1985

the 1990s, the number of people in the UK with a long-term condition has increased by 50% (Department of Health 1999).

There is a growing emphasis on the need to improve the quality of life of people with long-term conditions. The Department of Health (1999) has set out a vision of a new paradigm of care for people with long-term conditions, which is based on the following principles:

- People with long-term conditions should be able to live full and active lives.
- People with long-term conditions should be able to manage their condition and take control of their own lives.
- People with long-term conditions should be able to access the services and support they need.

These principles are reflected in the National Service Framework for Long-Term Conditions (NSF) (Department of Health 1999), which sets out the standards for the care of people with long-term conditions.

The NSF for Long-Term Conditions is a framework of standards for the care of people with long-term conditions. It is based on the following principles:

- People with long-term conditions should be able to live full and active lives.
- People with long-term conditions should be able to manage their condition and take control of their own lives.

CARDINAL

Coldwater, Michigan
Volume 48

The CARDINAL staff would like to dedicate this yearbook to two very important people:

After being Varsity Basketball coach for three years, Coldwater High School will miss Coach Fuller. His dedication to the boys, on and off the court, and his concern for students at C.H.S., has been a special part of our lives.

"I would like to take this opportunity to thank all the people who have supported the team the last three years; it was greatly appreciated by myself and my family. Also I would like to recognize this year's Varsity for their outstanding display of sportsmanship, attitude, desire, and willingness to work hard to achieve. A very special thanks must go to this year's seniors: John Dygert, Kenny Johns, Scott McFarland, Troy Frick, Nate Schuman, and Steve Winbigler, because of their leadership and work habits, we were able to post the best record the "Cards" have had in the past seven years. The seniors are a very special group of people in the eyes of my family and of the people who came to watch them play! If they use this same desire in life, they will be very successful people. C.H.S. will never forget the 1984-85 Cards because of your presence and dedication to the game of basketball! May God Bless each of you obtain your goal in life."

Coach Roger Fuller

Dedication . . .

During the last five years, Mrs. Diane M. Bolton has served as Coldwater High School's yearbook staff advisor. Through the years she has served on the yearbook staff, she has set standards for our yearbook that have far exceeded past yearbooks.

All who have known Mrs. Bolton have grown to love her since she started in 1980. Whether it was helping fellow staff members with Quad Pak's or showing someone how to crop a picture, Diane has always been there and she always will be there, in our hearts and memories. We will miss her smile and her skill in working on yearbooks.

The CARDINAL staff wishes Diane Bolton the best of everything and hopes that she will never forget C.H.S.

Good-bye . . .

During the past year, our community has welcomed eight special people into our homes, our schools, our lives. They have opened our minds to their worlds. Our community has benefitted from their year with us, far away from their homes and families.

Had they chosen to remain in their home countries, we would have missed their trials and tribulations with our language, their native clothing styles, and their cultural differences.

The community will never forget these people and we hope they enjoyed their visit with us as much as we enjoyed them.

. . . Good Luck

MORE FOOTBALL!!!

I have always told kids that come out for football, that this sport is not for everyone.

We had a large number of sophomores that found this out. The result was a 1985 J.V. team comprised of the "cream of the crop" of the class of 87 with some very good freshmen sprinkled in it. This team will have a very good future here in Coldwater Football and should be the heart of Cardinal pride for the next two years.

Tom Foley has been chosen most valuable player because he led in scoring and rebounding. Eric Branham and Jeff Schorffhaar have been named most improved players because of their outstanding leadership ability. I believe they will be very good if they keep growing and developing.

The end of their dream of a state championship came at the hand of the #1 ranked Livonia Ladywood in the quarterfinals.

This is a good, defensive team. In this area, we shine.

Offensively we can hit the ball well enough to win.

The future depends on the development of the pitchers. All four pitchers have had limited experience, but improvement can be seen.

Our Varsity team's most valuable player was Katie Davey, who played first singles as a sophomore. Our most improved player was Julie Wilcox who moved up from doubles to play second singles as a senior.

Based on the number of good freshmen on the team now, future teams should be much better in the years to come.

Scott Gleason has been named most valuable member because he was on the All-County, All-Conference, All-Regional, and All-State team. Eric Watterson has been named most improved member because he improved more on his time than anyone else. A Twin-Valley Championship is possible in 1985.

Coach Bilsborrow

Marianne Exelby was chosen as most valuable member. She was our No. 1 runner in 9 of our 12 meets. Mary Nowak has improved the most by becoming one of our consistent var. members at the end of the season, from a reserve runner earlier in the season. The team has a good future in the next two years.

With returning team members we have a good team that should maintain a winning season (we had a 6-3 record this year.) However, there is great talent in the coming freshmen class and if they should decide to compete at the high school level rather than USGF (independent city club), the team would become possible regional winners and then state competitors!

Bill Welke — Co-Captain: Led team in 8 statistical categories. He won two tournaments and was T.V. League Champion at 167 pounds. He also led the team in total points toward being most valuable wrestler. Our potential is our youth. In all probability, we will have only four seniors next year; the rest of the team will consist of underclassmen. Our future looks promising.

Class Motto:

TODAY'S DREAMS ARE TOMORROW'S REALITIES

Class Song:

WITH A LITTLE HELP FROM MY FRIENDS — BEATLES

What would you think if I sang out of tune,
Would you stand up and walk out on me.
Lend me your ears and I'll sing you a song.
And I'll try not to sing out of key. Oh

I get by with a little help from my friends, MM . . .
I get high with a little help from my friends
Going to try with a little help from my friends.

What do I do when my love is away?
(Does it worry you to be alone?)
How do I feel by the end of the day?
(Are you sad because you're on your own?)
No, I get by with a little help from my friends,
MM, get high with a little help from my friends.
MM, gonna try with a little help from my friends.

Do you need anybody?
I need somebody to love.
Could it be anybody?
I want somebody to love.
Would you believe in love at first sight?
Yes, I'm certain that it happened all the time.
What do you see when you turn out the light?
I can't tell you but I know it's mine.
Oh, I get by with a little help from my friends.
MM, I get high with a little help from my friends.
Oh, I am gonna try with a little help from my friends.

Do you need anybody,
I just need somebody to love,
Could it be anybody,
I want somebody to love.
Oh, I get by with a little help from my friends.
MM, gonna try with a little help from my friends.
Yes, I get high with a little help from my friends.
With a little help from my friends . . .

Another school year is over, 1985 merely history. And so ends another chapter in our lives. We're all a year older, a grade closer to graduation. Some of us are '85 graduates, eagerly looking forward to pursuing college or careers.

We've all grown, gradually. So gradually that, without recalling those major influences during the past year, it seems, often, as though time has crept at a snail's pace.

But, stop. Remember when . . .

- . . . you started Kindergarten?
- . . . Washington, Franklin and Girard Elementary Schools were closed?
- . . . declining enrollment and millage failures resulted in academic cutbacks?
- . . . you "graduated" from middle school, and became a high school freshman?
- . . . you were assigned your first locker . . . and promptly forgot your combination?
- . . . you went on your first date?
- . . . school took on added meaning, academically and athletically?
- . . . learning about the unrest in the world made you better appreciate what you have?
- . . . you had those "down" moments, when you thought you "couldn't," and a friend reminded you that you "could"?
- . . . you heard about terrorism, assassinations, bombings, hijackings — and wondered "why"?
- . . . your parents always seemed to think you were doomed to a life of immaturity, but tried to counteract it with that ever-helpful phrase, "Why don't you 'grow up'?"
- . . . you cheered so loud at the football game, you were hoarse for days afterward?
- . . . you first realized that there is, indeed, life beyond high school?

Yes, these memories take us back. Back to a time when life seemed calm, traumatic, tranquil, catastrophic, wonderful, awful, happy, sad.

It's over, yet it continues. What you *were* has influenced what you *are*. Some memories are sweet, some bittersweet.

Continue to grow. To recollect. To try. To be. Sift through your memories. Don't rest on your laurels. Give all you have. And then, give some more. In the year 2005 — 20 years from now — you will be in your 30's. You will be that "Older Generation." You will have children in school, laughing, crying, remembering when. You will be attending your 20th CHS Reunion, going more out of curiosity than anything else. Those of you who have tried, will be the leaders in your community.

Don't ever forget: your future depends upon your past.

As CARDINAL yearbook advisor for the past five years, I, too, have many memories. Of deadlines. Of finances. Of cropping. Of photos. Of layouts. Of staff members.

This 1985 CARDINAL is my final book at CHS. The duties of advisor will belong to someone else in '86, but the sweet memories I have will continue on, ad infinitum.

Several '85 CARDINAL Staffers made this a special year for me. Renee Snelken, Editor, has spent three years working on CARDINAL yearbooks, and, with this one, has really outdone herself. Working with Renee has been a special experience for me; her friendship something I will cherish. Joe Massey, finishing his second CARDINAL, has brought a delight to the sometimes-mundane job of layout. Cheryl Ernsberger managed our finances, spent two years of hard work on yearbooks, and showed a maturity seldom seen in sophomores. Pam Garman stood out as a consistent hard worker, and took on major responsibility near the end of the year, by laying

out the Sports section, with Kristy Byrwerk and Robin Worst. Heidi Scott prepared each division page, and was responsible for major undertakings, among them the dedication, memorial and Year in Review/Table of Contents. Other staff members played an integral part in my job, and our '85 CARDINAL. My heartfelt appreciation goes out to each of them, for making my job so rewarding. I wish all past and future CARDINAL Staff members the best of luck, and will be awaiting the '86 CARDINAL with great anticipation!

Other contributors to our '85 CARDINAL were: Lisa Dules and Laurie Corless, high school secretaries; Dee Shiery, without whom there would be no CARDINAL yearbook (nor would there be Coldwater High School!); Craig Gunn, for his photography, and for allowing us to use much of his work; Ann Bowerman, for use of the Media Center as our staff workplace; Linda Todd, for use of two of her home ec ovens ("sorry you missed the Casarelli's pizzas we baked during our final staff work session in June!); the Coldwater DAILY REPORTER, for photos; Stan Clayton of Classic Portraits by Stan Clayton, for Senior portraiture and yearbook photography; area merchants, for your advertising support of the '85 CARDINAL; students and faculty of CHS, for your support of our book; Lee Zimmerman and Taylor Publishing Company; 1985 CARDINAL Staff Members, for your dedication and uncompromising values in preparing a dignified history of the '84-'85 school year.

Our acknowledgement of these individuals for their help and support is sincere, and has made the difference in the preparation of this yearbook.

1985 saw the unfortunate departure of Diane Bolton, yearbook advisor at Coldwater High School since 1980. Those who served on the staff knew her and grew to love her. Without her, our yearbook would not have lived up to the high standards she has set.
