Subject: District Convention
Hotel Accommodations
Mackinac Island
July 10th and 11th

Dear Mr. Watson;

I am sending to you, under separate cover, reservation cards for hotel accommodations at Mackinac Island. At your next meeting, or as soon as possible, will you please distribute these cards to each member. Then carefully read aloud before the Club the detailed information I am enclosing, regarding accommodations at the Island's various hotels.

This convention promises to be the largest meeting in the history of the Michigan District. Therefore, to help us simplify the work of handling the large number of reservations, we ask you to urge each member to check his requirements on the card and mail it as soon as possible.

I am Thanking you for your kind cooperation in this matter,

Yours very cordially,

R. E. Todd

Chairman
Reservations Committee
