# YEARBOOK STAFF

Several people have worked long hours to produce the 1982 Oriole. Without doubt, the person who has worked the longest and hardest is Mrs. Joanne Finley, yearbook advisor. The 1982 Oriole staff is extremely grateful to have such a dedicated and conscientious advisor.

We, as a staff, take the utmost pride in the 1982 Oriole, which is truly an achievement. It is my sincere hope that each of you will savor every word and every picture; and, in retrospect, will have many happy memories of the 1981-82 school year.

Working toward making the best yearbook and then finally being able to put together the Oriole yearbook is a rewarding job, which holds many interesting wonders.

I would like to thank all of the members of the yearbook staff and all of the other people who made my job an enjoyable one. Also, special thanks are extended to Ron Philbrick at the Carousel for developing all our pictures.

# QUINCY GETS THE BELL!

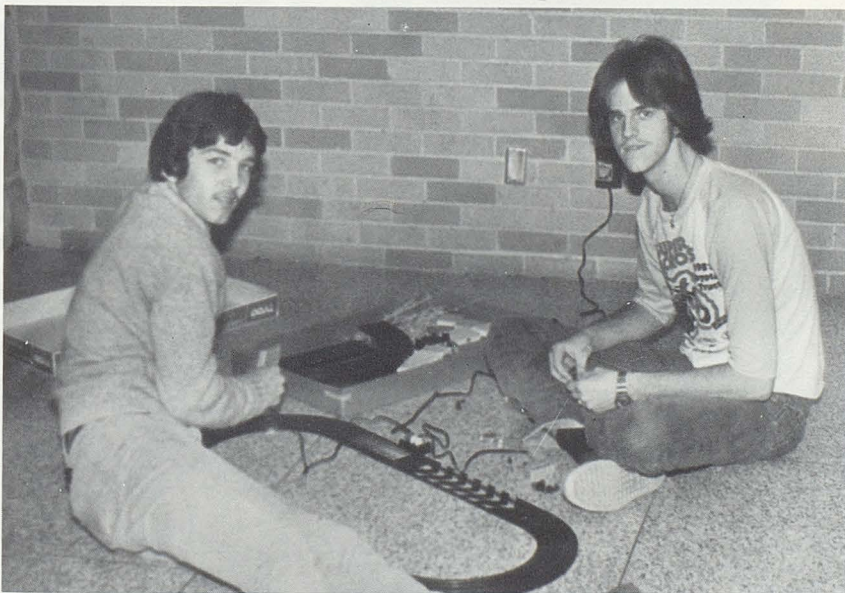

In 1978 the Quincy High School and Reading High School Varsity Clubs decided to add something extra to the continuing rivalry between Quincy and Reading. They purchased a bell which will be kept by the school winning the annual QHS — RHS football game. This year Quincy won the bell for the first time by defeating the Reading Rangers 41-8. Congratulations!

**SONG: "Time For Me To Fly"**

**FLOWER: Yellow Rose**

**COLORS: Royal Blue and Gold**

**MOTTO: To accomplish great things,  
We must not only act,  
but also dream.  
Not only plan,  
but also believe.**

**"REMEMBER"**

Remember our elementary days so eager and full of life,  
Banging our knees and bumping our heads,  
and our Moms saying, "That's all right."  
We thought we were so grown up.

Remember our middle school year . . .  
Going from class to class,  
the fun and the laughter, the problems and the fears.  
We sat in class dreaming of coming years.

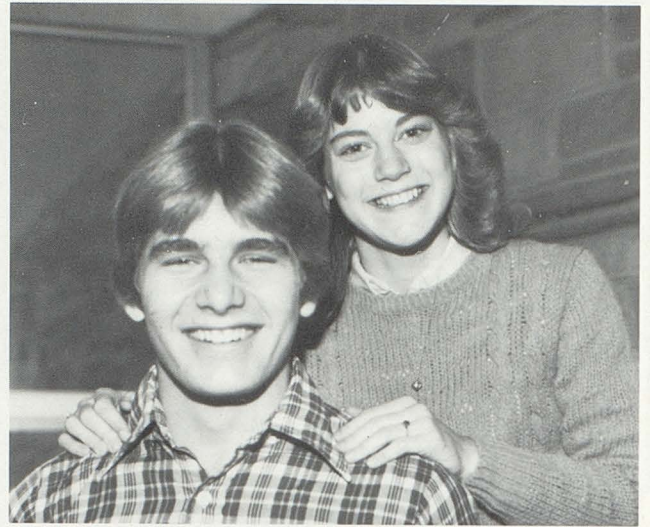

Now our high school years are over . . .  
The memories of football games and starry-eyed dances,  
the new friends we've met, the tests we would rather forget,  
The vacations we waited for, the teachers we confided in.  
Our friends were the most special people we had.  
They were someone to talk to, shoulders to cry on,  
money to borrow from, Friday night movies, afternoon walks,  
and very private talks. Our friends mended  
our broken hearts and said, "Never Fear."  
Yes, high school days are precious, but, oh so brief,  
where we thought all our dreams would come true.  
Remember the hellos and laughter,  
Keep those dreams,  
Reflect on learning and sharing,  
Cry the tears of goodbyes.  
But it is not the end; it is a new beginning!

# QUINCY COMMUNITY SCHOOLS

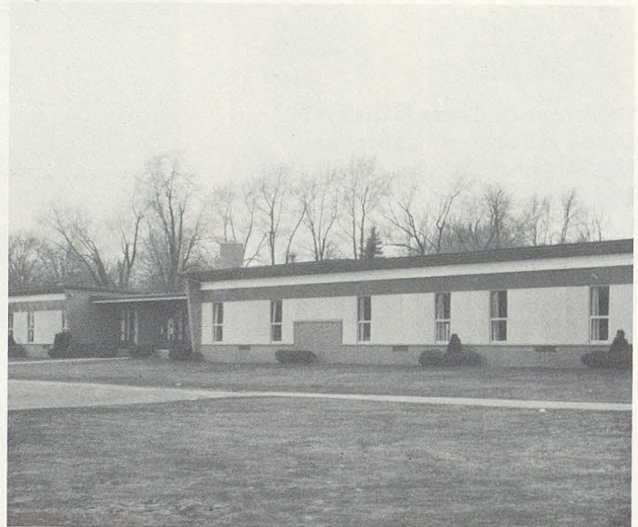

In 1960, Elwood Larsen, the superintendent at that time, said, "Good schools cost money, but cheap schools prove very expensive over a period of time in terms of proper development of youth." With that in mind, the high school was constructed at a cost of \$1,425,000. As present day students at Quincy High School, we are grateful for the foresight of the 1959-60 School Board. On this the 20th anniversary of the school's dedication, much pride is taken in our school and the traditions surrounding it.

# STUDENT COUNCIL

The Student Council at Quincy is comprised of officers, who were elected by the student body, and representatives and alternates, who were elected by their respective homerooms. This group governs the student body and serves as a link between the students and faculty and administration.

The Council was active with Homecoming, Magazine Drive, Donut Days, Oriole Week, Assemblies, Trike Race and Tug of War.

The Student Council sponsored the new computer, a first at Quincy, which is a source of pride for many students. Students who have worked with this computer have found it to be a fascinating and educational experience.

In April, Quincy Youth in Government students participated in the 34th Annual Youth Legislature at the state capitol building in Lansing. The pre-requisite to this was Pre-Legislature, held at the Kalamazoo YMCA in November. At Pre-Leg, Amy Geishert, Tom Bean, Scott Brand, Karen Karney, and Alicia Veysey obtained the offices of Governor, Lt. Governor, Clerk of the House, member of Governor's Cabinet, and Chaplain, respectively. Only the governor candidate had to compete at the state level. At the state legislature, members participated in model running of the Michigan Legislature in the actual House and Senate chambers. Youth in Government is a completely rewarding and educational experience; it is a program which contributes greatly to the development of the leaders of tomorrow. Also, during the spring, the club sells concessions at track meets to finance their summer trip to YMCA Camp Horseshoe, a leadership camp in West Virginia "with a magic all its own."

Eric Huttenlocher, Sarah Brickey, and Brent Parkinson coordinated the backstage operations. The production was directed by Mr. Christopher Walczak, and was his twenty-second production at QHS.

# A MOMENT . . . A MOOD A PLACE IN TIME!

a fine portrait study is forever . . . it is the present and the past given to the future . . . it is a way to remember that cannot be duplicated.

The gift of a fine portrait study takes time and effort and is truly an expression of love on the part of the giver; and, when properly displayed, reflects the close feelings between two people or a family.

We specialize . . .

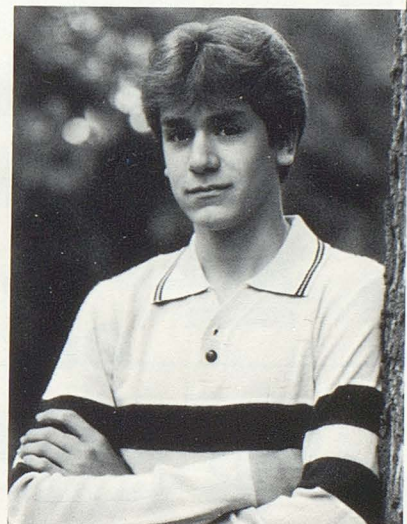

In Salon Type
