Sometimes there is a somebody who . . .
... helps you out when you goof
... scolds you when you really goof and are too dense to realize it

... is proud of your triumphs
... hurts when you hurt
... takes care of you when you're sick
... smooths over rough spots when she agrees with your plans and erects insurmountable barriers when she's against them.

Sometimes this somebody is Mother, but at UCHS it's Mrs. Mary Hobday—OUR SOMEBODY!

Thank you for being there when we need you and even when we think we don't.

The 1978 Charger football team brought winning back to Union City. They started the 1978 season out on the left foot by losing to Lansing Cath. Cent. But then the Chargers regained a firm footing and won the next six games. They finished 6 and 1 in the Big 8 Conference with an overall record of 8 and 2 for the season.

A big loss shocked the Charger offense when one of their players was injured. Brian AcMoody started last year and he began this year as a starter until a broken ankle stopped his quarterbacking.

Then sophomore Eric Palmatier moved to the Charger's quarterback spot. He had a big shoe to fill but did the job extremely well and impressed the team as well as the coaching staff. Eric's first game was against Springport. The Chargers won very impressively 41-0. Palmatier had the offense rolling, but on the other hand the defense was working overtime by holding Springport to minus 16 yards on the ground. Palmatier proved to be successful until the final and Championship game when Homer defeated the Chargers to win the Big 8 Conference, leaving the Chargers in second place in the Conference.

The J.V. football team had the most successful season record in a number of years 6 and 2. Even though this year the team had all new Coaches. Freshman and Sophomores made up the team. With the large number of Sophomores on the team, the J.V.'s had more experience than in past years. That experience helped more to win more games. Tom Watson had a really good season. At the Homer game he ran over 200 yards. The team did a real nice job this year.

The J.V. Girls Basketball team ended a very successful season with a 14-2 tally, the best record that Union City Girls J.V. Basketball team ever racked up. They also tied the 1973 record for the least amount of points allowed for another team. The girls allowed Reading only 4 points. Kelly Collins broke the J.V. scoring record by scoring 25 points against Bronson. They also can claim first J.V. Conference Championship at our school for girls J.V. Basketball.

Conference Title Lost To Rivals

The Girls Varsity Basketball Team ended the season with a 12 and 8 record, coming in second in both the Conference and District. The girls choked on a bitter pill at the District when they waged a see-sawing battle against Bronson. After trading the lead off and on all night the girls lost by one point in the last second of the game. The team sparkplug this year was Penny Ogden. Joan Waite and Brenda Granger were the team captains. Joan Waite was also named most valuable. Robin Tassie was the most improved player. Debbie Merchant scored the most points for the team by scoring 333 points and placed second in the Conference for total scoring points. Brenda Granger had the most rebounds and placed first in the Conference in total rebounds. Joan Waite put in the most free throws and came in third in the Conference for total free throws. After a season of dualing competitors who must have eaten Wheaties and nails to be so much tougher than in past seasons, the girls chalked up another successful season.

The Cross Country team ended the season with a 3-4 tally. The team traveled to Springport for the Springport Invitational. They placed ninth. At the Hillsdale College Invitational they placed ninth and at the Union City Invitational they placed fourth and at the Vicksburg Invitational placed fifth.

Marty Heator had the seasons best record with the time of 15:46. Dennis Strong followed very closely behind with the time of 16:36. Placing third for the team with the time of 16:59 was Bill Morton.

In All-Conference honors Union City placed fourth as a team, and Marty placed second for the team. In the Regionals the team placed 10th as a whole, and Marty came in third. Dennis Strong missed going to State by three places. Again Marty came through and placed 17th in State with the time of 17:32. The season was a worthwhile, if uphill season for the boys.

Returning Champs Take AllAlmost

The Union City wrestling team started out the season as a good team. A team to give some stiff competition, as they proved by placing third at the Pennfield and Harper Creek Invationals. But that was the beginning of the season long before the team's attitude in the sport had taken shape.

The two third places that Union City earned started the momentum of a soon to be unstoppable wrestling machine. This was proven by the collection of four first place trophies obtained at the White Pigeon, Springfield, Union City and the Big 8 Conference Invationals.

The four trophies along with an undefeated season record of 11-0 sent the Charger's on their way to claim a hard worked-for District title. Before the Charger's ranks were divided up for the State Meets, they fought together for the last time to overcome their final obstacle.

After not having been rated all season long the Charger's by placing first at District proved themselves as a team. But from here into State, it was all a personal challenge. So while the Charger's rose up into glory as unified conquerors, they came to the season's end and laid

down their equipment, perhaps for the last time as a team.

Several members of the team held outstanding records in different categories in basketball. In total rebounding Stee Watson led the team and the conference with 182. He placed fourth over all in conference in the field goal category.

Jim Mack led the team in point recoveries and points and third in assists over all in conference. Brian AcMoody led the team in free throwing accuracy.

Over all the varsity team did well placing fourth in conference.

The varsity volleyball team, after having had a spectacularly undefeated season was again the proud owners of the Conference Crown. But their efforts were fruitless when they met up with Parchment's volleyball team who continued through districts and took the Regional title. The Chargers' duel record was 15-0. In the team, recognition and accolades came to Cindy Stemaly, Cheryl Wallen, Joan Waite, and Penny Ogden who were honored for their service. Lori Scott was named most improved player.

Luckily the returning varsity and j.v.'s are talented. Maybe they will fill the empty slots left by the graduating seniors.

The Charger volleyball team defeated all 15 of their opponents until Parchment played them the District tournament.

The winning wasn't limited to the varsity but the J.V. volleyball team also won. With their outstanding 13-2 record the J.V.'s showed that with a little more work perfection might be achieved by this young team. The team as a whole improved from day one and more exciting action will come from these girls before they graduate.

The J.V. basketball team with a record of 11-9 was among the Charger teams to have over a 500 record. The team's momentum was based on two players, they were Tim Granger and Mike Smithley. Leading in various categories were Jim Wallen with 86 assists. Tom Watson stole 57 from underneath opponents' noses, most points earned went to Eric Palmatier with 12.4 average. Kent Hart led the team in rebounds with a total of 248. Best free throw shooter went to David Kimbrough, Randy Eldred, and Eric Palmatier who had over 60%.

"The team was made of good individuals who were fun to be around," stated Mr. Miller, coach. Since most of the players will next year be moved up to varsity, the Freshmen will have to fill in the best they can.

The Union City varsity basketball team which for one week held the first place ranking in the Big 8 Conference and had the over all record of 9-12 was the same team who got it together and gave Bronson its biggest scare in the district.

The Chargers were able to finish the season in an upswing against Bronson. If this upswing would have taken place earlier, the Chargers would have taken place earlier, the Chargers would have seen some regional action.

The freshman basketball team showed everyone that talent wasn't limited only to the more experienced junior varsity and

varsity squads. They received a consolation trophy at the Reading Freshman Tournament.

Tyler Smith was the team's most valuable player, and Tim Cross the team leader. The team won 11 and lost 6. Tyler Smith led the Charger Frosh team in points, with an average of 12 per game, and free throwing with a 48.2%. Art Merchant was leading rebounder with a 12.8 average. He also was the leading field goal shooter with a 37.1%. Such skill combined with efforts of the team started the young team toward a optimistic future.

Coach Mike O'Reilly said, "I really enjoyed my first year of coaching. I had a fine group of young men to work with.

Cheerleaders Fan the Spirit Spark

Successful sports' teams sparked the students with super spirit that erupted often and vociferously in pep assemblies. The year started out with a very successful football, basketball, undefeated volleyball and JV team who lost only one. Such victorious seasons were duplicated with an undefeated wrestling team.

More on Prom Night

After dinner and dancing at the Coldwater Country Club, the juniors and seniors and their guests continued their night together at Coldwater Recreation bowling lanes. Again the management was most hospitable hosts and invited the classes back next year. Mr. Tishkowsky and Mrs. Sisco chaperoned the bowling, but from the looks of their pictures, they may or may not have been awake.

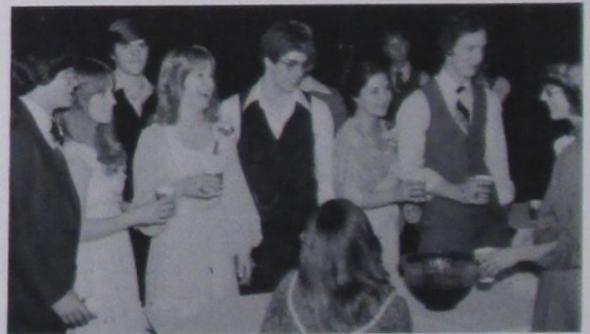

After the bowling broke up the remaining night owls mustered at the high school cafeteria for a breakfast sponsored by the cooks and the parents. Again from the pictures, some of these adults don't look too awake . . . what have they got against welcoming the new day?

“Tonight Is the Night”

This year Sophomores brought back a school tradition by having a Sno-Ball. It was held on March 3, 1979 at the high school. The theme of the Sno-Ball was “Tonight Is the Night.” Michelle Counterman was crowned Princess. The court consisted of Kim Maston, Robin Goodrich, Kelly Collins and Verna Warner. Punch was served by Debbie Spierling and Jennifer Shragg.

Publications Try

This year the Newspaper Staff began duplicating the newspaper at school to save money and offer the newspaper free to the students. At the beginning of the year staff members surveyed the student body about the newspaper and found that students preferred more word and thinking puzzles and more feature articles about student and school affairs. Unlike past years, when the yearbook staff tried to cut corners to save money and keep the price of the yearbook down, this year upon student body request, the yearbook staff is producing a deluxe yearbook. The yearbook has sixteen full-color pages, which the staff decided to use in the Senior section, and a full-color cover. Yearbook is offered as a class this year and many of the candid photographs were taken by student photographers. The business staff is selling many ads to help keep the cost of the yearbook down.

Newspaper staff members are: Advisor—Mrs. Sisco, Alex Torres, Lisa Wessel, Wes Smith, Karen Weirich, Beth Johnson and Lori Wadsworth.

At right are newspaper ads salesmen: Ken Dormer and Don Wickwire.

Student Council: Liason Between Students and Administration

Student Council members and officers met with Mr. Miller during special workshop sessions to begin organizing a new student handbook. The handbook will serve as a future guide for student life at Union City High School. Miss Wynn and Mrs. Parkison helped student council members with the concession stand sales at football games. Profits from this and other activities are used for projects benefiting students as well as scholarships for outstanding and needing seniors.

Student Council officers are: President Bill Morton, Vice-President Carol Fos-

ter, Secretary Chris Cole and Treasurer Kara Smith.

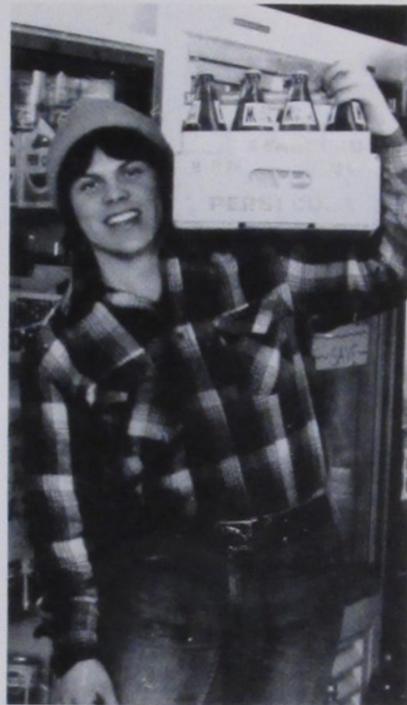

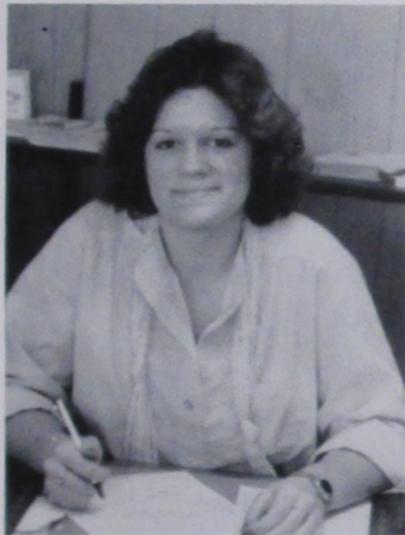

Student Council members are: (sitting on the floor) C. Hoover, S. Cole, L. Albright, R. Johnson, K. Smith and C. Robbins. (sitting) M. Follis, T. Densmore, K. Smith, C. Cole, C. Foster, B.

Help Found With Aides

Office and Library assistants play an important role in the school. The library assistants, (from L to R) Dean Adams, Mike Woodruff, Ken Hobday, Mrs. Evert, Robin Craydon, Todd Thomet, Joan Waite, John Schaffer and Alan Siefke, help Mrs. Evert in many ways. From L to R, Darla Winn, Teena Adams, Carol Albright and Tammy Dunn help Mrs. Hobday in the office.

What Sophomores Do

Sophomores participate in many activities during the year. Getting class rings is a large event for them. Now the rings are a symbol of belonging. Later, they will be a remembrance of good times and good friends.

Ninth Grade Notions

The ranks of the class of 1982 is swelled by a whopping 150 students, making them the biggest class at the Union City High School this year. Being the year of the "greenies" for them has not stopped the freshmen from jumping into many activities and excelling in their undertakings.

For the first time the freshmen have a boys football team which consists of many hardworking guys. Not to leave out all the girls who participate on the powder puff team, losing gracefully to the juniors. The class of '82 also have a basketball team representing them.

While the freshmen are involved in sports they also devote much time to other projects. The class selling project is cheese and sausage. The 9th graders work hard and earn approximately \$800.

The freshmen owe much of their success to their only class advisor Dave Mathis.

The class of '82 is looking forward to bigger and better things in 10th grade but they'll never forget their first year of high school.

Class Of 1979

In Memory Of . . .

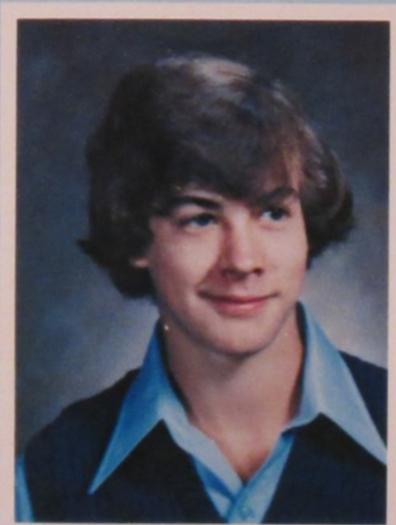

This year's senior class would like to dedicate their section of the CHARGER 1979 to a former classmate, Linda Hughes. Because Linda attended Burlington Elementary many of us never got to know her, but those of us who did will never forget her. Linda died when she was only ten years old, following a long illness which held her back a year in school.

Don't Look Back

Don't look back a new day is breakin'
It's been too long since I felt this way
I don't mind where I get taken
The road is callin' today's the day
I can see it took so long to realize
I'm much too strong not to compromise
Now I see what is holding me down
I'll turn it around

I finally see the dawn arrivin'
I see beyond the road I'm drivin'
Far away and left behind

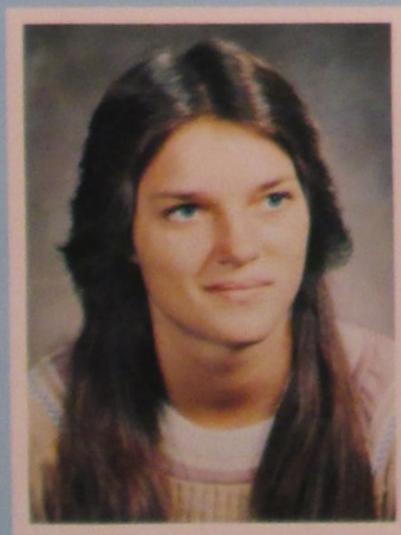

Debra Gilbert

It's a new horizon and I'm awoken now
Oh, I see myself in a brand new way
The sun is shinin' the clouds are breakin'
Cause I can't lose now there's no game to play
I can tell there's no more time to criticize
I've seen what I could not recognize
Everything in my life was leading me on
But I can be strong

I finally see the dawn arrivin'
I see beyond the road I'm drivin'
Far away and left behind
