Dedicated To

Sally and Bob Merchant

Art, Scott, Sally and Deb

Around 1959 Sally Merchant began a teaching career that would span nearly 20 years. During those early years she taught science in the Middle School. In the mid-70's, she became involved with the importance of cardio-pulmonary resuscitation and was a leader in developing a program for teaching CPR to her students and the residence of Branch County. Sally served on the Branch County CPR Board, the Substance Abuse Council for Branch and Calhoun Counties, was coordinator for drug education for UCHS, and was a member of the team responsible for a career education program for the Calhoun Intermediate School District. In May of 1981 Sally received the first "Citizen of the Year" award from the community of Union City for her work with the CPR program as well as other contributions to education and the service of the community.

Sally was good at what she did. She was able to relate to all students, whether they were "A" students or a student having great difficulties, on a one to one basis. Her courage and will power were a great inspiration to many of us who knew her. We will all miss Sally, but we are richer for having known her and shared in her life.

The Memory Of

Deeana Thomet, March 7, 1965 - Feb. 13, 1983

*Life is to be lived only for the moment
And with each moment let every man find
That which makes him happy
For happiness is what life is all about.
D. Thomet January 7, 1983*

A special Christmas "1982"

Grandpa Thomet with DeeDee

DeeDee Thomet, a senior with the class of '83, found some of life's greatest happiness with her friends and classmates. As a student she was a member of the school choir, active in art classes, statistician for girls basketball and an honor roll student. Although illness kept her from graduating with her class, the school administration honored that dream to her family with a honorary diploma at graduation.

DeeDee is no longer with us, but the memory of her life will live in the hearts of many forever. This school event record is a tribute to our classmate and friend for the time she was with us and the strength she showed us in a time life seemed so unfair.

Back Row: Homer Mandoka, Doug Hoath, Rob Letendre, Ed Steinman, Rick Rankin, Scott Morrill, Rex York, Ron Watson.

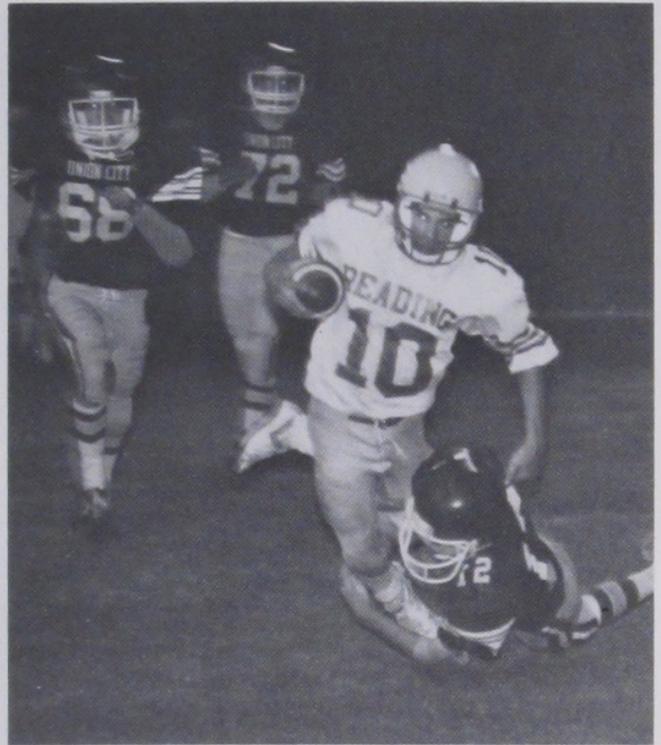

The 1982 Chargers have a lot to be proud of. The high light of the year was a 30-22 double overtime win over Jonesville on Homecoming night. One of the best played games of the year was a 14-0 loss in the war with Athens over the Little Brown Jug. It was the first time U.C. had been shut out in 20 games.

All Stater Brian Vaccaro had a great year, rushing for 1387 yards and 16 T.D.'s Ron Watson lead the conference in tackles with 100 and was a special mention All-Stater. Both boys were first team All Conference.

Juniors Mark Snaders, defensive back, and Rick Rankin, punter, were also voted to first team spots. Second team All Conference selections were: Rex York, defensive line, Scott Morrill, offensive line, Ron Olmsted, defensive end, Todd Haylett, quarterback, Homer Mandoka, tight end, and David Smith was an honorable mention line backer.

The 1983 Girls Varsity Basketball team earned a 13-7 overall record while recording a 10-4 record in the conference; good for second place in the conference. This was the tenth year in a row that the girls have had a winning season on the varsity level. The girls supplied many exciting moments for their fans with an overtime victory against arch-rival Athens, securing second place.

Lady Spikers Climb The Tree Of Talent

The Charger Varsity Volleyball team under the direction of Coach Val Rossman saw their hard work pay off as they finished 9-5 in the Big Eight, which was good enough for third place. They ended their season on a high note as they made it to the District finals before bowing to perennial power Penfield. Rossman commented that "this year's squad was an enjoyable and easy to coach team. Even though we'll miss some strong seniors we definitely have a strong group of juniors returning next year and I look for us to be equally successful."

COACH'S COMMENTS:

This years Boy's Varsity Track Team was a fine blend of individual talent and depth that allowed the boys to enjoy a successful dual meet season. Overall, they finished with a 6-4-1 record, and were 4-2-1 in the conference. The individual strengths and team depth made the Chargers contenders for the conference title up until the final week of the season.

Individual honors were bestowed upon Alan Herman as Most Valuable, Jeff Silva as Most Dedicated, and Bill Chenoweth as Most Improved. Alan Herman also qualified for the state meet by winning the 330 low hurdles at the Regional Meet in Quincy. Congratulations Alan!!

Many fine performances and personal bests by the underclassmen promises to make the Chargers a top conference contender again next year.

The Union City Charger baseball team finished the season in League play with a record of 14-0, identical to last years mark. That is why they became the defending League champions. Their team went on to capture a district and regional title and finished the season with a impressive 22-5 record. U.C. has also won 29 straight league games over the past 3 years.

2nd Row- Coach Joe Tinervia, Todd Brookmyer, Ray Steinmann, Chris Maisner, Rod Dibert, Joel Silva. 3rd Row- Mike Counterman, Richie Adams, Don Busler.

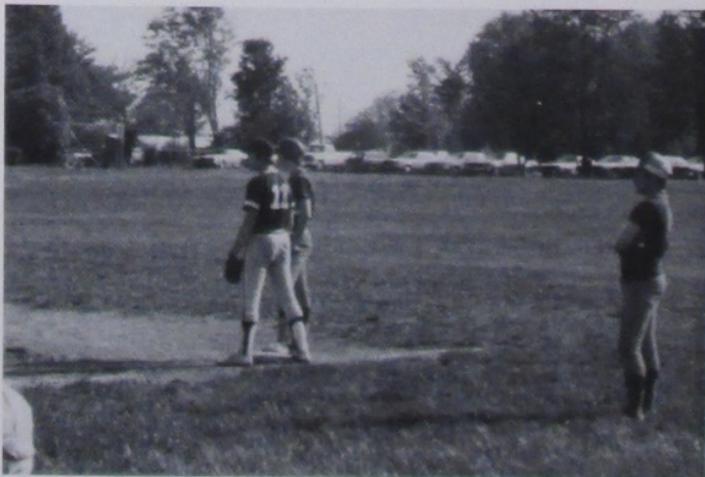

The J.V. Baseball Team can be very proud of their season. The players worked hard in practice and gave 100% effort in the games with every person contributing something positive to the team's total success.

The highlight of the season was the 1st victory against Quincy. The team was behind 4-2 going into the last of the 7th. With 2 runners on and 2 outs, Ritchie Adams hit a 2 run homer for the victory.

The following day the J.V.'s swept a double-header from Bronson. This series of 3 games set the tone for the season.

Seniors

Rock-A-Thon

What do you get when you have 35 rocking chairs, 35 Seniors, enough food to feed an army, 1 video disc player, and a stack of movies? One wild and crazy Senior Rock-a-thon! The money we raised got us one more step toward Toronto.

Senior Slave Auction: A Great Success

The Highest bid went to Wendy Morton.

Seniors Take Toronto By Storm!

We left UC at 5:36 on Tuesday morning in a rainy drizzle. The ride to Windsor was long and crowded, and when we arrived at the train station we were all really happy. The train was a lot better than a school bus. By this time everyone was fully awake and excited about going.

During our trip we visited Greater Toronto, the University of Toronto, Casa Loma, Metro Zoo, and the O'Keefe Center. That was just on the first day. On the 2nd, we went to the Ontario Science Center and went shopping in various parts of the city. That night we were treated to a spaghetti supper at the Old Spaghetti Factory, and a visit to McLaughlin's Planetarium. The last day was full of last minute shopping and packing.

Before we left the "Big City" we stopped at the CN Tower to have a last look around. We all found Toronto to be a beautiful city and full of fun which brought us all closer together. But when it came right down to it, we were glad to be home!

Are we there yet??

Wendy gets a well deserved rest.

Not present- Denise Beemer, Mary Alice Hunt, Kris Martin, Tammi Anthony, and Lois Lucas.

In very close competition with Homer and Concord, the Union City girls' sport teams came up the winners of this year's All Sports Trophy. The Trophy is awarded on the basis of finishes in the conference in basketball, volleyball, and track.

The basketball team, coached by Tom Gillette, came in second after the powerful Homer team. The volleyball team, coached by Val Rossman, was third behind Concord and Homer. The deciding vote came in when the track team placed third behind Athens and Concord. The track team was coached by Val Rossman who was assisted by Diane VanPatten. When everything was tallied the Lady Chargers brought the trophy home.

Regional Winners!

DISTRICT TITLE

It wasn't easy but it happened as the Chargers defeated Bronson 3-1, White Pigeon 6-3 and in the championship game 1-0 over Jonesville. In the Jonesville game the Chargers scored in the 1st inning and that was that. It won the 1st district title in 11 years.

REGIONAL TITLE

It was a U.C. first as the Charger nine won both games in thrilling fashion. In the victory over Berrian Springs 2-1, it was a Charger run in the bottom of the 7th to win the game. In the championship game it was extra innings before U.C. squeaked out a run in the bottom of the 8th to defeat Michigan Center 3-2 for the regional title.

Although we lost our first game at State, we will always look back and remember that we were in the top 4 in Class C in the State of Michigan.

This year's staff was a great bunch of student's to work with. As a first year Advisor I depended a great deal on their expertise in "teaching me the ropes," helping to ease the panic with deadlines, and just giving moral support. As Editor, Dan Funk handled a lot of responsibility well, Holly Parks always came through in a pinch, and Lisa Johnson would continually help me over the rough spots with typing, doing layout sheets or what ever was needed. All but 3 of the staff are graduating seniors and will be greatly missed for they have done a tremendous job putting your yearbook together.

Quiz Bowl

Sitting (l to r)- Mike Moss, Alan Herman, Jon Hawkins, Danny Smith, and Mark Mathis; standing (l to r)- Kerry Smith, Kris Thornton, Rosemary Johnson, Jeff Silva, Thom Grohalski, George Hudson, and Ace Streeter

Union Citys "A" team was pleased to place first in the Big Eight Quiz Bowl held at Concord High School on February 5.

Members of the winning team were: Thom Grohalski, Ace Streeter, Rosemary Johnson, Jeff Silva, George Hudson, and alternate Kris Thornton.

Members of the "B" team were: Danny Smith, Jon Hawkins, Alan Herman, Mike Moss, Mark Mathis, and alternate Kerry Smith. Advisors for Quiz Bowl are Diane Parkison and Susie Smith.

The Quiz Bowl is based on the General Electric College Bowl of the 70's with the students competing in fast recall of facts in areas such as math, science, language arts, sports, and trivia.

Aunt Cathie's Cat

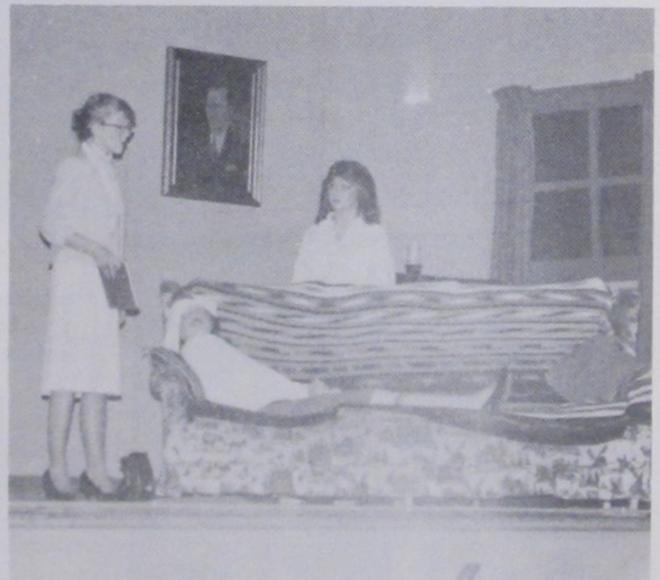

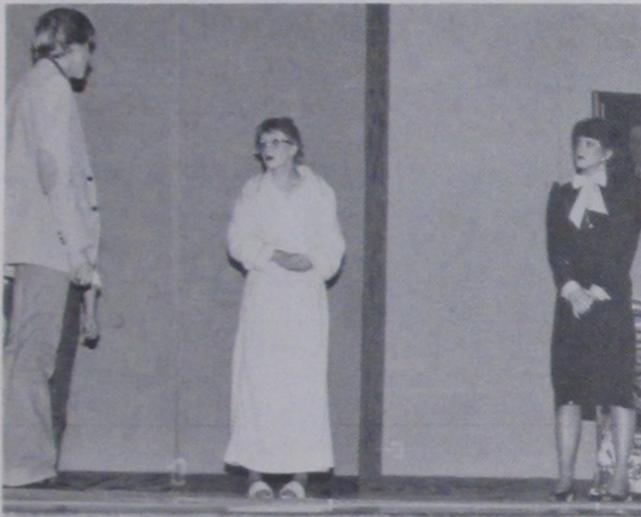

Working with high school students on a school play is quite an experience. They always say "bad practice means a good show" but I really didn't think they would keep doing it that way up until opening night.

We really have a lot of fun and I really encourage students to join in on the fun.
