Jeanne Berg moved to approve the request for leave of absence without pay for October 10-19 with the understanding that this sets no precedence for her or other employees; that the Board recognizes the unusual circumstances earlier in the year due to the illness of her brother; with the understanding that this is not to be routine or necessarily granted in the future and that employee should be encouraged to use vacation time next year. Claire Heinonen seconded. Approved. Jeanne will contact verbally with Sandra Cunningham and Bill Stewart will follow up with written response to the grievance. Personnel committee also reported on the meeting held with representatives of the BDLHEA on September 17, 1992. Copy of the Minutes were provided to Board Members. Further discussion on the interview process followed with the understanding that someone from BDLHEA and the Salaried personnel would be invited to participate in the interview process along with the Personnel Committee.
