Committee met to discuss current Code of Conduct Policy and the additional Juvenile Code of Conduct handout. Discussion included having quiet areas vs. children using computers; current Teen area and stairwell noise; layout of building and security. Suggested changing all wording from "children" to "juvenile" on code of conduct policy and to make the code of conduct handout form a compliment to the current policy.

Further discussion dealt with if library has enough space and computers for children and possibility of adding additional computers for Teen area.

Gayle Clover recommended adding something about "weapons not welcome in the library" and suggested contacting attorney about current laws on carrying weapons into libraries and public buildings.
