you in my arms  
so strong.

We danced so close, we danced  
so slow and I swore I'd  
never let you go

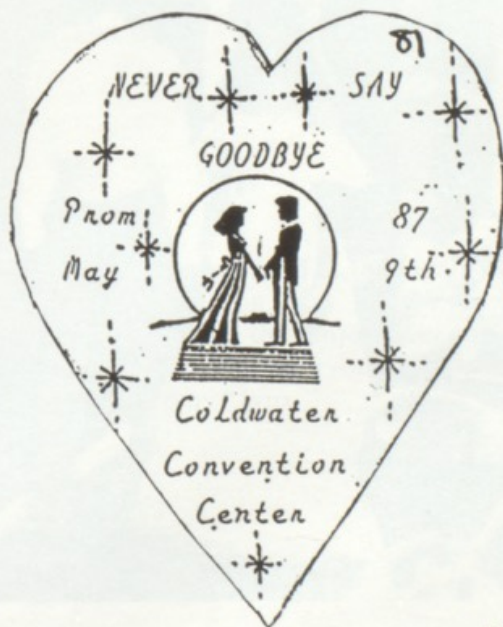

### Chorus

### My Buried Friends

My buried friends can I forget or must the grave eternal sever?  
I know them as I did then and in my heart they live forever.  
They loved me once with love sincere and never did their love deceive me,  
But often in my conflicts here they'd rally quick 'round to relieve me.

I fain would weep but what of tears? No tears of mine can recall them,  
Nor would I wish that rolling cares, no cares like mine, should e're befall  
them.

They rest in realms of light and love, they dwell upon the Mount of Glory.  
They bask in beams of bliss above and shout to tell their happy story.

## Some Final Thoughts

The publication of a yearbook is a major undertaking which involves raising several thousand dollars, taking hundreds of pictures, and producing the layout for each page. When I took over as the advisor for the yearbook in late January, we were having serious problems in each of these areas; the problems continued to plague us throughout the second semester as well. However, the problems were finally overcome, and we are pleased to present to the student body and community this edition of the *Viking*, which is entitled, *100 Years of Viking Pride*.

Three members of the staff deserve special mention for their hard work, positive attitudes, and their ability to get things done. They are: Dawn Miller, Jodi Woods and Rhonda Cook. Without the efforts of you three this book never would have been completed. Also, I would like to thank Ron Philbrick of Carousel Studios and Ray Smith of the *Bronson Journal* for their time and pictures, many of which were used in this year's *Viking*. Many thanks also to Lee Zimmerman of Taylor Publishing for your "Let's-go-get-'em" attitude and also for helping us lay out pages. I'm sure that you have a few additional grey hairs due to this year's *Viking*. To Bev Weaver, thank you for all of your help and advice; it was invaluable and I greatly appreciate it. Lastly, Linda Weber thank you for helping with the typing.

Over the course of the year, the yearbook had three different advisors. With all of these changes and the subsequent lack of consistent, coherent guidance to the staff, a number of events and groups are not represented in this book. To anyone who may feel slighted, please accept my apologies and understand that nothing was intentionally left out.

By the time everyone receives their yearbook, I will be gone, and therefore, I would like to leave a couple of thoughts for next year's editor and staff. To next year's editor — Your main role is to guide and support the staff; it is not to be "the boss," also be willing to work hard and have pride in the quality of the yearbook. To the staff — pull together and be supportive of each other because if you don't you will surely splinter apart, and that will make your work a thousand times more difficult. Also, remember that while it's a lot of work it should also be a lot of fun.
