Rumsey recommended keeping capital projects all in the Capital Projects Fund and transferring from the General Fund to Capital Fund if needed, which would need Board approval. Library did a good job of staying within the budget. Grant reports were also reviewed. Swanson moved, seconded by Brown to approve Audit. Carried.

NEW BUSINESS

PENDING BUSINESS

2. Merit contract meeting: Sharland reported on a meeting he and Hutchins had attended at Woodlands in which Merit updated the Internet contracts with the participating libraries.

3. Report on LSTA hearing: Sharland reported on a meeting at KCC he and Hutchins had attended. It was a hearing conducted by our new State Librarian, George Needham, who is seeking input on new federal grant proposals. One proposal is for the Library Of Michigan to contract for a statewide on-line periodical base which could be accessed by all libraries in the state at very affordable prices. This proposal appears promising and there was much approval indicated for it.

4. Report on "Kids Can't Wait" meeting: Ashdown reported on the meeting in Flint sponsored by the Michigan Library Assoc. on "Kids Can't Wait". Also attending from Branch County were Christie Kessler, Headstart staff person Patti Walter and Mary Hutchins. Ashdown was particularly impressed by the emphasis on "Success By Six" and "Children With Potential" rather than "Children At Risk". Ashdown wishes to see us do more continuing education on this in cooperation with educational institutions.

5. Report on automation: Bruce Guy will give a report next month. Hutchins had concerns re GTE's poor service on installation scheduling for added Internet modems.

6. Strategic Plan, Part II: Hutchins discussed short and long term plans including possible changes in the physical lay-out of building and departments to be more efficient and useful.

7. Reports from Central and Branch liaisons:

   a. Coldwater Public Library: Swanson reported on the megalethoscope at the Wing House. The Coldwater Board wishes to get copies of donations related to research that the Wing House receives, i.e. family histories. Sculptures, etc. need to be better inventoried and tracked. Brown questioned insurance coverage. The Coldwater Board is discussing insurance on the items they are responsible for. The Coldwater Board plans a luncheon for volunteers.

   b. Bronson: Hutchins reported the Summer Reading preparations are starting.

   c. Quincy: Linda Johnson will be leaving but not sure when. Linda Hudson is helping several hours a week for now to gear up for current projects and make sure the new librarian doesn't inherit a backlog.

   d. Union: The new Branch Clerk, Patricia Kaniewski, is working out great. Patti Walter from Headstart has good ideas and is a possible future Board candidate.

   e. Sherwood: Trying to get Story Time started.

   f. Algansee: Hutchins visited last week.
