1944 *Leap Year*

High School has not been just
the time when the frails chased
and very rarely, if ever, caught
of the high points of 1944,
an education with these distracting

“another” year. This has been

them. This Cardinal, a summary

shows the scholars (?) getting

conditions !

■ WE, THE CARDINAL STAFF OF 1944, HAVE EDITED AND PUBLISHED THIS CARDINAL FOR YOU, THE STUDENTS; YOU, THE TEACHERS; AND YOU, THE ALUMNI.

THIS SCHOOL YEAR, 1943-44, HAS BEEN A FULL YEAR. HERE'S TO IT AND TO THOSE YEARS THE UNDERCLASSMEN HAVE IN THE FUTURE.

MELISSA SEMMELROTH

Dedication

MISS SEMMELROTH HAS BEEN A POWERFUL INFLUENCE IN TEACHING HER PUPILS TO ASPIRE TO THE HIGHEST. WE HAVE BEEN ABLE TO CONSULT HER ON ANY PROBLEMS, FOR WE KNEW SHE COULD HELP SOLVE THEM.

IN APPRECIATION OF HER KINDNESS LEADERSHIP, LOYALTY AND FRIENDLY SPIRIT, WE DEDICATE THIS CARDINAL.

WE ARE PROUD OF OUR FACULTY. UNDER WAR CONDITIONS IT HAS NOT BEEN AS EASY FOR THEM BECAUSE MANY HAVE LEFT US AND NEW ONES HAVE COME. DESPITE NUMEROUS CHANGES, WE THINK THEY HAVE ALL DONE A FINE JOB.

FACULTY

ROBERT E. SHARER

Superintendent of Schools

Mr. Sharer is the fellow behind the entire system of schools in Coldwater. He is back of all school functions and a great deal of credit is due to him for his splendid cooperation with the student body and faculty in making our school a better place.

We salute you, Mr. Sharer. Lots of good luck in the years to come!

BOARD OF EDUCATION

Chief advisor to Mr. Sharer is the School Board, which formulates and suggests plans for improvements in the schools. The Board plays a very important part in the operation of our school functions.

FREDERICK H. WEEKS

Principal

Mr. Weeks teaches Journalism, he helps each year with the year book, and assists both semesters' "Mirror" Staffs in the publishing of the school paper.

Running a Junior and Senior High School is no simple task. Mr. Weeks has been at the head of both Junior and Senior High this year, and he has certainly done a wonderful job. He has been the man who has enforced the rules to keep our school in law and order. He has also been the one who has always been glad at any time to talk over student or school problems. We are proud of you, Mr. Weeks, and wish you loads of luck in the years to come.

"WORDS TO THE WISE" ...?

For weeks I racked my brain trying to think of some definite feature to apply to the faculty — to no avail! Finally, I got together a conglomeration of corny ideas and started to write. So if you find these pages kind of "jumbled and jivey", you'll know the reason why!

From a very reliable source (a la grapevine), I have learned that several members of the faculty have great literary talent, and during the past year have written some interesting (?) works.

MR. POULOS has turned capitalistic on us and has burst forth with his latest volume "HOW TO GET RICH QUICK!"

MR. OLSEN not long ago published his (sigh) "autobiography" "FOR WHOM THE 'BELLES' TOIL" (how true!). "Swede" likes to read it!

MR. GREEN has turned romanticist on us and has written a stirring story "THE LOVE TRIANGLE". Mr. Green does admit, however, that he has lifted out several "ANGLES" which should have been woven into the plot. The moral of the story is "A good line is the shortest distance between two dates".

From the English department in Junior High I received the following anecdote: "TO BE OR NOT TO BE" is the most recent article by MRS. HUDSON. It deals with the correct grammatical construction of infinitives — a truly stirring piece of work!

MR. SIBLEY'S best seller of the year was a nature story, "THE HUNT". This book treats of his own experiences throughout the years, and his escapes from chemistry "HOUNDS". A pretty "FOXY" bit of work!

MRS. FRIZZO'S literary accomplishment was along the same line as Mr. Sibley's. Her's was an autobiography, titled "THE LION TAMER"!

I have stated above that this column will be found in a turmoil to the end. That which follows is some miscellaneous information I have gathered about the teachers!

MR. RENSCHAW has been making some very intensive research on the subject of narcotics and other sleep-producing drugs. He says he doesn't mind his students sleeping, but snoring is just a trifle more than he can take!

MRS. MacFARLANE is really a "slick chick", "hey to the jive", et al! She's been "COOKING on the iron burner" all year!

MR. WEEKS not long ago took a special correspondence course from Warden Duffy of San Quentin to become better acquainted in the correct procedure of handling the inmates of his institution!

MISS EVELYN MOORE may think that her pupils try to bluff a lot. But honest, both seniors and sophomores say that they've been trying to get MOORE from Government and World Problems all year!

CHS has been terrorized all year by the subversive activities of the "Gestapo" (of the subversive activities of the students!) better known as MR. DENNIS. That's O.K. Mr. Dennis. We know it's your bounden duty — we keep telling ourselves!

Having exhausted my supply of prose, I find it necessary to turn to poetry in one form or another (mostly no form!)

The boys in the back row of MRS. NELSON'S World Lit. class have "cut up" a lot this year. Being repentant though, they have expressed their apologies through the following poem.

"Dear, dear Lola
Sometimes Lit. is so droll-a
That's why we in the back row-la
Just have to let go-la!"

"We have a new teacher in school
She makes all the young fellas drool
She's pretty and thin; full of pep
to the brim
Her name is MISS RICH
Her admirer is JIM!"

"WORDS TO THE WISE" . . . ?

(CONTINUED)

I suppose MISS LAZENBY is still making references to her famous ancestors — but

"Please Miss Lazenby, give us a break
We know you're related to Sir Francis Drake!"

You're all familiar with a popular school yell, of which the following revision appears.

"1-2-3-4-
Not 'who are we for'
but 'what are we here for'
1-2-3-4- (we love you "Addie")"

MISS ALLISON'S gym classes' lasses will be glad to hear that the TAXI bill for transportation over to gym has passed both Houses—while you have been passing out! As soon as the President's signature is secured, you can expect action, gals!

"Some thirty-five years ago was born
A man who wanted to 'toot his own horn'
Now his handsters blow and puff
But he comes back, 'That's not enough'

"Violin, Mandolin, Oboe
He's master of them all
He can really hit the HIGH notes
Though he's not so very tall!" — (MR. BOND)

MRS. AITCHISON established a reputation in an assembly early this year Perhaps you remember—

"Our 'Pistol Packin' Mama'
Is really quite a gal
I hear she packs a mean wallop
From the boys in study hall!"

"MISS GERTRUDE MOORE is the quiet type,
With a subtle sense of humor
Her temper never gets the best of her
Like her, we wish there were a few more!"

"A very grammatical person who
knows all her DO's from her DON'T's"

MRS. VAN AKEN, we'll study our grammar
Forget it? Don't worry — we won't!" —

MRS. RENSCHAW always takes the prize
For friendliness in Junior High
This year the same thing still applies,
Say all the gals and guys!"

"Stenography and typing
Any business line you wish
MR. RICE will help you out
Commercial stuff's his dish!"

"MISS SWANSON knows all about
Why two and two make four
But what do one and one make?
WHOOPEE!"

"MR COOK for one so very young
Has got the Study Hall on the run
But we don't mind, because you're cute
We only wish that you were mute".

(This poem was contributed by the girls in the seventh hour Study Hall).

"COACH EBY makes all the young girls swoon
He is a dream, believe us
A swell fellow, a wonderful coach
We hate to have you leave us!"

"Spanish, French, and Latin
She speaks them all with ease
But gee, MISS STEFFANIAK,
We'll stick to English, if you please!"

"MR GRIGG seems so shy and timid
And very quiet, so —
He isn't much on conversation
He likes to talk 'SHOP' though!"

MRS. COCHRANE is remembered for her graceful ballet dancing in the faculty assembly earlier this year.

"A very graceful ballet dancer
Is Mrs. Cochrane, as everyone knows
But whether it be American Lit. or the ballet
She's always on her toes!"

The following poem is dedicated to MISS PHILIPS, our typing teacher, who is still able to survive after a year of slam-bang (to be taken literally) typing pupils!

"Miss Philips, our cute little redhead
Excuses our errors and JERKS
The only time she gets KEYed up
Is when we 'gum up the WORKS'!"

"Kindness, tolerance, understanding
Are the qualities we detect
In MISS SEMMELROTH, whose high virtues
Command, from all, respect!"

FRIENDSHIPS ARE FORMED IN THE CLASS
ROOMS THAT WILL NEVER BE FORGOTTEN.
AT THE SAME TIME WE ARE BETTER PRE-
PARING OURSELVES TO LEAD SUCCESSFUL
LIVES TOMORROW.

Class of '44 in Review

It really takes some strenuous memory work to travel back across the pages of time and recall what's happened to the class of '44. But it's fun to reminisce and try to remember some of the funny things we did 'way back then!

In 1938, as "green" seventh graders, we entered Junior High with a very "lost" feeling. Here we were in an entirely different building with a lot of strange people (the faculty??). Polly Walker used an unusual procedure to make her debut. She fell flat on her face on the platform in the study hall, afterward realizing that there WERE steps up to the desk — we elected class officers: President, Duane Papke; Vice-President, Joann Hilbert; Secretary-Treasurer, Patsy Kibbe — "Flat Foot Floggie" dominated the musical world in '38, '39—a few made the gossip columns, and items such as the following appeared in the "Mirror": "Doris Linton

is wondering if E. Zinn will ever give her a tumble" ("Weedy" went with Patty Carls) — "Marge A. seems to be growing up a bit too fast. You had better go on a diet" — "Brownie H. has changed her mind about Robert Brayton. What can the matter be?" — "Wanda Bartholomew and Ethlyn Palmatier are after Dick Asbury" — "Polly Walker is torn between two flames. One flame is Duane Papke, and the other one is Russell Alexander".

So on to the eighth grade. We began to relax and make ourselves at home — we even became so daring as to venture into HARRY'S or peep in on the dances at the Parish House where "Pork" Morgan's band "banged it out" every Saturday night — making pins out of macaroni was all the rage — The "Mirror" "dirty" columns ran thus: "In the eighth grade a few

Despite the war, the Cardinal Staff, this year, has put out a super edition of the "Leap Year" Cardinal. Long hours of "work, sweat and tears", along with the combined efforts of the staff, have made this Year Book what it is. Much praise also goes to Helen Pierce, Editor-in-Chief, and to Mr. Weeks, chief advisor, for their never-ending efforts in making the 1944 Cardinal better than ever. We hope you like it!

MIRROR STAFF

With their ear to the ground and their nose to the grindstone, the "News Hounds" of CHS have done a bang-up job this year of bringing the news to you. Every two weeks this staff tears around like mad getting the "Mirror" assembled on schedule and when Friday comes around, out comes a newer and better issue. Their aim is to bring to you a newsy, up-to-date and a really "hep" paper. In all three things, they have succeeded, to the fullest extent.

STUDENT COMMISSION

*Best of luck Jim
Dick Moser*

Top Row — Steffey, Mr. Weeks, Moser
Bottom Row — Pierce, Dean, Tappenden

The Senior High Commission was off with a bang and kept on its toes all year with: John Dean, Mayor; Ruth Tappenden, Clerk; Helen Pierce, Senior Commissioner; Dick Moser, Junior Commissioner; and Warren Steffey, Sophomore Commissioner.

The following committee chairmen were appointed to carry out plans for the year: Helen Pierce, Assembly Committee; Ruth Tappenden, Citizenship Committee; Dick Moser, Athletic Committee; Warren Steffey, Social Committee.

An old fashioned hard-times party given by the Commission was a big event of the school year's social activities. They also sponsored several Friday night dances.

The Commission printed schedule cards for the basketball season and printed programs for the Coldwater vs. Sturgis football game.

During the second semester a popularity contest was sponsored. Printed ballots were distributed to students of both buildings to vote for their favorite classmates.

Dan Loose, who has been a friend and helper to the students and teachers of C.H.S. for the past forty years, was presented a gift of appreciation by the commission during an assembly.

In memory of their activities during the past year, the Student Commission left a secondary clock for the 2nd floor hall and repaired two class memorials of previous years.

The mayor has done a fine job of backing up school activities this year. The assemblies and pep meetings have been put over in a big way. Citizenship grades have been judged on a fair basis and we have all had fun at the dances and parties!

"C" CLUB

Top Row— Steffey, Marquette, Birch, Brauker, Gilbert, Roby, Neusbaum, Rubley.
Middle Row—J. Corless, M. Corless, Musser, Newberry, Smith, Rasey, Murphy, Dean Milliman.
Bottom Row—Hauska, Papke, Hill, Ferguson, Lytle, Cortright, Barrack, Zabonick, Eby, coach.

The purpose of the "C" Club is to promote good will, good feeling, and sportsmanship within the school and the surrounding community.

Under the supervision of Coach Eby, the "C" Club this year has enlarged the Varsity letter, and along in the early part of the winter the club sponsored a successful "Hard Times" party.

The "C" Club also recommends to the Athletic Committee the names of the boys who deserve school letters.

The officers this year were: President, Jerry Smith; Vice-President, Bill Newberry; Secretary, Bill Zabonick; Treasurer, Dick Milliman.

"Once and For All", in three acts, was the title of the annual junior play, presented Friday night, March 31, at 8:00, to a full house and very appreciative audience.

The play varied a little from the usual class performance, in that it took place out of doors and had a large cast of twenty-one.

Romantic interest was provided by Mary Margaret Butler and Owen Marquette, as Linda and Michael Webb, a young married couple; comedy was generously supplied by Gilbert Hill and Ruth Tappenden as Demetrio and Anna Benetti, an Italian couple; the plot centered around Malcolm Kaiser, portraying Nicola Benzetti, a young man who got into a mix-up over "easy

money". Other characters were: Pietro Benzetti, Dick Moser; Christine Defarge, Marjorie Jewell; Mrs. Defarge, Betty Decker; Lenore La Blanc, Petty Van Orthwick; Doris Delray, Janice Tompkins; Sven Svenson, Wendell Reppert; Cora, Margaret Snyder; Arnold Rice, Wayne Jones; Stew Vanzo, Bob Collard; Mrs. Bulge, Maxine Dillon; Mrs. Walker, Janice McConnell; Mrs. Pettigrew, Connie McQueen; Mrs. Harrington, Ann Gallup; Wade Corrigan, Dick Mason; Radio Announcer, John Roby; Delivery Boy, Howard Adams.

The Home Ec. Club had a membership of sixty-five. Because of this large number they have been able to accomplish many different objectives. Among these were the pot-luck supper shared with their mothers; taking the Home Ec. Pledge of Loyalty to school, country, and home; making twenty-five bed jackets for soldiers; arranging a Christmas gift shower for the old people at the County Infirmary; making ten dresses for the Ruth Alden Christmas boxes for

under-privileged children; sponsoring two school dances; contributing to the international scholarship fund for training in Home Economics for girls; contributing to the Red Cross and entertaining the County Home Ec. and F. F. A. clubs with our local F. F. A. at a dance and evening party. To complete their activities for the year they sponsored a paper drive in April and gave a Mother-Daughter Banquet in May. All together it is considered that this club had a very successful year.

OFFICERS

PRESIDENT—Polly Walker.

VICE PRESIDENT—Karna Olmstead.

SECRETARY—Annette Branch.

TREASURER—Alice Gibson.

This year the Girl Reserves got off to a "flying start" by initiating forty-five new members who, added to the old members, made a roll call of eighty-two girls.

Under the leadership of Polly Walker as President; Karna Olmstead, Vice-President; Annette Branch, Secretary; Alice Gibson, Treasurer; and Mrs. Frizzo and Miss Allison as advisors, the club enjoyed a very successful year. They started out with a comic initiation and assembly at the expense of the new members, followed by holding the annual Girl Reserve District Conference here, in which clubs from Hillsdale,

Quincy, Reading, Jonesville, and Litchfield participated. The officers of these clubs also attended a cabinet meeting held in Battle Creek this year.

In the line of service the club did work for the Junior Red Cross during the entire year, organized and sponsored two very successful paper drives and made cookies for servicemen.

Along the social side several nice parties and dances were put on by the Girl Reserves. The most outstanding was the Leap Year (Gingham and Overalls) Party at which, for once, there was no man shortage. — Girls paid all!

PHOTOGRAPHY CLUB

Top Row: Thomas, Olmstead, Hopper, A. Donkin, Noel.

Bottom Row: Dussling, Kuether, P. Donkin, Bates, Mr. Dennis

Many of the splendid informal shots, taken by some of the members, are presented in this year's Cardinal. Not only were they taken by them, but they were developed and printed.

Much credit goes to Mr. Dennis, their instructor, who has contributed greatly.

LINCOLN COUNCIL

Top Row: Szafranski, Schlabatis, Woods, Milliman

Bottom Row: Mr. Weeks, Fair, Olmstead, Wright

One of the Council's biggest accomplishments this year was sponsoring the magazine campaign, selling nearly \$1,200 worth of subscriptions, netting \$300 profit. This is going to be used to furnish the gym with folding bleach-

ers. Two very successful parties should also be added to their credit.

The Council appoints members of assembly citizenship and social committees and works harmony with them.

The band, under the excellent leadership and guidance of the band-master, Mr. Bond, has completed a very successful year. The fairs started the year off with a bang. Then came the football and basketball games. The annual concert held on March 16, was a huge success. Besides all of these things, the band played at many social gatherings. Congratulations to Mr. Bond and the band members.

CLASS OF '44 IN REVIEW

(Continued from Page 16)

boys seem to be enjoying the limelight. They are Jerry Smith, Eugene Zinn, Billy Newberry, and Bobbie Snyder" — "the Junior High School (and Senior High) is beginning to wonder what has happened to Marge Amaden. She seems a changed person since she began to act her age. Keep up the good work Marge" — in one issue of the "Mirror" in 1940, appeared a column of Junior High A, B, C's. The following resume might interest some of you — "I is for Ivaska whose motto is speed (same old Betty!) — N is for Newberry, the choice among many (darn Mary) — Zinn is for Z (darn this typewriter!), who has Bunce all to himself — class officers were: President, Jerry Smith (he was a "clean shaven" youth!); Vice-President, Bill Newberry; Secretary-Treasurer, Jerry Fair.

By the time we arrived into our freshman year, we were THE "big shots" of Jr. High, and looked with scorn upon the incoming seventh-graders — we experienced several changes in the general routine — "Legs" Pierce returned to CHS, and to everybody's amazement Jerry Smith broke down and he and Helen were really "a dating duet" for a long time — "Zinny" discarded the name Eugene and became "Weedy" — Bus Alexander was elected president of the Student Council, and class officers were: Duane Papke, President; Bill Cooper, Vice-President; Shirley O'Mara, Secretary-Treasurer — I don't know who wrote the gossip columns in '41, but four or five people shared the "dirt" column all year — "Brownie" Hilbert, "Weedy", Patty Harvey, Jerry Smith, and Stevie Hodges — "frin-stance, "Since when has Patty Harvey needed a body-guard? There are two gents by the names of Fair and Ferguson who seem to be self-appointed ones" — "We wonder why Virginia Upton doesn't get suspicious of J. E. V. (or is she?). Watch him closely, Virginia!" — "Thursday is 'date night' for Brownie and Helen. It's pay day for Bill Cooper and Jerry Smith. The boys don't run when they kiss the girls good night any more either" — "Steve Hodges has become tired of "Brownie" Hilbert and is going after Helen Pierce. You'll have to stretch your neck some, Steve."

No sooner had we reached the peak of su-

periority than we were cast into the lowest state of survival (in high school), the sophomore (in very small letters) — but it didn't take long to get into the swing of things — first thing we knew, the Seniors were throwing a big party in our honor, the "Sophomore Reception" — not to be outdone, we came back and honored the Seniors with the "Mid-Winter Frolic" — not only that, but the sophs sponsored most of the Friday night dances, due to the efforts of Dick Milliman — remember? — gossip in the "Mirror" was at a "low" that year, and even though it's been only two years, I still can't dig up much "dirt" — let's see — it was "Monkey-Face" Kyte and "Chucky Bumps" Cary — and "Flash" Bob Brayton is once more a free man" (many long years ago) — "We hear the old flame's burning "deep in the heart of Dick Milliman" (who was that, Dick?) — our class officers were Bill Cooper, President; Bill Newberry, Vice-President; Polly Walker, Secretary; Jerry Fair Treasurer. Jerry Smith was our Sophomore Commissioner.

"Jaunty Juniors" — first, class elections, with Dick Milliman emerging as president, assisted by Bill Newberry, "Brownie" Hilbert, and Bill Cooper — Helen Pierce was the Junior Clerk, and Johnny Dean was Junior Commissioner — we sort of took it easy the first semester. I guess, in preparation for our duties later on in the year — "Pruney" and "Snuffy" discarded their former titles as "women haters" — our honorable mayor and "Tribby" were going strong — Carolyn F. and Dick Steffy were and still seem to be "holding hands for keeps" — the second semester was a busy one for us Juniors — first, the Junior Play — we chose "Headed For Eden", and presented our "hard work, mixed with a lot of fun and swell memories" on April 2 — next we were slated to give the "Junior-Senior Banquet", the big event of the year — the banquet was a huge success — to wind up the year's activities, we assisted the Seniors in many ways in the graduation exercises, at Baccalaureate, and Commencement.

As for our activities as Seniors, just read this "CARDINAL" carefully and take it all in!!!

COLDWATER HIGH SCHOOL RANKS HIGH IN SPORTSMANSHIP. BEING A GOOD LOSER AS WELL AS A GOOD WINNER IS ONE OF THE PRINCIPAL CHARACTERISTICS OF OUR TEAMS.

SPORTS

FOOTBALL

Top Row: Hilbert, Swain, Legg, Easterday, Donkin, Swartz, Linn, Callahan, Murphy, C. Sebald, Gilbert.
 Second Row: Dillon, Holly, Ferguson, Omo, McCollough, D. Sebald, Johnson, Brayton, Neusbaum, Corless, Steffey, Elliget; Coach Eby.
 Bottom Row: Marquette, Cooper, Roby, Corless, Gilbert, Lytle, Ferguson, Newberry, captain; Hill, Birch Zabonick, Hauska, Papke.

The Coldwater Cards started off the football season with the Three Rivers Wildcats. Although Coldwater lost, it was one of the scrappiest games ever, and everyone agreed that Coach Eby's team showed very good promise for the future. The Lakeview game will long be remembered for its being fought to a scoreless tie in the rain, mud, and slush.

The Spartan (Lakeview) team held fast under five Cardinal attacks for not one touchdown!

The Hillsdale Hornets were next overwhelmed 41 to 12 in one of our most outstanding victories; Captain "Snuff" Newberry himself making four touchdowns personally, and Clyde

(Spoofer) Gilbert breaking up two passes, and nearly intercepting a third. An ankle injury early in the game bogged down the Cards offensive in the Marshall game, resulting in a Wildcat victory. Our team's smashing race-horse offensive put an end to Albion's six years of victories over CHS. The last and final game of the season arrived with Sturgis. They won 26-20.

The boys that played their last game for CHS that night were: Bill Newberry, Bill Zabonick, Bob Brayton, Duane Papke, Charles Birch, and Elwin Ferguson. Congratulations to these boys and to the boys that will be on the future football team of CHS Cardinals.

The opening game of the 1943 football season was with Three Rivers. It was a close fought game with the Wildcats scoring their first touchdown in the opening eight minutes of the game, and then being swept back by a strong Cardinal counter-offensive. But they intercepted a pass in the third quarter to make their final touchdown. Score: 12-0!

The Lakeview game will long be remembered, for it was played in the rain and mud to a scoreless tie!

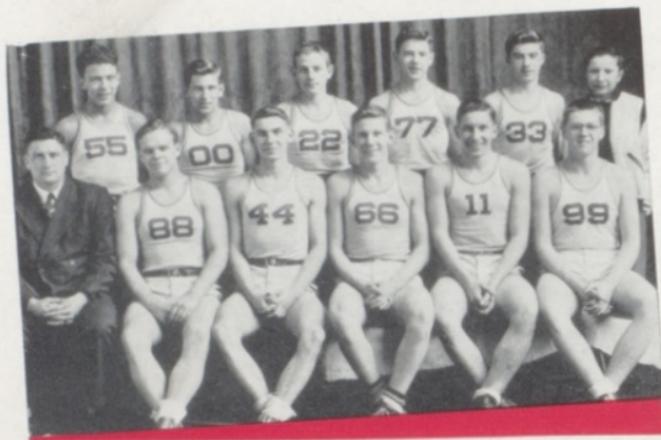

The next game showed Coldwater's steadily improving squad browbeat the Hillsdale eleven 41-12, and thereafter followed their most crushing defeat! Losing Papke, Roby and Birch by injuries, the Marshall Redskins succeeded in dominating the field, winning 32-6. Six days later the Cardinals showed what they were made of, after traveling to Albion, and bringing home the bacon, a CHS victory 25-14.

Well, that's about all, except the last game of the season with Sturgis! Spectators thronged the field to see the Seniors play their last game, and attempt to win the silver trophy from the Trojans. The score tells how hard they tried, 26-20 in favor of Sturgis. Coldwater copped third place in the Twin-Valley, losing 3; winning 2, and tying 1.

The C.H.S. Cardinals played a very successful basketball season this year, winning seven games out of a possible thirteen.

The Cardinals was the only team to hold a place in the T. V. A. tournament to themselves. Marshall and Sturgis tied for first place, with Coldwater taking second place, while Three

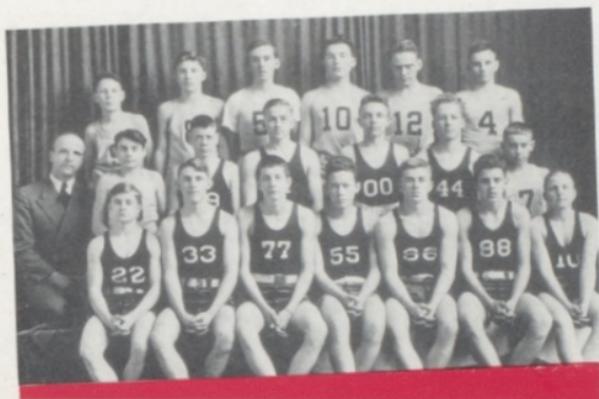

Rivers, Hillsdale, Lakeview, and Albion tied for the third place.

Three seniors, Duane Papke, Bill Newberry, and Bill Zabonick, played their last, and very successful basketball season this year for Coldwater High School.

Every spring the baseball season rolls around and a large number of boys are always out for the grand old sport.

Under Coach Eby's able guidance this team has gone a long way.

One colorful event was the student-faculty game, in which the boys trounced the teachers 8-2. Good luck, boys!
