c. Coldwater Branch –

d. Coldwater Public Library (Holbrook Heritage Room)
   i. Minutes from July 11, 2011

e. Quincy Branch – no report.

f. Sherwood Branch – Horn reports.
   i. Welcome to Sherwood! We finished up our Sumner Reading Club the end of July. We held the drawing for the prizes the following Thursday. There were 45 people here waiting to see whose name would be drawn. We had some very excited children! We had a basketball hoop & ball; 3 bikes; MP3 player; Leapster & game; digital movie camera; T-shirts and book bags to give away. We also celebrated with homemade vegan ice cream, watermelon sorbet & homemade cupcakes that the kids decorated.
   ii. We have begun our fall cleaning project, which includes washing books; shelf reading; dusting shelves and weeding of books.
   iii. We are also starting a scanning project. I have a wonderful volunteer, Kay Golden, who will be coming in twice a week to scan old photos of Sherwood from a private collection. We are very grateful to Leo Smurr for providing us with the photos to be scanned and for Kay’s hours of service!
   iv. I went to the Village meeting at the beginning of the month to talk to them about a possible expansion project for the Sherwood branch. They are still trying to decide if it is something they want to do. Right now their main concern is the cost of the utilities.

  g. Union Branch – Kaniewski reports.
     i. Nothing but positive comments from the public.
     ii. We average around 100 people on a full day. We are busier than before, on a regular basis.
     iii. Jon Rick has volunteered to help get the books cleaned.
     iv. One young person had mowed the lawn Saturday. We had understood that the Village would be taking care of this. None of the library property was mowed.
     v. We extended the Summer Reading Program for 2 weeks and had a disappointing number finish.
     vi. We gave 4 $15 gift certificate from Taylors; T-Shirts; a bike from McDonalds and an MP3 player
     vii. Craft time was held on the first Saturday. The next one will be held on September 10th.
     viii. August 24th Jon Rick will do a scrapbook session.
ix. Kaniewski asked the Township after 2 weeks of being in the building when the cleaning person would be coming and also asked for paper products, to which she was told that the Township would not be supplying these things any more. Mills will contact Strong about this situation. **Motion made by Frick, supported by Kne, to purchase a vacuum & heavy duty electrical cord for Union Twp. library, from Union Twp. Capital up to $350. Motion carried.**

2. Building Committee: Met August 10, 2011  
   a. Minutes from Building Committee.  
   b. Bob from Willowbrook would like to talk to the building committee about the stairs.  
   c. Reppert – We are concerned about putting money into a building we don’t own and would like to check into the Michigan Foundation Grant Workbook, that lists all of the grant foundations in Michigan and what they are willing to give grants for. We have a historic building and they can and will give money to restore and update historic buildings. We will not be able to get grants to help with operating expenses, but at least this would help. There is someone at KCC who will help with the initial search. The less money that we have to put into the building, the more we can spend on books and operating expenses. Mills will look into it.

3. Ad-Hoc Committee: Did not meet.

4. Personnel Committee: Did not meet.

5. Finance Committee: Met August 15th  
   a. Needs to be rescheduled.
